

## Part 7 - Declaration For The Freedom of Humanity

---

### THE HUMAN ANGEL - US DECLARATION OF INDEPENDENCE & DECLARATION FOR THE FREEDOM OF HUMANITY, ST GERMAIN, 14<sup>TH</sup> JULY 2022

**INVOCATION:** Beloved Mighty God 'I AM', We Face Your Eternal Sunrise of the Great Central Sun and Receive, Through the Mighty Solar Sun, Your Radiance and Activity Ever Shining Sacred White Fire Cosmic Christ Love and Light! We then Turn to Face Humanity and Earth and Allow That Love and Light To Shine Upon Them! Oh Mighty 'I AM' Presence Help Us to Maintain and Sustain this Focus and Intensity with the Love In Action of Valour! We Call Forth the Immortal, Cosmic Christ Freedom, Wisdom and Power, Ever Burning on the Altar of Our Eternal Hearts. We Call Forth the Divine Virtues of Peace, Harmony, Harmlessness, Faith, Purity and Divine Order as Our Armour of Truth, Ever Held Firm By Our Beloved 'I AM' Presence and the Ascended Masters Who Stand Forth in Their 'I AM' God Radiance and Truth Beside Us. Beloved All-Provider, You Who Art Our Inexhaustible Supply, Our Sufficiency in All things, You Who Have Placed in Our Hearts a Great Desire to Give Forth Unto the World Our Holy Service so that Humanity may Find Peace, Healing and Harmony in All They Do. And So, It Is.

**St. Germain:** Greetings Dear Ones, before We start today, I wish you to understand why I Impressed the Use for the Invocation for the 11th July Activation to include Our Beloved Chohan Serapis Bey and the Ascension Flame of the Elohim and Eloah, Purity and Astrea respectively.

*"We Lovingly Direct Our Mother's White Fire Light of Purity and Astrea, Being Pressurized by Beloved Serapis Bey, the Brothers and Sisters at Luxor's Ascension Temple, and the Supreme Radiance of the Great Central Sun, that Directly Channels to Human Authority, to be Activated in Accordance to God's Will, so that the Devotion and Divine Sovereignty in the High Hearts of The People of the World will be Illuminated to Guide them to their Mighty 'I AM' Presence as the Soul Authority of All God Life!"*

I did this to 'Propagate a Seed of Consciousness' into the Hearts of the New Spirit of the Angelic Consciousness within Humanity, so they may open sufficiently to become more acquiescent to feel into the New Potentials now upon Earth, and in turn, within the lives of billions of human beings.

It was for humanity's Greater Awareness of the Elementals, Devas and Angelic Host, so the '**People of The Free**' may understand the Foundations and the Core '*Principles of Freedom*' within the '**True Constitution**', The '**I AM One World Nation**' and the '**Declaration For the Freedom of Humanity**' and begin placing them into their lives. For while the old beliefs and conscious mind programming persists, so too will the

miscreations continue to bring more of the very worst of humanity to themselves and the Earth. Humanity everywhere around this world can no longer live their lives in denial of the Truth of Who They Are, without having the Full Understanding of what provides the very air they breathe, the very water that they drink, the very earth that sustains their every need and the very fire that Protects, Cleanses, Revitalizes and gives LIFE to them and this Whole Solar System.

Without the Fullness of a New Divinely Inspired Educational Program for every person around the world, but more so for the Children, then *'The Principles of Freedom'* so many desire will just not eventuate.

- How can one breathe the Life-Giving Force of Freedom, if they know not Who to Give Gratitude to for that Breath?
- How can one Heal the mind, body and Spirit of their life when they know not how it was Created in the first place?
- How can one find comfort in the world without knowing the Source of Fire and its Life giving, regenerative properties, if they persist in using fire to destroy the very existence of Life Itself?
- How can one ever know the Power of Water when so much pollution is the very thing that turns this vital element of Life Itself, into an emptiness of Its True Vitality.

These Dear Ones, are the Elemental basis of your Life – the Foundation that Protects, Nourishes and Sustains Life everywhere. For it is the Loving Attention of the Dear God Beings, The Gnomes, Sylphs, Undines and Salamanders, Who are your **'Keys'** in your Quests to be FREE!

People of the Earth, if you wish to be Free, then EDUCATE the World's Children on what True Freedom MUST contain within EVERY cubic centimetre of land, water and sky and how it must be protected through the use of Love and Respect of your Own outer world and this MUST begin with your Inner World, your True Connections to the very Source of Life that make up your bodies and the world you live upon.

