St. GERMAIN: Greetings Dear Ones, today is the 31st of March 2020, which shall formally now close the 3-month respite or reprieve that the Elemental Grace Alliance willingly entered into; that was to gain greater awareness through multiple reviews and private Study. I make this statement early in this Discourse because it has some far-reaching conditions that I will detail as the days and weeks unfold. Each of you here are, as of tomorrow, going to be asked to Stand Forth Closer to your 'I AM' Presence than you have ever done before. I can tell you in all honesty, unless you have totally Committed to this Divine Plan, to My Alchemy Class, you will find that this Work will not be for you. I bring this to your attention as a Group, but I Am in fact speaking to a small number who know they have not honoured all that has been asked of them to date, for them to be able to remain. The 3 months of the reprieve has proven very little in this sense, because no personal Authority to take control of such reviews and study through one's own volition was honoured in what was asked. The Authority was given; but the acceptance was denied. This is simply not acceptable!

I ask this question for all to consider within their own circumstances; *'where is the Loyalty to Self where Authority is given, but not acted upon'?*

It will not surprise you that today you are amidst the Gene Key Cosmic Impulse of GK 21; The Shadow is **Control**; the Gift is **Authority and** the Siddhi is **Valour**. Richard Rudd says.

"No matter who you are and what kind of life you lead, at certain points in your life you are given the opportunity to act with Valour. These moments are mythic moments and the script of your future life hinges upon them. To act with Valour is to enter a Higher World."

He also states that.

“The Gift of the Genetic Code of Authority is a Gift that is Innate. If you have the 21st Gift in your hologenetic profile and you Speak and Act from your Heart, you will Inspire Loyalty in others wherever you go. Authority is the True Vibration of this 21st Gene Key when it has found that Delicate Balance between allowing things to go their own way and assuming control of the way things are going. Authority is a Frequency, that is determined by intent. True Loyalty can only be maintained when the Frequency of Love outweighs the frequency of fear. Such people are given Authority by others and this is the Real meaning of Authority. Authority cannot be asserted through will. It can only be afforded/given through Trust. True Authority Unites rather than controls. The Gift Balances submission and control within relationships into a Higher Frequency where there can be no need for power or resentment from either side. The Male Female polarity are balanced so that the Yin Yang flow is finely and exquisitely tuned into Service.

*“Authority based on Service inspires Loyalty. At the Highest Level, this coupling of Love and Power gives way to the Ideal of Valour. Valour is the Highest Frequency of the 21st Gene Key – it is an Energetic Field released into the world through a Chemical Signature within your Genetics that underpins Nobility. Valour is Nobility in Action. It contains the Virtues of Wisdom, Love, Courage and above all Sacrifice. As an archetype, Valour signifies the ending of all karma, even though the states preceding it often carry a great deal of karma. Valour is forged on the ‘Anvil of Life’. No matter how muddy the waters are, you have to realize your Pure Nature can never be soiled. To be a Master, that is a Being Who has attained the Self-Realization through this Siddhi and so you must Lead by Example. Valour is an Act of Absolute Self-Surrender in which you lay your entire being on the line for a Higher Ideal. The Power of Valour could be summarized as **“the Courage and Love that must be found within the lower self that dies into the unknown world of the Higher Self or ‘I AM’ Presence.”** End Excerpt.*

So Dear Hearts, I speak of this unambiguously again at the beginning of this next phase of Discourses and Divine Instruction, because there remains a few among you still, who have yet to Stand Forth in Your own State of Authority and so are not yet ready to rise into the Statesmanship of Valour for where we are going now! Something major is happening around your Planet and I Am telling all my Classes in the varying degrees I Teach, in a more direct fashion, that ONLY THOSE SERIOUS ABOUT STEPPING INTO THEIR CHRISTED SELVES NOW CAN REMAIN IN MY CLASSES. To Lead By Example, one must be able to Work Under the Divine Governance of Their Own ‘I AM’ Presence, else Authority even at the Gift Level of one’s own Genetic personality profile would be unable to Step into ANY Christ Council Formation.

You have heard me say in the past, in no uncertain terms, that this Specific Work is only for those who are ready to Obey their own ‘I AM’ Presence and thus Follow Unwaveringly Their Higher Guidance of their ‘I AM’ Presence. The world is now in lock down and that means many things, but most importantly the need for the Christed Ones to Now Stand and Declare Their Places within the Fabric of this New Erthe and World. Valour then is the Call of this day where the Absolute Self-Surrender, in laying down your entire being on the line for a much Higher Ideal!

