

Part 6 - True Constitution Why The Flag?

TRUTH IS REVEALED FOR A REASON - PALLAS ATHENA, 10TH MARCH 2021

INVOCATION: Infinite One, Lead Us toward the Only Truth, to Become the physical Manifestation of Spirit, the Full Embodiment of the Living Christ. We Are Here to Expand Into Cosmic Consciousness With the Elementals, Devas, and Angelic Host, Through The Individualized 'I AM' Presence. Beloved, Merge Our Consciousness With a Higher Awareness of Truth and an Active Expansion and Conscious Expression of God's Impersonal Love With All Life. It Is Our Heartfelt Desire for humanity, the Elementals, Devas, and Angelic Host, to Unite and Rise In Oneness, Harmony, Joy and Happiness, Sustaining Perfection Upon Earth. Beloved 'I AM', Draw Us Into the Flame of Your Light and Service! We Call Upon the Angelic Hosts Sacred Fire Purity, from the Great Central Sun and the Ascended Host to Blaze the Violet Fire In Love, Forgiveness, and Mercy to Awaken humanity, Fulfilling the Requirements of Cosmic Law. Through the Embodiment of Divine Understanding, Let Divine Love Rule to Render Its Service to All Life Upon Earth.

BELOVED PALLAS ATHENA: Greetings Beloved Sons and Daughters of God's Holy Grace, I have asked to Speak with you today for a very important reason, several in fact! 'I AM' The Goddess of Truth and became such a Magnetizing Focus and the Essence of Truth Established through My Contemplation of Cosmic Truth, that Forms the Core and Centre of the Flame of Truth. Around this Flame has been built the '*Temple of Truth*' in the Etheric Realm over Crete. And it is this Flame of Radiation I wish to speak of to you today! For while this Truth Flame is the Essence of All God Life in the Higher Realms, it has yet to be Fully Embodied here upon Earth in the Hearts of Mankind.

Every Intelligence Who has Endeavoured to Conceive the Truth about any subject, which would bring Illumination to mankind, has been the Beneficiary of this Gathered Momentum of Truth within their lives, thoughts, words and Love In Action. Love in Action? We shall speak of this also a little later!

Whatever branch of life's expression, governmental, educational, humanitarian, artistic, scientific, religious or ceremonial has had Devotees in the world of form (*men and women who are Consecrated to developing the Highest Type of Service through these channels*). These Devotees, who earnestly desire to Know Truth, become the specific Chelas, Students, Disciples and Initiates of various Brother and Sisterhoods of the Ashrams within the Etheric Realms. God-Free Beings Direct the Rays and Flames of Inspiration to embodied lifestreams. The particular Guidance, Instruction, Ideas and Expressions of Truth in the many Virtuous Mind Powers Flow over these Rays into the Receptive Consciousness of the Pioneers within

the world of form, who are endeavouring to assist in the progress of the race, working along the Seven Ray Channels of Life's Expression.

Even as the physical Sun is equally available to all mankind, but its potent Life-Giving Vitality is absorbed in varying amounts, according to the capacity of the individual to receive, so does the Gift of Truth (*Focused Within the Temple Over Crete*), Flow Forth Impersonally. As do the Flames of all the Chohans, Goddesses, Elohim and Eloah, Archangel and Archaii, Flow out around the Globe to Embrace all of mankind to receive equally! Men and women may have access to it, draw its illumination through the outer consciousness, or remain complacent in the erroneous concepts of previous generations.

There are always those FEW who refuse to accept the human theories, dogmas and prescribed courses of procedures to follow human creation, especially when these concepts limited by race, colour, creed or religious denominations. These Ones are usually persecuted by the 'mass mind', which violently opposes all change, even for the better. Through These Ones, the ignorance, bias, limitations and shadows of the race are being gradually eliminated. More and more Truth is being proven beyond the power of those who wish to dispute or confute the findings of the Consecrated Members of the race. For instance, the individuals who did not believe in '*telecommunications that would be used without cables*' as the ultimate of illumination which have given the world the benefit of communications virtually anywhere up the planet, even sailing the oceans.

