'I AM' the Son and Daughter of God's Gracious Love and Light, and Each Day, 'I AM' Your Reflection Being Made Manifest Upon this Earth! 'I AM' THAT 'I AM', 'I AM' THAT 'I AM', 'I AM' THAT 'I AM'!

Maha Chohan: Beloved Spirits of Immortal Truth, even though We are but scratching the surface of what the 'True Constitution' and the 'I AM' One World Nation is all about, I hope that you are getting a few ideas as to the diversity, expansion and magnitude of what this Divine Plan is all about! We The God Intelligences, have gone to great lengths in Its Design before We could even contemplate how it would play out upon Earth through the Hearts and Minds of Dear Human Souls who, through their use of *'free will'* to grasp the depth of meaning and perceive the intended Impressions from the Masters to execute the Depth We felt, was one of Our last hopes for humanity. To turn away from mass consciousness from the potential directions that they were creating through their own lower minds, remained an unknown. How would humanity, use their Higher Minds to put all of the many Facets of this Divine Plan into thoughts, words and actions, so as to Magnetize enough Dear Hearts to come forward and give the rest of their Lives to come and Be of Divine Service to the Evolution of Humanity at the Highest Levels Possible.

The Significance of this Plan was to come down to the fundamental use of the Information and Knowledge Given by the Higher Dimensional Realms since 1938, that would call for the True Heart Discernment of each Soul who would come into contact with such material. Discernment, Insight, Perspicacity, Inner Peace and your Own use of Inner Knowing and Higher Intelligence has made it possible. These are your greatest tools in your life, within the

New Cosmic Consciousness of the New 7th Golden Age that each of you are more fully embedding yourselves into. In the Book *'Brotherhood – A Call To Service'* by Joseph Benner, The 'I AM' Presence says;

"When a Message comes containing an opportunity for Real Service, and disclosing a Real Plan and a Real Work for the helping of your brothers; not some vague high sounding ideal, but a Definite Practical Work that your Soul recognizes, and your Heart leaps toward in glad response; know that such response is My Voice calling you to the Work I have been preparing you for, and you need not question or doubt, for your Soul Commands you to Obey.

"But if there is no glad response in your heart, not even a faint voice there calling upon you to investigate as there may be something in this for you; and instead, there is only a coldness and an entire lack of interest; know that that message is for others and that that particular Work is not for you, for you could be of no assistance, not being ready for such Work as yet.

"But if hearing, and at first thus happily responding, if but for a moment, before doubts crowd in and from outer sources come advice and argument, criticism of that particular work or of the way it came to you, or of the messenger who brought it, fast smothering the urge in the Heart still trying to hold your attention. Know that 'I AM' but trying and testing you, to see if you are as yet ready for the Work which I always have awaiting My Proven and Faithful Servants; to see if I can use you to awaken and prepare My other Children so I can unfold My Nature in 'them' that they can feel Me as the Love in their Hearts, and can thereby hear My Voice there, and know 'I AM' their Higher and Real Self and that 'I AM' Calling them also, anxious to lead them forth into the New Day." End Excerpt.

Over the next 20 to 40 years, and 2038 is a pivotal time for humanity, within the transitions from where you are today. It shall be a place of greater simplicity, yet all this Work in Developing and Growing the Multiple and Incrementally Expanded Natures of each area of the Plan will require a lot of Exchanges of Energy; many challenging tasks and endeavours will come your way. This is because those who remain in human power, shall continue to try to do what they can to turn you away from what your Heart is telling you to do. Those holding onto their old consciousness, implanted beliefs and conscious programs within the mass consciousness, will continue to play out, because their lives will continue to reflect the imbalances, impurities and miscreations of mankind's unforgiving past! We Tell you, many will desire to walk beside you, but not all will remain and will fall back to follow the Karmic Wheels of the Incarnational loops that will not come to a close for many hundreds of years yet. But Let Us reassure you, just the same!

The choice of how the Earth will evolve from here is now, without any doubt, held within the hands of those Who Will Obtain the Grants and Dispensations from the Karmic Board of Directors, and Who Will Use the Cosmic and Universal Laws of God to Live Their Lives By. Who will also through their Wholeheartedness, Commitment and Devotion to their own 'I AM' Presence, have the potential to reduce the estimated times for the continuation of the Evolutionary Path for humanity to be reduced back to its Natural Time Program. Within the

Elemental Grace Alliance Discourses, you are told that the Earth was 5000 years behind its Evolutionary Path. A Path of time that is not the Natural Time Zone for Earth and this Solar System, but due to the consciousness of humanity that was heading for self-destruction, had to be altered and changed to an Artificial Time Zone. Beloved Lord Metatron will explain here for you.