You who are the world's Human Beings who want to be FREE People with your Human Rights Fully Activated, First, you MUST Give the Freedom back to the 5 Elemental Kingdoms who have, through man's inhumanity to mankind and the Earth, been placed into Love's exile where They cannot be FREE until men and women alike, change their minds about themselves and their environments.

Human Beings who see themselves as powerless, *'DO'* have the Power within them, to make huge and radical changes in this world, once they come to Understand the Cosmic Laws and how to **'Divinely 'LOVE' the Elementals'**. While these Universal Laws are ignored, knowingly or unknowingly, then mankind's consciousness of separation and estrangement in all areas of life and on all levels and strata's of life, false authoritarian structures and organisations and endurance and survival living, shall only be sustained as your very existence. Have you ever seriously considered what your life would be without Air, Water, Earth, Fire or Ether? Obviously not? For while you

continue to treat these *'God Intelligence Beings'* with so much contempt, disrespect, disparage, denigration and the projection of self-aggrandizement and self-imposed superiority, how can one move beyond their own voluntary *'free will'*, self-designated, and adopted self-induced hardships and limitations. Oh, how little humanity Understands the True Life of God! This is time for some new choices in your Lives Dear Ones. Pain and suffering can be a thing of the past if you truly want it. But you have to want it so bad, that the life you now lead may need to change in its entirety to do so. Living your old life, will NOT do it!

Look around you Dear Humans, what do you see? Make your notes so that you can look back in 6 months or a year and see how wrong you were in thinking the way you once did! I *'Foster'* you to do this exercise! The Christ within you *'Challenges'* you to become this Miracle of Greater Awareness of your Own Growth and Development. And Dear God, KNOW YOU WILL BE TESTED if you take up this Method of Self Examination.

Look around you right where you sit and read or listen to this Communication, as it reflects your present state of being within;

- *Your Freedom to Breathe into your life how you wish Life to be, for you and your family and for All Beings.*
- *Your Gratitude for the Purity of Water that cleanses every cell of your Being and feeds the Fruit and Vegetables that return more Energy to Live Life with more Dynamism, Health and Wellbeing.*
- *Your Inner Stability and Peace, when One with the Earth Element and the Nature Kingdoms, in all their Glory and Beauty*
- *Your Joy of Fire, in all its vibrancy and warmth, that Expands, Inspires, Uplifts, and Illumines, the Mind, Body and Soul.*

Think about what all these Elements are used for, to deny, or to give you your perception of Freedom! This is perhaps the most profound Insight and Opportunity that you have been given in order to change your life for the better. It is your *'free will'* to decide how you will proceed from here!

I want to Highlight for you here today what your lives would be like without the Elements, Elementals, Devas or Angelic Host. In short, *'you would not exist at all'*! I want to Illumine for you today the *'Opportunity'* to Awaken from your slumbers within misinformation, dishonesty, deception and propaganda of untruths that have placed you all, also, in Love's exile, just as they have the Elementals, Devas and Angelic Host. The Difference between human beings and the Elementals, is that the Elementals have never forgotten Their Connections with God and most of humanity has. The Electrons in both have been encased in deep shadows which have slowed down the electron revolutions that make up physical forms that are continuously over shadowed by human thought consciousness. Look at your bodies Dear Ones, then look at the all the structures in creation that human beings are responsible for, the buildings that continue to breakdown and remain always in cycles of repair and maintenance. Look

at your money, machines and technologies, none of which are permanent and all are destined to end their purpose and life span. All human miscreations are void of one thing! The Indestructible, Incorruptible and Immutable Love Natures of Universal Consciousness of which the Elementals and Devic Kingdoms as the Builders of Form have the Powers of God to Create! Mankind has forgotten this vital Truth about Themselves. And Mankind has forgotten the Use of the Heart, the Higher Heart and Mind of God within them. How did Jesus Divinely Precipitate the fishes and the loaves out of the atmosphere? Through the Father's Creative Mind Power within Divine Agape Love and the Direct and Full Communication and Participation of the Elemental and Deva Kingdoms.

So with this *'human body'* example and how to connect back to the Power of Universal Christ Mind, the Electrons that make up your physicality have been encased with such shadows, which are then visually manifested as illness, disease, depression, incorrect thoughts and beliefs, disabilities, limitations within body, mind, emotion and Spirit, in every level of creation therein possible in the outer world manifestations, the physical things that make up your everyday lives that people are so dependent upon, where they just keep breaking down and need replacement. Even your fuels, that provide you Energy resources, look at the Chernobyl and Fukushima Nuclear Power stations. Look at your fossil fuels and so call green energies. None are renewable in the sense of God Consciousness. All are based upon human conscious projections, not God Conscious Magnetical and Electrical Impulses. Imagine your homes and communities run completely upon the use of God Conscious Mind Power! You can't? Then I can Assure you, in the Name of God, you are NOW, closer than you may think!

