

THE 'I AM' DISCOURSES ON AMERICA

VOLUME 18

BY GODFREY RAY KING

'I AM ACTIVITY' OF SAINT GERMAIN FOUNDATION

DISCOURSE 2 OF 20, SEPTEMBER 11, 1950

SAN FRANCISCO, CALIFORNIA

BELOVED GREAT DIVINE DIRECTOR

Beloved Ones of Saint Germain's Family, in coming to you tonight, what I have to say is of great import to your Nation as well as yourselves. Because of the Cycle into which you have entered, which is the Cycle of the Violet Flame, wherever the Light within a Life Stream is expanding, We are permitted at this time to give much Assistance that will enable many to be strengthened as they turn to the Light and made strong enough to stand in It and go forward, this time, to their Freedom. Because that which they will enter into as the Law of the Violet Flame becomes the Law of the Earth in Its Cleansing Process, those Life Streams will be able to stand against destructive forces until the complete Cleansing of the Earth takes place.

Heretofore, when the Light expands within a Life Stream, We have at all times endeavoured to protect and help the Light to become strong enough in each one to stand against the destructive forces. And until the Light reaches a certain intensity in the outer self, and a certain proportion of the energy that has been constructively used in former embodiments is placed within the Causal Body, until that has occurred, many times when We gave Help in the past, the individual would go along for several embodiments serving the Light. And then something would swing them off again, swing the individual away again and would spend several embodiments serving the destructive forces.

But now, as you make the Call for the human creation, at least two-thirds of it, that is the mass discord in your Nation, to be consumed under the Dispensation of the Great Cosmic

Law, because you are entering into the Violet Flame Cycle, the Great Beings who are purifying the Earth will come to the Assistance of many who at this time do not quite seem strong enough to hold to the Light, although within themselves they want to.

This is a great Mercy to life; and if you will make the Call for the Dispensation of whatever is required to permit the consuming of at least two-thirds of the discord and impurity that has been brought within the borders of the United States of America, the Light of your own Life Stream, in making that Call for the Nation, will expand within you; and that will strengthen the Light in the Nation to the point where this may be done.

I'm not saying positively that It will. It depends upon you. But It is an Open Door which can be held open until that Assistance can be given the Nation. Something must be done to purify enough of the energy within the borders of the United States of America in order to safeguard the Light of the World, the Heart of the World. So, under the action of the Cosmic Law, as you are entering into the Violet Flame Cycle, it will permit certain Mercy and Forgiveness to be extended to the people within your borders which is not permitted in many of the other nations of the world. It is permitted in some, but not all. That is due to the accumulation of Light within the people in those nations.

Now if you will make the Call at least just once a day, it doesn't take but an instant! But whenever you think of the conditions in America that need correction, you will call on the Law of Forgiveness for America's mistakes and ask for the Dispensation that will permit, under My Authority, the consuming of at least two-thirds of the discord and impurity within your borders, much may be accomplished in a short time. And then if you demand that the Light of your own Life Stream be strengthened to the point where the Cosmic Law will permit this, then you can be the Open Door by which that Light goes forth and the Cosmic Law acts to consume enough of the discordant accumulation here to keep America from experiencing the frightful things they hope to accomplish.

We look upon America the same as We look upon an individual. And when the Cosmic Law permits Assistance, We never fail to give It. But your people within this Nation have had so much of God's Mighty Blessings that they became careless and did not guard with enough intensity and enough Power the Blessings that others gave to them.

It was your early patriots who sacrificed the outer activities of the outer self in order to win Freedom to love God as you please. It was the Strength of the Light in the early patriots' Life Streams that bought America in the beginning, and it was that Light and Love for God that became Her established Freedom. And it was only when people turned away from the strict adherence to the moral Purity and Love for God within the operation of your Nation that the destructive forces had an Open Door through which they have done the damage to your people and your Land that exists here today.

The American people have had a great many of God's Blessings, and they had Freedom. But those who gave the Freedom, having gone on into the Octave of Light, the other Life Streams that have come in here to enjoy these Blessings have not valued them enough to hold the Guard as should have been done. The early patriots were instructed by the Ascended Masters and told certain things to be maintained within this Country would be necessary; and they were disregarded until it was too late.

