

WELCOME TO THE ELEMENTAL GRACE ALLIANCE.

Dear One's,

This is the Introduction to The Elemental Grace Alliance Web Site for Greater Clarity of its Purpose and Divine Intentions.

You are being Invited here now, to take the time to carefully read this sharing before you enter this site, as it has vital information if you are already aware of your Purpose in Be-Coming One of the New Christed Beings or Human Angels to Walk here upon the Earth. This Site is not a normal site in terms of Design, Union or Communication (*that is, Relationship*) with the outer world around you and You!! You may read much here, but in that '*relationship*' between you and the Words, Images, Visuals and Mandalas, your lower mind may not find the Deeper Truths contained within them. This Site, like the books it contains, has throughout it, the '*Language of Light*', which was Consciously and with Divine Intention and Purpose, embedded in every Word, Image, Visual and Mandala, in every available Space, Allowing it to Hold not only what is being said and seen, but All that, in the Higher Consciousness of Truth, that cannot be said in the lower vibration resonance's of human consciousness and understood or even received to act upon. This is Cosmic Law.

So, do not be surprised that while you are reading or looking at anything herein, that you may receive subtle bodily impressions and responses. This will be your Inner Self, the God Within You Communicating With You, The Real You! It will be indicating the possibility of beginning the Recalibrations of Your Resonances and Light Quotients. You may begin to understand this more, if you have been guided here through You Tube or other visual or sound recordings! Watch out then, for anything unusual or different things taking place within, through or around you. This Mindfulness will become a Support for you, more than you may Self Realise right now!

So, to help you understand this further, you are being made Aware in Advance, that while you subject yourself to your lower mind or ego personality mind '*only*', you may miss the Deeper Truths hidden here. To gain these, ONLY your Inner Higher Mind and Heart shall Reveal the Higher Truths to you.

Divinely Trust in the Process and have Divine Faith in how, where and why Your Heart shall Lead You from here, through Your Inner Most Heartfelt Feelings! Thank You for Listening!

Seek not that which is seen, but Rather that which is not seen!

Know Thyself First!

And So, It Is!

Beloved Family of Light,

Before you begin to survey, examine, contemplate and feel into The Elemental Grace Alliance Council Work, we would like you to know, that what you may find herein which was initially brought about for the Purpose of Helping those who originally joined this Living Organism, (not a foundation, organization or business), to find deeper focus and commitment within themselves to help assist Humanity, The Elementals, Devas and Angelic Host and much more, through this Divine Plan. Not a human plan, but one that was Conceived and Inaugurated within the Chambers of Shamballa in the 1940's by the Masters and Other God Intelligence's. To do that, the Human Contingency, once They had found those to Anchor this Plan, had to Receive Grants and Dispensations so as to Qualify for Extra-Ordinary Releases of Instruction from the Masters. This is Cosmic Law also, and thereby such Petitions for any GOD Work here upon the Planet MUST comply with such Laws, else, any Creation remains underpinned by human consciousness and therefore such manifestations *'will not'* become Eternal or unaffected by human interference of whatsoever nature. This is also Cosmic Law, The Law of Perfection, and there are no exceptions to these Laws.

Most of the Discourses found within this Site were directly given to the EGA with the Intentions of such Extra-Ordinary Instruction, and having us attaining such Grants, they were given, so as to Direct and Guide those within the EGA to make the most accurate choices to Create the Maximum Potentials possible at this time from within this Divine Plan. Within many of the Discourses the names, **'Sun of Even Pressure Council'** (an Internal Circle of Light within the EGA) and the **'Elemental Grace Alliance'**, or personal names, are spoken of and mentioned a lot, but only for the purpose of identification to directly place focus upon The Master's Instructions, Training, Teaching, and to Offer Greater Perspectives. *(Similar to the way that the Ballards were spoken to by the Masters, both to groups and personalities, in the 'I AM' Activity Discourses)*. So please do not be dismayed by the continued mention of these names, for while these have been used to Advance the Elemental Grace Alliance, all Discourses, Trainings and Light Programs are also being placed here for All Dear Souls or Groups to Use for their own Evolutionary Path, Growth and Development should they be interested. None of this herein is exclusive!

The EGA and its Membership are not special, there are millions of Dear Souls and Groups doing this work around the world now, it is just that the EGA has a very specific Focus to reach the same destination as everyone else; just may not be doing it in a way others are doing it? Specialness, would imply the glorification of the ego. Our Only Desire here is to Glorify God through the Christ Within. For the Greater Glory of God Go I!

