

PART 1 - COSMIC LAW OF PETITIONS – THE DIVINE AMNESTY DISPENSATION - PALLAS ATHENA – 18TH JUNE 2019

INVOCATION: We Give Praise and Thanks to The Cosmic Christ Within, that Now is Consciously Enfolding Us, Which has Grown into Majesty and Power and that no longer pleads but Commands Our Obedience to the Cosmic Law of all that is of the outer to the Service of the Inner 'I AM' Presence. We Give Praise and Thanks for the Power of Divine Love that Governs Us and Consumes all unlike Itself. We Give Praise and Thanks that 'I AM', a Great Jewel Within the Heart of God, the Lamp of Illumination Lighted by the Eternal Cosmic Sacred White Fire Light within Us. We Give Praise and Thanks to Know 'I AM' the Chalice, the Crystal Cup holding within Us Within and Without, the Pure Radiance the Freedom, Abundance, Peace, Health, Prosperity, and Illumination of those who dwell within Thy Mighty 'I AM' Embrace. May all the World Feel Thy Radiance and Be Blessed by It. Peace! Peace! Peace! And on Earth Goodwill and God's Will to All of mankind.

Dearly Beloveds, 'I AM' Lady Pallas Athena, and I come again today as part of the continued unfurling of Consciousness for Humanity. I come today, in My Capacity as One of the Ladies of the Karmic Board of Directors; yet I shall Speak on behalf of the Oneness of the Law of the 'I AM' Presence and the Cosmic Law of Divine Truth, Love and Eternal Light.

It is a Joy to be Speaking with you all again and there is God Reason for this Discourse today! The Elemental Grace Alliance has now opened their Door to a Greater Awareness and indeed to a Greater Responsibility and to Engage more Knowingly and with Conscious Intentions it is important that all of you now become aware of what has been part of this Elemental Grace Alliance Divine Plan, in many ways unconsciously up until now. I will speak of this aspect a little further on, but for now I wish to tell you about the Granting of Dispensations and how the Application or '*Petitions*' as they are known, are also very much a part of Cosmic Law and that We, the Lords and Ladies of this Great Karmic Board are the Ones, Who are Responsible for their Granting or not!

This is as vast a subject as many of the Laws that pertain to Creation and I will do My best to keep it concise and to the point. However, it may, like so many Discourses, pass beyond a single Discourse. It is vital at this stage of your transitioning and Group Initiations and indeed your personal attainments, that each of you understand this process from the perspective of the Great Law. I tell you here and now, not only are unascended human beings bound by these Laws, but so too are the Great Intelligences of Shamballa, Hierarchy, Ascended Masters, Archangels, Angelic Host and Devas.

Dear Hearts, I gave this address to the 'Bridge of Freedom' in February of 1960, so to save time, I have asked for this to be shared verbatim here;

"Do you know what really decides the Dispensation in favour, or even to then, the Lord of the World, is the amount of voluntary energies that, He can show, will be offered for the furthering of His cause among the people that He endeavours to serve? No matter how Magnificent the Plan; no matter how beautiful the design; no matter with what thought these have been woven out of the Energies of the various Retreats and Their Hierarchs and the Assembled Brotherhood, the Pattern which will help the Race, the Impersonal Cosmic Law is such that energy voluntarily contributed from among the Race, must be shown before We can acquiesce to giving of Grants and Dispensations.

"Everything here and hereafter requires the Investment of Energies. The further you go upon the Pathway of Light, the more priceless is the gift of energy and the gift of life, and We Who Hear the plea of a Cosmic Being, Know the value of His Life, Know the value of His Lips, and We cannot imprison those Magnificent Energies in the physical appearance world, which would be the activity if We were to Grant His request and He did not have in the lower atmosphere lifestreams whose energies He could use rather than His Own. The Higher the Being, the less likely are We to Grant the Dispensation which will require the condensation and imprisonment of His Energies that can be utilized at Cosmic Levels, unless there are funnels through which He may direct the Divine Patterns and Plan, and those funnels of Consciousness receptive to that Plan use their own energies and more than that, stimulate the interest of others around them to externalize that Plan.

"So when the Beloved Lord of The World presents His Petitions and glorious suggestions that come from the Heart of Shamballa, the Karmic Board looks to see what lifestream will support His Plans, will be receptive to it, and if the Lord of the World can show us some such lifestream, then We in turn give to Him a balance of Our Energy which matches the energy of the chelas voluntarily offered to the Board.