But you are some of those returned; and since your own Light is growing brighter, and you have determined to face your Mighty 'I AM' Presence and attain your Victory, then at the same time you can become the raising Magnetic Power to demand that America be given the Mercy and the Forgiveness that will allow enough discord within the Nation and its impurity to be consumed, so that the remaining Light can be expanded with Power enough to ward off the destruction which those other forces would like to impose upon you.

I am a certain Authority to permit that to be done, if We see the response in the feelings of mankind expand the Light to a certain point. And when It grows bright within a certain proportion of the people, then We do not lose a moment in acting to fulfil whatever Dispensations the Cosmic Law will permit. If you want those Dispensations, ask the Great Beings in the Central Sun, and all who guard and govern America's Destiny, for the Dispensation that will permit this to be done; and We will see what We can accomplish. When you ask for that Dispensation, your own Light grows brighter; and therefore, it is that much more Light within the Nation that would stand the Guard against destruction.

Great has been the Mercy to life; great has been the Love and Forgiveness through the centuries; and now there must come the response in every Life Stream so that the Light expands with enough intensity to be the Governing Power within the Nation that holds the balance against the pressure of destruction from the rest of the world.

I am the Authority to help bring that about through the Life Streams whose, some of whose human creation I have consumed. And Dear Hearts, I do not want any credit for this; but unless I had consumed two-thirds of your own creation in the beginning of this Work, there would not be Light enough in your Nation today to have stood against the encroaching holocaust of destruction.

Others who have assisted Me in the consuming of the human creation are those who turned to the Light, have given and given and given Their Light to make every Life Stream as strong as possible at this time to hold to the Light, and to carry that Light until It could radiate to others the Desire to turn to the Light. And that is the thing We want to do into the mass of the people.

We want, through you, through your Radiation, to pour the Desire for the Light into the very atmosphere about you until that Desire is paramount everywhere in the atmosphere over your Nation. To Us that Desire appears as a Light, a soft Radiance of white Light about the body; and We have but to look over a city or a locality or a group of people to see the intensity of the Light, to know how much constructive action is pouring forth, and what is the strength of the people to hold to the Light.

And you will never know until your Ascension what that Mighty Chart has done for you and for all who have gazed upon It, because the Beloved Godfre sent forth the Command in the beginning, that every human being who ever looked upon that Chart would one day have to turn and face the Light and serve It of his or her own Free Will. That is the Power that was charged into It to begin with, so that It fastens each Life Stream, at least the attention, for a time upon the Presence. And in that, the 'Presence' charges forth the Memory of Itself until the outer self of every individual who has looked upon that Chart will never forget It.

Therefore, one day, It becomes the Magnet that compels their attention back to the Light until the Light can pour Itself into the outer activities, until they are purified and consumed. The same thing is true of the Nation. You, being Light within that Nation, can become a brighter Light when you ask in Love for the Dispensation of Mercy and Forgiveness to permit the purifying of the Nation and the people to a point where at least two-thirds of the discord can be consumed.

Let Us try it! We are willing to do everything the Cosmic Law will permit if you will remember to do this once a day for the Freedom of the Nation. No one can tell what the Higher Mental Body of each of you will do, or the Presence Itself, in a way that will affect the whole Nation as that Call goes to the Heart of the Central Sun for more Assistance to set this Country Free, until the Light can be focused here. And I mean the Liquid Light, the Cosmic Light Substance, can be concentrated here to the point where Its Radiation reaches forth to a certain proportion in the rest of the world to compel the constructive activities to again take command in most of the nations of the Earth.

The Great Cosmic Law has been set into action to purify the Earth! The Fiat has gone forth from the Great Central Sun! Therefore, those who desire the constructive way of Earth, those who desire the Eternal Purity of Perfection, are One with that Command. Then as you move forward holding that Desire for the Nation, your Light can become the Strength in the Nation that enables the Call to be answered. And I know your Love is so great for America, and your Love of the Light is so great that your Call will carry Mighty Power as it goes forth to demand this which safeguards the constructive activities of America and the world with much greater Power and enable them to hold the Victory of the Light wherever they abide.

I want you to feel, Beloved Ones, the importance of your own Light. And when you call to your Beloved 'I AM' Presence or to Us for more Light to not only strengthen you and your worlds, but when you demand enough Light to save your Nation, then the Cosmic Law is compelled to listen and to assist you in every way possible.

