

14 – ENACA PETITION – TRUST MUST BE EARNED – LADY PORTIA, 9TH AUGUST 2019

It is with Great Joy and Infinite Light that I come to you today to discuss the matters at hand. Honoured Members of this Alliance, Brothers and Sisters of God's Gracious Life, I come to bring to you the extreme Gratitude of the Karmic Board. As the Great Board meets on your behalves, One and All, in the Halls of Karma, We Give Witness and Appreciation for the most wonderful and expanded presentations shared within this Petition. The results of Your earnest and good endeavours proving that unascended lifestreams, while still within the confinements of human creations can indeed extend themselves far beyond the limitations of old fixed mental thoughtforms. This allows for the continued changes for and on behalf of humanity, not only here on Earth, but far beyond into the destinies of many billions of lifestreams at Inner and outer levels of Human Evolution; well into the Outer Extremes of other Galaxies and Universes with Whom are working out through the Wheels of Karma.

This Petition for New Grants and Dispensations offer far Greater Spiritual Opportunities in the shortest times possible. This New Golden Age is one of Opportunity, which, it is My Privilege and Honour to Represent Cosmically in this Great World Scheme.

Dear Brothers and Sisters of Earth, and Those within the Galactic Realms, have you thought that, while you are living your lives with Conscious Intelligence in any Sphere of Ray Consciousness, while you use this life, ***You Have Opportunity In That Sphere, indeed in any life experience.*** The moment you relinquish consciousness and self-conscious being in any sphere of life you lose opportunity to further function there. So avail yourselves, Dear Hearts, while you are still in this physical appearance world (*the place of greatest need in all our Solar System and beyond*), of the Opportunity that is yours. You have this Opportunity because you are part of the physical, mental, emotional and etheric world through which We are Endeavouring to pour the Sacred Love of the Sacred Fire for Redemption's sake of all Life Streams that exist herein!

How many times before the Karmic Board have We had a Soul/s plead for Opportunity to return to this Earth which seems so distasteful, so unpleasant and so difficult in which to abide time and time again? Yet when those Dear Souls have once relinquished the Earth body and sees what they might have done with their Use of Light, Substance, Energy and the Opportunities that were at hand in the course of that Earth life; ***Sometimes those Souls Have Had To Be Forcibly Restrained From A Frenzied Endeavour To Get Back Into Embodiment And Make Things Right after this Self-Realization has been Qualified with Higher Truth.*** While you have the Opportunity on Earth, Opportunity in your family life, Opportunity in your business world, Opportunity in your Group Activity,

to make things right with each other, make the path easier for each other and to make it more possible to reach each man and woman to fulfil their Mission, *In The Name Of Your Soul, I Implore You, To Do All That That Opportunity Affords You For Your Own Peace Of Mind And Heart*. Any missed Opportunities that are presented to you can only mean one thing; a delayed Evolution upon your own Ascension Program.

Many a regretful and guilty tear has been shed; many have experienced the feelings of such deep remorse that has risen within the Soul, when Opportunity to be in Service has been allowed to slide down that old slippery slope! In your Earth plane, there are those you have either neglected or ignored and who are no longer with you. How often you have wished that you had Opportunity, to again do for that which may appear such little things that would have made life easier, to have said the kind words, to have given the encouragement, to have provided some comfort, perhaps of a small nature, that would have given a Loved one an easier pathway through the world of form. Of all sad words of tongue and pen, the saddest of all is, *“it might have been, it could have been different”*.

Yet here I AM speaking to, not individuals within the course of a normal human experience, but one's who have made some serious Pledges and Covenants with Their own I Am Presence. Ones, who through tremendous efforts of integration of what they have studied and magnetized to themselves, and who with their own Knowledge and experience of the Cosmic Laws, endure to find the resistances in their lives that continues to delay natural progressions, were all Opportunities seen acknowledged and acted upon to the most finite degree, found completion.