"For every chela who gives his energy to sponsor a Cosmic cause, We give a balance from the Cosmic Stockpile and double it. If however, The Master, whether it is the Lord of the World, or any one of the Chohans, or any other God-Free Being, has no step-down transformer, no chelas in the word of form who, upon examination, are found worthy and capable of externalizing the Master's Plan, We recommend that the Master, in the next 6 months cycle, endeavours to secure such a connection and to stimulate the interest and magnetize the interest of some chelas and come back in six months with that chela in the inner body.

“Then the Master again presents the Plan and He says ‘Here is the individual who is capable of working out the details of it. I will give the seed idea – his intuition is developed – and he, working in the world of form can, I am sure, gather others around him and complete this Design.’ If that is the case, then We look at the inner bodies of the chela, examine them well and if We find that the Master is going to have the assistance, We will Grant that Petition.

“It is a very difficult Assignment because We, in Our God-Free Estate see the need! We see the condition of your Earth, We see the short span of time in which this tremendous task is to be accomplished! Every Plan, naturally, that comes to Us from the Ascended Host is Magnificent, and yet it is all a determination by how much enthusiasm and voluntary energy can be contributed by unascended beings! When the Beloved Masters have so few to show to externalize Their Plan, century after century, We have had to deny the opportunity for Them to fulfil it!

“One of the most important of the chains, We would say, that binds Our Hand is the mass Karma of the Race. Those of you who are interested in securing Dispensations, if you will work on the removal, through the Violet Fire, of the mass Karma of the Race, it will be greatly appreciated.

“When it comes to you in the unascended state, when you present your Petitions, you too, are examined and the ambition of your Petition is examined by your own capacity to do anything to fulfil them and the Energies of Application that you could or would make, are considered. Your past record is considered in this line and where there is some promise that if you are given the Grant, at least a partial Grant, may be given. But if the petitions are written lightly, hoping for some other part of life is going to fulfil them, no matter how Magnificent they are, We cannot Grant them unless an Ascended Being Takes them up and stands Sponsor for them and offers them as His Own.” End Excerpt

I will share more about the Petitions and how they are made later, but I want you to see this from the perspective of The Elemental Grace Alliance and what has been achieved by an unascended being who was unaware of the processes involved in what he was doing in terms of the Cosmic Laws being consciously known. Many follow certain aspects of the Laws from an innate Knowing, but that does not mean they are at the forefront of their consciousness at the time of Activity in Action. But he from his Inner Knowing and previous experiences that proved a Mighty Success, was able to create such a Plan that came from the bottom up. That is what was felt from within the human unascended state of consciousness and through his own willingness to give total

stockpile of his energy to this Plan to have it made manifest, it has grown to what it is today!

The Petition was prepared in more detail than we have ever seen from any unascended human being and from within his place behind the veil of illusion found the way to come to the Karmic Board and Present his Plan. And he brought forth with him, The Elohim, Chohans, Ascended Masters, Archangels, he brought with him, the Planetary Beings and Logii and stood before Us with His Book of Proposals in hand to present them to Us. And Who Over Lighted Them All? Beloved God Mother Omega and God Father Alpha from the Great Central Sun!

These Proposals were even set out as Petitions for Our deliberation and were even given titles for such Dispensations. You have read the Book Dear Souls, you know the Story, and now you too, have felt and taken part in the Experiences of even more Dispensations being offered, not ever requested, I might say, for those Grants were Petitioned by Ourselves the Lords and Ladies of the Karmic Board Itself. You Know the Grants of which I Speak.

So, whenever the Elemental Grace Alliance's name is mentioned and heard, every God-Free Being in all the Retreats around the World, and throughout this Multiverse, Stops and Listens! For All have Pledged Their Allegiance, and part of Their Own Stockpile of Energies to the Work You all have accepted now as your own, is offered freely for your use in any amount you may deem necessary! There are no limitations here Beloveds, for the Energies awaiting your Calls are available to you is the entire Storehouse, not just a Vessel that is Reserved for unascended lifestreams.

Hopefully now you will see why this Divine Plan is so unique, and why you are all are beginning to see and feel the Radiance now expanding its 'I AM' Presence all around you. But like My Address has explained none can be Invested with the Energies of the Higher Spheres until they themselves Invest their own Energies voluntarily to this or even their own Plans.

For until a Petition is made to Us, the Karmic Board of Directors, having Garnered and Magnetized to themselves the Masters and Higher Beings whom will come and Invest their Energies in you, to stand with you before Us, the Karmic Board, then each unascended human being shall remain limited to their own Energy Reserves. That means to continue to deplete those Reserves for their own '*free will*' choices in miscreating and living their lives in alignment within the Illusions of their outer world and appearances.

