

Group Chemicalization - Djwhal Khul – Discipleship in the New Age Volume II
– Alice Bailey - July 18, 2017

“I would like to start off this instruction with the simple statement as to the task which all disciples of the masters throughout the world are engaged in. Undertaking and which you also should consciously consider. It is the task of confronting the Dweller on the Threshold in your own life and also in the group life, and from that vague point of strength, face that Dweller on behalf of humanity and thus aid humanity to vanquish these ancient imbalances. To this presupposes crisis in your life and in the life of humanity. the handling of crises is the hallmark of the Disciple, and every crisis met and rightly handled provides (once the difficulty is occultly under the feet) the place from which an extended vision can be gained, fresh knowledge can flow in and the Transmuting Light can Shine from the Angel of the Presence and thus produce results.

“Each of you has passed through a cycle of real difficulty and strain. This is true of all disciples. The past 18 months have been months of precipitation, producing a chemicalization, an interior process of upheaval and probably outer behavior which may have caused concern to the Observer within. This however, is but the reaction of the personality to undue pressure and strain, to world conditions and clearer vision. VISION reveals both the Light and the dark, a thing which is oft forgotten. Disciples are fortunate if the major results work out in the physical body. The reactions of the physical body are least important and do the least harm to others. Where they work out in an emotional or mental condition they are then apt to become a problem of fellow Disciples, adding to their strain and necessitating an effort upon their part to carry the Brother or Sister through with the least damage to the Group.

“In this group work you need to remember that increasingly there will be no individual life. This is as it should be. Increasingly disciples should be aware for each other and tune in with EASE on each other; increasingly the bonds of illumined loyalty should control; increasingly you will participate in each other's attitudes and conditions and thus learn the basic lesson of UNDERSTANDING. Understanding is the secret behind all power to achieve Identification with any form of divine expression, understanding is one of the prime factors in producing revelation, and this is one of the paradoxes of occultism. In the world of human thought, understanding follows the prescribed routine, it follows the presented fact. In the life of the spirit, understanding is a necessary predisposing cause of revelation. I would ask you to ponder on this, bracing yourself for revelation, through a deep understanding of the Initiator in yourself. Each of you has to initiate your own individual crises, there is no-one else who is responsible. Each of you together initiates the activity for which the Group is responsible and for which you have been brought together each of you initiates, yourselves into the Presence, through the medium of the Angel, and into the shadow of the ‘Dweller on the Threshold’. Through this process, full consciousness is achieved.

“The work of this group, and of other groups similarly motivated, is to achieve these undertakings together; together to face the Dweller and triumph; together to arrive at understanding; together to stand before the Presence because the Angel's Light reveals 'that which the eye has never seen'; together to walk the path of Revelation; together to serve and

together to aid the faltering steps of humanity, the world aspirant; together to stand with your backs to the Light because you comprehend the ancient aphorism which states;

"They who face the light and stand within its radiance is blinded to the issues of the world of men and women; they who pass on the lighted way to the great Centre of Absorption, but you who fills the urge to pass that way, yet loves your Brother and Sister on the darkened path, revolves upon the Pedestal of Light and turns the other way.

"They who face towards the dark and then the Seven Points of Light within yourself transmitting the outward streaming light, and lo, the face of those upon the darkened way receives that light. For them, the way is not so dark. Behind the warriors, twixt the light and dark, blazes the light of Hierarchy."

"I have been thinking of you all with tenderness and love. The struggle is so hard and oft you feel alone. There is strength in all of you or I would not have chosen you to serve your fellow men with me; there is weakness in all of you that can evoke your Brothers and Sisters strength and thus you will be strong. There is Love in all of you but it needs expression, and for that the group exists". There is Light in all of you and with that light you serve. As the Hierarchy stands as a center of light and strength to humanity, so do your souls stand to you, and as your Master, I blend My Light with yours and thus increase the efficiency of your service. I Blend My Love with the love which pours forth from the soul towards each of you and thus I deepen the relation of love between each and all of you. It is not often that I speak to you in this manner, but in the process of freeing you for increased service I have drawn nearer to you and My Love surrounds you. Learn my Brothers and Sisters the meaning of words, their transmitting potency and their spiritual significance.

*"I am going to take the time and spare the needed energy to get in touch with the group during the coming **Full Moons**, prior to that of MAY. I ask you at no matter what hour the full moon each month may fall, to endeavor to keep half an hour free so that you can attempt to enter into my consciousness. I realize that it may not always be possible for you as your busy Western lives to keep the exact minute full moon period as it is reasonably possible in your own particular circumstance. This is to be a Group effort and not an individual because it is as a group that I shall contact you. Link all the Group Members pouring yourself out in Love to each of them and to all collectively and associating yourself with them as a part with the whole. Then is united effort attempt the following procedure.*

"It is about Group Initiation. What you are going through, is for the best in the long run.

"The Group is the factor of importance and as I said, increasingly the individual life of the Disciple lessens and his/her Group Awareness and Sensitivity increases. Bare this in mind as your Master Impersonality, an Impersonality shown to you by Me. It is an Impersonality which you yourself must develop and apply and by your own Soul (so difficult to learn). It is an Impersonality which you yourselves must develop and apply, once you love enough; Love is the basis of Impersonality.

“Building this Group will be difficult. Already you have several Members who have stood the test of time with all of your human flaws. We all understand. Those who choose to go there way, will. It is important to do all you can for each other, but the most value comes from being true to yourselves first”.