I share this with you Dear Souls because I feel that there remains some misunderstanding of the Dispensation Granted to the SOEPC called the *‘Divine Amnesty Dispensation’*, where you as Human Delegates on Behalf of the Godhead have Accepted in Accordance to Cosmic Law, Responsibility to Act upon *one-third* of the Work to clean-up and rebalance the Planet Earth as it moves closer to Its next Evolutionary Curve; that of a *“Time -Contraction Event”*.

In Beloved Micah's Discourse with you; *Part 1 - The Mapping of Consciousness - Micah The Great Cosmic Angel, 16th June 2019*, He said:

“The New Dispensation of Divine Clemency is one thing, but to immediately take it to the next Level is quite another. For it was never really considered by Us, as to how humanity would ever interpret just what this removal of two-thirds of all discord and inharmony within humanity would mean to them, or how it would play out. How would

humanity determine the difference between what the Hierarchy and Masters would Work upon and what the one-third that was left to humanity and what that would look like to them; that is to you, Dear Hearts?”

And;

“You as unascended humanity, through Cosmic Law, must now follow our Decrees and Invocations to honour your Part, one-third Part, by not only being Granted the Dispensation that relates to your Responsibilities, That of the Divine Amnesty Dispensation and then Step into your Divine Heritage as A Christ Being, to fulfil your Obligations.

It is not about the separation of what the Work entails, but who comes to join Us in the Higher Realms. Two-Thirds Masters and Higher Intelligences and One-third Humanity in their Mastery!

This Discourse the Mapping of Consciousness is the Conscious Patterning of no longer looking at yourselves as unascended human beings, but Ascended Masters. And that has begun through the Actions of a minority to expand exponentially now.”

You see Dear Ones, on one hand We have not fully explained all this to you, and for that you cannot be held totally responsible for your failures to complete the tasks of Opportunities placed before you. For while you remain outside of any Pure connections with your ‘I AM’ Presence this will continue to diffuse your Inner and indeed your outer Focus and Discipline to anything deemed to be an Opportunity that is presented to you.

My Beloved St Germain explained all this to you before you Accepted the Opportunity to complete the IAMEGA Class, in fact He went to great length to provide all that you would need to fulfil this Opportunity and to make this Experience a solid Foundation from which to raise your Consciousness, your Vibrational Frequencies, Your Light Quotient and if I may say your Self Esteem. In His detailed explanation He actually told you what the **one-third Responsibility** would entail, but not in so many words! Free Will must still be Honoured and so as a designated Individual task We must also Honour the Laws of Resonance which has an Obligation that **‘Trust must be Earned’**. He Said in the Discourse; *Part 8 - St Germain Discourse – Design Template For ‘IAMEGA’ Class 1st December 2018;*

“The other things I wish to share at this time, is that all We ask of you at this stage is to Give your ‘I Am’ Presence your undivided attention just 10 minutes three times a day! Increment this to half an hour and hopefully by the end of the 33 Discourses Study Class you will be standing in your ‘I AM’ for around 6 hours of your day! You

still need to rest, go about your everyday Work and indeed play!! So begin to look at this situation not as a duty or an obligation or task, but as a pleasure, delight, relaxation, fun and most of all a New Natural Peaceful Way of Being.”

This 6 hours per day **‘Standing in The Presence of Your I AM Presence’**, in the Great Silence, outside of your unascended state of consciousness is deemed by Us to be one-third of your Responsibilities that you have now Accepted and Covenanted to do! This test, or experiment has given rise to the fact this Grant for the Divine Amnesty Dispensation having been Granted, based on Attainments achieved to previous Opportunities, must now be examined further. Look at this in this way Dear Hearts. Imagine that you are a gold prospector, you go to work every day and divine for gold, you find your nuggets, all of different shapes and sizes, the smaller ones, you choose to cash in for the benefit of the rewards they may bring, but because the bigger ones look so beautiful and make you feel enlightened having found such a delightful thing you choose to place it in your safe. Afraid someone else may steal it, or when you feel a little down take it out of the safe to hold it and feel its beauty again until you are ready to hide it away again for a rainy day!

