

THE GALACTIC FEDERATION – ELEMENTAL GRACE ALLIANCE (EGA) PLANET EARTH NUCLEAR AND CHEMICAL AFFAIRS ALLIANCE COUNCIL

01 – ENACA PETITION – ASCENSION FLAME PROGRAM – SERAPIS BEY – 15TH JULY 2019

Dearly Beloved Path Finders, I Am Serapis Bey, and I want to thank you all for allowing Me to return to this Devotional Personalized Expression of God's Love in Action within this Divine Plan. It strikes a Beautiful Chord in My Heart that you are not afraid to extend yourselves beyond the Call of Duty, beyond the ease of finding your own personal comfort, beyond the inter-personal restraints, that continue to be placed upon your Path to eliminate, delete, disconnect or have physically removed off the Path so other Dear Souls can walk this same Path without the struggles, oppositions, forbearance and resistances to overcome the old *'Rites of Passage'*! I place this here to plant a New Seed of Consciousness should you wish to look into further.

This matter of cleaning up the planet of nuclear and chemical manifestations that are harmful to this world and every life stream here continues to be one of those obstacles, that from the perspective of humanity and many other levels of Dimensional Lifestreams remains outside of the clarity for which to find the Solution to this dilemma. And, as has been clearly defined within the Discourses of this Elemental Grace Alliance, that no problem is insurmountable, provided all ego personality is left outside the Door of the Room where such clarity is required.

So once again the EGA is proving to be a formidable, awe-inspiring and venerable challenger against those forces that continue to hold onto their determination and tenacious indignation to remain as the power elite! Your Visions to *'keep on keeping on'* while remaining fully cognizant of the Cosmic Laws that Govern this World and Holding True to the Application of such Laws as this New Alliance Council testifies, is a Credit to all of you!

I Am not going to repeat what I shared with you in My last Discourse regarding the clean-up for all that can be reviewed again and placed before this Council for complete review. And I say this specifically for the Members of the Galactic Federation, so that They may look at this information and share it amongst your Ranking Officers and Colleagues, who may find this interesting and indeed helpful to understand where these Dear Human Soul's are coming from! I have to say that there is a huge difference in the way this unascended Human Alliance Council that is made up of All Spheres of God's Creations and whose history precedes them, in the way they meet such challenges, compared with any other group upon the planet as of this moment in time.

So, as first Speaker here in this Alliance Council, I would invite you all to do your Due Diligence upon this Group of Souls, before you may dismiss any further requests made by them! I tell you from within My Capacity as Chohan of the Forth Ray, They have the

Entire Support of Shamballa, The Hierarchy, Ascended Masters, Archangels, Elemental Directors, Devas and Angelic Host! I can only bring this to your attention, nothing more than that for now!

I wish Dear Hearts to repeat something I shared with you in the first of My Discourses a while ago, it is not long, but it does have far more context to it than simply the Services of Divine Resurrection, Purity and the Immaculate Concept of these subject matters of cleaning up human miscreations and misbeliefs.

“There are many in the Higher Dimensions paying very close attention to this Divine Plan now, and this, as you all were told not so long ago, would set a new precedent for the Sun Council to begin a New Phase of Ascension Programming!

“I say Ascension Programming very specifically, for the Fourth Ray represents the White Flame of Purity, The Resurrection Flame, and that of Immaculate Concept. What better way to set this in motion than to utilize this opportunity whereby, through your own volitions, you choose to offer your Services for the Divine Resurrection, Purity and Immaculate Concept to those of the Elemental Kingdoms.” End Excerpt.

So let's Speak briefly of these 'volitions' again to open you all to even Greater Awareness to raise your own Vibrational Resonances and Light Quotients even further. I Am introducing this to you now so you may, Dear Souls, have another perspective to hold onto as part of this Council Formation and its Disclosures to come!

