LORD METATRON: Blessings Everyone, I Am Lord Metatron of Crystalline Service, Angelic of Light. Because this is such a difficult subject for almost the whole of humanity at this time to comprehend, and many will never understand in this lifetime, even the smallest elements of the vastness of this Earth, in terms of connections within the Multiverses, the more you can Feel into your own Hearts for Qualification with Your I Am Self the more opportunities you will receive for Greater Truth to be revealed to you. For I tell you unless you Willingly do this without judgement or criticism, you will simply remain tethered to the present paradigms playing out upon Earth at this time in their 3rd Dimensional States of Consciousness.

The more you Seek to Know the Truth, the more that can be unveiled to you. The Keys of Enoch, by J.J. Hurtak will offer you a vast Overview of what this Time Reset is all about. But what it does not tell you, is the practical, moment by moment Rightful Applications that you are receiving through this Elemental Grace Alliance Platform, along with many other connected Groups working from within their own Purpose and Individualized Expressions of the same Goal. This is why I choose to cross over such depth of Knowledge which shall offer those who are Spearheading this Divine Plan into its Full Activations through the Rightful Applications in Accordance with Cosmic Law, to Work from Within.

It is important then Remember and Accept within Themselves Individually and as an Ashramic Group of Christ Consciousness that You 'DO', come from a Higher Evolution, who has come to earth from many Future times to help the Transition of not just this Dear Planet Earth and this Sun, of Helios and Vesta, Solar System, to move It into Its next Dimensional Realms, but millions of others throughout the Multiverses, for one cannot Evolve without the next. Such Origins of your Lives are not from Hybrid Extra-Terrestrial Beings, although Hybrids have existed on this Planet in the past. You are here now are Part of a Unified Family of Light

Created through the Adamic Kadmon which is Divine in Nature because it maintains the Infinite Origins and a Higher Consciousness Intelligence that exist throughout the Universes.

Yet, as there is life upon this Planet, which is not benevolent in consciousness or intention, so too does the macrocosm of the Multiverses. We have spoken to you about the influx of the laggard consciousness that was accepted here on Mother Earth by Her Loving Intentions, to help in their times of need, only to find that their consciousness was uncontrollable and their intentions that overshadowed the Loving Hearts of the Inhabitants here in those times and ever since.

Most Advanced Extra-Terrestrials, yourselves included Reading or Listening to this, are here to help humanity, but they, You, do require the **'Co-Participation'** and Whole-Hearted Active Intentions, else the work effort simply become disjointed, confused and very difficult to hold any Congruency of Efforts to help Humanity to find Their Natural Rights to be God-Free, Liberated from all lower consciousness beliefs, disharmonies and mis-creations. Over the millennia, human nature has shown that by its own accord it was destined to self-destruct as has other Planets in this Solar System, Maldek and Tiamat, which presently encircle your 3rd Dimensional System as pieces of these Planets between Mars and Jupiter. So you have needed the help of the Hosts of Heaven, Higher God Intelligences, to help You Evolve into the Self-Realized Sons and Daughters of God as the Second Coming of the Adam/Lilith Kadmon Human Race, if this is what You choose.

Today, there are Dear Souls Who Already Know Their Cosmic Family and Their Purpose here to offer their Assistance in this *'Program'*. This *'Program'* is Universally Known as the *'Program Israel'*. Your humanness may call it *'Operation Israel'*, but no matter what you call it, it will not be achieved in any Unified Way, until the present Solar System matures in Consciousness. In other words, in this case, that the present humanity, around the Planet, can further respond to a Presence of Growing Unity of Oneness in a Consciousness, that from the consideration here, that many more will turn to the same *page within the Earth's and Humanity's 'Book Of Life'*!

That means, in terms of the present states of consciousness, that there are sufficient Dear Souls who meet equally, at a point of a *'Ring of Consciousness'* that equates to the acceptance to Become a Family working in a Unified Forcefield of Love, Truth, Joy, Happiness and Light. It is this Level of Awareness present upon the Planet, either conscious or unconscious is within the embodiment of a proportion of people of any colour, race or creed, that have or are ready to Transform their Consciousness into the Higher Realms of Light, either visibly seen by the populace or yet invisible awaiting for some additional facet, function or form that that needs to take place before that visible Light Substance Materializes.

To Move Forward now upon the Earth, more than ever before, people who Know their Cosmic Family or who will Remember their Family in the time to come, do more, to seek their True

Higher Collective Identities, which begins when one moves into the *'Dynamics of Benevolence'*, or what We call ***'Divine Service'*** to others! Look around you Dear Masters and see how this has been playing out for decades and none more than the Service to the refugees and displacements of people through inharmonious acts against the Freedom, Liberty and Truth of Human Rights to live in Peace, Brotherhood and Sisterhood. This is why the Key to the never-ending journey is that of Sharing Unconditional Love as the True Agape!

