

PART 19 - ST GERMAIN ALCHEMY CLASS – MAY YOU PASS EVERY TEST
14TH FEBRUARY 2020

INVOCATION: Beloved 'I AM' Presence, You Who Radiates Your Mighty Love Light with Your Great Love, Wisdom and Will, Give Us the Inner Sight and Hearing to Move Forward into the New Golden Age That We May Pass Every Test! 'I AM' the Full Liberation of Divine Love Acting, Knowing that the Power of this Declaration is Self-sustained: 'I AM' the Governing Love, Wisdom and Power with Its Attendant Intelligent Activity, which is Acting Every day in every single thing that We Think or Do. Mighty Presence, Command this Infinite Activity to take place every Moment and be the Sustaining Guard about Us, that We Move, Speak and Act Only in Divine Order. 'I AM' the Commanding, Governing Presence, Commanding Perfect Peace and Harmony in All Activity.

ST GERMAIN: Greetings Dear Ones, Radiant Flames of My Heart, I See You, I Hear You One and All! ! And 'I AM' Here, not there, but Here, Here at the Nexus of that Cross of White Fire, The Maltese Cross, Here where Time and Space Meet and Cancel each other out. Here 'I AM' in the Heart of Infinity. The Centre of the Cross, Where the Divine Spark Is, There Too Is Infinity. Therefore, I Greet You All this day of Valentine, the Infinite One and As Infinite Ones, One times One times One, Ever the Infinite One. Therefore, Let the Great Circle of Our Oneness and Our Divine Love cancel out all division, all misunderstanding, all ignorance, and every false testimony as in the case of the blind men and the elephant, all giving varied reports of the same spectacle but never arriving at the point of Reality that is the Heart: **The Heart Reality!**

The Symbol of the Maltese Cross is Perfect Balance of the God Flame, as in Heaven so on Earth, it provides a thought and energy matrix whereby the ill effects of personal and Planetary karma can be brought under the control and the Power of the Divine Virtues released in Their Place, and mankind's Perfect Use of these Powers might no longer corrupt life upon Earth. I tell you this in earnest here Dear One's so you may begin to see something unfolding as a more definite Path in traversing, navigating and negotiating the old human consciousness' matrix to the New Adam Lilith Kadmon Human Race Christ Consciousness. I Give you this here and now to Plant another Seed already with buds shooting, to Allow the Mother's Nurturing Love Light to Hold Close to Her Bosom as the Flower begins its reaching out the Great Sun's Majestic Pull!

I Call You All to that Point then, the Centre of the Cross, for Centred in Your Heart, which is becoming My Heart day by day, you are beginning to See All Things as They Are. And so I say to you all,

No Longer Seek Further That Which Is Seen,

Rather Seek ONLY Now, That Which Is Unseen!

For the True Viewpoint or Appraisal of Wisdom, Anointed with Christ Love, Enfired with the Will-to-be All that God Is, and Blessed with the Purity of the Mother's Love and Joy, what else can there be out of this than the Crystal Prism, The Diamond Heart? I See Your Perspective of Freedom as Peter has shared in The Petition; *'We Come to you today to say to You, We Have Found Our Freedom'* and so I Come to Give You Another Behold, I

Make All Things New by the Flame of the Heart, by the Vision of the Heart, by the Wisdom of the Heart, that is the Endless Stream of the Endless Source. O My Beloveds, Brothers and Sisters 'I AM' Come, and 'I AM' Joyous To Be Here, Joyous to Bask in the Light of Godfather Helios and Godmother Vesta and your own Hearts' Dear Ones for your Valiant and Noble Work throughout the Introductory Class and Petition.

I See your Perspective of knowing what your Freedom looks like, and how you shall achieve it and that is why 'I AM' so Uplifted that what had begun 2 weeks ago with a little in its trepidations of forward movement, has turned out In Truth a Mighty Blessing to All, not only My Efforts in the Work I do, but the Work so many on this side of the Veil do! We are All Gathered Dear Hearts to Applaud *'your'* labours, struggles and endeavours in showing there is a clearer understanding that We believed there was before We all began this endeavour. And So I Come today to continue this Class Endeavour with you and for you and will be offering even more perspectives for you to glean from as part of a much Grander Move Forward from here. We See your perceptions, and although they still hold visions and forces, that may restrict and bind you, these are so much more temporal, time based and if things continue in your progressive Attention to detail, Focus upon Faith and Trust, Love and the Other Divine Powers, which We shall define in due course, your worldly Visions and connections shall begin to dissolve away from the old consciousness matrix grids.

These Too Shall Pass!