I wish to speak to you about My Role within the Ascension Temple in Luxor! I have not spoken of this with you before, as the potential had not yet arrived. But as Beloved Master Rakoczy has brought this up just a few days ago, and that your Group is now expanding the Transmission Flame Services, I feel it is a good time! Within the Discourses given to the Bridge of Freedom Classes 1955, I shared this;

“Many, many times have you been hopeful aspirants standing at the door of the Temple at Luxor, holding within the confines of your uncertain consciousness, the energies which were the harvest of your endeavours. More of innocence than wisdom has prompted your desire many times to enter into that Concentrated Flame which has been my honour to guard for thousands of years. It was not without trepidation that I accepted you into the Temple, knowing full well that until the energies of your worlds were free from the pull of the outer world, those energies would return you again to the world of form until the Fires of Invocation would burn to ashes the momentums that had not expended themselves, but rather had lain dormant for a time. Now, you come again, and the door is Wide Open to your Eternal Freedom.

“It is interesting to bring to your attention the service of the Brothers and Sisters of the Ascension Flame so that you may understand something of our Endeavour, and, perchance, cooperate with us.

“In the Fourth Sphere, which is My Privilege and Honour to Guard, dwells the Holy Christ Selves of the Human Race. Here these magnificent God-Free Beings worship together in temples of such magnitude that many millions may gather and send up adoration through song and the spoken word. Here I become well acquainted with the Divine Pattern of every ego who belongs to the evolution presently enjoying progress upon the planet and around it.

“There comes a time in this Sphere, during the long course of Evolution, when the Holy Christ Self of an individual will signify by its auric light, that the ego or personality which it has sustained has attained to a Point of Evolution wherein the Ascension of that ego is a possibility, through the sublimation or transmutation of the outer self. These particular Christ Selves are then drawn together and segregated from the greater mass. They enter into Special Temples, under the Direction of the Angels of the Ascension Flame. Here they receive instruction from those of Us Who Are dedicated to the education of the consciousness in the drawing of the Sacred Fire which makes possible a final Transmutation of Consciousness.

“These Holy Christ Selves abide within these Ascension Temples and in each twelve-month cycle when the Lords of Karma announce in every one of the Seven Spheres how many lifestreams are to be admitted incarnating in the course of that year, it is my opportunity to suggest a certain number from the Ascension Temple who are to join the incarnating egos who will take embodiment within that year. This ensures entrance into the Earth every year of the maximum number of lifestreams who could attain their Freedom with self-conscious endeavour.

“From each of the other Six Spheres, the Chohan in charge draws the lifestreams representative of His Ray. These are all presented to the Lords of Karma in a magnificent ceremony which yet has much of sadness in it because there are so many more APPLICANTS THAN THOSE WHOM IT IS POSSIBLE TO GIVE OPPORTUNITY. The Lords of Karma then must segregate from this number the small few who are offered incarnating privileges, the others returning again to their respective Spheres until the passing of some Soul from the Earth makes room for another incarnation.

“Because of the specific requirements and need of the cosmic hour in which we presently find ourselves, the Cosmic Law has allowed us greater freedom and an entrance into the world of form of larger numbers of applicants who can possibly attain the Ascension at this time than ever before. For the past seventy years, anticipating this cosmic moment, we have availed ourselves of the Leniency of the Law and have not only presented for

approval a greater number of applicants, but have been given larger Grants in getting our Chelas incarnated.

“If man could see how much Energy, how much of time and prayer and application, goes into the drawing from these Inner Spheres of each lifestream who is taken within the compass of our aura before the Lords of Karma in the hope that a flesh body might have allowed them, they would not weary so easily of life or rebel at the opportunity of each day. Worse still, they would not snuff out that life and withdraw themselves from the appearance world.” End Excerpt

Here again We Speak of the Power to which Ascended and unascended Ones alike, if they go through the correct channels and follow the Cosmic Laws of Manifestation, are Permitted Grants, in the form of Dispensations provided they draw unto Themselves the Support of Those who hold the Power to Offer Their Support, Their Love, Their Abilities and Their Resources that They Themselves Sustain, Maintain and Who in a Position of Authoritative Employment, Implementation and in such a Commanding Position to offer as much expediency, practicality and with as much appropriateness as is potentially possible.

I want to tell you Dear Friends, My Ascension Temple is Dedicated and Consecrated to providing an Ascending Current of Energy upon which any unascended human being, when purified enough, can come into the Realm of Perfection to become an Ascended Being.

