'I AM' The Heart of This One World Nation'!

Maha Chohan: Beloved Spirits of Immortal Truth, I wish to begin this Series of Discourses with a little background information for the benefit of those Dear Souls who will be Magnetized to the 'I AM' One World Nation, even if it is by notion at first, so they may receive the feeling of why this New World Nation Idea has been placed in a Divine Plan to make manifest. For without some sort of explanation many will come, and not feel moved enough to make the changes within their lives that such a Mighty Opportunity is Offering them here. Many who may come will have no conceptualization of what a One World Nation means and therefore will only see this potential as a dream for others to make manifest sometime in the future.

The Truth is that Dream is now a Reality, Thanks to the Efforts of so many New World Servers Now United and Uniting within a much more cohesive way! It is for this reason that the New Symbolic Gesture of a Simple 'I AM' One World Nation Flag was Born and WILL Be Used to Fortify this Creative Endeavour, in a most worldly and unpretentious way. A Symbol of the Presence of God, The Creator's Freedom, Liberty and Abundance for all. All without a single word being spoken!

"That is impossible", you will hear people say! So many will deny this potential and cast it away with the back of their hands, without a second thought. However, if any of these Dear Hearts would take just a moment to *'Feel'* into this Simple, yet Auspicious Flag; this, Golden Mean Ratio - Turquoise and White Piece of Cloth, Flying in the wind, stationary upon a wall, hidden in a cupboard and even held within a bag within the hands of its Guardian; they will Feel Something, never before Felt within the history of mankind's manifestation of churches, hospitals, schools, towns, cities or civilizations, from a Flag, that will, when embraced consciously or unconsciously, with eyes seen or Unseen, will find something quite profound happen within their Soul Connection with their human presence at a Monadic Level.

This Opportunity to Unite Mankind and the Whole of the Human Race has come from a Divine Inspiration through unascended beings, who through their own Volitions have Seen through the Eyes of God, that nothing is ever what it seems here upon Earth. So, if you have found your way to read or listen to this Discourse, please Understand that in one way or another your Presence here has been Divinely Orchestrated, to see, hear and feel the Power of Influence, that a single thought can make, when made Manifest in Accordance with God's Will and Cosmic Law. Nothing is impossible to God, and therefore nothing is impossible to mankind, when Creatively Expressed through the 'I AM' Presence and through the Cosmic Laws of Divine Precipitation. I will get into this further, as We Unite Together in this brief Treatise on Why the **'I AM' One World Nation Flag** expands!

For those who do not know Me or have never heard of Me I will begin with a brief description of My Authority, Office and Divine God Qualities for the Administration, Support and Guidance of not only Humanity and the Earth as a Whole, but also All Elementals, Devas and Angelic Host, Who Are Responsible for ANY physical and Invisible manifestation here in this Solar System.

Beloved Spirits of Immortal Truth, I Am the 4th Maha Chohan since the Beginning of human embodiment upon the Planet, and I have come Accompanied by My Beloved Divine Consort Lady Pallas Athena. 'I AM' the Representative of the Holy Spirit Comfort Flame and 'I AM' the Over Lighting Chohan of All Seven Chohans of the Seven Rays, along with the 5 Secret Rays. My Qualities are Power, Love, Wisdom, Purity, Healing, Service, Freedom and much more! 'I AM' the Over Lighting Director of the Entire Elemental Kingdoms; and it is My Authority that Shines upon All manifestations in Nature. I Draw and Supply the Energy Used in all Nature and by mankind. I Also Magnetize the Radiation and Power from the Solar Sun, while I Administer In Service the various forms of culture and civilizations through the minds of

embodied individuals, so they may unfold and develop According with God's Divine Plan. In All Faith and Trust, you can now begin to Accept and Understand that by My *'Forcefield'*, My *'Essence'* and *'Pressure of Radiation'*, Being here to Speak with you again now, is My Endorsement for this Divine Plan for the **'I AM' One World Nation and Flag** equally.

So why have I Addressed you all again today as I have done in the past, as Beloved Spirits of Immortal Truth? I Address you thus, because each one of you is a ***'Spirit of Truth in Essence'***, because Only Truth Lives Eternally, and the very fact that your Presence in the Universe has been Guaranteed Immortality, Signifies to Life, that is all Life including every man, woman and child, Elemental, Deva and Angelic Host, are a ***Spirit of Truth***. That with which *'you'* have consciously clothed this *'Essence'*, may be less than Truth, but in a flash, in the Flame of Purification, the accretions of the ages can become ash, and the Divine Image in which you were Created from the Bosom of the Eternal Father's Light and Mother's Love can Stand Revealed.