St Germain is Our Principle Guiding Influence and it was Our Holy Brother, Who from day one in 2014 made it clear that He wanted to take a Seat upon this Council and Divine Plan. And so He has!!! However, you will also find All 7 Spheres of Influence here from many different Worlds and Dimensions. This has to be so, for these are your Roots, this is Who You Really Are – The Oneness of God and the All That Is. But more than that, you will find the Elementals, Devas and Angelic Host here as well, for without them, you in your physical form or the Earth or this Solar System would not be here! Nothing would exist in physical form!

The Goal here is to make this information available to all, free of cost. The EGA provides all its Services, it's pdf books at no charge, for Educational Purposes, so that no-one who is Guided By Their 'I AM' Presence, one way or another, cannot, will not, be turned away for any reason, other than by their own 'free will' choices or their Own 'I AM' Presence, Who 'Will' take them away for whatever reason that may be for further lessons upon their own path.

The EGA continues to Grow on the Generosity of others Love Gifts, who wish to help keep the Education of the People of Earth at the forefront of this Evolutionary Process. St Germain in His Discourse 21 of the 'I AM' Presence Activity Discourses, says this about Love Gifts and charges for Discourses and Instructions:

"I wish every student of this Radiation to fix firmly in his mind that concerning these Instructions, there may at no time be a charge ever made for Them. The student is always free to make Love-gifts as his heart directs, but to make a definite charge — under the Law by which these Instructions are given — would close the door immediately. Just the reason for this I may not explain to you at this time. It is not that the labourer is not worthy of his hire, but this Work comes under an entirely different Activity of the Divine Law, which I will one day explain to the students.

"Feeling as I do the earnest, most worthy desire of some of the students to come physically within this Inner Circle, or Radiance, so to speak, I shall endeavour to explain how it is not possible to be done — beautiful and loving as the desire and radiation of the beloved students are. This Beloved Sister and Brother have gone through thirty years of strenuous, conscious preparation for this Work. The Electronic Circle within which this Radiation must focus would have to be entirely rearranged and readjusted. It might require some years to again bring it to this point — lovely and beautiful as the radiation of the others is.

"Each individual has his own distinct radiation and vibratory action. While the invisible mechanism, shall I call it, for this Work is in one way very powerful, yet in another way, it is as delicate as a gossamer veil.

"I assure you, Beloved Students, that either My Personal Presence or My Consciously Directed Ray is always present whenever either this Beloved Sister or Brother is giving forth these Instructions. Here let Me urge you that at no

time is it wise for any student under this Radiation to give forth verbatim these Instructions to one who is not yet under this Radiation. Extracts, verbal or otherwise, may be given forth for the help of others, but We do not wish anyone to be so unfortunate as to say he is authorized to give this forth when he has not had permission to do so.

*“This channel must always be kept clean, pure and unselfish, and these Instructions may not be commercialized at any time. The application within the Instruction which is given from time to time, if used sincerely, with true feeling and confidence in the Instruction, will cause the student or the teacher using It to become such an invincible magnet for the Opulence and Riches of God that there will be no need to commercialize the Instruction for the sake of a livelihood. For any individual — whether at first, he has the full understanding of its meaning or not — who will be conscious that: **“I AM’ the Omnipresent, limitless Supply of God’s Riches and Opulence in my use”**, will sooner or later come into the full conviction of this Mighty Truth.*

“I understand fully how important the financial support of the individual seems to him, but I say to you beloved students that financial support is always as the shifting sands until you begin to consciously apply the use of the ‘I AM’ Presence as your Omnipresent, Limitless Supply of either money, Love, Understanding, Light, or Illumination. So, try to receive the full conviction of the Radiation of this which I give to you, that you may use It with a certain, unwavering consciousness which will give you forever your freedom from all financial strain.”
End Excerpt.

Of course, St Germain is speaking here of the *‘I Am’ Activity Discourses with Guy and Edna Ballard*. However, He is also Giving the very same Instruction to the EGA as We have been given the Grants and Dispensations to be an Authority of the ‘I AM’ with the Permissions to Use in the same way. And it is through St Germain and The Christ Jesus We do our best to adhere to these and many other Conditions of Engagement set out by St Germain within His Loving Guidance. This Grant, you will find within this site for any validation you may require, as well as His explanation that He mentions above.

Yes you *‘will’* find personality here, but please do not see this in a negative or glamorous way, it may be in some ways, but it is never intended to be such, as you will discover if you dive deep enough and follow the Teachings of what is shared herein. Rather, read, review and study what is Within and Around the words Within your Heart. Your mind by itself, will not understand much of what is shared here.