I say to You All, **May You Pass Every Test** Beloved Hearts! I wish to share this with You today also, in My Grand Teton Retreat, this **'May You Pass Every Test'**, is the Salutation upon meeting and parting, not 'God Bless You'. It is this, not commendable and noteworthy of the Disciples and Initiates of My Heart Who are Determined to Follow in My Footsteps, not to make a rut in the road of life, but Rather to Secure what the Master has Gained? A Worthy Cause Indeed! Beloved Ones, 'I AM' Come to Present to you, then, a Crash Course In Passing Every Test and at the same time Teach you the Advanced Arts of Divine Alchemy. Thank you, Dear Hearts for Lifting My Spirits to Reach out in ways I have not felt for a very long time. What more fitting a day could it be that I Come Bringing you Flowers, I have a bunch of Lilies for each of you, and many Gifts that you may unwrap as you will when you finally see them laid before you! Remember Dear One's.

No Longer Seek Further That Which Is Seen,

Rather Seek ONLY Now That Which Is Unseen!

Let this Dictum, become Your Guiding Light now, for it in and of itself, has much to offer all of you as We Move Forward from here!!

How fitting is My Sonnet that Your Dear Sister shared with you today! This too is no coincidence, for In This Sonnet, much lays behind the words for those who See Inwardly!

A VALENTINE FROM SAINT GERMAIN

*Methought I would compose a sonnet
Valued by the world,
A poem with light
Of love upon it—
A challenge to be hurled.*

*The “spear” I “shake”
And now do make,
A “Willing” of “I AM,”—
To be the break
That all may take
O lovely God, I AM.*

*For thou hast sought
And to men brought
Opportunity and plan,
But men have thought
And oft been caught
By delusions in a jam,
Now if the power
Of Truth this hour’
Earth’s freedom
Course must chart,
There must be men,
O valiant men,
To rally from the start.*

*To see behind
The shams of men
The fraud they have created,
Attacking Truth
And Sons of Light
Whom they have oft berated.*

Now, I might add

*This “not so bad”
Assessment of our friends
Is bad enough
Through lacking Love
How they have underrated!*

*But we who’ve been
A part of earth
And felt the lash
Of tyrants bold—
For freedom’s sake
We now do make
A call to hearts of gold
Stand stalwart, then,
And let your heart
Be framed by fragrant flowers,
Not earthly substance
That will fade---
Choose immortelles
From heaven’s bowers
And see thy heart
As altar chalice,
Love by God and man,
And holding forth
Forevermore
Tripartite Flame.
...’Twill exalt the plan
You are never alone
But always one
With us who love you now,
And as all came
From Central Sun
Our Love’s eternal, vowed.*

Of Course men means men and women alike, but this needs no further discussion here!

I Am not going to deal with the Petition here Dear One's other than to say, it shows True Vision, Wisdom and Fortitude in its delivery and content, and Holds True the Cosmic Laws that Govern All things here in this Solar System and Universe. It was Destined to Receive the FULL DELIBERATION to be Assayed, Explored and Tested, for no other reason alone than with the Halls having no more standing Space available, with those who came spilling out into the corridors, to Show Their Support. Never has this EVER been seen before, where any unascended human souls have presented such a Petition on this side of the Veil, let alone drawn such a Universal Crowd. NEVER! And for this reason well I shall step back upon this subject as I understand tomorrow the findings which have been Meticulously Examined shall be Avowed. This is not My Place to discuss this further at this time.

I can tell you however, that the Cosmic Reinforcements to this Divine Plan Known as the Elemental Grace Alliance have arrived and They are waiting on Your Every Breath!

I Am going to speak with you all in the New Class, when you are ready to begin again, about the use of the Maltese Cross, for you must have a True Depth of this Knowledge and what it represents. For example, it must be recognized that when the energy-action descended from God to man through the Upper Arm in White, narrowing through the funnel to flow into the Crucible of Being, The Heart Centre, at the Point of the Cross, it passes through the Nexus as Power, Wisdom and Love in the World of Material Form. Hence We return back to the Mind Powers of the Virtues of Christed Consciousness.

I Am not going to say anything else right at this time, other than this one last thing! Like so many words humans get caught upon, the word '*proof*' is another one! Replace the word '*proof*' or '*to prove*' to '**Qualify**' or '**To Qualify**'. With the past Teaching of the 'I AM' Presence the True meaning should Stand within a Whole New Light! So when We say you need '*to Prove*' to Us that you are Committed and are Trustworthy to fulfil the New Responsibilities that will be Bestowed Upon You, it is in fact the qualification that you need to Perfect and the **To Qualify First** with your Own 'I AM' Presence. That is what We Seek to See! Remember, the more that you are Given of that which is Held In God's Image, the Greater are the Expectations that are placed upon you. That is until no further Qualification is necessary, because at that stage, your freewill will have been TOTALLY dissolved.