We are now beyond the borders of the old, limited boundaries and face a new event horizon where all old beliefs, limitation, imbalances and restrictions shall soon become a thing of the past! A new frontier a Spiritual Revelation has arrived, which will show mankind how to consciously remove the limitations and distresses that have plagued them through the ages, a way to Contact, Speak freely to and even in due course meet Them Face to Face; the God-Free Intelligences Who Govern This World and Planetary Systems. Now there is also coming forth a method by which the human veil may be dissolved (*which veil has closed out the glory of these Beings from mankind's daily association*) and whereby a Conscious Co-Operation between the God-Free and the Aspiring to Be God-Free, who may become Released from the shackles and bindings of old human miscreations. Finally, there is to be the Establishment of The Brotherhood and Sisterhoods of The Masters, Angels and Those Human Consecrated Dear Souls Who Already are Walking Upon The Surface of the Earth and Who are Intent upon Fulfilling God's Will for the Planet Earth and its various Evolutions. Just as Lord Metatron shared with you yesterday!

To all those interested, the Flame of Truth is available to you now, just as it has always been available to you. Each man and woman is Invited and Recommended to **Rise Up, In The Name of God**, with his or her individual consciousness, with his or her own Holy Grail; to the Cosmic Flame of Truth and WAIT for the Illuminating Currents of that Flame to Return and disperse the shadows in their own consciousness. That Flame WILL Respond. It is a Divine Scientific

Law that man and woman can magnetize Exactly what he or she wills, through contemplation in thought and Feeling. Use then, your faculties of Concentrated Attention and Invoke Divine Truth. Equally, All the Other Divine Mind Powers or any other of the Temple Flames of your Desired needs. As the shadows of human concepts are dissolved from your consciousness, the problems which appear in your world as limitation, disease, disharmony and even death itself, will disappear from your screen of life.

It is not enough to ADMIRE the Divine Virtues and Qualities of God Life or the Christ Consciousness, One must Magnetize Them to themselves and then put those Qualities and Virtues in their lives through experience. Every Individual MUST BECOME the Embodiment of Those Virtues, just as Jesus Showed you by His Life's Example.

Dear Ones, The Divine Plan being Presented before you, is no human plan, It Is a Divine Plan Conceived within the Chambers of Shamballa, just over 80 years ago. So, how was this Plan disseminated and how it is that a specific Consecrated Soul or Group are able to pick up on such an Undertaking, either to initiate or become a part of it? I have just answered this question if you are Feeling into it? Yes, it was, just as the Flames of the Divine Virtues and Qualities of the Higher God Beings Radiated out around the Globe via the Etheric Temples and Their Flames of God Radiance of Love and Light; for all those to receive and act upon as their Soul and 'I AM' Presence Designates for them. Many have now become aware of certain facets or aspects of such Plans and it shall be the Rightful Applications to God Life that WILL Provide the Proof of this and other God Plans within the Hearts of those who shall receive the Magnetic Pull of the Plans as They Calls Forth for those particular Parts within humanity that are here to become the New Christed Ones, who shall walk upon both the old Earth as well as within the New Erthe in the Divine Service to God, Humanity and the Earth.

Dear Hearts, these are not easy Truths to Accept, let alone Self Realize, but with Persistence, Concentration, Focus, Commitment and Devotion, and especially your Willingness and Wholeheartedness and Will to Succeed. You have to, because this is Cosmic Law!

As I have shared with you none of this is New, It is the Process by which Mankind, a human race Evolves with a New Human Civilization. Those that fail and eventually self-destruct are because the mass consciousness of the lower minds hold too much sway against Divine Spirituality and thus those who are Consecrated are over-powered and many of you will remember these situations in your earlier lives here upon this planet, when you were sacrificed by the sway of disbelievers in God's Truth! So not as to allow the old consciousness to keep overriding mankind, the New the Masters' required some New Grants and Dispensations to allow a Greater Interaction between Themselves and humanity.

