Mighty Planetary Logii in Whom We Live, Breathe and have Our Being; Beloved and Esteemed Members of the Karmic Board of Directors and Councils of the Christ; Beloved Keeper of the Scrolls and the Whole Company of Heaven Representing the Elemental Grace Alliance Council. We are reminded that this Petition was Initiated in Mind and Heart on the 25th of December, 2021 that upon the same date 3 years ago, Archangel Gabriel Announced to Us, the Birth of the New Erthe!

Archangel Gabriel – Immaculate Conception of The New Erthe - IAMEGA Class, 23rd December 2018.

INVOCATION: We Give Praise and Gratitude for the Immaculate Conception for the Birth of the New Erthe. To Our Beloved Brothers and Sisters of Earth, We Send Hope, Purity and Liberty in The Joy that Intensifies the Golden Flame of Resurrection and Ascension Within all of Mankind. 'I AM' The Immaculate Concept of the Vision of God's Glorious Blessings. 'I AM' the Immaculate Manifestation of the God Design for every man, woman and child upon Earth.

Excerpt: Dear One's, This New Erthe, was Conceived in You, Your Genetic Blueprints held within your DNA, since many eons ago, and now after all your lifetimes of holding these Visions Firmly within your Hearts and Minds, you have finally allowed the Birth to Be Precipitated and thus, A Great Celebration has begun! This New Mother Divine Design, this New Incoming Erthe, shall be Born of the Black Light, That Place of Nothingness, where no Light other than through the Holy Father's Intent is Visible. It is Now Visible! This New Erthe has been up until Now, awaiting the final Acceptance and Gratification from the New Adam/Lilith Human Race.

On Christmas Day of 2018, The New Erthe shall be Born, Who will carry with It a Perfection of Life, not seen here on Earth for millions of years! And Those Who shall live there shall hold within Themselves, the Highest and Most Advanced Qualities and Virtues where We the

Masters, the Angelic Host, The Elohim and Other Higher God Intelligences will be able to Walk among you, where the Blessings, Qualities and Virtues, Gifts and Talents of the Living Christ shall All Become Everyday God Life! End Excerpt.

Beloved Family of Light,

While the Understanding remains that the Language of Light is Our True Communication between the Quantum Dimensions of Creation, Dear Unascended Beings continue to be limited in both Remembrance and Divine Use of these Languages, and therefore linger, bound in consciousness to their earthly languages and physicality in turn, between each other and indeed Shamballa, Hierarchy, The Ascended Worlds, The Elementals, Devas and Angelic Host.

These earthly languages are not Our Natural Divine Expressions of Communication between each other. These human languages then, do in effect, become entanglements of communication and therefore can never Truly Relate to the Higher Quantum Fields of Higher Intelligences and thus actually places humanity behind the veil more than one would care to acknowledge from the human standpoint!

Through these limitations, or the severing of True Communication Consciousness with Their Extended Families of Light, Proof of Existence, from the human perspective, seems like a never-ending story of separation, where any physical '*Proof*' to those Dear Souls on Ground Zero, if We may Use this term, still lacks any '*Real*' progress showing the Reality to God, within the earth dimensions. All the Light Workers ever seem to see is what everyone else sees, more and more control, more and more destruction, more and more pain and human travesty!

We Know the Law, but just the same, Faith and Trust In God, does stretch the human need for '*Proof*' to a point beyond disillusion, loss of consistency and focus. The Point Is, from the old Evolutionary Plan of Individual Ascension, that '*was*' the Law and that was the need of the day! For Ascension of a whole human race, this will need New Cosmic Laws that will allow for the Magnetization toward such New Potentials and if it was not for the late '*Hour*' this would not be in the minds of so many right now!

It has been suggested many times in the past, where the New Christed Being would be able to be seen in physicality to do that which Jesus did in His Later Ministry, this would swing humanity on mass to a **Whole New Way of Proof of Their Own Existence in God!** Communication through Feelings, Colours, Tone and Free of the limiting boundaries of nations and human languages would Sound Across the World in the shortest time possible! Just like the New True Constitution and 'I AM' One World Nation Flag! The Question is: It that time upon us Now? '*Proof*' may come in other forms, but '*Proof*' seems to be the Calling of the Day where words are no longer required!