The Masters are Teaching from the Heart, about the Heart, for the time has come that Mind alone will not allow Us to Transcend beyond the 9th Dimensional Realms of Mankind’s Ultimate Potential to Follow Jesus the Christ’s Example to rise above the 9th Dimension and into the Electronic Belt. You have found your way here for a Purpose; you will find that Purpose if that is your Holy Desire! But only you will discover it, by

following your Own Inner 'I AM' Guidance as to what It Knows of the Truth that is here to help you move closer to The Prime Creator's Love and Light!

IT WILL TAKE YOU TO KNOW YOURSELF FIRST!

Have a Wonderful and Loving Journey here, and we are here to help anyone who may ask for assistance. But Now the aim is for you, through your own 'I AM' Presence to deliver what you need; no other person or group can do that for you! You Are Your Own and ONLY Teacher! But you are the one who must do the Inner Work to Claim Your Seat upon the Christ Councils and to Claim Your Own Ascension. There are no short cuts to this Divine God Process.

There are 3 Discourses you will find just below the '*Full Transcription Buttons of PDF and MP3*' after the Introduction, on the webpage that will provide a pretty good Foundation to Stand upon, as you continue your Journey here. But you are Solely Responsible for your Own 'I AM' Presence Qualifications and Discernment as to what is right for you or what is not. The words you find here are just that, words on a computer screen, they only have meaning, when one gives them meaning, and places them into their own life to validate the Truth or not. Unless something is experienced first-hand, nothing will ever become True Knowledge or Wisdom! That is the way of the human being Be-Coming A Christed One!

To Truly Become a Member of the Elemental Grace Alliance it is important that you read the God Awakening Book, to fully understand the Goals and Potentials of this Divine Plan. Without this Fundamental Understanding of the Truths contained within this Book, your Focus would simply remain outside of what St Germain is speaking of, to raise One's Consciousness to be able to step through the Next Rings of Consciousness Passeth Not, and to Be-Come the Divine Alchemist! This Book then, is Our Petition to the Karmic Board of Directors that Gave Us the Grants to Move Forward in the Manifestation of this Divine Plan.

We have the Master Djwhal Khul 14 Rules Study Group which gives one the detailed information about the Human Journey and the various Initiation Processes which is always a great help to understand. Yet it is not necessary to understand to do this course, as it is not a course for the lower mind! But it is here if your wish to join in! Find the details on the **Rule 1 Study Group Button** above in the menu. Review and make your choice!

There are the EGA Light Programs which presently according to the Masters are prerequisites that offer Dear Souls a fast track in raising their Vibrational Resonances and Light Quotients, so they can then receive their own Investment of Energies from the Godmother Vesta, which is also a Cosmic Law when Engaging and Creating the Perfection that God Desires. For more information about these Light Programs, you will find them on the **SOEPC Council Button** above. Review and make your choice!

This will Provide a complete Understanding of the 12 Mind Powers that Jesus had to Master before He could Ascend. Go to the **Mind Powers Button** above in the menu, which will take you there.

The St Germain Alchemy Classes are presently not available in any Group format, however the Discourses for them are available here for your use and contemplation and should you wish to undertake such a Class, you may do so. St Germain does give Guidance however, that this is now an individual training, and not a Class Activity. This may change anytime, but for now we are Honouring His Request. The first two classes are on the website now and the other 3 will be available soon. The Discourse by St Germain explains what it means by '**Know Thyself First**' is also being placed below for your immediate Discernment to Understand with more Inner Senses to these New Realities to Be-Come and Christed One. It remains at the present, unedited for public dissemination but look beyond this and see it more from the CORE messages. By all means follow the exercises given and see what may transpire, for it will give you a good indication of where you are presently at, in the Knowing of Thyself First. With Greater Resources being Magnetized to the EGA will give us the opportunity for the re-formatting of these Classes that the EGA Members were engaged in with St Germain and His Class Environment. We can only apologize at this time, that all within the EGA is not as it may be if we had the resources, both human and financial, available to make them so. But we are getting there! You will find this Discourse on the **Alchemy Class 2 Button** above in the menu.

There is not much we can offer more than this for the moment, unless you have some specific questions. But by all means when you know what you wish to do, in ANY part of the EGA Divine Plan, even if to offer your Service as a Volunteer in the areas we need immediate help to continue Its Expansion and Growth (*which you will see on the **EGA Recourses Button** below*) then please write to us! We welcome all inquiries and help available to make this Divine Plan a Mighty Success!