Your governments, community services, health systems, hospitals, service providers, all professions and vocations such as farmers, government officials, doctors, nurses and health care departments all need to be Educated not by reformation or increase of man-made things and chemical, pharmaceutical concoctions, for these in the most part both create and sustain all sickness, illnesses and diseases. Look at the latest Covid 19. *"Covid-19"*! I hear you gasp! Yes, have you not considered why such a virus may have so many patents around it, not only for its design and manufacture, but all the products that were needed to address and administer this man-made outbreak?

Have you ever looked at the Spanish Flu, Hong Kong Flu, HIV and AIDS, Ebola Virus, SARS or MERS, not to mention the rollout of network surveillance of 5G and now coming the 6G technology in multiple devices? All these things are all part of covert operations to keep the masses in the shadows, illness, disease, depression, incorrect thoughts and beliefs, disabilities, limitations within body, mind, emotion and Spirit, in every level of creation. ***'You did not know about these things?'*** Now you do! Do not believe a Word I Say, do your own investigations and you may find a Truth you were not aware of before! Have you ever asked yourself how the deep state and laggard consciousness are able to do all this? Well they own all the major news media, they own all the world banks, economic and world

health organizations and big pharma industries, they own politicians on both sides of parliaments and governmental departments. They care not who is in power, for they have the control of the world monetary systems and who controls the money and the principal resources of the world, controls the people!

This is what they think, but that is not **'DIVINE TRUTH'**! It is therefore the combined Energetics of the **'US Declaration for Independence and the US Constitution: and the True Constitution, the 'I AM' One World Nation and the Declaration For the Freedom of Humanity'** that By these Divine Decrees now have turned the tides of imbalanced human life away from the oppressors, and thus *'Will'* the Balance of God Life be given back to the People of the World, beginning with America First. Then the People of all other Nations, will in turn, enter this Divine Love Movement, not because they have to, but because they want to!

Dear People of this Beautiful Earth, The Truth of Your Godliness was forgotten when mankind fell from Grace, but I Tell you, Your Divine Grace within Universal Consciousness has never been lost! Lord Metatron told you in the EGA *'Resetting of Christ Time Upon Earth Book'*, page 29.

*'At this time of space-time overlap, the Time Binding and Contraction, human consciousness is being pushed to re-Awaken to the Fuller Collective Consciousness. It is therefore now the time to stop all separations, to heal and make 'Whole' again the divisions in all aspects of one's life and begin to see the Love and Unity that exists amongst all manifestations of the Adamic Race as a Family of Light and Eternal Life.*

*'For those who Know their Cosmic Family, will be able to function with a Higher Wisdom, providing those working with the Light of their own Connection to God or the 'I AM' Presence, is Fully Activated. As this takes place one moves beyond the power of the 'self' and their own 'free will' which has kept humanity tethered to this physical earth-bound reality which will one day, pass away. A Human Evolutionary System matures only when it can become a Family, working in Oneness with the Living Light. When this finally happens, then all embodiments are Enlightened and Transformed whether in the regions of Living Visible Light or within the Invisible Realms and Dimensional Fields that will Finally Open the New Cosmic Awareness to Humanity here on Earth.'* End Excerpt.

But to move closer to these potentials humanity must begin to make the transitions from old human conscious beliefs and programs to the New Universal Consciousness and the Rightful Applications to God Life. And none more so than the New World Servers who have been Given and Accepted the Responsibilities to Lead the People of the World Home FREE again!

This is an Excerpt from the **'True Constitution'** Indenture that High Lights the Presence of the Christ Councils now forming upon the Earth in readiness to help find the

Resolutions and Solutions to ALL of humanity's imbalances, problems and the chaos of human miscreations and perplexing disturbed and insane thoughtforms, that may seem unfathomable to the normal human consciousness.