Now that I have finished this Preamble to the EGA’s REAL Constitution, to its Core Nucleus, which by the way was discussed in small measure and yet in its True Importance of Identification, within Part 1 and 2 of this Series, I will now begin to detail all that you will need

to Move Forward from here! I have much to share and will once again be unable to do so in one Discourse. So, let Us begin simply by speaking of the Corona Virus!

Before I begin to share what, I will offer you for deeper reflection first to need to Truly understand not necessarily the virus but more so the **'Father's Creative Consciousness'**. These three words should, for those in tune with what is taking place should automatically and instantaneously be aware of what is coming.

I now with great Delight present to you My Dear Brother Jesus The Christ Who explained all this back at the turn of the century to give you a Solid Foundation and I will follow with what I Am about to share with you! From Letter One of the Christ Letter's, which was already noted by Brother Carewen when the Corvid 19 virus broke the news. But we expanded that here for even greater clarity.

JESUS THE CHRIST: Excerpt '*1 Christ Returns Speaks His Truth Jesus The Christ Letter 1, 19960706*'

Note Well, FOR THIS REASON I have come expressly to explain to you a vitally important fact of existence. Please read carefully.

It is this:

Your personal **consciousness** is entirely responsible for whatever comes into your life and personal experience. It is your personal **consciousness** which brings you good or evil.

In your sub-conscious, you bring through strongly imprinted but hidden recollections of past traumas/emotions of past life/lives which can erupt and colour your present consciousness.

Your specific and impassioned prayer for alleviation of some kind, may be answered but it will avail you little in the long term if **your mind and heart continually operate in contravention of the Universal Laws of LOVE and you live in a mindset of constant criticism.**

Universal Laws of Existence relate ONLY to 'activities of consciousness' and are exact and undeviating, they are NOT rewarding or punishment from 'God'.

I repeat are not 'PUNISHMENT FROM GOD', they relate to the 'Causative Factor of Consciousness' which attract/magnetize electrical particles that thus bond together and appear to the world as outer visible *solid* forms and experiences.

Note Well, Sometimes, people make **powerfully prayerful contact** with the **DIVINE REALITY** behind and within all creation, **It responds and Its activity** is shortly revealed as necessary improvements within the personal and national life and people may exclaim '*This is a miracle!*'

But, in the long term, **the state of the Personal or National consciousness will again re-assert itself in their experiences and will re-produce the same negative effects in health or affairs as they did previously.**

You cannot effect permanent changes in your lives unless you change your consciousness. Therefore, people must pray and strive at all times to achieve unconditional **Love**.

For in the 20th century, human mental abilities outstripped their spiritual development.

Scientists thought they could explain away the origins of creation and ascribe them to accident. As a direct result people ditched morality and began to give way utterly to self-will.

They set in motion a new momentum of menace in the world, for they began to create a new form of 'world ego-consciousness' directly in opposition to the NATURE of the Divine UNCONDITIONAL LOVE. The human consciousness blocked the inflow of the Divine.

NOTE WELL: The ever-increasing lurid imaginings of a few people, **which would have been contained locally**, a century ago, now became a **CONTAGIOUS MENTAL INFECTION** glorified in literature, films, theatre spreading world-wide, creating a global 'Human Consciousness' similar to their own, expressed as sexual excesses, violence and perversions. This **MENTAL INFECTION first** manifests as egocentric modes of living and the creation of technical devices, which have created serious health disorders, climatical changes, crop failures, environment deterioration, extinction of living creatures and wholesale slaughter of human beings.

Mental Infection manifests in the human personality as deranged and destructive behaviour, drug-taking, abominable cruelty and depravity, gangster operations and sexual excesses. Thus, has a vicious circle of malignancy and perversions of thought and activities been created by entertainment and media magnates. The purpose, to capture egocentric public vested interest.

Your TV and Cinema screen has become the new Bible of human behavior.

Personal tragedies unknown to humankind a century ago, have become rife and people live in fear of walking the streets. Households are barricaded behind high walls. Family and social problems are taken into regular public debate and so the saga of human misery is perpetuated.

This is the **BEAST** stalking your lands and feeding a **miasma of beastliness** into innocent minds.

It will be perpetuated until my **Christ Knowledge** is acknowledged, accepted and lived by the majority of people on earth. Because this knowledge will show you how to get back on the true **PATH OF LIFE** in order to start creating the kind of lives you truly desire.

Because I Am unconditional LOVE, I Am speaking the TRUTH which many spiritual minds suspect but which is rejected by those who are spiritually blind, at the moment.

/////These words are not spoken to threaten or punish you, but to alert you to the source of all the unspeakable horrors which daily fill your newspapers and TV screens./////

It is **only my love for all people that forces me** to descend through the various levels of consciousness to reach the dimension of human depravity to warn you of its consequences in your present lives.