Man has shown that he has lost control of his Planet by virtue of the danger, he not only presents to himself but to the surrounding Planetary Environments by his pursuit of atomic energy for destructive use. In addition, the Councils that Govern your Planetary Field have also observed man's desire to extend his Planetary Society to other Planetary Regions without Spiritual understanding and still using a technology of death. These Councils include the Council of Nine, which Governs your Local Universe, the Council of Twelve, which Govern new Programs of Creation for your Local Universe and surrounding Universes, and the Council of One Hundred and Forty-Four which is the Overseer of the Spiritual Hierarchies in Universes comprising Your Father Universe.

There is presently occurring a Space-Time Overlap with the *'Higher Evolution'* as the Earth's Solar System enters an Electro- Magnetic null zone, a vacuum area in space which will change the Magnetic Forces of Creation. The change of the electromagnetic density in the Earth's atmosphere will activate some species to become more violent and other species more Christ-like as man is pulled either into an Upward Spiral of Light or negated by the breakdown of the old electromagnetic frequency. This will bring about a complete reorganization of the Earth's Life System as the human creation begins to operate with a new Magnetic and Electromagnetic Creative Power.

As I have said, this Universal Program, Known as ***'Program Israel'*** - which means, in the Original Hebrew Scrolls, the ***'Consciousness of Light which contends with the Higher Mind until Victory'***, there will be a ***'Consciousness Reprogramming'*** of Mankind on this Planet in the region originally identified with Atlantis. However due to hour of the Moment, I Am through the efforts of the Elemental Grace Alliance going to Call this Universal Program ***'Operation Israel'***, whereby it has now moved beyond the ***'Programming of Patterns of Conceptual'*** Abstract Ideas, into the more concentrated Effort through very Clear and Distinctive Operational Love in Action Knowing that Many Human Beings, Now has reached a ***'Living Consciousness of Light'*** within sufficient New World Servers there upon the Ground of Mother Earth Who will now Consciously Activate and Implement the Activities and Tasks that will see to, the Ultimate Victory of ***'Operation Israel'***. I Am intentionally making this more personally orientated as Dear Humans must Fully Engage in these Upcoming Activities and Task from within their Incarnational Soul, but at a Monadic Level. Meaning they will continue to Live, Move and Breath in the physical form as well as the Infinite Garments of Shaddai in due course of the Planetary Logii of God's Infinite Way of Agape Presence of Love and Light

which intersects with many different levels of Intelligence across the Multiverses of God's Unification of One Heart and One Mind.

The Twelve Consciousness Dimensions of Spiritual Man Who Will Receive Their Central Reprogramming in the Original Land of the Ancient of Days. This is the Sacred Land of the West which is the region of the original Grids used by the Masters. Upon this Grid a new Crystallization will be Created as the Cycles of the East and West combine to receive the Living Light of the Christ Reigning upon the Planet through the Brotherhood and Sisterhoods of Light. Thus, the *'Program Israel'* has now become the New *'Plan of Victory'* which will allow the Intelligence of this Planet to Freely move upon Other Planets and, at the same time, Invite Other Planetary Intelligences to Commune with this Planet.

Now Dear Hearts, the time has arrive for a World Group of Unified Souls to come together to Activate Great Heart Signals that allow new portals to open to provide, what was once closed to humanity, new opportunities to be *'Grafted'* back, if this word suffices for the mental understanding, from a micro-branch of the Tree of Life to the Cosmic Wholeness of Creation. These Energies function beyond this local reality and that is why Your Prayers, Invocations and Decrees of others become a Direct Pathway to the Divinity within You, The Divinity of Spirit and the One Unified Single Living Organism Known as God!

A Window of Extreme Opportunities is Now Open to you All and the Visual Understanding and ways of Comprehensible assuredness that this is not an Illusion as you have once been living you lives! It is now the *'Time'* whereby everyone will have proven to them, should they so Reach Out to Receive the Truth of God Life. With the Universal and Cosmic Understanding of Who You Are, both Individually and as Groups of Human Beings and as a whole Human Race you can now begin to Build Your Radiation Temples and Narayana Pyramidal Light Communities with far more Awareness of what they shall mean to the New Humanity!

These Understandings of Your Universal Families is happening in this Now Moment, within the Compassionate and Forgiving Embraces of the Mother's Love and the Father's Light where the Higher Virtues, Qualities and Attributes and Attitudes for Life are moving more towards the forefronts of your Minds as Visions, Plans, Dreams and Inner Knowing that begins to set Your Heart's Flame Ablaze!

Remember that behind the mathematical unfoldments of Life is the *'Consciousness Linkage'* or *'Induction Linkage'* with the True Essence of Source with All Life.

Dear Masters, as I Communicated with My Messenger James Tyberonn, not in direct words, but in Light Code *'Packets'*, as do I also do with Peter; as I will do with any who may Call Me forth for Me to Communicate with them, it is important that you have a good understanding of what this Work is all about, else your translations may only reflect a small part of the Light Packet. This is important the work to come will require accurate directives if you are going to

share among your Family and Colleagues. So be aware that that your Work will soon become more Active with the Angelic Realms, Who will all Communicate with you a like manner, that is until We can share with you face to face there upon the Ground of the Living Light that you have drawn to Yourselves.