When I speak of the Cosmic Law, that is not an impersonal thing. That is the Directing Intelligence and Almighty Wisdom and Power embodied in the Great Beings in the Central Sun. And it is those Beings who determine whether this can be done for your Nation or not. So you're not talking to an All-pervading Presence that is just a Principle abiding everywhere. When you send forth your Call for Love and Mercy to permit the consuming of two-thirds of America's impurity and discord within Her borders, you are talking to Intelligent Beings whose Authority over the whole System of Worlds is Infinite and Immortal.

You're not speaking to space! You're speaking to the individualized Directing Intelligence that consciously controls this whole System of Worlds. And since you are an individual, and those Beings are Individuals, you certainly can communicate through the Desires of Life to release more Purity of Itself to correct conditions that have no right to manifest.

I want you to feel this Authority tonight, of your own Life Stream, to call for Dispensations that permit the Annihilation of human conditions rapidly enough to prevent more disaster within your borders. I want you to feel that those Great Beings whose Love is incomprehensible to the unascended being, those Great Beings wield Power that only the Great Ones understand; but that Power is of such magnificence that if you begin to demand It come into you to strengthen your own Light, that your Light may be the Strength in America to permit this to be done, then We will move forward hand in hand, to the Fulfilment of America's Destiny, until Her Light drenches the Earth with the Purity and the Supply that redeems and protects and assists constructive forces of the world to again take command.

Try with all your Hearts, My Dear Ones, to hold the harmony within yourselves, and to demand Immortal Purity in your feeling world. And don't feel that you have the right to hate this person, or that person, or someone else in these Sanctuaries or in this 'I AM' Activity, just because you don't want to bring the outer self, your own outer self, into obedience. Try to realize these Sanctuaries are Altars of Peace and Love, and no one has a right to bring ill feeling or discord or criticism or condemnation within the Altar that is the Strength to protect America from destruction. The Light that is drawn within these Sanctuaries is anchored here to make America's Light strong enough to stand against the encroaching discord, and so is every 'I AM' Sanctuary throughout the world. It is a Focus of Power to protect that locality against the world's destruction.

And tonight, each one of you is the same thing in the outer world as you move among the other people in the outer world's activity. Each of you becomes a Focus of Strength and Power to be the Strength of the Light of Encouragement and Purity to those you contact, until wherever you move, that which is constructive in everyone is made stronger by your Radiation of the Light that is Master. And that which is not constructive in individuals is dissolved by the approach of your Light, as you keep commanding that you are the Law of the Violet Flame.

When you begin to use that expression, Dear Ones, Miracles and Joy indescribable are ahead of you. When you say, '*I AM the Law of the Violet Consuming Flame ruling wherever I AM,*' then that is as if the Violet Flame rushed ahead of you, purified, set things into Divine

Order, and forbids discord to exist. Then you move into that and accomplish what you desire constructively for the assistance of all.

When you demand in your own world the Government of the Violet Flame, then that goes out into the governmental activities of the Nation. When you say, *“I AM’ the Immortal God Government of the Mighty ‘I AM’ Presence in my being and world,”* that is tantamount to saying, *“AM’ the Immortal God Government of Eternal Purity and Love and Perfection”*. And when you acknowledge that as the Law of your world, as the Government of your world, then that goes forth in all governing channels. And when you begin to acknowledge or demand the God Government of the Violet Consuming Flame purify the Nation and consume two-thirds of the human creation within your borders, you will see changes; for We intend to bring them about, and We are depending on as many of your Calls as your time will permit, and your Heart will allow you to give.

Your Hearts are One with Our Hearts! Your Desire for your Nation’s Freedom is in agreement with the Great Divine Plan of Purification. America’s Destiny is in the Hands of the Cosmic Law, and the Cosmic Law is Purity and Constructive Action and Obedience to the Demand of Life’s Divine Plan fulfilled. So you are the Strength of the Light in America. You are the Authority of Light within your borders; and as you acknowledge the Law of the Violet Consuming Flame to control all in your world, and that Law to consume two-thirds of America’s discordant creation, then you are One with the Dispensation for which you are calling.