Think about the Dispensations that you have been Granted like **‘Gold Nuggets’**! But do not see them as treasures to hide away until a rainy day. Cash them in Dear Hearts and benefit from the Beauty they can bring to All not just yourself when it benefits you. Your nuggets like everything else in life do belong to any single person or group, they belong to God and that means are there for the benefit of All. The problem is, most **‘Big Nuggets’** remain undetected as yet and only those with specialized equipment can find them out! Only those who follow Cosmic Law will ever find them and be able to share them with All.

Beloved Ones, **TODAY is Another Day** of Opportunity! Today **YOU** have a beating Heart, Beautiful Primal Life That Is being given to you. You awaken each day with new life because each day brings you New and Higher Understanding. You have enough Knowledge of the Law as We individually have been able to give to you, and each of you have certain momentums of Great and Wonderful Good To God and Life, in your Causal body; certain Understanding, certain Substance for the Glory of this New World, and certain Momentums of Opportunity to Find the **‘Bigger Nuggets’** for this 7th Golden Age of Ceremony, Transformation and the Use of the Sacred White Fire Substance of the Electronic Belt.

You have Opportunity without limit to Assist in the Cosmic Momentum of each hour. Mankind always seems to look either backward into the glorious yesterday or forward into the shining tomorrow. They say *“if I had lived in that era when that Dispensation*

of Jesus Christ was coming to its height, I would have made things easier for that family” or they look forward into the tomorrow and say, “when I have developed and matured my consciousness and placed my world in order and when I have done one thing or another, then I shall consecrate the balance of my life to God.”

Yesterday is gone and most of you, who have lived in the yesterday, repeat the patterns again today. Tomorrow often never comes. The eternal now is that which is at hand, that which is Yours to Serve as the ‘I AM’ Presence through the Application of Your Life. ***Now Is The Opportunity That Stands Before You.*** “*You have come in, in many disguises, not always blazing Your Light; only vibration apprises what’s to be done that is right*”. Do you understand? 6 hours a day with your Full Light Blazing will place you within the Ascended Masters Octaves to Work Beside Us in your Full Ascended State of Divine Consciousness Activity and Authority. 6 hours of your daily activity will, in no time at all, turn into 24 hours of every day beyond all human limitations and old patterning consciousness.

Be Alert For Opportunity. Opportunity knocks at your door to help your fellow Brother and Sister, to help mankind at large, to help My Beloved Saint Germain in this Great Endeavour which has occupied His Heart, His Spirit and His Prayers for countless centuries. Each day is filled with the Gifts of Opportunity and Opportunity shall ever remain in this Universe. But the Bigger Ones need a more Disciplined Lifestyle. There is always opportunity for a beating Heart to progress to Fulfilment. There was never a consciousness, when it voluntarily desires within itself to go forward, who is not given Full Opportunity for that progress.

Beloved Ones remember the Law of Cosmic Justice, is that no Soul can be denied Opportunity ***When That Soul Asks For It!*** No unascended group of lifestreams can be denied any Opportunity to render any Service *(even the seemingly most fantastic)*, ***If They Ask For It.*** We have given you Opportunity and you have Accepted it. The Service which has been rendered to both those who have passed through the change called death, passed through the challenges of life to place them before their own ‘I AM’ Presence, as well as those who are coming into embodiment, is the proof of what Opportunity can do when it is Accepted in a firm hand-clasp of Divine Obedience to Their Own ‘I AM’ Presence and Those of the Higher Realms in Brotherhood and Sisterhood.

Remember! I Give you Opportunity when first your consciousness returns each morning after your nightly sleep. When you feel your beating Heart, say out loud, “*Opportunity*

is with me today and for ever”, then go and follow the Opportunities you have in hand, and the next will arrive at your doorstep.

Dear Brothers and Sisters, We the Karmic Board of Directors presently conclude that while We feel that the Purity of Intentions thus declared on Behalf of the Sun Of Even Pressure Council are Genuine in Heart and Mind, We cannot accept that the Application to Life is congruent to those Intentions. The result of the IAMEGA Class Activity, where only a small percentage of the Class Members reached the designated Goal of Beloved St Germain, that of 6 hours a day Standing within the ‘I Am’ Presence, a target that He felt was absolutely achievable given the SOEPC Group attainments to date, We cannot Grant any of the Petitions held within this single presentation.

