I Am That I Am**

*Beloved Mother Father God, Almighty I Am Presence, Holy Spirit; Bestow and Grant unto me in this Eternal Instant, Your Love and Light, for I Am Your Son, Your Daughter as You Created Me in Divine Balance!*

*I Am Showered with Your Love, Wisdom and Power. I Am Bathed in Your Guidance and Direction, Your Upliftment and Enlightenment for the Greatest potential growth of my Soul at every Moment. Do not limit my expansion just to this Earth walk, because I Am, That I Am, and cannot be limited to a single domain. Bring forth all remaining lessons to complete My Soul Journey so I can return back to the Wholeness You Are, I Am!*

*I call upon the Seven Mighty Elohim to surround me and become the very core of My Being, endowing me with Their Divine Virtues and Attributes so that I may Create Instantaneously, That which is Your Desire for me, Dear Lord.*

*Take me to the Teachers and teachings at every opportunity, that will Provide, Supply and Bestow upon me, the most joyous and beneficial, effective and efficient experiences for the Upliftment, Enlightenment, Success and Completion*

*of my 4 lower bodies, my physical ascension process, my Earth Mission in Service to Humanity and Mother Earth and My Holy Charter with You!*

*Divine Father, Beloved Mother, Lead me to the Temples and Cities of Light and inform me of all that, which You Desire me to experience and share. Set in Love's, 'Energy In Motion', the Memory Codes within my DNA and Star Trace Encodements, of these Cities and Temples of Light and the Crystalline Grids so that They may be grounded to be made manifest upon the surface of Mother Gaia, within All countries and land masses around this world. Allow the Knowledge of these Temples and Cities and Grids to flow into my awareness and recall Now! Bring unto me those whom may assist in the remembrance of this Higher Knowledge and help me with It's dissemination with other like Minded and Like Hearted Souls.*

*Dear God, Recalibrate my Toric Field to Its Highest Potential Frequencies at all times, and Adjust, Activate and Radiate accordingly, my lower bodies and their Love and Light DNA Programs and Encodements to automatically match those Resonances in preparation for a much Grander Co-Creative Manifestation, of Me, in You, in, through and All around me Now! Make me a Magnet for Your Love and Light! Heal, Restore, Rejuvenate and Regenerate my entire physical beings back to my Divine Soul, retrieving all my Soul Fragments and Divisions of whatsoever nature, so that All may Be Your Love once again! From All that Is Me, remove throughout all of my lives, past, present and future, while at the same Moment removing all that no longer Serves me in the Name of My Almighty I Am Presence Self, The God, Goddess within! Open my Conscious awareness, Now and forever more, to the 5<sup>th</sup> dimensional frequencies and beyond to My Divine Wholeness, where I Am One with All That Is!*
