

Part 13 - Introduction Alchemy Class

DIVINE ORDER - ST. GERMAIN, 4TH FEBRUARY 2020

INVOCATION: Mighty 'I AM' Christed Presence of the Fire Power! We Honour You and Call Upon You to Come and Take Charge of All That is required to Bring Us Into Alignment with You! Mighty Christed Powers of the 'I AM' Cosmic Lightning White Fire Light, Clear our outer world of All That is not of God. Be Our Governing Power of the Substance of the Atmosphere Surrounding Each and Every One of Us, including All Our Thoughts, Feelings, Words and Physical Places in Which We Live, Move and Breathe and Have Our Being! Purify It All and Let each Element, Dance in Sheer Joy and Delight, Surrounding Us As We Live As the Christed Ones. We Are Here. And We Have Arrived.

St. GERMAIN: Greetings Dear Ones, today We begin to Embrace '*Divine Order*' within one's life. This Divine Virtue, is not a Quality and therefore has a Higher Calling to be Heard, Understood and Implemented into one's life. Just like '*Divine Faith*', which is Equal to All other 10 Divine Virtues, unless Mastered, will prevent anyone moving into their next Levels of Consciousness and thus diminishing the potentials of Be-Coming a Universal Alchemist.

Let Us then, Approach this with a Reverent Silence, with a Divine Awe of Sacred Awareness, that the Spiritual Laws are Governing each person as they become more Dear to All That Is, The One! Realize what folly it is to submit to the false tenants of any educational system. Yet it is equally foolish to deny the inherent Truth and the Tested percepts of academic knowledge. To Know Nature, Know Thyself; but Master the Art of Sacred Synthesis of this, for these exercises being given to you, warrant the '*Justice of Truth*', '*Divine Justice*', Being another Mind Power. This shall Serve to Integrate within the Field of Knowing that Inner Relativity and Cosmic Measurement between Nature and the Self, whose precise Mathematical Ematical Action indicates that as God geometrizes, so man and woman is able systematically to perceive and demonstrate a correlated understanding of the Wonderous Works of God's Hands, minus the fallacious or erroneous wizardry of the carnal bodily mind.

By stripping human thought and feeling vibrations form the Creative Grace Enfolded Within each Atom of the Creation, the Whole Substance of Life Gleams, Purified by Eternal Hands. Now this is as it should be! The grossest error, the most intense suffering, all are caused by an erroneous approach to pure reason. Such is My Intention to provide Pure Reason and to assist in the Applications and Implementations that must follow. So, let Us continue with Pure Reason! We have spoken of Rule 5 of the Conditions of Engagement in My Class and this Divine Virtue is the very foundation of Spring Cleaning your life at the First Opportunity, in a step by step forward movement, until '*Divine Order*' is no longer a focused intention but IS a Presence in your Life that shall go before you as you Lead By Example.

I will keep this in very simple terms today, so none will misunderstand what is being asked of you. Then in the proceeding Discourses, I will expand upon this Reality in other ways that will allow the Higher Consciousness to be in more Expanded States of Mindfulness, Wakefulness, Responsiveness and Knowledge into your life.

Unlike Divine Faith, whose Colour is Royal Blue; the Chakra, the Crown and the Stone Jasper; *'Divine Order'* has Mustard Yellow as its Colour, the Chakra location in the body is the Solar Plexus and the Stone is Sapphire. This is important, for while one can use their Powers of Visualization or Creative Imagination through Faith, Trust and Truth, they can now also physically place their focus upon such physical positions or whereabouts within the body, to aid the Healing Processes with Greater Insight and Application. This is the Premise of the Healing Power Of James Son of Alphaeus - *'Divine Order'*.

When things seem inharmonious and out of Order instead of rushing about frantically trying to make them right in an outer way remind yourself that lack of Order only exists within you through which is expressed outwardly. If you can get your own thoughts, feelings and physical life in all its form orderly, then people, situations and even the Universe about you, will respond in a more orderly fashion. In My Capacity as Shakespeare, in My play *'Troilus and Cressida'* I wrote this about the Divine Virtue and Faculty of Order.

'The Heavens Themselves, the Planets and this Centre, observe degrees, priority and place, insisture, course, proportion and place, office, custom, in all Line of Order'.

When it dawns on you that you have the *'Mind Power of Order'* within you, that you can call upon it to make all things right in your world, this Realization takes away tension, friction or the need to push and force your will to achieve anything you want. As you begin to call on and release your *'Mind Power of Order'* everything in your world will begin to respond. Some departments of your life will react more quickly than others, but if you Decree *'Divine Order'*, somehow it will work in every phase of your world. Since the *'Mind Power of Order'* is located at the navel in the emotional, subconscious area of the body this indicates that Order is first and foremost, an emotional Virtue.

