

PART 12 – HUMAN SNAPSHOT OF SELF – RESETTING CHRIST TIME UPON EARTH
- EGA PETITION - DIVINE ELEMENTAL FREEDOM DISPENSATION - PROPOSAL 2, 3
& 5 OUTLINED IN THE GOD AWAKENING BOOK – LADY PORTIA, 10TH FEBRUARY
2022

INVOCATION: We Call Upon the ‘I AM’ Presence Joyously Within Each of Us. True Service Is Acceptance by Holding the Attention Fixed Undivided on the ‘Supreme Source’ of Love, Wisdom and Power, the ‘Great Master Within’ as each outer Activity in the Day Is Filled with the Inner Presence. America, You Are the Heart Centre of Cosmic Christ, the Anchor In the Heart of Mankind, Illumining the Earth, Commanding Divine Love Go Forth. Opportunity is with me today and forever. ‘I AM’ the Strength of Hercules, ‘I AM’ His Limitless Strength and Energy and Therefore never get tired of Creating God’s Love And Light! The Will Of God Is Good! The Will Of God Is Light! The Will Of God Is Happiness! The Will Of God Is Peace! The Will Of God Is Purity! The Will Of God Is Balance! The Will Of God Is Kindness! The Will Of God Is Harmlessness!

LADY PORTIA: It is within the Mother’s Love that I come to Share My Heart Love with all of you today! It is a most auspicious time that needs as much information and diversification of perspectives that will offer humanity the various gradations of consciousness, that will provide Deeper and more Expansive Knowledge surrounding these present Petitions for the ‘Resetting of Christ Time on Earth’, the various ‘Proposals within the God Awakening Book’ and the Divine Opportunities that are now opening yet another door, for active participation in unlimited ways to Manifest and Implement the ‘Declaration for the Freedom of Humanity upon Earth’. As St Germain has opened the Opportunity for Me to Come and Speak, I Come today in all My Powers, Qualities and Virtues as the Goddess of Opportunity, The Goddess of Justice, as the Chohan of the 8th Ray, in My Governing Presence within the Triune Grace Commission Council and One Who Holds a Seat upon the Karmic Board of Directors!

While I have much to share in this Discourse, I would like to Endow a Holy Invitation herein, for all who may read these Petition Discourses, to Wholeheartedly, review again in the context of these EGA Petitions, for Higher Qualification, My Discourse, ‘Part 14 ENACA Petition – Trust Must Be Earned – Lady Portia, 9th August 2019’; for in this Treatise, I was also speaking not only of these particular potentials of this timeline back in August of 2019, but outlining, in detail, that which you will need to Know Innately within yourself, why it is so important that humanity fervently and Divinely Understands and Comprehends, with both hands, Heart and Mind, the Power of Grasping EVERY Opportunity that is placed before you upon your Path.

So many, too many, see these Opportunities and brush them aside because their Powers of Observation are insufficient to see any conceivable probability within them as they are presented and so while no promises are immediately extant or even implied, yet with the

'Eyes of Hope', so much more is therein for your immediate Application to God Life, your Own Divine Spiritual Growth and Development if you had the eyes and ears to see and hear!

I therefore do not wish to use up valuable space in this Combined Response. It shall be your own Responsibility as your own *'free will'* choice, to go back and review or not as you wish! However, I bring the Powers of Embracing Every Opportunity that comes to you for a reason, and in this case, that is to Create a Visual Image in your Heart and Mind of a **'Human Snapshot of Self'** in your present life, to Substantiate the Law of the Mirror within your Life in this Now Moment!

In that *'Trust Must Be Earned'* Discourse, I spoke as a Member of the Karmic Board!

"As the Great Board meets on your behalfs, One and All, in the Halls of Karma, We Give Witness and Appreciation for the most wonderful and expanded presentations shared within this Petition. The results of Your earnest and good endeavours proving that unascended lifestreams, while still within the confinements of human creations can indeed extend themselves far beyond the limitations of old fixed mental thoughtforms. This allows for the continued changes for and on behalf of humanity, not only here on Earth, but far beyond into the destinies of many billions of lifestreams at Inner and outer levels of Human Evolution; well into the Outer Extremes of other Galaxies and Universes with Who are working out through the Wheels of Karma.

"This Petition for New Grants and Dispensations offers far Greater Spiritual Opportunities in the shortest times possible. This New Golden Age is one of Opportunity, which, it is My Privilege and Honour to Represent Cosmically in this Great World Scheme.

