**LORD JESUS:** Beloved Hearts, before you continue reading or listening to the following information, that will help you measure, evaluate and engage herein the Ever-Expanding Consciousness of God Life, I want you to Know and Feel Me there with You, with My Hand Upon your Shoulder Sharing the Love 'I AM' with You! And I will do every day between Now and after Christmas Day. I Will Be By Your Side, there in your Physical Plane, no matter where you are, for I cannot Be More Grateful or Appreciative of All the Work and Effort that Everyone around the World, since My Ascension, who have come back time and time again into incarnation and dedicated your Lives In Me the Living Christ for the Whole of Mankind. I cannot Express more The Joy of Love 'I AM' With You!

In the Christ Letters I said,

*"I have come to help you remove the barriers by enlightening your present ignorance and teaching you how to open your consciousness, your entire being, to the inflow of THAT WHICH BROUGHT YOU INTO BEING.*

*"Therefore, I REPEAT: in the final analysis, my teachings are exclusively directed at assisting you to open your consciousness to newness of life, vitality and spiritual power that you may*

*abandon your old way of limited and dissatisfied living and find a new source of inner joy and fulfilment of your every need. I long for you with Divine Love to reach this supreme state of being before you pass into the next dimension, that your passing may be painless and your transition one of sublime anticipation.*

*“This is the sole motivating purpose behind the Letters.*

*“The above statement is a more compelling and powerful rephrasing of the statement I made when on earth: ‘Seek first the Kingdom of Heaven and all good things will be added to you’.*

*“I did not make this statement to entice people to be ‘good’. I stated a fact of existence. You must also understand fully and clearly – that ... ‘THAT’ ... which you call ‘God’ and I refer to as ‘UNIVERSAL’, possesses none of the human attributes attributed to IT by many religions.*

*“The human characteristics of anger, threats and punishment, for instance, only pertain to the human condition.*

*“Again, I repeat; I, the CHRIST, have come down to dictate these Letters expressly to disinvest people’s minds of the former ‘human word pictures’ coined by Prophets. It is my firm intention to replace them with descriptions of the POWER – the UNIVERSAL CONSCIOUSNESS which really creates, moves within, and supports the visible universe and all other dimensions beyond your present perception and comprehension.*

*“I AM also here to tell you these further universes or dimensions, will be opened and will become accessible to your consciousness when the knowledge outlined in these Letters is absorbed and made the very fabric of your individualised consciousness.” End Excerpt.*

So the misalignment of Consciousness toward the Feminine Aspects of the Universal and Indeed the Christ Consciousness and All Beings as well as All other Levels including the Mahatma and Melchizedek Consciousness and Beyond, All Hold True to the Balance of the Mother’s Love and The Father’s Light! However, the Work that I have been Engaged with Peter, was Intended and remains My Focus to Bring that same Universal Love and Adoration of the Feminine Qualities, Virtues and Presence within All Human Minds, Not only upon this Earth Plane but All World Universes and Galaxies, where governments, religions, societies, beliefs, and all manner of such imbalances continue to place the Beloved Mother within Each Female Dear Soul in positions of inequality, subservience and lack of Gratitude and Appreciation for the Female/Feminine Presence in All.

I can assure you that the completion of this Task is so close to be completed in setting forth All Required Love In Action, to secure the Eventual and Complete Transition of this Plan. And the Work done to date, that had to be incrementally brought into being, was necessary before the final Activation could be Executed within the Rightful States of Consciousness. Beloved Brothers and Sisters, Your Presence and Co-Operation here is vital for this final stage! Therefore a constant and mutual reciprocation of communication between the Source of all Being and Creation is what is being asked of you Now. This is why you are here!

‘I AM’ Your Brother Beside You Always!

DISPENSATIONS TO RELEASE OLD PATTERNS.

15. THE RETURNING OF COLOUR BACK INTO WOMEN'S LIVES.

In my personal journey over the years, I have been very aware of the imbalances between men and women, yet from my own perspective I have never really known what I could ever do to bring about some sort of Harmony to this great divide. Not to humanity as a whole, but simply in my own life. Three broken marriages and in my earlier teen life, having never been able to relate to the opposite sex around my own age. I found within my personal life such an impurity of a love that I knew deep within myself, to that of separation and division created within, and around me. Perhaps it was that I came into this life as an unwanted child, or perhaps, my perception of this, that set me up for such a lesson in the indifferences between the sexes.

It was not really until May of 2008 that gave me my first clue as to what these indifferences meant on a much greater scale; indeed, upon the division between male and female for the whole of humanity. It was upon my journey in answer to my question, (*that led me to the Melvadek Alliance*), if I could do one more thing to change the history of humanity, what would that be? Indeed, I was led to a very surprising request that came directly from Lord Jesus upon that journey of discovery. On my arrival at a colleague's home at the beginning of my encounter with Archangel Michael, that this new direction was given to me.

Anandamah, my Dear Star Sister, and I spoke of many things and shared much between us during the 3 days I spent at her home in Victoria, Australia. I received a lot of information from Jesus whom she channeled prolifically. Yet nothing was really shared about the purpose of my journey or my desire to do that one last thing. Instead, what Lord Jesus did tell me was that I was here to assist in, was the balancing of the Matriarchal and Patriarchal Energies of Humanity. He told me that I had the Knowledge and the Awareness to perform all tasks that were either within this world of form or outside of it within the Higher Realms of Creation and Governance. For me, the words fell on deaf ears, because what Jesus was telling me, just did not compute in my mortal mind at the time, yet the resonance of the vibration of the words, did indeed sit quite comfortably with me in my Heart Centre.