Order works through emotional harmony. Order that is achieved without harmonious and emotional agreement is not order at all. It is conflict and leads not to Order but to confusion! Many physical ailments that people have in the stomach and abdominal region near the navel result from in harmony and lack of Order within their lives which encompasses the entire spectrum of emotional conditions along with their varying degrees.

Developing The Power Of Order

If you have health problems, financial problems, family problems, or suffer from confusion and uncertainty, you can begin clearing them all away by affirming *'Divine Order'* within your life. Start by taking a close look around you. Are your affairs in Order? What about your

relationships, your car, your house, your cupboards and drawers? Have you items hidden away in places you rarely go or just do not want to look at anymore? Do you put things away after you have used them, is everything in its place? What about relationship issues, do you have any aspects of relationship that you hold within your consciousness that you do not wish to address or face within any your relationships, spouse, partner, family, or work? Financially are all your bills paid and up to date. How do you dress? These are just some of the questions you can ask yourself about, when searching for the answer to the level of Orderliness you entertain in your life. Remember that which you are inwardly is expressed through what you are outwardly.

When you release your problems through affirmations *'Divine Order'* radiates its mighty Power into your other Mind Powers located in the 11 vital nerve centres of the body so that wholeness and balance are activated in the mind, emotions and body once again. Just as it is through the nerve centre at the navel that the unborn child receives sustenance from the mother, so it is through this *'Mind Power of Order'* located at the navel that the soul of man, when quickened by the *'Mind Power of Order'*, receives Life Giving Sustenance, Increased Vitality, Energy and Healing Powers.

'Divine Order' is not hard and binding. It expresses itself in Freedom and Joy. One who does not act in Accordance with *'Divine Order'* suffers mentally and physically. Such dammed-up life forces become negative and burn up energy. Negative emotions also prevent the body from renewing and rebuilding itself. To retain animosities of any kind seals up the poisons in the body and these poisons simply multiply.

Accentuate the Positive by Decreeing *'Divine Order'*. This eliminates the negative emotions from mind and body and makes way for miraculous changes to take place! Also, the *'Mind Power of Order'* working in the subconsciousness unearths buried talents, reveals hidden Powers and Opens the Way for their Creative and Imaginative Expression. The *'Mind Power of Order'* Co-ordinates All the Mind Powers so that New Inspirations may spring forth and find unhindered recognition in the conscious mind. Order releases the overcoming power of man. You can overcome much in life that challenges you just by affirming that you have *'Divine Order'* in your life. Look upon your instincts to tidy up your affairs, spring clean the house, throw out or sell unused or unwanted items within the house. As they clutter so the reflections imply your life is cluttered. You have the choice; you have the free will to decide how your life is expressed.

'Affirming Order' releases aspects to work in the subconscious areas of the body where they eliminate those which are weak and negative. Then a yoking and pulling together of all your Mind Powers take place so that both soul and body are uplifted, healed and united as one. By deliberately developing your *'Mind Power of Order'* you discover it to be a faculty that moves the machinery of mind, body and affairs more perfectly, scientifically, harmoniously and skilful than the most effective stage manager handles a play.

Prayer, meditation and affirmation quicken the centre of Order in the body of man, located at the nerve centre back of the navel. *'Divine Order'* then wields and radiates its mighty Power into the other faculties and sets them into sustained activity so that harmony and wholeness are the natural result in man's mind, body and affairs. Through developing the *'Mind Power of Order'* the greatness of both soul and body is demonstrated. Affirm often that your 'house' (*state of mind*) is in Order and all the forces of your being are working to Glorify the Good and well-being within your life.

There is a Law of Spiritual and mental growth constantly at Work in your mind. You are not liberated from all your problems by a sudden, violent overcoming, but by a steady *'step-by-step'* unfoldment of Order in mind and body. The Forces of Divine Intelligence located in the Christ Mind at the crown of the head are so intense and powerful that the outer consciousness cannot stand the full current all at once. If this Dynamic Energy were instantly poured forth from the crown of the head into the entire body its current would be so strong that it would destroy the organism!

Through the more gradual, evolutionary adjustment of natural man and woman, this mighty current not only preserves but raises up the substance and life of your organism naturally and normally. This is the work of your Healing Power of *'Divine Order'* as it unfolds within you gradually, but thoroughly for the Highest Good of All Concerned.

Man is a Powerhouse, generating and giving forth energies at all times. Dwelling on *'Order'* releases these energies in a constructive way. As you begin developing your *'Mind Power of Order'* you will come into a New State of Thought and action and find yourself doing many things differently because the Orderly Mind Power that directs the Universe is now working through you. A harmonious relationship will be established in all aspects of your life. Whatever there was in mind, body or affairs that was out of harmony will easily be adjusted as you Open the Way in your mind for the manifestation of Divine Order.