In a Discourse given to the EGA *'9 Introduction Alchemy Class Born of the Virgin Of Christ St. Germain 20200131'*,

Lord Melchizedek said this that will help you to reflect upon the place where so many Dear Humans Souls remain today. Yet, within each one you can, if given True Contemplation of this Truth, ***Rise Up in The Name of God*** and do anything in your Life that your Holy Desire wishes. He Said this about human characteristics;

"Of myself I am nothing. Of myself I can do nothing'. This I speak of the present 'self' that I seem to be. I am in resignation of this Truth. I concede, and wave the white flag. Of myself I can do nothing.

"Then pull the flag back and say:

"However, ... because there is always a 'however'.

"However, God in Me can do Everything. Christ in Me can do Everything. The Grand Cosmic Being hidden for too long within my consciousness can do everything. And my journey ... and I say to the world – Do not dare to distract me, because I have Friends Upstairs." End Excerpt.

We, Dear Hearts, Are Your Friends Upstairs, figuratively Speaking. We Are The Ones Who Will Be Coming to Walk amongst you Within the New Radiation Temples just as soon as they are made manifest upon the Earth, all around the Earth! No longer will the Etheric Temples Be Etheric, no longer shall the Etheric Cities remain Etheric. And that is why We are eager Now, to see each of you as the Flagpole that will Fly the Banners of the **New 'I AM' One World Nation** where your New Lives Will be the Winds that shall Fly This Truth of the Presence of God Life within your Everyday Lives.

Imagine for a moment that there is a flag-pole tall and strong with a flag attached to it. What is on the flag is of no consequence for the moment! The flag blows in the wind, fluttering

away. It follows the prevailing wind, sometime to the south, sometimes to the north and at other times to the east and west. Its form takes on that which the strength of the wind induces. Full flight is a strong firm wind, a flickering of form is a breeze. But this flag cannot stand the course of time, eventually it shows signs of wear and tear and will eventually become thread bare and disintegrate.

On the other hand, we have the mast itself. Strong and rigid, firm in its form and it remains in position and focused no matter what the prevailing wind. It's all roundedness creates little resistance to all weathers, even hurricanes and storms. It may sway a little, but in general it remains firmly rooted to the ground, stands pointing upwards with a determination to support all flags of all types in all wind directions and intensities.

What if the **New 'I AM' One World Nation** was not to become the Flag but rather the Flagpole! For while one remains the flag, you shall be susceptible to the directions of the winds that blow against you! The winds of change will take many decades, even centuries, but if mankind can become the **Flagpole that Flies the Truth, Love, Power and Wisdom** of the **New Flag of the 'I AM' One World Nation, The Insignia of Its Reality**; The Love, Wisdom and Power and Its Rightful Use and Applications to All God Life, how quickly the world will change! Being the Flagpole Flying the Flag, for change means that you will eventually penetrate through the astral and psychic plane and penetrate through the 9th Dimensional Realms, into the Higher Realms, just as Jesus the Christ Achieved in His Ascension. This, Dear hearts is about following the Christ in His Footsteps and not being limited by the 9th Dimensional Realms of Higher Mind. Today the Ascension is possible to the masses in a more balanced state of Higher Mind and Higher Heart! This is the Promise of the **'I AM' One World Nation and the 'True Constitution'**, that this New Flag, shall bear Witness!

We will speak more of this Flag in due course, but for now to close this First Discourse I wish to share this Introduction That the Angelic Host, in One Voice, made to the Elemental Grace Alliance Council, at the Inauguration of the Inception of this Divine Plan on June 5th, 2015.

Think deeply upon these words for they will both astound and Inspire you, hopefully to New Heights of Conscious Awareness that is now expanding a Cross the Event Horizons to offer New Perspectives of mankind, for Knowing where they have come from, so they can now become aware of where they are going! So much information is not within the hands of the general populace and that is about the change, the course of human history, and this **'Flag'** shall be the **'Landmark'** that begins this Mighty Endeavour for the Mass Ascension of Humanity to Re-Establish, Regenerate and Rejuvenate Their Divine Sovereignty in the Truth of Who They Truly Are! I will return tomorrow, I Am, The Maha Chohan, In your Service To Love!

'The God Awakening Book - 07 - Introduction - Elemental Grace Alliance Discourses - Angelic Host, 5th June, 2015'.

