

Beloved Brothers and Sisters,

All my books are being made available to you free of charge as an e-book, so that anyone who cannot afford them still have the opportunity to benefit from the information! God's Work is free and no-one can be placed in a position of denial for profit making purposes! This aspect is clearly defined in the Elemental Grace Alliance – The God Awakening Book 1.

I also have a Word Press Blog Site that you may be interested in and now a You Tube page. Both of which you will find details of upon the 'BEES AND BLOGS' Page within the Website.

Please know that this Journey is not for everyone, but, if you have found your way to The elemental Grace Alliance, know that 'Your I Am Presence' has led you to it for a reason. That reason shall be your Mission to Discover Its Truth for you, through your own link through Love In Action, with your Creator! Discernment here is your greatest tool within the New Cosmic Consciousness of the New 7th Golden Age that we are now fully embedding ourselves in. In the Book Brotherhood – A Call To Service by Joseph Benner, The I Am Presence says;

*'When a Message comes containing an opportunity for Real Service, and disclosing a Real Plan and a Real Work for the helping of your brothers; not some vague high sounding ideal, but a Definite Practical Work that your Soul recognizes, and your Heart leaps toward in glad response; know that such response is My Voice calling you to the Work I have been preparing you for, and you need not question or doubt, for your Soul commands you to obey'.*

I would love to hear from you anytime with your thoughts feelings, comments or reviews. All these help me to ascertain how the Discourses are being received within those being guided to them! How do you see it all unfolding and maybe you have thoughts, ideas and visions that you are now coming into awareness of?

The following is to share with you an aspect of both the Book and The E-Book called The Elemental Grace Alliance.

It is very well documented toward the end of the Discourses that:-

1. This book has been specifically written to be used as a book of Activation Encodements that have been filtered in accordance with each person's resonance through Their Own I Am Presence. These Encodements are designed to assist in the release of Inner Pressures within our 4 lower bodies that have been deeply suppressed within our 4 bodies. They can be either conscious or subconscious programs and old belief patterns and can be brought forward into this lifetime from past lives or even beings brought back from future lives! They can be race, cultural, community, group, family or friends conscious programs that you have adopted, willingly or unwillingly!

But if you have come here to step into your I Am Presence and Ascend in this lifetime, then you need to know this before you begin to read this book! So I would invite you to begin as you intend to finish; enter this Journey of the Soul in Communion with Your I Am Presence and God, for these Encodements will not effect you in any way at their potentialities, unless you do!

2. These Discourses will with your permission, bring all types of things, that no longer serve you to the surface for Release and Healing, and as you will discover from my releases described within the book from time to time, similar adjustments and recalibrations may just work in and through your 4 lower bodies for your Highest Long Term Good. Please be aware and conscious of what ever comes up, call in your I Am Presence to help; or let me know and I will do my best to guide you or help you to work through it. Remember you are here because you were Guided here by your I Am Presence, so nothing shall be given to you to work through that you are not ready to Be Victorious over!

What other advise can I give at this time?

Listen to your Heart and reinforce your Connection with your I Am Presence within, The Christ within You, the God In You, and take as much time to rest as possible. Filters are always put in place so as to not impose upon anyone who is not ready to touch the Higher Resonant Light Patterns of Love Substance held within this Book! This Book is a Ring Passeth Not, a natural Universal Law that says you cannot pass into the next levels of Consciousness before you have fully transcended the last level of Consciousness. Makes sense, don't you feel? One may think that they are ready, but that may not be the Whole Truth for the Truth Knows all and in so doing applies the Universal Laws of Love or Divine Consciousness to All and there are no exceptions!

Through One's I Am Presence, the DNA shall be triggered on whatever levels of Consciousness that each person is at presently radiating upon, and shall incrementally increase through triggers as each is Encodement is consciously accepted and integrated. It is important not to push through the book but to listen to the Inner Voice of Your Heart as to when to stop and rest and when to move on! Stop when you feel the need to put is aside for a while and integrate and start again when you feel the call to do so. There is a very specific order through the Discourses, so one cannot really jump ahead without first integrating the ones before! By al means open the book randomly, to get a message or two, and maybe that is all you shall need along your Path! But the whole Book is a Map of sorts. So use your discretions as to how you proceed and the preparations you need along the Journey!

So be aware of these things and take it very slowly, Be Kind and Gentle with yourself. God already Knows Who has been drawn to His/Her Plan here and who is reading and absorbing and who is not. All Those Higher Intelligences around you NOW, are there ONLY to LOVE you and assist you in becoming more and more familiar with your CHRISTED SELF!

Now that you are aware of The Elemental Grace Alliance, be sure to visit and spend some valued time looking through the information there. I am Highly recommending that at the same time you are reading the Book, take some time to read the Works of Joseph Benner especially "The Impersonal Life" and "The Way Out"! Also the Christ Letters will change your old belief programs on religions and these too will assist in expanding your Consciousness into the Greater Awareness of Truth!

There is so much information upon the net, what I have tried to do is to condense it down within these parameters of thinking that not only relate to your Ascension into the Christ Consciousness and the being one of the Second Coming, but who wish to take part in a more dedicated and committed Reality for the Greatest Good of All Concerned.

The Elemental Grace Alliance is not the only way, that is clear and very well understood, but its Divine Design has been sanctioned, Consecrated and Inaugurated by Higher Intelligence and Light Beings within God's Creations. It is up to you to make the relative discernments as to your part in it, or your desire to continue or not as to these potentialities!

One more thing, I know this is a major read as E-Book, being such a big file for the computer. To save my eyes and intent ed focus for any length of duration, what I have done, which has been so amazing for me, is to download a free Speech To Text program called Natural Speaker. I use the voice of Ryan that suits my ears best (There are women Voices available also for the female parts of the Discourses) and so it then becomes a audio book! Here is the link!

One tip here. Copy and paste from the Docx or Pdf file only approximately what you want to read in a session, for if you download the whole book at once, there is too much gap between the sentences. And although you can adjust the speed of the reading voice, it still has that gap between sentences. Just a thought! You can upgrade the program that indeed improves all the features of the Reader program, it is not expensive and allows you to tweak the speak and many other things. Very good advice if this sort of thing feels right for you!

I have sent out the PDF file but if you prefer or desire the Docx file simply ask!

If I can be of any assistance at all anytime, don't hesitate to call!

*"The ultimate expression of your Godliness occurs every time you raise the vibration of your thoughts, those of the collective and matter of all densities and structures. In these moments of Supreme Awareness, you are not 'playing at' being God, You Are God's, God's of the Earth Kingdoms and God's of the Universe, breathing Your Souls into the Matrix."* The Sirian High Council through Patricia Cori.

Beloved Brothers and Sisters and Of The Light! All this is about Raising your Vibration Frequencies. The Call is being Given, are you ready to take your Next Step as a Divine Creator at the Higher Levels?

You are indeed, because Your I Am Presence has led you to these Discourses!

In Love and Light

Peter