As you affirm *'Divine Order'* for Healing in the body your taste for foods will probably change. You will desire the purest and best foods that are conducive to good health. People who are trying to lose weight or to stop smoking or drinking, should affirm *'Divine Order'*. They will then find their false appetites disappearing and their health problems along with them. As long as you believe in the slow processes of what are called *'natural'* you place yourself under a Law of Slowness. But if you begin anew and affirm *'Divine Order'* you will find yourself operating under a different higher and what can be an instantaneous New Law.

If there is a tendency to hurry, stop and affirm *'Divine Order'*. Rest yourself in its poise. There is no need to hurry for hurrying is to force your will. You are Living in Eternity now and for always. This means that time has no bearing on anything. It appears to because that is what you have been led to believe in the past, but now you know that time serves no purpose other than to learn. And this is the place, you yourselves in this Class are at this time. Still learning

relates to time and when the learning stops and the 12 Divine Virtues have been brought to balance in the 4 lower bodies, time and space will cease to be. Hence the subject matter of Time-Binding and Contraction that Lord Melchizedek has spoken of! We are in a place of both Time-Binding and Time-Contraction now as Jesus has told you!

Your reality here and now is however, that we have already achieved all our goals and already stand back within the Realms of the God 'I AM' and the All That Is The Greater Whole. If you have been disorderly and indefinite put yourself at once under the decree of '*Divine Order*' and the same Law that keeps the Stars operating harmoniously will begin working within and through your life and affairs, making all things balance perfectly. You make living cells through the power of your thought. Orderly thoughts make Orderly cells. The mind draws upon the vital forces and according to one's thoughts alters the tissues of the body. You constantly tear down or build up your health according to the nature of your thinking.

Get your mind into '*Divine Order*' and a Mighty Mind Force will begin to work for you immediately. This '*Divine Order*' is necessary for the building up of both mind and body. '*Divine Order*' is a vigorous stimulant. It uplifts the whole consciousness, revitalising the organs and giving you courage and endurance. It also tends to make you Supersensitive to the Divine Healing currents! As this happens be on the alert to see harmony everywhere. Do not magnify seeming differences. Do not give your attention to pettiness in people or situations, but continually declare Universal Harmony. Declare '*I am in the right relationship with all people and all situations now*'. This will ensure Perfect and '*Divine Order*' and wholeness of mind, body and Spirit.

As you daily affirm '*Divine Order*' you will begin to see the fruitful results made apparent by the mental currents that you set up about you. You may not be able to point out just how each decree brought an effect, but as the weeks and months go by you will gradually observe the various changes that are taking place in your mind, body and affairs. You will find that your outlook on life has been transformed into a bigger, more worthwhile world!

Your mind will become more alert, your body more vital and you will be free from inharmonious situations and weaknesses. You will no longer be fearful, squandering your time and energy away on little things. You will become aware that there is a Divine Hand Guiding the Universe and Security will extend to your health and affairs, as you no longer will worry about them. There will be an absence of prejudice and fault finding in you.

You will make lesser and lesser judgements or criticisms of your fellow men. You will be more generous and others will respond by being more generous toward you. Things will come your way, which previously seemed withheld away from you.

Not only will these vast improvements show forth in your particular life and affairs, but also you will observe its quiet effect upon those about you. They will become happier, more harmonious and healthier in mind and body. It is then that you will know the Miracles that

are yours for the Accepting. The Power that has been released in those two Heavenly Words '*Divine Order*'.

In your affairs when there is a need for inspiration, continual adjustment, increasing prosperity, spiritual discernment or harmony meditating on '*Divine Order*' is the answer. It also means Right Relations with your family, friends and co-workers. When the demands become too great and the tension mounts you will be shown how to free yourself of all that is unnecessary with these words. Write '*DIVINE ORDER*' in big bold letters and put it on your desk. Subconsciously the Message will come across and takes its rightful place.

One of the highest forms of prayer is to Give Thanks for '*Divine Order*' in your mind, body and affairs, whether it seems to be there or not. As you begin to call on Order you will find yourself getting into the stream of '*Divine Order*'. First you will get a sense of peace, power, control of your mind and emotions. You will then begin to feel better mentally, emotionally, physically and spiritually. Situations may still seem to be lingering but they no longer overwhelm you. This is a good sign of Successful Application and persistent Conscious Interaction.

Next you will find yourself feeling compelled to do things in an outer way that will put your affairs in Order. You may feel like cleaning house or setting up a new bookkeeping system in your financial affairs. You may get busy in an outer way on previously contemplated tasks or unfinished projects. Suddenly you will know what to do and will sail forth in eager anticipation to complete it.

'NEVER TRY TO CONTROL, SIMPLY BE IN CONTROL'.

One of the finest ways you can help others is by decreeing '*Divine Order*' for them according to God's Will and not through your own ego's will, i.e. materialism or logic.

'First one must empty out the old, before they can make room for the New. To blend the New with the old, will only create confusion, frustration, blockages and further resistances in your life'.
