

PART 10 – INTRODUCTION - IAMEGA SOEPC CLASS – SEEKING THE NEW LAWS - ALCHEMY AND THE APPLICATION TO GOD LIFE - ST GERMAIN 1ST FEBRUARY 2020.

INVOCATION: O Mighty Presence and Power which 'I AM'; Open the Door of Our Consciousness so that the Mighty Power which 'I AM' can Come Forth in Full Perfection! Allow Our Consciousness to Rise Up into the World of the Soul, and use his/her intuition faculty, leaving the Laws of time and space behind! Help Us to Enter into the Fullness of Thy Presence with no uncertainty, to Trust and Fertilize Our Soil of Consciousness with Ever Increasing Faith, to Give the New Law its needed Form, and Apply It, for the Betterment of the Human family.

St GERMAIN: Greetings Dear Brothers and Sisters. What I Am going to ask of you today, is to make arrangements to acquire a book! That book, I wrote through Mark and Elizabeth Prophet; it is called '**Saint Germain on Alchemy**' – '**Formulas for Self-Transformation**'. I want you to have a hard copy, so that you can in your own time, read it to help you to follow the progressive Nature of the Teachings herein. It is these 9 Levels of Alchemical Study that WE are working with here! This is the Framework that this Class is based upon; the progressive Parts of this Training that I Am offering Guidance to Peter while he Translates and builds the content that this New Experiment provides for the daily Lessons and Discussions. These Teachings are indeed tried and tested over many centuries, they Work, they are Powerful, and they are for any level of consciousness who may be ready to change their minds about 'Who They Are'!

To date, I have been following the traditional procedure, whereby there are very strict Modules of Information that needs to be not only comprehended in one's mind, but also to become the very base metal of one's Application for the future of Your New God Life! The previous Discourses of this Class Environment, have followed the same Methodology as the Ancient Mystery Schools. However, We, that is the Masters, are concerned that such older Teachings were never Designed for the daily conscious pattern that mankind is living in today! That is why, We must find a New Technique of Expression herein. Not only for the Formulas for Self-Transformation and Alchemy, but for many Schools of Thought that Apply to Spiritual Esoteric Knowledge.

So, as you are now all aware, Sundays within this Class Framework will become rest days, days that you can review and rejuvenate in preparation to move into the next week's Lessons. After yesterday's Discourse you should all now have attained the Self-Realization that this Class, this IAMEGA Class is no ordinary tutorial school room! This is not even a University Grade of Education. It is a Self-Initiated Master Application of Christ Awareness and Being! You are not going to graduate with any certificate that says you are now a Doctor of this or that. You are going to Graduate as a Christed Being! Hard to believe, right? Wrong! Easy to KNOW, more like it!! That is if you Stand Forth in your Inner Knowing and Application of God Life that which you will Remember, as you Move Forward!

So up until today We have broached the subject matter of the following, as set out in My Book,

1. The Law of Transfer of Energy.
2. The Purpose of Your Alchemical Experiment.
3. The Sacred Science.
4. Dare to Do.
5. The Need, Power, and Motive to Change.

Today, We are beginning the Next Chapter called Molding Factors. And to do that, first We are going to go back to refresh your minds through the Teachings of Our Divine Brother Master Djwhal Khul. I would like you all to review these two Excerpts from

1. The 14 Rules of Group Initiation Rule 1, Day 1 of the Study you did with Him, and
2. The Excerpt from His Discourse regarding Divine Economy where He speaks of the Seeking of New Laws. Before We continue you are going to have to know the difference between Laws, Commands and Rules. And then the Founding Principles for Creating such New Laws.

Question: Why?

Answer: Because within the Laws of the Universe at Present, there are no Laws that have been written yet to allow regulation for actions of a human race transiting from one human race to another without annihilating themselves in the process. These New Laws will provide Rules for defining the correct procedures of conscious and behavioural patterning, and the Formulas of Approach for the Employment and Execution of such Principles within the Transitional Periods, as Laws.

These New Laws will be the Guiding Standards in Natural Law, for such a Planetary Evolutionary Plan, involving the Ascension of a Whole Human Race at once, from within the lower vibrational frequencies of human consciousness; that is, the laggard consciousness. All the way through the myriads of trials and tribulations of human evolution, over millions of years, eventually breaking free from those old human beliefs and patterns, into a New Civilization of Christed Consciousness, i.e. The Living Christ; while maintaining their Presence within the old consciousness paradigms, to ensure that the Salvation of the Whole of the remaining members of humanity will also Ascend together in mass! You have heard of the Parable of the Tar Pit by Kryon? If not, please look it up!