So when Jesus was tempted after coming out of the desert after 40 days and 40 nights.

The tempter came to him and said, '*If you are the Son of God, tell these stones to become bread*'.

Jesus answered, "*It is written: 'Man shall not live on bread alone, but on every word that comes from the Mouth of God.'*"

Then the devil (his alter-ego) took him to the holy city and had him stand on the highest point of the Temple. '*If you are the Son of God,*' he said, '*throw yourself down.*

For it is written: He will command his angels concerning you, and they will lift you up in their hands, so that you will not strike your foot against a stone.'

Jesus answered him, *"It is also written: 'Do not put the Lord your God to the test.'"*

Again, the alter-ego took Him to a very high mountain and showed Him all the kingdoms of the world and their splendour. *'All this I will give you',* he said, *'if you will bow down and worship me'.*

Jesus said to him, *"Away from me, Satan (alter-ego)! For it is written: 'Worship the Lord your God and Serve Him Only.'"*

Then the ego left him, and Angels Came and Attended Him.

These tests are the most important ones to have attained within My Alchemical Class, yet if I give you a task to Precipitate, then Know this is not a test to Qualify your worthiness, but an actual exercise to show that you have understood the Laws of Precipitation. To be able to KNOW you can, when required, not for vanity of personal gain or even Proof, but in Service. How will you ever Know the Power of your Service if you do not know the strengths and weaknesses within that Service. Trust then that when the time comes and I say to you, do this exercise, Precipitate this or that, it is not for the fun of it, it will have Divine Purpose and Will behind the Instruction. There will be no need to Qualify anything. **'I AM'** Your Qualification, in such Instructions and this Training! I know what is in Every Heart, so if you are not ready, I will Know before you! And We shall not extend any exercise any further than that of your own willingness, Knowledge, Divine Virtues or Capabilities or Control.

Therefore as each Disciple and Initiate approaches the Temple of Being, Of Life, of Oneness, he or she must, if they would correctly apprehend the meaning of existence and derive happiness therefrom, see him or herself as a Crystal Prism or Diamond Heart of Light's Perfection set in a Mounting of Perpetual Elegance. Acknowledging his or her Origin in those Permanent Realities which the interpretative mind and heart of being are able to apprehend and hold in the proper focus of prospective progress, man and woman shall once again renew their Intelligently Guided Drift toward Sublime Reality!

The Reference that St Germain made about the Blind Men and The Elephant was something I had never heard of before and so had to search. It is a Poem by John Godfrey Saxe.

(One of the most famous versions of the 19th century was the poem "The Blind Men and the Elephant" by John Godfrey Saxe (1816–1887).)

Where was Indostan? In the early 11th century a satellite state of the Ghaznavids in the Punjab with its capital at Lahore was called "Hindustan". After the Delhi Sultanate was established, north India, especially the Gangetic plains, came to be called "Hindustan"

THE BLIND MEN AND THE ELEPHANT

It was six men of Indostan, to learning much inclined,
who went to see the elephant (Though all of them were blind),
that each by observation, might satisfy his mind.

The first approached the elephant, and, happening to fall,
against his broad and sturdy side, at once began to bawl:
'God bless me! but the elephant, is nothing but a wall!'

The second feeling of the tusk, cried: 'Ho! what have we here,
so very round and smooth and sharp? To me tis mighty clear,
this wonder of an elephant, is very like a spear!'

The third approached the animal, and, happening to take,
the squirming trunk within his hands, 'I see,' quoth he,
the elephant is very like a snake!'

The fourth reached out his eager hand, and felt about the knee:
'What most this wondrous beast is like, is mighty plain,' quoth he;
'Tis clear enough the elephant is very like a tree.'

The fifth, who chanced to touch the ear, Said; 'E'en the blindest man
can tell what this resembles most; Deny the fact who can,
This marvel of an elephant, is very like a fan!'

The sixth no sooner had begun, about the beast to grope,
than, seizing on the swinging tail, that fell within his scope,
'I see,' quoth he, 'the elephant is very like a rope!'

And so these men of Indostan, disputed loud and long,

each in his own opinion, exceeding stiff and strong,
Though each was partly in the right, and all were in the wrong!

So, oft in theologic wars, the disputants, I ween,
tread on in utter ignorance, of what each other mean,
and prate about the elephant, not one of them has seen!