*"The Human Angel Circles can now accomplish great steps forward to achieve the foci of human yearning and endeavour, bringing God's Love and God's Truth to the surface realms of human thought and belief. The Christ Consciousness now has a Centre of Focus, Activation and Stabilization that has successfully bridged the chasm between the Higher and lower Realms; As Above, So Below and As Below, So Above.*

*"Bringing together two or more human beings, especially those within Sacred Christ Circles of the 12 + 1, Co-creates an Energetic Synthesis of possibility which will indeed, lead to the unexpected and successful change in the fabrics of your worldly realities. Such a development would not have been conceivable, let alone achievable, without all the wonderful Love Light Energy being Anchored now, by so many Star Light Seeds. Beloved Children of God, dare to look outside of what was and dream of that which you desire To Be; then go and Live it with All Your God Might! Dear Ones, push the boundaries of your known consciousness, for Now is Your Time!"*

*Shekinah of The High Council of Elohim, May 8th 2008.*

These New Levels of Consciousness to mankind are now present upon the Earth and take many forms, and they are here to Create 12,000 Christ Circles of Light, each containing 12 Members; 144,000 Beings! You may recognize this number? These Beings are in some measure, the 'Essenes', Who were Present in the time of Jesus, who helped Him to Ascend! Two thousand years ago, it was for Jesus Alone! Today, they are here to help a Whole Human Race to Ascend! These Circles of Light shall Be-Come the Over Lighting Intelligences, that will assist the New World Governments to Initiate that which needs to begin as soon as is practically possible, to promote '**Freedom To The People**' through Happiness, Harmlessness, Truth, Abundance and Wellbeing to all.

To know more about these subjects, it shall be your own individualized responsibilities to do your own Due Diligence, Investigations, Explorations, Inquiries, Studies and Reviews, for most will need the information and Knowledge and WISDOM, to place it all within their own Inner and outer lives and worlds first! If you wish to become '**The People of the Free**', then you need to Remember, the Qualities and Virtues that Support these changes in Consciousness. Just as Jesus did when He Came to Earth to Ascend into Christ Consciousness, as so many Others have done throughout the Ages here upon the Earth.

That means, you have to do the work yourself upon yourself, for Freedom is not a Gift from a God on High! No! It is the Gift from the God Within you, through your Inner Connection to the 'I AM' Presence which is the Spark of Light at the Centre of your Higher Heart, waiting for your own Conscious Focus to turn on that LIGHT into a Mighty God Flame of Illumined Purity. Yes, you have Work to do to implement '**The Freedom Of Life**' that you desire, but you must start by living the '**Truth of Freedom**'

within your own personal life first! *'To Be Free'*, first you need to know what Freedom entails. How it is experienced and then how to share it with others so they in turn, may respond to your change in attitude, thoughts, words and actions which will be down to each individual person from their own *'free will'* choices.

Freedom is not something that one can learn, Freedom is something that can only be Experienced, just as Love cannot be learned, it has to be Experienced to KNOW IT.

I would like all those who may read this Treatise to know again that this is not a human plan, it is a Divine Plan Consecrated, Inaugurated and Implemented in Purpose and Function, so Precise and Accurate in its Perfection as an Immaculate Conception for the Use now by Humanity to Attain their Salvations to Become God Free; to Awaken those who are ready to AWAKEN MORE Fully over the months, years and decades to come!

I wish you all to Know and to Remember, the potentials that you have before you and that, regardless of how dire the past, present and future may seem, under the now diminishing rule of the tyrannous, laggard consciousness, there IS a Greater Power Still, that is Ever-Present, with **IMMENSE POWER OF RESONANCE AND LIGHT QUOTIENTS** flowing to the Sons and Daughters of God to Protect, Over Light and Reinforce each and every one, so as to Remain True to the Immaculate Divine Authority and Unconditional Love, of the **'Presence of Truth'** upon Earth, Operating NOW, In, Through and All Around you, awaiting *'Love In Action'* to radically change your Inner and Outer Life Experiences.

Dear People of the Earth, it is time for you all to dig deep now more than ever before and find the same Qualities and Virtues that Jesus the Christ found for Himself to secure His Ascension into Christhood. He surrounded Himself with 12 Apostles each with their own Virtue of a God Mind Power....

The list of Apostles and their Virtuous Mind Powers are;

1. Peter and Divine Faith.
2. Andrew and Divine Strength.
3. John and Divine Love.
4. James Son of Zebedee and Divine Wisdom / Justice / Judgment.
5. Matthew and Divine Will.
6. Philip and Divine Power.
7. Nathaniel Bartholomew and Divine Imagination.
8. Thomas and Divine Understanding.
9. James Son of Alphaeus and Divine Order.
10. Simon The Cananaean and Divine Zeal.
11. Judas Iscariot and Divine Regeneration / Life.
12. Jude Thaddaeus and Divine Elimination.

Dear Souls, Understanding the Balance of Such Mind Powers, are an extraordinary facet of the Greater Universal Soul Consciousness. I place these here as another

*'Consciousness Seed Pattern'* for those who may feel more into these Qualities and Virtues and what they mean in the Ascension Program for Humanity!