This Evolutionary Plan has never been attempted before in the History of God's Creations and so, New Laws MUST be Written within the Sphere of Consciousness that physical human beings reside. Humans live in spheres. This situation then, is evolving through the **Universal Law of Expansion, a Written Cosmic Law; this Law of a gradual evolutionary expansion of the consciousness indwelling in every form is the cause of the spheroidal form of every life in the entire Solar System. It is the fact in Nature that All is in existence dwells within a Sphere. The chemical atom is Spheroidal, man dwells in a Sphere, as does the Planetary Logos and Solar Logos, this Sphere being the form matter, takes when its own internal activity, and the activity of the form are working in Unison. It requires two forms of force;**

rotary and spiral-cyclic to produce this. Scientist are beginning to recognize this more or less, and to realize that it is the Law of Relativity, or the relation between all atoms, which produces that which forms that composite Sphere, the Solar System.

So you see Dear Brothers and Sisters, worlds within worlds, the rotatory action of life and death, learning and forgetting, child to adult and back to child, existing and Being! And this is what you must become far more cognizant of as we progress! And that Dear Souls is why you are here! You are at the cutting edge, of moving from one Sphere of Consciousness to the next, and why your Mastership, as Divine Alchemists must rise now to the forefront of Humanity, for the time is upon Us! The Last Minute of the Last Hour of a cycle of 15 Million years is NOW!

I will speak more about the **'Molding Factors'** next time, but there is one more thing that I would like to share before We give way to the rest of the weekend. I Am going to tell you how many New Laws The Elemental Grace Alliance is already writing, not completely formulated consciously yet, but We are going to do that Together in this Class over the weeks and months to come.

Let Us stop today and return again on Monday. I will step aside now and allow Our Tibetan Brother to share again with you all. Enjoy the Rest and Opportunity to Re-Gather your Energies!

I Am your Holy Brother - St Germain.

(Djwhal Khul's 14 Rules For Group Initiation Lucas Trust and EGA Study Program, Rule 1, Day 1).

MASTER DJWHAL KUH: *"We now begin our study of the Fourteen Rules for those who are seeking Initiation, in one or other of its Degrees. In Initiation, Human and Solar, I gave the Rules for those proposing to enter the Grades of Discipleship. I would like for a minute to deal with the significance of the word 'Rule' and give you some idea of its occult meaning.*

"There is much difference between a Law, an Order or Command, and a Rule, and these distinctions should be pondered with care. The Laws of the Universe are simply the modes of expression, the life impulses and the way of existence or activity of the One in Whom We Live and Move and have Our Being. There is no avoiding these laws in the last analysis, and there is no denying them, for we are eternally swept into activity by them and they govern and control (from the angle of the Eternal Now) all that happens in time and space. Orders and commands are the feeble interpretations which men give to what they understand by law. In time and space, and at any given moment and in any given location, these commands are issued by those who are in a position of authority or who seem to dominate or are in a position to enforce their wishes. Laws are occult and basic. Orders are indicative of human frailty and limitation.

"Rules are, however, different. They are the result of tried experience and of age-long undertakings and, assuming neither the form of laws nor the limitations of a command, they are recognized by those for whom they exist and hence evoke from them a prompt intuitive

response. They need no enforcement but are voluntarily accepted and are put to trial in the belief that the witness of the past and the testimony of the ages warrant the effort required for the expressed requirements.

*“This is True of the Fourteen Rules which we are now going to study. I would remind you that only the initiate consciousness will truly comprehend their significance, but also that your effort so to do will develop in you the beginning of that initiate consciousness, provided you seek to make practical and voluntary application of these Rules in your daily lives. They are susceptible of three forms of application, physical, emotional and mental, and of a fourth application which is best designated by the words **‘the response of the integrated personality to soul interpretation and understanding’**.”*

“Another point which I would call to your attention, prior to interpreting this rule, is that your Group endeavour must be to seek Group Application, Group Meaning and Group Light. I would emphatically emphasize the words ‘GROUP LIGHT’. We are dealing, therefore, with something basically new in the field of occult teaching, and the difficulty of intelligent comprehension is consequently great. The true significances are not the simple ones which appear upon the surface. The words of these Rules would seem to be almost tritely familiar. If they meant exactly what they appear to mean, there would be no need for me to be giving hints as to their underlying significances and ideas. But they are not so simple.

“To sum up, therefore: these Rules are to be read with the aid of a developing esoteric sense; they are related to Group Initiation in spite of their having individual application; they are not what they appear to be on the surface, trite truisms and spiritual platitudes; but they are Rules for Initiation which, if followed, will take the Disciple and the Group through a major spiritual experience; they embody the techniques of the New Age, which necessitate Group Activity, Group Procedure and United Action.

*“Earlier I said that these Rules are the Result of tried experience, and My Use of the word ‘New’ in this connotation is related to human knowledge but not to the Initiatory Procedure. That has Always Existed and Always, at the Great Crises of Initiation, Disciples have Moved Forward in Groups, even though they have not been aware of so doing. Now Disciples can become so aware, and the various Ray Ashrams will not only Present Their Groups (large or small) to the Initiator, but the personnel of these Groups will now be aware of the fact of Group Presentation. They will also have to grasp the fact of the extent of their Knowledge, **‘BEING DEPENDENT’ UPON THEIR DECENTRALIZATION**. I would ask you to ponder and reflect upon this last statement.”* End Excerpt

(Series 1 Discourses - Part 15 - Divine Economy – Formulation of New Laws - Master Djwhal Khul, 18th December 2019).