The Great Guardians of the Race through the Developed Faculty of the Inner Sight, watched the Building of the Spiritual Heritage of the Evolving Souls which become the Glorious Aura of the Causal Body and, from time to time, individual lifestreams, chosen because of that

Accumulated Store of Good, are Given an Opportunity of Becoming Part of the Purpose and Cause which is the Forwarding of the Divine Plan for the Planet and its Evolution. These individuals, who have developed certain dexterity along particularly constructive lines, greatly hasten their own evolution, if they Accept the Opportunity to Serve, when it is offered them by the Karmic Board, Sanat Kumara Himself or His Representatives.

The Masters, however, in choosing individuals, are fully conscious and cognizant that the Accumulated Store of Good in the Causal Body, upon which they pin their Faith and Hope, will very often be counter-balanced by the destructively generated karma which the personality has not expiated, either through suffering or through Grace, and this condition often proves to be the deciding factor in his continued usefulness to the Cause. If he or she has love enough to be willing to expiate his or her karma and serve at the same time according to the great spiritual strength and momentum of his or her lifestream, which makes his victory a possibility but not a pre-Ordained Fact, owing to free will, he or she will successfully pass through the Great Initiation of self-denial. However, the successful achievement of this manifestation is wholly dependent upon the determination and tenacity of the ego to rise above the human tendency to give allegiance to form rather than essence, which oftentimes causes the Aspirant, Disciple or Initiate to relinquish the plan, no matter how Carefully and Perfectly it is Designed at Inner Levels.

When an individual or a group comes to a certain point of development and at the same time a Cosmic Moment is struck in the history and evolution of a planet or system, the governing board of the Spiritual Hierarchy Presents to possible Servers the Plan, the Vision and the Part which each one, individually or collectively as Part of that group, may play in the world scene.

As the wise director carefully casts the members of his or her play, so does the Director of the Cosmic Scene Carefully Designate those who might effectively further the Divine Plan through the world of form. Then, voluntarily, the individual Soul or ego may accept or reject the Opportunity to Serve, although he or she is fully aware that through this service he or she may achieve his or her own Eternal Freedom.

You will remember that there was a number of lifestreams who could have rendered a tremendous Service to the Master Jesus and there was a number who could have rendered a similar Service to the Lord Buddha and did not, but as the Law of the Brotherhood can never force anyone to become part of an Impersonal Cause, oftentimes the individual who volunteers will have barely a minimum of the momentum required against a hundred individuals with a maximum capacity who refuse the opportunity.

It is a solemn and serious meeting, when the Hierarchy Presents a Plan which they would like to externalize to a Group of Free Spirits Functioning in the happier medium of the Etheric or Higher Mental Bodies. The First Part of that Activity is Beautiful, Inspiring and Uplifting, because the Master Powers, at Inner Levels, throw on the Cosmic Screen, their Developed

Plan showing the Magnificent Accomplishment by which an entire race will receive, perhaps, such has been in the past, the use of the electric light through nuclear power, telecommunications and electronic technology, the plane and space travel, radio and digital TV, the removal of certain so-called '*incurable diseases*', and many other racial benefits.

At this time, all those discarnates who have been selected by the Silent Watcher as being capable of comprehending these Visions and carrying it through the veil of birth to fruition are present. All of those who through many ages have earned Bands of Colours or Stripes of Merit, we will say, for work well done, enjoy the spectacle and are filled with the enthusiasm of the Sponsor, but then as each individual who professes a Willingness to be a Part of that cause comes forward, he or she is forced to look upon his or her own karma which stands like an obstacle or a wall between him or her and the fulfilment of their part, and here many drop from the roll of volunteers, leaving only the boldest, the strongest or the most loving, who are Willing to take the Vision in one hand, as it were, and the weight of his their own karma in the other and, passing through the Gates of Birth, Endeavour to externalize the Vision, Expiate the karma and Keep the Faith.

Many times the weight of karma is such that the work cannot be accomplished according to its best manifest expression, and this was particularly evident before the comprehension of the use of the Sacred Fire of Forgiveness and Mercy was made apparent to the outer consciousness, and even now it is expedient that individuals Realize that Those Who Stand with their hands in those of the Masters, Endeavouring to externalize the Divine Plan, yet carry the burden of their own karma and, although they may not be the Fullness of Themselves incarnate, they at least are Those Who Volunteered to Endeavour to Spread Our Word and Our Vision, and so manifest the Glory of the Inner Light, having looked upon the weight of their own karma and Willingly fitted it to their shoulders before attempting the task. For each One Who has Accepted the Mission, a thousand who were perhaps better Qualified to Perform the Service, have refused to Accept the Responsibility.