But you can call for the consuming of all America’s discord and impurity, but if the Cosmic Law will permit Us to consume two-thirds of it, then two-thirds of your people will awaken and stand for the constructive activities that will enable you to survive. And if they are not held constructive, then you won’t survive, because the Cosmic Law does not permit Us to protect anything that is destructive. I’m sure you realize that. Whether it be in your own world or whether it be in the government or in your business, it matters not. If a thing is discordant, We cannot use Our Power to protect it.

And therefore, when the Nation needs Light at this time, it needs your Love, your Peace, your Quiet, your Purity, and your Demand that the human within the Nation be consumed no matter who it belongs to. And in that you will assist many Life Streams within the Nation to be lifted at this time to a Strength of the Light whereby they can go into the new Cycle

and become part of that which is constructive, because the Violet Flame will play all over the Earth; and that which abides here will either be purified, or it won't stay.

And you can say the same thing for the Nation. If you demand the Purification of America, it will come. And We are offering you this tonight, that We may have the Call for two-thirds, at least, of the discord and impurity within your borders be allowed to be consumed quickly, so the destructive forces cannot succeed in their diabolical plans against the people. This is the Great Mercy of Life. This is the Great Law that can be brought into outer action to strengthen the Light in America until that Light is Master and the people give It obedience, to their own Freedom.

We want to thank you, Precious Ones, for the strength that you've had thus far to stand in the Light. And keep demanding more of It! But unless this Great Help had come from the Mighty Saint Germain and the Activities of the Violet Flame, none of you would be here tonight. And since the Great Cosmic Law has seen fit to be merciful to you in your own individual channel of Freedom, by consuming two-thirds of your creation so you could handle the other third, then let Us all stand together and ask the same Assistance to be given the Nation; so, the people may arise and awaken and, of their own Free Will, consume the balance by Conscious Command.

So, as I leave you tonight, I remind you again that the Cosmic Law has provided the way and means for any individual who will turn to the 'I AM' Presence and to Us and call the Law into action, that individual can become an Open Door for the same Service to the Nation as the individual desires for himself or herself. Then We can move into action, where the individual desires Purity of his or her own world, and at the same time desires It and commands It for the Nation, then the Light can burst and move into outer Command, and destructive forces' plans will fail one after another.

Now let Us see what We can do! You call for the Dispensation, and We will do the consuming. Isn't that fair? (applause, audience rising) Thank you, Precious Ones. Please be seated. When you want anything purified in your own world, don't forget the government of the Nation. When something in your world needs purifying and correcting, stop just a moment and demand that the Nation be purified at the same time. Then your individual wave of Light can amplify over the Nation. And no one knows what your Mighty 'I AM' Presence might do to take advantage of that and provide the Release of Light which the

Ascended Masters can use throughout the Nation to prevent destructive plans coming to a focus.

No one knows, if you will make this Call, what the Higher Mental Body of every Life Stream will do. And We are hoping for many things that can come to pass because they affect this entire Nation, and which could not be done for any other nation in the world. Because this Nation, being the Heart of the World, or representing to the world what the Heart does to the human body, in order to save the body, the Heart can be protected; when, if it were anything else, it would not be. Since there abides the Flame, then there can be Dispensations given that could not be given to any other part of the Earth.

Here upon the ground of America did the human race begin its journey in this world, and that is why America holds within the Heart the permanent atom of the Unfed Flame. And therefore, if you demand the Mercy of Life guard that Flame, and purify the Nation, and let two-thirds of that be consumed by the Cosmic Beings and Ascended Masters, it will be the Saving Grace of the people. Many of them will turn away from that which has engulfed them, and they will have the strength to make the effort. And many will succeed. Let Us try and see what We can do through your Calls; and We will answer with everything the Cosmic Law will permit, and your own Light will grow brighter every time you give that Call for the Nation.

So, with all the Love My Heart can give, with all the Power the Cosmic Law has placed under My Direction, I clothe you tonight with everything you can use as you remember to make this Call for the Nation. And may the Dispensation be granted quickly, and the Light not only be Its own Defence, but be such a Manifestation that mankind are compelled to obey. Let Us do that which I request tonight and see how much We can accomplish in the next few weeks. If We may have your attention and your Call, rest assured, We'll do Our part; and together I trust We will all succeed for the Blessing of America, and through America the world. Thank you with all My Love and Protection enfolding you tonight, until It fills the Nation and the Nation blazes Its Light to the rest of the world. Thank you, and good night.
