

I Am The Shepherd of CHRIST'S WAY

My LETTERS were given to the world to provide people with the knowledge which was given me during my six weeks of illumined consciousness in the desert before I started healing and teaching.

They reveal, as clearly as possible in your language, the true nature of Your Source of Being. They show people how to live love-enriched lives under any circumstance and how to create happy relationships and events. I reveal that our Source, although universal, is also personal for us. I said truly when I was on earth, 'The Father knows your needs', 'Ask, and it will be given you.'

To help you take the first step on **CHRIST'S WAY** I ask all who feel called to take part in this creation of newness of spirit and spiritualised civilisation, to read the passage below, taken from my LETTER 1. They are the words given to me by the 'Father' when I was enlightened in the desert.

They are the description of man's own powers of creativity which he daily uses for his own good or harm. I beg you to read and memorise these words if you can, because I am **UNIVERSALLY LONGING** for you to leave the illogicality of the Christian Doctrine in order to rise into Spiritual Sanity and Joy.

You can only hope to achieve this by fully understanding the enormous creative power you potentially possess in your minds to fashion beautiful lives for yourselves. You can become units of radiant energy gradually encompassed during the time you give to prayer and meditation.

Can you now see that I, the Christ, have returned to you to do some wonderful good on earth for you, providing I am accepted and acknowledged.

God explained (in the desert): 'All the problems of harsh existence lay within the thought processes of man himself!'

Only people's 'consciousness forms', their thoughts, words, feelings, actions create a dense barrier between their consciousness and the **Universal Creative Consciousness** interpenetrating the universe in every leaf, tree, insect, bird, animal and human being.

I was also shown the **LAWS OF EXISTENCE** controlling the human ability to create new circumstances and environment, relationships, achievement or failure, prosperity or poverty –

Whatever man profoundly **BELIEVES** himself to be, good or bad, that will he become.

Whatever man **FEARS** others will do to him, so will they do.

Whatever man **HOPES** that others will do to him, he must first do to them, since he is then creating a 'consciousness pattern' which will return to bless him to the extent he has blest others.

Whatever disease man **DREADS** so will he become prey to it for he will have created a 'consciousness pattern' of the very thing he least wants to experience.

Whatever is sent forth from man's mind and heart – returns to him in due course in some form or another, but remember that like always breeds like. Strongly held emotional thoughts are 'consciousness seeds' planted within a man's own orbit of consciousness. These will grow, bearing a like harvest for his reaping.

These are the fruits of free will.