However, there continues to be a Greater Awareness, that '*does*' Accept that such restrictions do indeed create New Experiences, New Potentialities, and thus Our Beloved Father and Divine Mother can in return expand such human experiences into Greater Awareness in terms

of Human Abilities coming from a lower consciousness into Greater Levels of Higher Consciousness; thus dissolving, breaking down and tearing through the tapestries of communication barriers between dimensions and worlds! So the Elemental Grace Alliance and many other Groups upon this world are creating new experiences of existence, in turn, are indeed able to be seen beyond the veil that once separated themselves from other God Life. So whether from the Macrocosm or the Microcosm of this Human Evolutionary Plan, it can now be Seen, without any shadow of doubt, from the human perspective, that the Life of God can never fully disappear, while we can Imagine, Sense or Feel that we are the Offspring of a much Greater Family of Light!

This Petition then, is about moving beyond the levels of belief, to that of Knowing, yet as humanity moves beyond the belief to the Known, there is nevertheless a matter of control that continues through the local planetary powers of those who have dominated humanity, up until now! We Accept Our Roles as the Representatives of the New Adam, Lilith Kadmon Human Race, but to become more Efficient, Economical and Functional in Divine Synthesis, We MUST now become the Living Communications of the Higher Realms within Our Own Hearts, whereby Our Presence upon Earth can no longer be sustained without walking in the physical world as Jesus did! If we cannot Lead or Show by example within the Physical Realm what the Word of God Means in Truth, then how can we Serve at the Highest Levels?

Jesus, from the Offices of the Christ, came to Earth to open the Doors to All 12 + 12 or 24 Dimensional Realms, that would be made available to the Truth-Seeking Sons and Daughters of God as the Adam and Lilith Human Race. Therefore the Adamic and Lilith DNA Encodements will allow those Who Carry them and who are sufficiently Aware, will offer the Higher Spiritual Activations that will 'Lead' All of Humanity back into the Participation with Our Families of Light within the Higher Realms.

The Elemental Grace Alliance Council Divine Plan, not a human plan, has placed those Who Know of Their Divine Inheritance as Sons and Daughters of God, to be the Custodians, Guardians and Stewards of all Life Forms here, and now more than any other time on Earth, is it not that time that the consciousness within and around this Planet be dissolved allowing a '**Time Reset**' whereby as the Custodians, at the very least, to begin this Transition from one Earth to another Higher Erthe, and receive those Activations to Step Into the Higher Paths of Being a Christed Wayshower?

The Power is Within Us, a Threefold Flame that Burns Brightly, and it is this Electronic Sacred Cosmic White Fire Light Substance, while Permeating Our Hearts and Minds within the Dynamics of the Light Languages, (*even though we may not be fully cognizant or aware of the translations through our lower ego minds just yet*), We Have Honoured Our Inner Known Truths to Arrive at this Point in not only Our Evolution, but that of a Whole Cosmic Evolution of multiple Worlds within Worlds. It is with this Acknowledgement that an '**INDUCTIVE LINKAGE**' has been Created through Our physical Soul Families upon Earth, as well as the Soul Links of the Ascended Masters, as the Essence of Those Who Minister to this World and Solar

System, that has become that *“Induction, Orientation and Initiation Link”* to the Truth of Who We Are, that State of Consciousness of the ‘I AM’ Presence and the Direct Connection to Our Over Soul Parents, The Ascended Masters and Other God Intelligences. However, being those with the boots on the ground, temporarily still, the physical reality does produce some major hurdles that need to be overcome.