This current is made up of Actual Living Light Substance Energy, focused through the Minds, Feelings and Bodies of Our Brothers and Sisters of the Ascension Temple, in Adoration, Prayer and Devotion to God. Thus, each Member widens the River of Ascending Energy by His or Her Own personal and collective Participation in All such Services as is being provided here. The Conscious Descent of mankind and the Guardian Spirits into the Earth's Atmosphere was for the Purpose of Magnetizing the Perfection of the Kingdom of Heaven and Moulding that Perfection into the Substance and form of the physical world. Even as the physical Sun “*steps down*” the Radiation of the Central Sun of this System of Worlds, so does every Lifestream given opportunity to Embody upon Earth and Vow, Pledge and Covenant Their Lives to such Service to externalize some portion of the Divine Plan.

Humankind, in general, remains incognizant of this for the reasons of experiencing the human journey, but now We Can Behold that those amongst humanity are Re-Membering and Returning to their God Given Powers.

The Ascension Brotherhood, knowing that sometime, somewhere, each individual must complete its own Cycle of Individualization and Return to Its Source, have kept the Door Open, so that those who exemplify to Complete Their Services to God and Humanity and Qualify for Graduation or to Receive their Light Body, will have Greater Assistance to them to Resurrect Their Own Lives back to the God Self They Are!

Because of the mass accumulation of discordantly-qualified energy filling Earth's atmosphere, still today no unascended being can accomplish this Ascension alone!

Now that the New Living Organisms are making themselves known, where once upon a time Ascension had to wait until the Dear Soul rose above the physical plane, today We are Inviting those ready to make this Transition and come to the Ascension Temple at Luxor! Here, Members of the Ascension Flame will Assist them in rising above the Physical Realm while remaining within the Physical Realm. Thus helping them to Rise upon the Cosmic Tide of the Ascension Flame, into His or Her Rightful Estate in God's Kingdom here upon Earth.

Each such Ascending Lifestream shall then Contribute the Joyous Energies of His or Her Own World to the Ascension Flame, as He or She achieves this final Victory. In this way every Ascension makes Wider, more Joyous, more Powerful and more Buoyant The Ascension Flame and this Flame becomes an Ever-Increasing Assistance to be used by those who follow on into the Ascended Masters' Realm, each in their own Appointed time.

Each Ascension makes it easier for the next Lifestream to avail Itself of the Fully-Gathered Cosmic Momentum of Those who have gone before Them.

Therefore, My Beloved Friends, Brothers and Sisters, Colleagues and Esteemed Council Members here today, or who shall become aware of this New Cosmic Alliance Council in the future, offer your Prayers and Invocations in Love and Blessings of Uplifting Freedom who are already Part of Our Ascension Flame, sustained by the Brotherhoods and Sisterhoods at Luxor. Open your Hearts to these Souls here who have Their own Divine Missions to fulfil!

Beloved Members of this Elemental Grace Alliance, please open your Hearts and the Whole of Your Being to both receive these Prayers and Holy Gifts, so that you too can Radiate Them out to others.

Know that you have Magnetized Unto Yourself the Whole Company of Heaven within this Work you have Vowed to Complete. We Stand and Unite with each of you, in the Oneness of this Mighty Victory.

Finally, not wishing to take up any more time I wish to say I have intentionally not spoken of the clean-up work yet, because as has already been stated by The Great Divine Director in His previous *Discourse 'Evolving Beyond Evolution – The Great Divine Director, 11th July 2019'*;

*“Since the last two Petitions have now been Granted, those of the **Divine Clemency and Divine Amnesty**, that of the two-thirds and one-third cleaning up of the planet, this whole subject matter for the Fukushima calls is already a Mighty Victory, albeit that still*

requires a deeper reflection and Love in Action of the First, Second and Seventh Ray Evocations and Invocations. But nevertheless the Victory Is Assured!" End Excerpt

Your Visions, this Goal, is already Victorious. So, I wish to say to you all here Dear Circles of The Light of the Christ, please Know that you have earned this **'Rite of Passage'**, to come and spend time here with Us, Here within The Ascension Temple at Luxor!

I step back now and look forward to Our next Speaker!

I Am Serapis Bey - Member of the Elemental Grace Alliance Divine Plan!