Understanding and Tolerance of this Sacrifice, which is in a measure that which the Beloved Buddha Spoke of in referring to His own tremendous Endeavours to make Sacred His Lifestream, is the Constant Service of the workers in the vineyard who help their fellowmen with one hand and clear their own worlds of the mire and accumulation of the Ages with the other. It is good that the Universal God Created two hands, one for individual development and one for Impersonal Service. If either is withered, the Spiritual Body in Mastery is incomplete. I have watched alongside My Beloved Consort the Maha Chohan, the Endeavour of the Law to bring to the understanding of the people of Earth, the Reality of the Existence of the Hierarchy for over 220 years. We are Really Now in the Third Phase of this One Endeavour. In this Plan, some of you have played a part within all of these 3 Phases; some once; some of you twice, while some have touched the fringe of the Endeavour on all three occasions.

When, early in the nineteenth century the Cosmic Law called the Attention of the Hierarchy to the necessity of bringing to the outer consciousness of men and women the fact of the actual Existence of the Masters, We proceeded through a Series of Conferences and Councils in Order to devise ways and means of bringing the Living Presence of these Masters to the Acceptance of the people of Earth, particularly in the Western Hemisphere, where the Vital Energies which would promulgate action were incorporated into the incarnate Souls. The East, which has accepted long since the Universal Presence of the Holy Ones, was destined to Transfer the Spiritual Currents and Impetus which She had Guarded for Ages into the Western Hemisphere, and it was imperative, before this Spiritual Activity took place, that some Western lifestreams Know of the Existence of the Ascended Hierarchy and come forth as a Guard, before the Knowledge of the Sacred Fire could be Given, which would Accompany the Cosmic Release from the Great Ray at Lake Titicaca.

Therefore, Blavatsky, Leadbeater, Olcott, Besant, Judge and many more were among the thousands whose Glorious Causal Bodies Signified that they were ready and capable of Rendering this Service. The Few who Accepted the Opportunity, at first formed the Nucleus of the Theosophical Society and, with their own bodies, broke through the veil of materialism, thus making the Opening Wedge through which the interest of the Students of the Law of Life were turned toward the various Members of the Brotherhood and Sisterhood, Who, up to that time, were not even Intellectually Accepted as having Existence, not to mention Intelligence or Individuality.

The Outpouring through the Theosophical Society was primarily through the Wisdom Ray and many were the hours of the days and nights I sat, together with El Morya, Kuthumi, Serapis and Saint Germain, and poured through the mind of Blavatsky the Wisdom which she wrote in the '*Secret Doctrine*', the '*Voice of Isis*', and the other volumes, many of which are yet Secreted in the Masters' Retreats.

We Endeavoured to Incorporate into the Volumes as much of the Truth as could be understood, the same Truth that is contained in the Vedas of India, the Upanishads, and the same Truth that is in all the Secret Writings that have come down as the Heritage of Mankind, many of which are Guarded in Tibet and China and the various Retreats of the Brotherhood and Sisterhood throughout the world. Even then, Our Good Instruments were accused of plagiarism, but it will ever be thus when Truth is Revealed for the Reason that it will Always have had an earlier Revelation, and the later Revelations will essentially have to be confirmations of the Eternal Verities, regardless of the fact that their exponents are accused of merely copying the Older Teachings. The claims to plagiarism will continue from the human standpoint, for they remain attached to the idea that the ownership of words, music and art all belong to themselves, but God's Creations belong to no-one and if God Wishes those Creations to be used in His or Her Service to humanity, dare the human who tries to make such claims that cannot Qualify their claim. For Divine Justice will be Ever Present and such

claims shall behold them with the accountability of false claims, thus resulting in additional karma to expiate.