We Know what these hurdles are, and the Elemental Grace Alliance Memberships in their own right, have fallen victim, in the most part, to these obstacles; where such Members, regardless of their Pledges and Decrees, have found themselves still labouring upon such limitations. However, persistence and consistency of Active Love In Action and Whole-Heartedness to this Divine Plan, have Proven to be valuable tools in the *‘back-pack’* of Ascension to finally have Gathered, in a Higher Resonant Forcefield, sufficient Dear Souls, Whom They Themselves have Risen above the denial of Their True Self and the Responsibilities and Obligations that go with The Truth of Existence in Accordance with Cosmic Law and God’s Divine Will, as part of the Human Representatives who have come to Earth at this time to help to assist in the Raising of Human Consciousness to Ascend as a Whole Human Race! Dear Souls are now being able to find Their Own Ways to this *“Triune Grace Commission Initiative”*, for more detailed Training, Higher Awareness and now Proof of the Transitioning Powers, to Transform, not only Their Own Lives, but those Dear Hearts that They will come into contact with as Jesus did, during His Ministry Upon Earth and since then from the Realms of Universal Consciousness!

The *‘acceptance’* or *‘rejection’* of the Higher Self, are the choices that have been made in the past by many, and will yet to be made in the future, exponentially as God’s Divine Will and Cosmic Law Will Determine Hopefully through this Petition. However, those *‘free will’* choices, where the human physical embodiment of this life will continue to make, can still be Nourished by One’s Own Spirit-Mind, Recognizing and Accepting the Seed of the New Adam, Lilith Human Race, thus allowing It the Sprout Forth, or not!

It is this Constructive Recognition that is Essential, if One is going to Open Their Hearts and Minds to the next Potentialities for Humanity Here upon Earth. How does one do that while remaining tethered to the old human consciousness beliefs and programming? Jesus came to Earth to break such old patterns. **SO TOO, HAVE WE!** We are here to break through all traditions, authoritative notions, that keep us from the True Essence of Who We Already Are and in Truth We have no need to search any longer outside of Self!

This Petition is therefore to help that *‘Breaking Free’* of all old limitations to Fully be able to Embrace the *‘Spirit Understanding’* the Infinite and to do that the human consciousness must be transcended! This begins through the *“Overview Effect”* of which is being Presented throughout This Petition. It Serves as a Greater Perspective of others on all Levels of Existence and EACH from their own Levels of Awareness and Experiences that they have the ability to make Contributions to the Wholeness of Life! Thus We can begin to Accept even more Life

as operating within a Greater Field of Consciousness that remains entangled, localized and non-localized yet all Inter-Related, Inter-Connected and Inter-Dependant!

We upon this planet are not Planetary Souls going through experiences of Soul Growth just within any single material world, but more so, also existing within ongoing Cosmic, Planetary and Other Spiritual Dimensions of Life. The Spirit of Understanding provides then the Insights into how and why the Living Creator Within, provides the human being who is also provided with the means to transcend this state of biology, in all its states of consciousness, feelings and physical experiences, thus entering into Our True States of Being. This means that those Who reach such '*Spiritual Understanding*' can indeed become aware of the Divine Synchronicities that present themselves to them.

This Petition then is Acknowledging that all that We have Experienced as a Unified Group of Ashramic Synthesis, this Spirit of Understanding is Revealing by the day Our Greater Interconnection with Our Greater Families of Light!

In closing We Simply Say,

GOD, I AM THE THIRD POINT OF LIGHT IN THE HOLY TRINITY OF GOD; GOD THE FATHER, MOTHER, GOD THE SON, DAUGHTER AND GOD THE HOLY SPIRIT!

We Know that God is Abundantly and Eternally Established and has Always remained Inexorably Complete, so that We may find Our Way Home. We Have Returned Unto You Our Beloved Mother, Father, Acknowledging to You Our Sovereignty and Divinity with You. God, I Am Divine; held within Your Divine Image; the Christed One Shining as God Man and God Woman Wholly Balanced in The Perfection of Love, Light and Wisdom, Reflecting the Image of the Human Angel to All Who have Eyes and Heart to See and Feel!

I AM REBORN INTO THE PERFECT POWER OF THE SUPREME MIND OF GOD. GOD I AM THAT I AM. I AM GRATEFUL, I AM GRATEFUL, I AM GOD GRATEFUL!