But before this, I encourage you all to complete the reviews of all the Discourses within the Series of the **Resetting of Christ Time Upon Earth**, and the **Christ True Virgin**, as there are a number of pending Invocations that will relate to the Rightful Application to each Individual and Group for that particular Activation.

It can be said that the Light-Beings of the Angelic Realm, in Metatronic terms, are Conscious Units of '*Source Divine Thought*' and Beyond-Thought that Create Light and '*Beyond Light*'.

The Angelics of the Metatronic Realm Generate and enhance Coded-Light. Such Light Intermelds matter, antimatter, time and space. This is obviously not a conceptual view of Angelic function that is held by the masses of humanity, much less understood. However, in this context lies the glue that irrevocably adheres the Sacred Scientific to the Sacred Spiritual aspect of Reality that forms the Integral Unified Circle, Key to Humanity's Evolving Beyond Duality.

Indeed, in the present Era of Ascension, you are evolving in ability to absorb Greater Light, and Light is TRUTH, Universal Cosmic Truth of All That Is. The Enigma that has obstructed Full Unity of Humanity's Consciousness in duality, especially in your present, is that Science has omitted the Sacred and the Spiritual has excluded the Scientific.

It may then surprise some of you to know that there are Hierarchies of Angelics dedicated in Functional Purpose to what you may term as '*Keepers of Physics*'. In that role, We are conscious constructs of the '*Laws of Physics*' that enable Dimensional Realities. And We Realize that the idea of Angels being Scientists and Engineers will confuse most of you.

We tell you that the new Metaphysicians, the new World Servers in your vernacular, are the Scientists. Indeed, those you refer to as the '*Crystal Children*' are the '*Sacred-Savant*' Scientists that will in the next Generations complete the Circle of Understanding and join the Spiritual with the Scientific. They will not be religious in the traditional sense, but We tell you, humanity will come closer to Understanding '*God the Source of the Divine*' through Science than through religion. It is the missing piece of the puzzle.

Tomorrow, I wish to Embrace this in a different way by speaking to you about the current Pyramid Light Grids and the Manifestations of the Light Cities which are now awaiting the Time Keepers to activate the Codes that will begin the Transitions and Transformations to have the Present Light Cities awaiting for you in the 7th Dimensional Realms to come into the Reality of those who are ready to Pass through the Living Light Thresholds to become the

Ambassadors of Light to Bridge the Consciousness of Humanity, the Elementals, Devas and Angelic Host with Your Brothers and Sisters Who are the Galactic Emissaries you have long awaited for and Who have long awaited you to Invite them into your Earth Lives!

Tomorrow We speak of that matter Peter which I left in your hands in my Discourse.

'Part 2 - The Lion's Gate – Baptism By Fire – Lord Metatron, 27th July 2021', I shared this with you.

"These areas are controlled by the 'Magnetism of the Spheres' which places a final 'Magnetic Blueprint' on Trio Bio-Graviton Life Structures. In other words, these Structures are Biological 'Energy-Packets' Seeded along the Magnetic Arcs of Intersection of a given Planet. Just like the Reshel Sun Disc Grids destined for the Narayana Joy Radiation Centres.

"These Grids allow for Greater Degrees of Creative Genius to be Incarnated. A careful study of certain Magnetic Grid Alignments in the Near East will reveal the 'footprints' of prophetic work manifested between Egypt-Israel-Syria. Israel and Tibet are equivalent to the brain centres in the left and right hemispheres of the Planetary Mind. They are the places which have had the Highest Prophetic Incarnations (during this present cycle), which is why these two Incarnational Points have been under continual persecution by the forces of darkness on the Higher Planes.

"Yet, these Energy Centres have remained Sensitized to the Patterns of Direct Intervention and controlled by the Order of Melchizedek, even though the forces of darkness have sought to destroy the Scriptures of Light, and to control the Incarnations of the Lords of Light so that they can gain control of the 'high' and 'low' places of the Energy Harmonics of the Earth. Which I Impress upon you Dear Brother, to be mindful that this will require some close attention to this Most Auspicious Time. I will leave this to you!"

"Nevertheless, these Grids are connected with Veils of Light that are placed between the worlds. Therefore, they can only be moved aside by the Watchers Who Reign with Lord Michael and Who Give the Name and Seal that will Open the Grids to the Presence of the Lord, the Father, and the Ancient of Days.

"Thus, the Forces of Melchizedek are in Control of the Initiation Points in the Tarim Basin and the 'timepieces' of the Great Pyramid, Aligned with the Energy Grid beneath Megiddo. Megiddo will reveal the underground network of Israel as the Central Focus for Uniting the New Harmonics of the Consciousness Grids of the Planet. This will allow for different combinations of Spiritual Energy to Converge in one Sympathetic Pulse, in the Awakening of the Planet.

*"Dear Souls, this is all about gain of the Inner Alignment with the Infinite Mind and share the 12 Divine Mind Powers or Virtues of the Family of Light. **Then you can move your mind off this spatial dimension and beyond the relativity of the Earth.**" End Excerpt.*

Until Tomorrow