*"Dear Brothers and Sisters of Earth, and those within the Galactic Realms, have you thought that, while you are living your lives with Conscious Intelligence in any Sphere of Ray Consciousness, while you use this life, **You Have Opportunity In That Sphere, indeed in any life experience.** The moment you relinquish consciousness and self-conscious being in any sphere of life you lose opportunity to further function there. So avail yourselves, Dear Hearts, while you are still in this physical appearance world (the place of greatest need in all our Solar System and beyond), of the Opportunity that is yours. You have this Opportunity because you are part of the physical, mental, emotional and etheric world through which We are Endeavouring to Pour the Sacred Love of the Sacred White Fire Light Substance for Redemption's sake of all Life Streams that exist herein!" End Excerpt.*

Allow Me then to paint you a picture, figuratively speaking!

You have had the analogy of the pigs being rounded up and corralled in a pen three times in these Discourses and while I Am not using it in the same context here, I wish you to see it from another perspective. As you should know by now the state of the world does not come down to any individual or group thoughtforms, but rather the mass consciousness that is all-enveloping, all-embracing, all-inclusive, and all-encompassing and there is no evading it! That is until you Understand the Divine Processes of how all this works from within an Evolutionary

Plan for the Raising of Consciousness. So, in short, it is not the dark forces as a separate body on an individual or group basis, who are creating all the present world atrocities, catastrophes and chaos in human affairs, at every level of awareness.

It is instead, the levels of consciousness, within the mass of human consciousness streamed as an average resonance throughout the whole world that allows certain people, whose consciousness is either equal to below those vibrational frequencies to express and make manifest the physical forms needed to see the thoughts by which one lives. For what one thinks, the Cosmic Law must be applied, to allow such manifestation in a physical world! That is how a physical world is created, by the thoughts, words, and actions of those who live there. So think not that that these Dear Souls you call the dark ones are creating such malevolence. They are, and that is true enough, but they are no more to point your fingers at, than you who need to point your fingers at yourself. For you are part of this entire mis-creative world and for lifetimes you have added and contributed to these present calamities as anyone who continues to make the choices to make them worse!

So, the first thing you need to do in this case is to take yourself aside and see that you are part of these manifestations and as part you either will continue these manifestations, consciously or unconsciously, be held within these lower consciousness manifestations or decide to withdraw from them and help break down the hold they have upon humanity! But you cannot do both, you have to choose one or the other, you cannot follow two Masters, your 'I AM' Presence and your ego personality! One will Free you through God's Will, the other will keep you in limitations and lack, through personality of your 'free will'.

In other words, the gradation of the consciousness throughout the whole of humanity will determine how it manifests within a physical world. So this corralling, and locking human beings into states of physical manipulation, control, etcetera, is nothing more than the mass consciousness of humanity living and playing out its own beliefs in self, both in an individual, group, community, city, nation or country and the world in general as consciousness is shared between all these levels of communication and energy exchanges! Dear Souls, it is just Energy Seeking Resolution, nothing more and nothing less! It is the Law of Attraction and Repulsion, the Laws of the Cosmos in an attempt to Evolve Creation Itself!

If you cannot grasp this, simply look at your own life and where you are in EVERY aspect of it, where you place your energy in your beliefs, conscious programs, the way you live your life, as a lifestyle in the multitude of ways on every form and type of interaction with your outer world and extended world affairs. The Truth is staring you in the face, if you are prepared to look with an Open Mind and Heart without opinions, criticisms, or judgements. Just by becoming the Observer and nothing more!

So, the present day Sacred Cosmic Christ White Fire Light Substance that is now being recognized around the world, is because there are more people upon earth who are no longer bound to the mass average resonances of humanity. And these Dear Souls are not only beginning to more Comprehensively Understand what this means, they are now in the

positions of Self-Empowerment and Authority to make even greater differences never seen upon Earth ever before, and Now beginning to actually live their own lives within such Higher Resonances and Light Quotients, whereby they are no longer affected by the lower mass averages or indeed any aspects of how any old human beliefs still play out in the outer world and affairs of humans, expressing their lower resonances of consciousness. The Living Example of this Dear Hearts is that of Jesus! And so this Living Human Being having taught and shown humanity their potentials, has Truly Paved the Way for a whole human race to emulate and more than that, to Ascend in mass as a Whole Human Race Together as One!