The Amount of Energy We Were Given by the Cosmic Law in that Nineteenth Century was Expended in Drawing the Wisdom of the Ages into these Documents, the Members of the Society, except in rare instances, contributing little of their own energies in expiating the karma of the race or helping the Souls of men and women to Return to the Law a Balance for the Investment of Our Energies, thus remaining content to confine their energies to an interest in the New Knowledge. When We had used up as much Energy as the Law would Allow Us, We had to Close that Book of Wisdom and Wait for a New Outpouring with the change of the new century.

It was at this time that the Master Saint Germain determined to Draw the Power Ray and made Preparations to Form another Group of Dedicated Lifestreams, Stimulate Their Interest in the Masters, and couple the newer Endeavour with Cooperative Application wherein, Impersonally, in an Individual and Group Activity, the Energy Given Us for the Twentieth Century might Spread over a wider range within the Twenty First Century, thus procuring for Us a Greater Dispensation from the Karmic Board to Reach Sensitive Spirits through the Release of Energy in Invocation and Decree. Entered the Dear Souls who used Invocations and Decrees, The Ballards, The Prophets, Usa and many more within their establishments. And more recently, the Elemental Grace Alliance.

You will see by a Moment's Contemplation that in Order to Complete the Cycle, We had to have the Action of Divine Love, the Three Plumes of the One Flame, the Completion of the One Project, and it is only to be regretted that, as always, through human representatives, each Plume of the One Flame is Forced to maintain a separate existence, although it is a Recognized Truth that even the Deity, the very Heart of the Universal Must be Threefold in Order to Express Perfect Balance and Mastery.

For those who care to look for the Thread of Truth beneath the Ornate Embroidery, it will be clearly seen that the Wisdom and Intelligent Understanding in the mind, which was so evident in the early and earnest Theosophists, was muted in the Second Activity, the Accent being placed on the Power Flame, and that Our Endeavour Now is to Draw the Light of Truth from all Three Plumes, and Balance Them through Loving Harmony. Yet still there are the dangers of deterioration to face, if Our followers persist in working solely on the Love Ray without Application of Balance and Understanding of the Power and Wisdom Rays. The Blessed Chelas, Aspirants, Disciples and Initiates who wish to Serve with Us need to practice Drawing Forth, Moulding and Expanding the Primal Life Essence, Qualifying It by Divine Wisdom, Power and Love in Action of all Three Plumes Equally.

If I could show you the Design of Lord Maitreya for the Great Ceremonial Activities of the future in which all the Wealth and Wisdom of those earlier Spiritual Endeavours would be

Incorporated, it would make your Hearts very happy and I shall Endeavour as quickly as possible to do so. I would like you to See that the Balance of Energy for the Dispensations by which We Help the race is given through the Application of the Disciples and Initiates for the Forwarding of the Progress of the race as a Whole and that the Wisdom which comes with Understanding WILL Enable each person to Be-Come that Threefold God-Nature of Love, Wisdom and Power Within Themselves.

Although We can say that We have seen exponential growth since the middle of the Twentieth Century until now there still remains the tendency however, of human beings, when they are freed from individual and collective endeavour, to swing to the other side of the pendulum. But We Feel that an Understanding of the complete picture as has been shown throughout this Elemental Grace Alliance Divine Plan, *'should'* keep each Soul Centred in both the receiving and giving of Pure Life Essence, so that individual development may not be neglected in Corporate Service, nor the Corporate Service for the Whole be neglected in individual endeavour. Trusting that this explanation may be of interest to the earnest Student, Aspirant, Disciple and Initiate reading or Listening here, We Offer Our Blessing to each one for the Gift of his or her life for the Perfection of the Whole.

Beloved Hearts, I would like to return again tomorrow to continue My Discourse for what I have to share with you next will hopefully speed up the Evolution of Humanity by centuries more!

I Am Lady Pallas Athena Radiating My Truth Flame to All Dear Souls reading or listening to this. The Truth Shall Set You Free! Remember, 'I AM' The Truth, The Light and The Way!

BENEDICTION: We Are Grateful to Remember the Divine Pattern of Life. We Give Praise and Thanks to the Cosmic Christ Within Each of Us.