One last thing before we close this Introduction, and We must tell you this now, so as not to have anyone misunderstand the Work in Be-Coming The Christed One that you have Come here to Be! This is not an easy process; it takes time and MUCH Deep Inner Work. It is impossible to achieve in a single step and is made up of millions of tiny incremental steps. The ego personality will fight you all the way! It is also not possible then, while remaining within the ego personality or lower conscious mind. This part of you shall require Gentle, Kind and Loving Support from the Higher Self. Your ego is not to be deleted or removed; this is not the way! It has to be Fully Integrated and Allowed to Merge in a way that maintains Truth and Understanding not the application or force, judgement or criticism. This is why it is Imperative that you must, each one, Build Your Own Communication skills to be able to Communicate with your own 'I AM' Presence. That is where the EGA can help with its New Formulas and Templates of Approach!

The EGA has been Informed, that all such potentials are here NOW upon the planet! Human Consciousness is ready for these next steps! For those Ready, it will more than likely happen within the next 2 years, around November 2022 has been indicated. However, it could happen today, tomorrow, in a month, in 10 years or lifetimes away, but IT IS here NOW, available to All Who CAN Correctly and In Their Rightful Application to God Life, Step into this God Life in the Likeness and Similitude of God the Father's Light and God the Mother's Love.

You will be tested every step of the way, and as you pass such tests you will be given greater responsibilities and then tested again until you Prove you Are Ready to take the final Step. A Step that you will not decide upon. That Final Step will be Decided by God, and you Know when you Hear the Voice of God as Jesus did Within You.

"Men and Women should understand that although their surrender to God be complete, following surrender they must wait for the fiat of bestowal that is pronounced by the God Presence as a restatement of the blessing given by God at the birth of his offspring: "Thou art my beloved Son: this day have I begotten thee. " This takes place when one has relinquished the control of his four lower bodies to his Christ Self, thus enabling his True Self, the Christ, to obey the fiat "Take dominion over the earth!", the earth being one's own footstool kingdom, the four lower bodies.

*"Remember that even Jesus the Christ came to the moment of his anointing. The Holy Spirit descended and the voice of God renewed the ancient covenant **'This is my beloved Son, in whom I AM well pleased'**. This is the timeless fiat of creation uttered from the foundation of the world, reconsecrating the soul who has pledged to renew in service his vow taken at inner levels to do the will of God.*

"Therefore, when man's right to function as a Son of God is restored, the moment of creativity is born because he has once again recognized the power of God's love to forgive his sins (to set aside his karma until such time as he has gained enough self-mastery to stand, face, and conquer his human creation). Now the bond of life within itself weds him to the highest purposes of alchemy and that, mind you, without ever robbing him of his true identity."

End Excerpt. (*St Germain On Alchemy Book Chapter 8 Book 2 - What Alchemy Can Mean To A Decaying World*).

Dear Souls, The Human Race is at a Very Unique place right now! It may seem quite chaotic around Us, but what is important is that those Who wish to make the Transitions above mentioned, must not become physically, mentally or emotionally attached to such things, no matter how dire they may seem. This then is a time for You, the New Christed Ones, to Become Observers and move away from the acceptances of being the victims caught up in the outer world. This is a time for You to Use what You Observe to Know Thyself First and to place these new awareness's into your life as experience. It is

therefore your responsibility right now to ONLY Observe that which is held within your own world environments. Place your foci there. Correct your own world first, after which, you will Magnetize and Magnify that which is further afield as you Grow in Resonance and Light Quotient.

We are told that it shall be around 15 Generations or 300 years before the mass of humanity will Ascend within the Christ Consciousness together, yet the time is NOW that We face a massive fork in the road. Those who shall follow the old consciousness and an expanded world in technology and the continued industry and manufacturing; and those who will return back to Nature and Who Will Use Their Higher Consciousness to Provide All that They need to Live Their Life In Christ. The New Pyramidal Light Temple Radiation Centres will be the beginning of such communities that will live in such Christ Conscious totally independent and unaffected by the opposing consciousness. It will take time, but the Transitions have begun!

The time is NOW to make the choices in you, for your families, friends and colleagues in home, work and outer group environments. Do this NOW, in the way you wish to Travel Home from here. What say you?

**A Master Seeks Only That Which He Or She Chooses In The Life They Wish To Live

Thank you for your time and energy in Listening and Sharing in this experience with Us.

We Are One in Love, In the Creation of Heaven on Earth. This is the ONLY Reality, all else are the illusions of human creation.

God Bless You,

**Seek Now, not that which is seen, Rather that which is Unseen!
May You Pass Every Test.
Know Thyself First.
In Love and Light We Share.
And So It Is.**