With this Understanding; Brother Jesus said:

“‘I AM’ pleading with you today; for if you step forward and do this, there can come such an Expansion of the Light for you and such Blessings to your Nation and World as shall cause the people of the Land to know that the Day of Miracles is not past and Will Never end. You can be the Miracle Presence, My Dear Ones, of Healing to your fellowman. You can be the Miracle Presence of the Illumination that consumes the darkness. You Can Be the Miracle Presence of Our Consciousness to Life, and you Can Be the Miracle Presence that brings Light everywhere the darkness has ever attempted to come forth. You have Full Authority; you have Full Power; you have the Understanding. May I Say, you have the Responsibility, and the Duty is clearly outlined before you.”

“You Owe a Duty to Life! After Life has given you this much Freedom, after the Love of the Mighty Saint Germain and Others of the Ascended Host have drawn you this far in the Light and Given you these Blessings from Our Octave, then you have a Duty to the rest of the Universe to Expand that Light within yourselves, until you are the Magnet that draws the rest of mankind out of the shadows in which there is only distress. If Our Love has Drawn you into the Light, then one day your Love must draw the rest of Life out of the shadows, until all Life turns again to the Ascended Host and Knows that they are the Elder Brothers, the Teachers, and the Great Presence of God, Ever Raising all into the Glory and Perfection of the Ascension into the Mighty ‘I AM’ Presence.” End Excerpt.

So, while the analogy of the pigs upon the Pacific Islands do not have the consciousness to think, to review and Qualify their predicaments, human beings do, and have always done, if they so choose! The present state of world chaos is because most of mankind have never given themselves the Opportunities to Know and Be More, and if they have, the mass consciousness was too overpowering because that consciousness was manifested in the physical and that which is unseen was hidden away, where only the seen could be validated and become the norm. That time is now over, Dear Soul’s.

You Now have the Power to see beyond the illusions of the false manifestations and that means you can with the Powers of Will now remove the perceived fence and corral of lower consciousness that have been attempting to lock you away for what would seem an eternity from within a human perspective! But from within The Mind of God, which you All Possess Innately within you, the Power to Break down all illusions and untruths, all lower resonances

of consciousness and physical constraints, no matter how addictive and believable they may seem to you!

Therefore, the First Ray of Divine Will is the Ray of Agape Love in Action that will help A Whole Human Race to Breakdown and Break Free from old perceived mind sets and limitations of all aspects of human life. The First Ray also has Qualities and Virtues such as Power, Protection, Faith and Hope. Leaders in governmental positions and executives are often on this Ray. However, while the Energy is the same in manifesting anything physical, it is the consciousness of the transmitter that will create constructively or destructively and the dark forces know this and this is how they have managed to hold humanity to their mass consciousness of their desired expressions of control, etc.

So while we are all Speaking of the 1st Ray Qualities for the EGA's Work, Individuals Who Are Being Magnetized most of all at this time will require to Call in the Energy and Strength, and Faith in God and so should Call to the Great Beings on the First Ray to draw into themselves the Energizing Blue Ray, frequently using the statement: **"I AM the Strength of Hercules," "I AM His Limitless Strength and Energy and therefore I never get tired!"**

Beloved Children of My Heart, It Is Time For the Will of God to Now Create all Manifestations from this time forth upon Earth! And if you are Open Enough, the Opportunities shall be Awarded you!

I speak to all mankind everywhere! It is the Fiat from the Heart of Creation that the WILL OF GOD SHALL NOW MANIFEST through your life, your energies, your senses. I speak these words into the mental and feeling worlds of this planet, into every appearance which enfolds an earnest Son or Daughter of the Kingdom, who has forgotten their Divine Destiny of God-Mastery.

The WILL OF GOD is GOOD. The WILL OF GOD is for a free people! The WILL OF GOD is that the axis of the Earth shall be straightened, that the extremes of climate shall be Mercifully Blended. The WILL OF GOD is that every man, woman, and child, from within themselves, shall draw forth the Substance and Supply which is the need and requirement of their everyday existence. The WILL OF GOD is that there shall be no veil between mankind and God anymore, and that Angels, Devas, and All God-Free Beings shall Walk and Talk as Freely with the Evolutions of this Earth and many other Worlds as people now talk and walk with each other.