However, to be working with a far more Supreme Power, such as that of the Elemental Builders of Form, this is a totally new *'level of awareness'* to mankind for the Execution of Divine Ideas and Visions, Applications to Life's Greater Benevolence. Not new at all, for Jesus had to Master these Qualities Himself, before He Ascended. Therefore, to be able to control such Extraordinary Forces, that in Themselves have no conscious abilities to reason, before any *'Collective Willpowers and Strength of Universal Mind'* by Them, are put into *'Love In Action'*, one MUST become Educated within the Full Understanding of who these Elementals and Devas Are and how they Create EVERYTHING within a physical world. Whether you believe this or not, understand it or not, that IS the Truth of All of God's Creations.

Humanity has been told, The Elementals; that is, the Sylphs, Undines, Gnomes and Salamanders are Elementary, They See things as balanced or out of balance consciousness. And what they Create are not important to them for They are not concerned with form!

But They are not without Power at all, as you know when they come to bring balance to mankind's out of balanced states of consciousness in the forms of physical catastrophes. And Their Charters With God provide this Service for Humanity so they do not destroy themselves. These are Love in Action, that are the result of the lesser of two devastating results. Just as the invention of the atomic bomb and nuclear power was allowed to save Humanity from its entire self-annihilation as was explained to you in the Fukushima Series of Discourses by Our Beloved Chohan Serapis Bey, The Elohim Purity and Myself in April of 2017. A worthy read Dear Ones, if you wish to Know more Truth about your history around World War II, not known by humanity. The aggressors had to be stopped in their use of dastardly plans against the rest of the world. The 4<sup>th</sup> Ray of **'Peace through Conflict'** Dear Hearts. Yet, in terms of finding Peace in today's imbalances of suppression and conquering the world by force, there is another Solution. **'Peace Through Peaceful Means'** where a New Cosmic Law can be achieved where the Human Family come together in Peace of the New Human Angel Circles is now available for use by humanity.

But Remember Dear One's, the human body is also made up of such Elementals, so anything out of balance in mind, emotion and body are all at the end of the day, down to the harmony or disharmony of one's thoughtforms, the calm or agitated words or the peaceful or violent actions. So pentaquarks to Solar Systems are within the same Domain of the Power of the Word and How they are Used when the Rightful Application is Given to the Calls to bring to Balance! Jesus is the Living Example to what I speak of here that is most known about here on Earth. The Chohan Serapis Bey said;

*'The Fourth Sphere is where the Holy Christ Selves of mankind abide, until such time as they are able to take the outer self in the out picturing of the Christ into the outer world of mankind. The Fourth Ray becomes the **'BRIDGE'** between the Inner Realms of Perfection and the Outer Manifestation of the Divine Plan in the world of form. Is not the Elemental Grace Alliance Divine Plan about **'BUILDING BRIDGES'** between these Realms among others?*

*'The Beloved Elohim of Purity expresses, particularly, through this Ray and holds the Immaculate Concept for the Earth, Humanity and all Sentient Life Streams including and especially the Elementals, Devas and Angelic Host Kingdoms. For without them, nothing else would exist, and Earth would be no longer! The Mighty Beloved Archangel Gabriel draws the Resurrection Flame through this 4<sup>th</sup> Ray, and in the outer world of form, those who belong to this Ray are usually very artistic and have talents directed toward the activities of music, dancing, theatre, illumined and meaningful documentaries, painting, graphic design, sculpture and architecture. Divine Creativity is the Key here!' End Excerpt.*

So once again We are Speaking the Words of God when it was Spoken and Decreed that the Divine Mission declared in the Part 1 of **'The Christ Mandate'**, **'The True Constitution'** and **'The Declaration For The Freedom of Humanity'**, would be held within these Words Spoken Loudly *and* Clearly by those Whose Truth are Founded within the Immaculate Concept for the *Creation* of a New World, in Accordance With Cosmic Law.

**"To change or rewrite the Divine Charters with God for the Elementals and Nature Kingdoms, so that a radical and significant shift can be made toward humanity's conscious awareness about their interrelatedness and co-creational abilities for a more active and mutually beneficial, co-creative collaboration together".**

I invite you Dear Hearts, to now start to think about the New Human Angel Circles, the New Christ Gatherings where the ego personalities are left outside of the doors, where the New Decisions that need to be made now for the **'Resurrection of Life back to the People of the Free'**.

You have always been Free Dear Ones; you just forgot your connections to the Universal Consciousness. But now you are remembering what you have always KNOWN! And That is Your New Lives awaiting your True Loving Embrace.

Let Us stop for today and continue on tomorrow!