MASTER DJWHAL KUHL: *“That is why I told you in Part 12: **‘Do not attempt in your own thoughts to formulate, to determine, to manifest, but be receptive to the Manifestation of the Plan for these Centres, by simply responding to those Opportunities which will be placed before you.’** This is not just for the manifestation of your Centres, but for how you must now*

begin to use for any of the new manifestations of every aspect of your NEW Lives within the Natures of the New Civilization now being Called Forth!

“The old ways will no longer operate effectively for the Disciple or Initiate. His or her attempt to apply them shall result in heart breaking failure, and within such Instruction or Teaching, he or she will not know why things seem to go so wrong for them. Is it then, necessary that they detach so completely from his or her mind as coordinates, and free their attention to seek out the New Laws, to set up the New Coordinates and thereby, Function successfully in the New World, though not of it? The answer is Yes!

“In order to do this, to seek the New Law, he or she must accept, first, the fact that the Law which they are seeking is not yet clearly formulated, that its Vibratory Frequency is not yet of sufficient strength to have built a concrete form on the concrete plane of mind. One of the Service Activities of the Disciple or Initiate is that of Formulating the New Law. They will not be able to look on the concrete plane of the mind, for they will not find it there. It lays within the Cave where its form will present Itself as a Malleable, Pliable, or Ductile Wave of Consciousness that can be Manipulated to Its Highest Level according to the Level of Resonance and Awareness of the Disciple or Initiate.

“He or she goes above and beyond the Vibratory Frequency of race mind consciousness, even in its Highest Concept, to the Abstract plane of ideas where they will sense, at first, the feeble Impulse of the New Law as it emanates from the Soul on its own plane of existence. He or she will feel out that Impulse, sense its Vibration, Tune in his or her own Mental Vibration to that of the sensed One, and through the Law of Attraction, bring it into their Magnetic Field of Mind. Upon entry into his or her Magnetic Field of Mind, the New Law, the New Impulse, beats with a steadier, stronger rhythm, and what he or she has only vaguely sensed in the beginning as an Abstract Idea begins to take shape in his or her awareness as an abstraction in concrete form, where-by he or she is enabled to relate the idea to the world of appearances, and to gradually, through meditation and reflection, set it up within his or her own Consciousness as a New Coordinate relating the Soul to Form.

“They will see it as a Spiritual Law Governing matter. He or she separates him/herself from both the Law and matter and sees him/herself as a mediator. He or she begins to understand how they can bring that Spiritual Law, that Impulse, that Vibration, to bear upon matter in such a way as to produce a desired result in the world of appearances. In this stage of development, the Disciple or Initiate is no longer just a channel; he or she has become a Conscious Creator, bringing two Forces together to produce a desired result in time and space.

“As the Disciple or Initiate seeks out the New Law, he or she becomes first aware of the Law of Love; they sense its vibration, which is at first very feeble, and even before he or she can grasp the idea in an idea form, he or she feels its influence and through the feeling aspect Tunes in his or her mind to its meaning. Gradually, through the combination of the feeling aspect and the mind, they intuit the meaning of this New Impact, this New Law which is the Law Governing the Fifth Kingdom in Nature.

*“When he or she has successfully, via the means of becoming the Observer, detached him/herself from manifesting conditions, he or she is Enabled to See this New Law of Love in relation to the world of appearances. It begins to take on form. **He or she puts it into words, into picture form (Visual), and finally into action.** Their First Application, then, will be in relation to his or her relationships with people as he or she applies the newly Formulated Law of Love to every relationship of which he or she is aware in the world of the personality.*

*“This provides the New Disciple or Initiate with experience, unconscious experience at first, in seeking out a Law, formulating it, relating it, and applying it, until finally he or she is told by his or her Master: **‘Go forth and serve. Follow your Intuitional Guidance, My Brother and Sister, and Initiate Your Service Activity’.** They finally arrive at that place in the Light where he or she understands those words to mean seek out the New Law, Give it Form, relate it to the daily life and affairs, and apply it for the betterment of the human family. You may wonder what all of this has to do with **Timing Cycles within your Own Spheres of Conscious Expansion**, but, you see, the Disciple or Initiate can no longer Function alone in sidereal time.*

*“For a part of his or her Consciousness has risen out of and beyond sidereal time, and it is, therefore, no longer subject to the same laws of time and space as he or she was when they were just a human. There is a New Law, a New Set of Laws which he or she must seek out, formulate, relate, and apply, and this they will do as they directs their Intuition out of time and space into the World of the Soul and then brings it to bear upon time and space, Functioning Free of the limitation of race mind concepts. Discrimination is the ability of the Disciple or Initiate to Relate Spirit to Matter and thereby Produce a Needed Form. In the beginning, as the Disciple or Initiate begins to utilize the Intuitive Faculty of the Soul, they are **Blinded by Its Light**; he or she is at a loss as to what they are doing, and its **Light** is so **Great and Powerful** that they cannot see its direction.” End Excerpt.*