Do you remember the Discourse where Mother Mary spoke of this? Telling you all about the Energies you have available to use?? Here is Beloved El Morya introducing the words of Mother Mary in His Discourse *'The 49 Shades of Grey'*, 2nd May 2018, to refresh your memories.

"I now come back to the matter of Energy Reserves. This is particularly going to become more present with this Age of Aquarius and that of the Initiations of the Seventh Ray. I make reference to it now, for here is one of the major points of Divine Virtues that must be Mastered before passing the Third Cosmic Initiation. I wish to inform you through the words of Mother Mary within a Discourse given by Her in the Gatherings of the Chelas of the 'I AM' Presence Teachings, which is about that which governs one's karma in this relationship to Source Energy and the use of It by each human being incarnated upon the earth, in this case. Mother Mary said:

"The Glorious, Pure Energy of God, each Electron of which contains the Fullness of the Divine Plan, continues to flow for the individual's use, under the conscious direction of the 'I AM' Presence. For every Electron Loaned to the individual, the individual shall be rendered accountable. Energy is mankind's to Command. Energy becomes Power through use, whether through the wielding of a sledgehammer, or in using the Power of God-Almighty to Build a momentum of Victory, in Commanding the Electronic White Fire Light to manifest a Decree.

"This Law of Balance is also referred to as the Law of Retribution, as set forth in the old axiom, 'as you sow, so shall you reap.' It was not intended as a threat of punishment to so called wrong doers, but as an expression of the mathematical precision of life, that one must sow the seed of perfection in concise, mathematical accuracy, that the reaping will be in exact proportion to the sowing.

"It is not generally understood by mankind, that as self-conscious expressions of life, they are held responsible, by Cosmic Law, for every particle of this Precious Energy received from the Heart of the Godhead.

"Every individual has created a certain amount of, what is loosely referred to as destructive karma, in his earth-life, since the fall of man. This karma acts on many planes, its action is determined by which body is the chief offender. For instance, the physical body, performing acts of violence, releases a tremendous amount of mis-qualified energy, that sooner or later attaches itself to the physical body. Likewise, acts of discord on the mental plane, such as crimes of mental cruelty, result in the mental element being charged with the vibratory action and stamp of the individual. At some future time, these pressures return to the mental body. Individuals who perform acts of

emotional cruelty, charge the substance of the emotional plane with certain vibratory actions, which will be recorded in the emotional body of the individual.

“When a discordant vibration is emitted from an individual, the distance it covers, before returning, depends on the intensity in which it is projected, both on its outward and also its homeward journey. It obeys the Law of the Circle and while it is absent from the aura of the individual, who is responsible for its projection, it attracts, to itself, vibrations corresponding to its own rate. So, by the time it completes the circle and returns home, it is accompanied by a good number of the same quality of thought and feeling vibrations with which, it started”. End Mother Mary’s Excerpt

“If you truly understand what Mother Mary is accentuating here, then you will also see or even feel the effects within your life that also play major parts in the shading of grey of the Qualities and Virtues of your True-Life Colours. Now I am not going into the details of this, for again each of you are far enough along the Path to know this and even perhaps to have dealt with these things in your life to date. However, there is another aspect that at the Levels of Consciousness you are now enveloping, through your Group Intentions or Development I wish to bring your attention to. End El Morya Discourses Excerpt

This is a monumental differentiation between living your life in ‘free will’ or the personality, or in Divine Will which is the Impersonality of the Divine Individualised Expressions of God Life!

Not everyone’s Path is to Create New Plans that have to come to us for Approval. Not everyone will come into the Full Knowledge of this Law, but still have the inner magnetic draws to be a New World Server. But Divine Plans like this Elemental Grace Alliance shall provide a place to become a part of such a Plan whereby they come before us as Members of this Plan and have the Investment of Energies from their Sponsors and Us just the same!

We say once again, the Light Programs offered within the EGA are specifically Designed for just that Purpose. One cannot receive ANY further Investment of Greater Amount of Energy unless they actually can provide the ‘Will to Do’ and the ‘Will to Good’ in the form of a Petition to Us, The Karmic Board of Directors. It is not personal, it is the Cosmic Law, and none are exempt, not Masters, Planetary Logii or unascended human beings!

I wish to Speak more upon this Cosmic Law of Petitions but that will have to wait another time. That Discourse shall be for interest sake only, but now I have some important News to Share!

As you know by now, through this previous Discourse with Archangel Micah, there remains pending a Petition that has been presented by Peter which he has called **'The Divine Amnesty Dispensation.'**

The full details for this Petition has been outlined as part of the Elemental Grace Alliance - A God Awakening - Book 1. This Petition in Truth cannot be accepted as any individual request as it is in fact and quite clearly stated part of another Petition which We have now Granted called **The Divine Clemency Dispensation.** For reference sake for those reading this here is the summary of the Petition that has been presented to Us upon the Karmic Board.