This is the WILL OF GOD: the lame and crippled to be made Whole again, the sick to Rise, the diseased to become Filled with Ease and Balance, each one entering into the deep recesses of their Heart through the Mother's Love, facing their Own Supreme Divinity, seeing It face to face, and becoming Enamoured of the Magnificent Perfection Pre-Ordained and Destined for each Lifestream.

It is the Time for the Living Christs to Walk and Talk with the people upon Earth and that the WILL OF GOD be Impressed with such Strength and Power Into the consciousness of mankind,

that there can no longer be any loitering or lingering in the shadows, nor acceptance of limitation as part of this Great Universal First Cause. Those in their unascended bodies, interested in sending forth, at least five minutes at a time, three times a day, the following Strong, Powerful Thought that They are Part of God's Will To All Of Life, not just the good, (and spoken word if possible), will be LOVE sent Forth IN ACTION!

The WILL OF GOD is GOOD! The WILL OF GOD IS LOVE! The WILL OF GOD is LIGHT! The WILL OF GOD is HAPPINESS! The WILL OF GOD is PEACE! The WILL OF GOD is PURITY! The WILL OF GOD is BALANCE! The WILL OF GOD is KINDNESS! The WILL OF GOD is HARMLESSNESS! 'I AM' THE WILL OF GOD!

Dear Ones, any submission to existing circumstances that is not in Alignment to God's Love and Life, THESE SHALL INCREMENTALLY CEASE beginning now; no such detrimental human conditions will remain. Within the New Life Upon Earth, the Power of Mastery, the Right Application to God Life, is now within the realms of God's Life here and within The Ascended Master's Fully Gathered Cosmic Momentum, to send forth the Electronic Sacred Cosmic Christ White Fire Light Substance from the Octaves of the Electronic Belt where the Pressure and Assurance of Faith in the Fulfilment of God's Will, WILL COME FORTH AND BE FELT upon all Levels of Consciousness and life Now!

Beloved Family of Light, It is My Absolute Joy and Delight, and as the Board of Directors having now taken everything into Our Halls of Karma Chambers, from both the Dear Unascended Souls who have helped to put this Petition together as well as the Gathered Masters who have contributed and those who Align these Halls in which We Share, as unprecedented Support in Every Level of God Intelligence, **It is Unanimously Agreed that this Petition for Permission to Activate this Mass Implementation and Use of God's Will has been Granted in Accordance to God's Will and Cosmic Laws!** Effective instantaneously when the Human Activations by Invocation have been received.

It is also Agreed in Accordance with Cosmic Law, that I, as the Goddess of Justice, and the Other Members of the Karmic Board can now Enter with Greater Presence, the Atmosphere of Earth to Oversee Divine Justice being Implemented through God's Will herein, and throughout this Solar System and Worlds.

Decisions based upon *'The Laws of Divine Justice'* and the *'Laws of Accountability'* are no longer confined to Our Halls of Karma, but can also now be directly determined within the physical world where lifestreams who cannot follow God's Will, can now have their accountabilities pronounced upon them in the here and there and now, should their continued actions against humanity persist without amelioration, transformation or reform. Where destructive and negative actions against human rights and the greater good of all concerned are not corrected in a designated time frame; they shall be Governed by God's Will and Cosmic Law. **This is a Massive change that will Re-Write Cosmic Law as part of the Mass Ascension of a whole human race!**

There is much to do now in the Higher Realms, which mankind will neither need to be a part of or be concerned about, for these are not your Responsibilities. Your Responsibilities continue to be required where you are, to Ground the Energies of God's Will within all physical lifestreams and forms upon this Planet and within its atmosphere. For the Beautiful Souls the New Light Workers of the New Golden Age Who Are Spearheading these changes, they still have mountains of Work to do, for this Part of the Divine Plan has only just begun, and so they will be given all the help they need as part of the Implementations required so Ease and Grace Will become The Life on Earth!

There has been no need to have any Responses from the Offices of the Christ, as They will make Their Presences Known to you all in Due Course to discuss the actual requirements of Resetting the Morphogenetic Holograms of Earth which is not relevant within these Petition Discourses!