NOTE WELL, IMPORTANT

You wonder from whence has come the HIV virus which attacks man's precious self defence

system, the immune system and also targets his abilities to procreate?

This virus, if left to spread unchecked, (not by drugs), by SPIRITUAL AWARENESS, will wipe out the unwary. The Enlightened will avoid these and other pitfalls of existence.

Wake up! Realize! *Your own strong 'consciousness impulses' are life impulses.*

They are highly creative electro-magnetic impulses!

When they are of a **virulent, violent, aggressive, murderous nature, they emit *electrical particles* of virulent, violent, aggressive, murderous CONSCIOUSNESS** which take form as virulent viruses in the air, spreading from one innocent person to another.

What is born and nurtured in the diseased mind eventually takes on form in the physical world.

This is not punishment from 'God' as the churches may teach you. It is, a **SCIENTIFIC FACT OF EXISTENCE**. Therefore, it is a matter of extreme urgency for all spiritually minded people to set aside 'infantile' imaginings to perceive, clearly, the **TRUTH of creation & existence**.

My MESSAGE to all CHURCHES

I, the CHRIST, have come expressly to tell you the *truth about the origins of the 'human personality'*.

I will explain exactly why and how mankind has been given a natural inbuilt propensity for self-will and a controlling desire for self-gratification and self-defence. This is not sin, but part of the natural creative processes. There is no 'punishment' from on high! Men, through the wilful and harmful exercise of their 'Ego-Power', draw to themselves their own punishment.

NOTE WELL: For this reason, just as scientific school textbooks become redundant as the human mind discovers and absorbs more advanced scientific knowledge, so should the present form of 'Christianity', built upon spurious doctrines centred around my crucifixion, be allowed to die a natural death.

N.B. Your present global crisis, introducing a new break down of International Law and laying the foundation for future global terrorism, clearly indicates that no religion in the world possesses the requisite knowledge and effective leadership to initiate changes in human mental patterns, which will lead directly to peace and prosperity.

THE TRUE SPIRITUAL LEADER will be able to show their congregations *how* and *why* modern mindsets have created the calamities and horrors which have been created in '**consciousness**' and are only just beginning to make themselves fully felt in your midst as diverse forms of pestilence and earthquakes, floods, famines, wars, revolution and other tragedies. Be assured! No evil which comes to your earth is a 'natural disaster'. Everything inimical to your perfect welfare is bred first in your 'human consciousness' and then given form within your global experience. **This is what I tried to tell the Jews when I walked the earth and WEPT, when they laughed and refused to believe it. *They called me a madman.***

Let not the churches make the same mistake!

Because the churches have been moribund, cemented into rituals and dogmas, their priests and pastors have been unable to meet the evolving spiritual needs of ardent seekers of Truth. As a result, the churches are emptying. **If they are to endure, the churches must put aside their differences and have the humility to accept that inspiration does not necessarily come to earth in ways acceptable to themselves. They must remember that I, the Christ, was not acceptable to the Jews.**

The churches must keep open minds and hearts to receive whatever they intuitively feel is a Higher Truth than that to which they presently cling ... and to abandon the old beliefs which have permitted the **BEAST** to take control of human thought. Pray sincerely, with all your souls, minds, hearts, for **true enlightenment**, rather than a re-iteration of old and false beliefs. Wake up and accept that these rituals and past beliefs have not fulfilled my words to mankind, when I promised that 'greater things than I did' would you do.

Meanwhile, until true enlightenment comes to you, (after much meditation and prayer), teach, demonstrate and live: **BROTHERLY LOVE** with all the strength of soul, heart and mind, minute by minute in your daily lives. Because, to combat the global destructive consciousness forces, humanity must make every effort to move on swiftly to the next stage of its development.

URGENT NEED FOR A HIGHER VISION

It must be widely accepted there is a HIGHER VISION to strive to implement in your daily lives.

It is only by reaching for a higher vision that the physical world will be rescued from wholesale annihilation.

Without the vision either for the self or for the world, there can be no spiritual evolution or the achievement of those things greatly desired. At the present time, your perception of life is one of travail and deprivation. These beliefs are shockingly depicted and re-enforced by your TV viewing. They later bring upon you the misery you hope will never happen to you.

Therefore, to save you from your own folly expressed through the media and TV, the '*human consciousness*' must be SPEEDILY uplifted to see **what I saw in the desert**, the **Reality of Love** behind and within all existence.