Lord Metatron: *“Beloved and Esteemed Members of this Alliance, Peter, and All Dear Souls who have been drawn to these Discourses by Their Own ‘I AM’ Presence, ‘I AM’ Metatron, and I return here today in confluence with the previous Discourses about the New Adam Kadmon Race, now in its Initiatory States of Manifestation here upon Earth. In this Part 3 and the final Discourse by Me for the moment, I shall endeavour to Cross section that of the Adam Kadmon Man and Woman with the New Pyramidal Light Temples that shall now begin to form upon the planet. These Pyramidal Structures shall be the Foundation Stones for what shall Evolve into Greater Manifestations of Light Communities for the Benevolence of the Children of Light and the Family of God.*

“I Know, that at this stage of the Elemental Grace Alliance Plan, I cannot go into any greater detail just yet, for this could create an air of uncertainty, confusion, disbelief, illusionary projections and denial, that could turn away those who are in Truth standing upon the edge of this Giant Chasm of Unknown Knowledge and implementation of such Information and Understanding. So, ‘I AM’ going to make this brief and to the point to place just enough before the New Disciples to Discern sufficiently for themselves to take Faith and Trust to a New Level of Acceptance!

“As I asked you Peter, yesterday, I invited you to go back and take charge of all that you have been given to actualize in the past and bring them to a new Level of Re-Calibration and Activation here in the Present. Do not be discouraged by the lack of human support to date, follow your Heart and Know that what is before mankind today, holds all the Keys, Signs and Maps of ‘where to from here’ if they care to look. None more than their own links to Their ‘I AM’ Presence for future Guidance of Direction! So, let us begin!

“Dear One’s, the Evolution of the Human Race and the Planet Earth, indeed this Solar System and this Universe, is taking place through a Collective Consciousness of Greater Intelligences in Co-Creation with many lower intelligent life forms. Albeit, the lower intelligent life forms are not in awareness of the Collective Nature of this Mammoth undertaking!

“However, regardless of how it all looks upon the surface through present day human consciousness, the Whole Plan for this Evolutionary Endeavour is held within certain parameters of Control and Guidance for what We will say here, are Universal and Cosmic Cycles of Time and Space. Dear Souls, the Evolution of Humanity is not on track presently, as outlined within the Elemental Grace Alliance Discourses. However, all continues to remain within the defined parameters of Governance and Deliverance!

“I spoke of Humanity entering a new ‘Time Cell’ yesterday and this ‘Time Cell’ is in a way, an Artificial Time Zone that actually shall Warp Time upon the Planet for the purpose of assisting in making up the lost time within the previously Designed Programs for the human race to reach Its Adam Kadmon States of Consciousness! Within the Keys of Enoch, We allude to these Time Warps, and have allowed for these provisions in an effort to bring a new balance to what was Originally Planned. For those of you who have already read the Keys or who will now go and read them, you will see that there are two Sets of Time Warp Zones, one being the Natural Time Warps of the Earth in association with the Outer Planetary Systems and Worlds, and two, the Artificial Time Warps Zones. The Artificial Ones are those added to the Earth’s Planetary Cycles for the purpose of Re-Calibration and Re-Alignment to the Natural Cosmic Cycles within this Local Universe and many other Universes farther afield.

“This ‘Time Cell’, that you are now entering through your connections to Orion and the Pleiadian Star Systems, among Others, was Designed to make up the 5,000 years of ‘lost time’, that has been created by the ‘free will’ choices, that humanity has been continuing to make throughout this time period. So, this is what I wish you all to understand from a very Innate Level of your Being! This ‘Time Cell’ shall only be effective, if those who hold the Seeds of the New Adam Kadmon Race can collectively Align themselves with each other within a Timeless Environment, where They are not only outside of the influences of the mass consciousness of humanity, but are in Direct Communication with Those of Higher Intelligence and Dimensional Fields of Light!

“36,000 years ago, The Lords of Light, The Lords of the Elohim attempted to Upgrade or Re-Calibrate a Civilization of human beings here upon Earth in the Takla Makan Desert in the Regions of South America. This Civilization was called the ‘Tak’. The ‘Tak’ started out very well and Their connections with The Higher Intelligences and Other Dimensional Worlds and Planetary Systems was one of Truth and Divine Communion. But then the fallen Lords of Light with all their influences and the lower vibrational races interfered again and began interconnections and interrelations with These Dear Beings, which eventually destroyed the entire ‘Tak’ Civilization here on Earth.

“Again, the opportunity arose and the Atlantean civilization was Born and this time, it was through the misuse of technological advances that turned the tides of Evolution against this civilization to total destruction!