“We are the Angelic Host, The Angel and The Devic Kingdoms; The Third Group of Beings Who entered the Earth’s Evolutionary Plan set up and executed by the Elohim, through Helios and Vesta, Alpha and Omega. Humans and The Elementals were the other two Groups and each of Us have held a very particular Fiat from God from its inaugurational beginning with the 1st Root Race. It Is the Angelic Host that has surrounded Earth and humanity with All the Light and Love Attributes and Virtues of the Prime Creator, imbuing each and every human Heart and Soul at every stage of their progression through their Spiritual growth and development.

“The Elementals are the Builders of Form Who provide all the material requirements that are needed to sustain life and all the abundance of support in its myriad of forms for The Expression of God through those forms. This included the very physical bodies of humanity; for without The Elemental Realms not a single Atom within mankind would be made manifest. It is humanity who was to forget their connection to God and through their own free will would find their way Home.

“This was the hardest Role of All To Play. It is said that this was to be an experiment, that would provide a new set of experiences for God to Know Him/Her Self-better; it was to see if a physical life form i.e., human beings, could create Heaven on Earth ascending with their physical bodies intact. We have come to believe that it is indeed far more profound in potentials of thought and deed than was ever expected. Each Group was to provide everything to necessitate the completion of the Original Idea of Earth’s Evolutionary Vision. But it would only ever succeed if We All Worked Together in Unity Consciousness.

“So, when humanity fell deeper into the illusion of their Fall from Grace, Our Holy Trinity began to oscillate and the Divine Axis upon which it began, shifted into unknown and unfamiliar physical, emotional, mental, Spiritual and etheric territory to the point that We and The Elementals lost all hope for humanity. We had spent millions of Earth years Honouring Our Charters with humanity and God only to find at the last hurdle all We could do was to abandon humanity and Earth and leave them to self-destruct. Yes, We too have felt the pain and suffering, distortion and de-figuration, the degradation and pollution that humanity has both consciously and unconsciously enforced upon Us. The activation of the Atomic weapons was indeed the straw that broke the camel’s back!

“We could bare it no longer for We believed that Our Own Evolutionary Path was at risk. No-one could have ever known just how far humanity would fall, due to their loss of memory and/or arrogance toward Their Own God Self! Here within this Elemental Grace Alliance Council, We All sit within an Open Consciousness Together once again, in Honour of Archangel Michael and His unyielding Love and Dedication. It is such a Joy that fills Our Hearts to overflowing. Bless All Who could see the Bigger Picture and Who have maintained The Purity of the Original Vision fully intact. Ever since Archangel Michael called Us back to Earth after Our choice to Leave We have seen a renewed Vision that has reinforced all that We first believed in. Here in this Temple of Grace, around this Table of Light, We once again feel the

Faith, Trust and an even Greater Rejuvenation and Regeneration of Hope that is a Miraculous Blessing from Humanity Itself to Us.

“This desire to revitalize the Original Holy Trinity Union and Fiat We All had before We walked through the Gates of Heaven from the Great Central Sun toward Earth touches the Glory of God within Us in a Most enlightening way! Dearly Beloved Humans, We, The Elementals, Devas and The Angelic Host are the Portals of Truth upon Earth and The Light within it respectively! It is through these Portals that you will discover the Lifestreams of the Earth that intertwine with the Lifestreams of the Stars and Cosmos.

“You are being asked to look beyond that which you perceive as your reality; to that which has no physical sight or audible sound. We are Your Spirit for Being All That You Can Be and it begins to Expand when focus is concentrated inwardly to Your Inner Voice and Your Inner Visions. This connection with Us is Your Key that Opens these Portals of Truth and Greater Knowledge that will allow you to discover Your Freedom as Children of God. Deep within you lies the dormant Attributes and Virtues of The Prime Creator; They have always been there for your discovery, and We the Angelic Host and the Elemental Kingdoms have been pointing the way to them for millions of years for you.

“Now you are seeing the Proof of Spirit within your lives when direct contact with your Higher Self ‘I AM’ Presence/The God Within is made. The 3D Earth Plane of existence is not materially based, It Is Spirit Manifested; this means you, Beloved Human! With this We close Our introduction and return to Our Seats with the most profound Thanks and Gratitude for this opportunity to be here and to partake in such a wonderful Proposal to find new resolutions to an age-old dilemma, on a much grander scale. And So, It Is!”

BENEDICTION: Electronic Presence We Are Eternally Grateful to the Central Sun Magnets’ Love, It’s Qualities Manifest the Power of Divine Love, the Luminosity, Its Infinite Supply and Intelligence. Raise All Into the Greater Power of the ‘I AM’.