N.B. When this great truth is both perceived and warmly acknowledged, the **Reality of Love** will begin to manifest Itself in multiple ways in every living thing and in the environment itself. The experience of abundance and joy will reinforce the consciousness of abundance and joy. **And so, a spiritual spiral of ever more exalted and wondrous living will be set in motion.** When the TRUE nature of 'Being' is fully understood, humanity will move on to the next rung of spiritual evolution and will put into motion a new and blessed form of human endeavour and personal experience. To achieve these goals, humanity must first gain insight into: **WHAT and WHO you are.** A new and important question is already coming into people's consciousness. '*Who are you, really, behind the facade you present to the world?*' What does it take to be **REAL?**

It is this question of *'Who you really are'* which is answered, on every level of your being, within these pages. **And if you can accept as your own guidelines for daily living, all that I understood during my six-weeks 'desert' experience, you too will eventually become WHOLE and REAL even as I became WHOLE and REAL before I commenced my ministry of healing and teaching.**

There are many thousands of people in your world today, consistently relying on the Universal Father Creator to fulfil their every need and witnessing to the manifold blessings in their lives.

Abandon fears, they have availed you nothing. Now turn to the universal Father Creator, as the **SOURCE OF YOUR BEING**, conception, growth, development, nutrition, regeneration, healing, fulfilment of your every need, **PROTECTION**, all within a system of **SPIRITUAL LAW & ORDER**. Realize that all this wonderful work is constructive, purposeful, orderly. You truly have a **MASTER MIND** behind you, your family and living conditions. **TRUST It**. Do not allow your thinking to spoil the Divine Creative Operation!

Remember, above all, that **I, the CHRIST**, only performed my so-called miracles because I realized that the **'Kingdom of God'** was within me and that I could always rely on my **Creator Father** to do the work in and through me. Remember that you only have an individual consciousness because you have drawn it from the **Creative Father Consciousness'**.

When your personal consciousness is fully cleansed of negativity, you will discover that you, too, have become a purified channel of Creative Father Consciousness. You will also be a joyous source of growth, nutrition, healing, nurturing, protection, fulfilment of need, within a system of good organizational law and order to all who come within your orbit. This powerful influence will be extended through your mind to your families, friends, neighbours, farmlands and your animals and crops.

Even as electricity passed through your hands will light a Bunsen burner in a laboratory, so will your **LIFE FORCE** radiations benefit all who come within your radius of influence.

This was the intention behind creation. You were intended to **express Universal Creative Consciousness** through your mind and heart. I, the **CHRIST**, have come at this time to show you how to do this. First of all, consider my *'state of consciousness'* when I performed my so-called miracles.

I did not pray a set prayer. I simply asked the **Creative Father** radiating through my own consciousness, for whatever was needed: I strongly realized and visualized the **Father-Creative Consciousness** was a dynamic operating **Force** which manifested itself through the visible world as: Creativity, intelligent design, growth, nutrition and nourishment, protection, healing, regeneration, fulfilment of every need, all within a system of law & order.

I realized that the **Creative-Father Consciousness** would radiate **all Its Nature** through my consciousness to enter the consciousness of those who had asked for healing and sincerely believed they would receive it. I also knew that if they did not have *'faith and expectancy of healing'*, this type of negative consciousness would not be influenced by the inflow of the **NATURE of 'Father Consciousness'** and no healing would take place.

I also realized that the healing work done by the **Creative Father Consciousness** was really

Love made visible on earth. I also realized that all the work done by the **Creative Father Consciousness** within the visible world was **love** made manifest and gave thanks. I realized that out of **Universal Consciousness** had come all the substance of the universe and gave thanks. I realized that '**Father Creative Consciousness**' was the **worker** and that **It** was eternal and infinite and nothing, nothing except the human mind could stop it from doing its work.

Therefore, I clear my mind of any human feelings and thoughts and I knew that I was a perfect channel of **Father Love** and knew that the perfect will of **Father Love** would be accomplished in the person who needed healing.

Realize too that when world consciousness is fully attuned to '**Father Creative Consciousness**', all things inimical to the perfect well-being of man will disappear. There will be no more malaria bearing mosquitoes, locusts to strip your crops, severe climatic conditions, infections, viruses and everything else which presently cause problems for living things. You will live within a cloak of universal protection. When your own consciousness is perfectly attuned to and in harmony with Father Love – then you too will be divinely protected and will become channels of: Creative design, growth, nutrition and nourishment, protection, healing, regeneration, fulfilment of need, law & order.

FATHER LOVE will be operational within your mind, heart, body and your affairs. It will be operational in all those to whom you direct its power. End Excerpt.

Let Us pause here for now, so each may review the above, asking what their own Inner Guidance is telling them. We shall reconvene tomorrow with the next Discourse.

Take the Path of Least Resistance!

No Longer Seek Further That Which Is Seen,

Rather Seek ONLY Now That Which Is Unseen!

May You Pass Every Test.