“Approximately 6,000 years ago there was a final attempt to Evolve a Highly Advanced Human Race. This time through Genetic implantation of people within the Regions of Egypt and Israel. These Genetic Profiles contained DNA Encodements of Spiritual Gifts that were thought to be able to offer these people the Kingdom of Heaven, The Kingdom of Light for all world nations. This ultimately failed and destroyed this race due to the inability to integrate and balance such Gifts with the human element of physicality, as well as the continued meddling, prying and intrusions of the lower vibrational beings!

“Now, the interesting thing here is that all three Civilizations constructed and built Pyramids of Stone, that were aligned through the Knowledge attained from Higher Intelligences. All these Pyramids were highly charged with Ionized Particles of Light; all were aligned to the Outer Planetary Star Systems and All were Interconnected with each other, albeit from outside of the Earth’s Physical Time Programs. These Stone Pyramids of many different sizes principally remain in the Takla Makan Region of Peru and South America, The Bermuda Triangle and Giza in Egypt.

“All remain connected, yet none are activated today for the purposes that they were Originally Designed for. That is except the Pyramid of Giza which was reactivated by the replacement of the Capstone of Jericho by your Group Peter, The Capstone of Light in 2007, in part ready to complete Its Re-Calibration, because of its location upon the planet, in Alignment to Outer Star Systems, it is a Key Activation Pyramidal Light Source. I will tell you this also. The Great Pyramid of Giza is presently part of this Artificial Time Warp Program!

“This leads me to the New Pyramidal Light Temples that references have been made to the Narayana Joy Akasha Sanctuaries or Temples of Light! These Temple Pyramids will not, this time, be made of stone. They will be Created out of Light Substance, Shaped and Designed in Accordance with the Powers and Geometrically Perfected Divine Consciousness. And it shall be the Collective Consciousness of the New Adam Kadmon Man and Woman that will Direct and Administer to such Communities and Places of Holy Union and Communion!

“Within these Pyramidal Temples of Light anyone within the parameters of Their Structures will not be influenced in any way by old human consciousness. It will be like living within an entirely New World. Many will travel outside of these Temples to Teach and communicate with the world, but due to their own resonances and vibrational frequencies by then, any lasting effects of old human consciousness will not be part of these New Creations of Divine Consciousness!

“These Pyramidal Communities will Transmute, Transform and Transfigure all those within them with a Level of Consciousness that will bring into manifestation the Identities of the Higher Evolutionary States of Being!

“Not only this, these Temples will become the New Academic Institutions that Peter speaks of within the Elemental Grace Alliance Discourses. These Learning, Teaching and Healing Facilities will be Over Lighted by the Brother and Sisterhoods of Melchizedek, who will explain and demonstrate how to Evolve a physical human being into a Being, not having a material body! An Incorporeal Soul Vehicle, into a New Spiritual Totality to be able then to Ascend into the New Worlds of Many Mansions of the Mother’s Love and Father’s Light! This is just one of the Roles of the Orders of Melchizedek within any developing World Evolutionary Process!

“Blessed Hearts, The New Adam Kadmon shall not rise within anyone who places science or religion between themselves and the Gifts of the ‘I AM’ Presence. The New Adam Kadmon are those who are the living synthesis of All Levels of Consciousness, who live by experience and

progress toward the Joyousness and Bliss of the Interaction and Holy Union of the 'I AM' Presence! These Dear Souls will be those living within Communities of family, both biological and Spiritual Families, all living together without bias, racism, judgement, discrimination or prejudice. These Dear Souls will become independent, self-sufficient, self-governing, completely autonomous in maintaining balance throughout Their Environments by the use of Creative Endeavours to Live a Quality of Life and Freedom of Spirit.

"Their strengths through the Collective Consciousness shall be with the use of Healing Powers, Attunements in Accordance with Higher Intelligence Instruction and the dissemination of the Wisdom through Guidance and Direction offered by Their own 'I AM' Presence and Other Masters and Beings of Light! They will also be Granted the abilities to be able to discern all Levels of Consciousness as whether they are Truth or of a lesser or lower vibratory resonance. Their Innate Wisdom will grow exponentially! As well as their abilities to decipher other languages, both earth bound and Inter-Universal Tongues! Just like the Masters do!

"These Dear Souls will also be given in advance, all information that will pertain to any Earth or Cosmic Events that shall affect the Earth and its people. There shall be changes that will come to Earth, and some dynamic ones, that are all forecast as part of the Evolution of Worlds! Land masses will rise and fall with the change of sea levels, as Helios mentioned within the Alliance Council. These changes are all part of a naturally occurring Cycle, that hold steady within any Evolving World. But in all cases these Pyramidal Temples of Light shall be Safe Havens as the Transformations unfold!" End Excerpt.