We therefore reluctantly ask you to return to us after you have given further due diligence to each Petition individually.

To assist you further however, We wish to say to you, the 13th Discourse created by Your Dear Brother, does depict the attributes and positives of why We should Grant these Petitions. This Discourse actually defines very clearly that you know what to do and why We cannot Grant these Petitions. So it should not be a disappointment, for in Truth you in your own words as a Group already knew the outcome!

What We will also say, is that several of these Petitions have been requested by the Hierarchy Themselves through the Elemental Grace Alliance, but these too We must decline temporarily as there has been no definite security within the unascended Delegates to warrant the Granting. As you have been told Dear Hearts, All Grants must be secured with sufficient Magnetization for those upon the ground to Work Diligently and Effectively with the Hierarchy. We invite you to return to the Pallas Athena Discourses that give rise to these specifics.

Brother Jesus said,

*“I AM’ pleading with you today; for if you step forward and do this, there can come such an Expansion of the Light for you and such Blessings to your Nation and World as shall cause the people of the Land to know that the Day of Miracles is not past and Will Never end. You can be the Miracle Presence, My Dear Ones, of Healing to your fellowman. You can be the Miracle Presence of the Illumination that consumes the darkness. **You Can Be the Miracle Presence of Our Consciousness to Life, and you Can Be the Miracle Presence that brings Light everywhere the darkness has ever attempted to come forth. You have Full Authority; you have Full Power; you have the Understanding. May I Say, you have the Responsibility, and the Duty is clearly outlined before you.”***

“You owe a Duty to Life! After Life has given you this much Freedom, after the Love of the Mighty Saint Germain and Others of the Ascended Host have drawn you this far in the Light and Given you these Blessings from Our Octave, then you have a Duty to the rest of the Universe to Expand that Light within yourselves, until you are the Magnet that draws the rest of mankind out of the shadows in which there is only distress. If Our Love has Drawn you into the Light, then one day your Love must draw the rest of Life out of the shadows, until all Life turns again to the Ascended Host and Knows that they are the Elder Brothers, the Teachers, and the Great Presence of God, Ever Raising all into the Glory and Perfection of the Ascension into the Mighty ‘I AM’ Presence.” End Excerpt.

I wish to leave you with this Excerpt from Mother Mary’s Discourse;

“So if Perfection is going to live in you; if Perfection is going to be in the World around you, then that Heart Flame of Sacred Fire Love from the Angels of the Sacred Fire, as well as the Ascended Host, many of whom are those Angels, that must live in you. The Sacred Fire of the Angels of Sacred Fire Love must come into you. And as It enters into you and makes you feel Its Peace, Its Purity, and Its Love, and Its Almighty Power, that which has been an obstruction to the Perfection you desire, you will find has been dissolved and consumed. The Fulfilment of the Divine Plan begins to manifest in the physical World around you because the Life of the Angels of Sacred Fire Love has come to Earth to produce It. Once you understand how Great is this Power, you will come and dwell in the Powerhouse of Life, the Powerhouse of your Beloved ‘I AM’ Presence, the Powerhouse of the Ascended Masters’ Great Temples of the Sacred Fire, all of which are the Concentration of the Sacred Fire Love from the Great Central Sun. That Love contains Every Quality, Every Power to produce Perfect Manifestation, make It Immortal, compel Its Expansion, Protect It without limit, and send forth Its Beauty, Its Blessing, Its Power, and Its Perfection, Its Happiness and Peace for Eternity, to every particle of Life. To become that and use that Power in this World while you are yet unascended is that which We are trying to bring to the ‘I AM’ Presence for use now, because your Nation, your World needs It.” End Excerpt.

We look forward to your return to Us at your convenience.

Remember what Beloved Jesus said to you?

“If you are as determined to have your Freedom as ‘I AM to Give It; you’ll have It!”

‘I AM’ The Goddess of Justice and of Opportunity at Your Service.

‘I AM’ Chohan Lady Portia. And So It Is!