Summary.

3. Removal Or Dissolution of Consciousness That Works With Purposeful Intention To Inhumanely Mislead, Mis-Inform or Mis-Create, To Gain Power, Control, Manipulation Over Others Without Conscience.

"This is very much the same as the above, but to a lesser degree for I see this as those who follow the orders of those in charge, through fear, threat or total ignorance! If we look around the world today, there is so much violence, so much killing, so much malicious intent to manipulate the general populace; those who show no conscience or benevolence in thoughts, words or actions must now become accountable.

"This is perhaps a stage down from the first level where some sort of amnesty can be given as a warning to those who use power over others in whatever the form it may be and who have no regrets or conscience as to their actions before they too are untethered as a result of their actions. Maybe they do have a conscience that is so close to the surface of activation and acknowledgment that if given a choice without fear, threat or ignorance, they may choose again?

"I believe that most people in these positions do not want to do such things, but they do so, either because they have no perceived options due to brainwashing or psychological programming being controlled by those higher up in their system. And so, in Truth these victims, given the chance, could redeem themselves by potentially denouncing further allegiance to those in power and lay down all means that they are supported by and to separate themselves from such malevolent acts.

“This would be similar to one who agrees to rehabilitation after getting out of prison and having served their time for a human crime. Or perhaps another analogy being one who has become addicted to a substance or thought beliefs, such as drugs, sex, dramas of all natures and then enters a facility or professional Group for correction. Most humans innately know the difference between right and wrong, and given the chance, the correct assistance, support and guidance, most would prefer the good rather than the bad, especially if their lives and families were no longer threatened by the consequences of non-compliance to malevolent authoritative control.

“It is just circumstances that prevail for them that they cannot see the Light at the end of the tunnel outside of the quagmire of human effluence and inhumane consciousness toward mankind.

“I believe that this would be an alternative Dispensation and possibly considered in name ‘The Divine Amnesty Dispensation.’

“In The Name of Our Beloved Mother and Divine Father and The Holy Spirit; In the Name of My I Am Presence and the Christ Jesus in Me; I Lovingly Invoke the Services of All Those Divine Beings of Love and Light Who may help Us in this Causal Healing! Bless You! And So It Is! As Above, So Below! I Give Thanks, I Give Thanks, I Give God Thanks!”

Do you remember Dear Hearts, what I said in My Discourse Part 3, Reality Check?

“Beloveds, just before I go, I wish to speak of that which I asked you to do, regarding the discussions about the Points Proposed within the Elemental Grace Alliance. Remember what I said in My last Discourse about ‘yesterday’. I said this for a very good reason, linear time remains for the moment, of the Essence. I shall leave this with you.

Previous Discourse Part 2! ‘on yesterday’

“The Group, the Sun of Even Pressure Council is so small at this time, simply because it is Our Desire to Focus Divine Intention upon it, for the Purpose of Magnifying the potentialities of the Work needed to begin ‘yesterday’! In other words, there is a definite need for these Levels of Combined Force Fields to begin the Work of the Higher Consciousness. This is not about any elite group or any clique of members to keep it all a secret, quite the contrary! It is about a Unification of those Dear Souls who have finally come into their own Powers as Sovereign Beings to do Work at Levels of Necessity, where up until now, mankind within their old human consciousness of beliefs and programs, have yet failed to pass through the Rings of Consciousness, that can Fully Embrace Universal and Cosmic Law.

It is now Our Expressed Honour and Privilege to Officially Grant this Petition, today 18th June 2019, to be Known from this time forward, as “*The Divine Amnesty Dispensation*” to the Elemental Grace Alliance Council and its Integrated and United Members to put this now into Love in Action. We herewith Invest Our Energies doubling the Combined Forcefield of its Entire Unascended Membership, to Move Forward in this Divine Plan! Including that which has been Granted by Godmother Vesta and Her Investment of Energies to those Members, that have been obtained through the Petitions of Cosmic Law that pertains to the Specifics of Her Requirements.

It is now Written, by the Keeper of the Scrolls, into the Akashic Parchments, of each Member of the Elemental Grace Alliance who have completed the Light Programs in accordance to their own personal attainments to date!

We Celebrate this Event in sharing Our Heart Felt Gratitude and in Praise for this Divine Plan to continue with its Divine Purpose, Love and God Will for All of Humanity, The Elementals, Devas and Angelic Host. And So It Is!

Let Us Speak again as time will allow.

‘I AM’ Chohan Lady Pallas Athena.