So, to Clarify;

- The Proposals 2, 3 and 5, now await your Calls and Invocations to Activate.
- The Call to Begin Divine Justice Upon Earth has been Approved, and now awaits your Calls and Invocations to Activate.
- The Petitions that relate to the person having All Memories Returned back to them, and the removals of any Karmic conditions that may prevent needed God's Work that cannot be done while Karma persists, will be Granted ONLY to those who have Proven themselves to the Masters that They have Earned The Master's Trust that they can be counted upon. And while this Petition Highlights these requests, these are not possible to be Granted upon any '*Group Dispensations*'; as the SOEPC' * has been attained in the past. So, while this Petition in all Its detail, has been Granted, such Qualifications as to who have attained the Dispensation/s now herein '*only*' come down to the Individuals who have provide such Invocations through their own efforts and attainments, through their own Rightful Application to God Life, will be Granted the Dispensation. So it is now up to All Individuals First by the Divine Will of God within themselves to Earn the Trust of the Masters and who have Proved that their Obedience to their 'I AM' Presence is unwavering in their Pledges and Covenants under Cosmic Law. When they feel they are ready for such Application for such Levels of Petitions to the Karmic Board they can follow their Higher Guidance to Apply the Correct and Rightful Application to God's Will. That means not just here within this Ashram of Synthesised Group Life, but any other group that they may deem suitable to follow upon their own Divine Path.
- The Outstanding 6 ENACA Petitions now await their final completions and Our Deliberation to have them Accepted as further Grants for Dispensation. The lack of

support at the time of these Applications for the Karmic Boards Approval have now been Reformed for continued Due Diligence upon the behalf of the Unascended Human contingency, of the Petitions presented thus far! Time to Deliberate and Re-present your Appeals!

^{*} (As We are Speaking of Dispensations that have been Granted to date by the Elemental Grace Alliance and the Sun Of Even Pressure Council, where the Dispensations were actually Grants to the Whole Membership. No such Member Granted these Dispensations can deem these Grants remain active, where the personalities of the EGA Ashramic Group Life have violated with any lack of the Required Conditions of Group Life or the Laws of The 'I AM' Presence. So, while the EGA continues to hold these Grants and shows extended fortitudes to expand this Divine Plan, these Group Petitions remain Group Effective, provided they are Over-Lighted by the Core Nucleus of the Elemental Grace Alliance Administration and now the Triune Grace Commission Initiate Council within the Triune Grace Commission Initiative.)

Before I close, one last thing I wish to share with those who will make the choices to Engage these Calls and Invocations to Activate the said Dispensations. It is now time that the Elemental Grace Alliance and All Groups, Spheres and Circles within this Ashramic Group will complete the Invocations Individually and Privately! There is reason for this!

While there will be Group Activations as Ashramic Activities and Tasks, it is vital now that God's Will be entered by each individual, within their own capacity, Resonance, Understanding and Comprehension of the details and information shared. For while Group Invocations have been helpful in the past, now within the next Levels of Awareness, Invocations Created within multiple Resonant Frequencies of Vibrations they can and do, reflect upon other Members Resonant Calls.

In the event any Invocation is created by others, those who use them do not benefit in the same way as they do not correctly apply God's Will for themselves. If one does not do the Work and Give Their Own Energies to any particular effort, it is not possible that they will receive any benefit fitting of the Intention. It becomes then a mind application and no Heart, or Energetic Effort being present, regardless of the intentions that may be pure and with all good purpose, the Reality and Truth is these are Calls, that can only come from the one who sends them Forth!

So these Dispensations shall be Called Forth and Invoked ONLY by the Individuals' own Self Applied Application in the Words, Feelings and Effort to Invoke at a Group allocated time! There is no need to share with anyone else unless agreed to do so, but it is Our Recommendations not to do this, it has more potential to distract one from their own Application, thus possibly facilitating another with a short cut that does not serve another's Self Realized Growth and Development.

We would not be recommending this if the EGA Discourses did not provide all the Higher Guidance necessary to Achieve Ascension by attaining information elsewhere! The greatest and quickest way to move forward is to get your hands dirty with experience, working through

the endeavours, personally allows for the universe to respond in ways that copying and pasting can ever do! I hope you can understand this!

“If you put your ‘Beloved ‘I AM’ Presence first, and the Ascended Host, and put your attention there first, your ‘Presence’ and the Ascended Host will put you first. They’ll put Their Perfection into you first, and into your world first, and into the people you deal with first. And if you will put that in first, discord, coming second, will have to be consumed and prevented control of you and your world.

If you have any questions regarding any matters discussed herein, please ask!