Jesus shared that it was up to me as to how this would pan out, and so I was to give this some serious consideration. But how could I consider something that my mind had no knowledge of? I was a little baffled to say the least but Trusted in the information and simply allowed it to surround me until it could unfold of itself all in God's Divine Order.

After my Council Meeting with Mel and the Melvadek Alliance, something began to happen, and I began to see that to solve or should I say assist in the rebalancing of this Matriarchal and Patriarchal division, the male and female imbalances of God's Divine and Virtuous Qualities within both man and woman alike. I began to see a Hierarchical outline that to begin

this task I had to start from the top down, not from the bottom up. I had to go back to the beginning where this had begun.

Forgive me Dear Ones if this point, I am laboring upon, but for me in this mortal perception there is an opposing truth to that which is Truth. I could only facilitate where and what I was being given to work with. And so, the relationship between Adam, Lilith and Eve was the place I needed to unravel first, if for no one else, myself alone.

I saw how men have abused, mistreated, exploited, insulted, made subservient and molested women with their strength and power; and how women have teased, taunted, mocked, provoked, annoyed and goaded men with their sexuality, sensuality and insecurities and how this interaction between both, must have come from a root cause somewhere.

I began to open and allow the information to come to me and Beloved Hilarion through His incarnation as Charles Fillmore introduced the subject matter to me through His metaphysical translation of Adam and Eve and what these names actually meant, at least from a Hebrew point of view and through the tree of knowledge, not the Tree of Life. The tree of knowledge being that false foundation of a man-made God, through man's church and the duality of good and bad; and The Tree of Life being the Immortal Law of God 'I AM', Being the Polarity of Love (Divine Feminine Attributes) and Light (Divine Masculine Attributes) being The Law of Life! This is what Charles Fillmore wrote in his '*Metaphysical Bible Dictionary*'.

*"ADAM AND EVE*

*"Adam in Hebrew means red; ruddy; reddish; firm.*

*"A/ The name of the first man of the human race according to the Bible (Gen 5:1-5).*

*"B/ A City (Joshua 3:16)*

*"Metaphysical Meaning.*

*"The first movement in mind with the contact of life and substance. Adam also represents the generic man, or the whole human race epitomized in an individual man idea. Eve is the feminine aspect of the generic man, outwardly manifest: male and female created through them.*

*"If the ego, or will, which is man, has adhered to wisdom faithfully and has carried out in its work, the Plans that are idealized in wisdom, it has created a harmonious consciousness. Adam in the Garden of Eden is symbolical of that consciousness.*

*"Adam in his original creation was in Spiritual illumination. Spirit breathed into him continually the necessary inspiration and knowledge to give him superior understanding. But he began eating or appropriating, ideas of two powers – God and not God, or good and evil. The result, so the allegory goes, was that he fell away from Spiritual Life and all that it involves.*

*"Man is Spirit, absolute and unconditional; but man forms an Adamic consciousness into which he breathes the breath of life; this, in its perfect expression of the Divine Idea. This Adam is all of what we term Soul, intellect, and body. We are continually at work with this Adam; we*

*can breathe into his nostrils the Breath of Life, inspiring him with the idea of life and all its unlimited fullness. We can lift up this Adam by infusing into him these sublime ideas, in no other way.*

*“Eve in Hebrew Means elementary life; life; living*

*“The first woman And the man called his wife’s name Eve; because she was the mother of all living” Gen.3:20*

*“Metaphysical Meaning:*

*“Love, or feeling, in individual consciousness. The ‘I AM’ (wisdom) puts feeling into what it thinks and so ‘Eve’ (feeling) ‘becomes the mother of all living’. Feeling the Spirit which quickens. Woman symbolizes the Soul region of man and is the Mother Principal of God in expression. Back of the woman (feeling) is the Pure Life Essence of God. Adam and Eve represent the ‘I AM’ identified in life substance. They are the Primal Elemental Forces of Being Itself.*

*“Eve is very closely identified as elementary life, with absolute life, God. The verb ‘Hoh’; to be or being, luminous absolute life, which forms the basis of the name lhoh, Jehovah, is the basis also of Eve; however due to the slight change in characters and a hardening of the vowels, it no longer represents absolute life, but the struggle of the elemental existence.*

*“This is the struggle of the Soul to regain its perfect state of existence of the Absolute, God.”  
End Excerpt.*

So, with this I read and researched and felt into it in much more detail. And I formulated a Plan to gather a group of Souls together who could assist me to facilitate this balancing process. It took several months and to the best of my ability we activated our intentions and thus once completing the Invocations and Intentions could do no more than Trust what had been inaugurated was Infused with God’s Love and Light to Create the Balance within this Divine Plan of God’s Life.

I have called this point ‘The Returning of Colour back into Women’s Lives’ because still in so many parts of the world women in particular are still so much in the dark, held in the shadows by men who continue to hold their power and dominance over them. There are still hundreds of millions of women who still live their life without their full colours or the feelings and Expressions of Love and Life, The Goodness and the Wisdom that they hold within. Women still have great strides ahead of them in general terms, and men also, to achieve the full colouration of these Higher Qualities and Virtuous Characteristics, but what yet can be specifically done for the whole of the Feminine Aspect of the human race? It is much better than it was, but what more can men do as part of His Divine Expression to bring this Balance about for all Beloved Women upon the planet? And indeed, what can women do for men as Their Divine Expression to bring about Balance for all the Beloved men within this world?

So, for me this is another point that I wish to raise for Greater awareness and attention, to be informed as to exactly what was intended back then and whether it was completed or

whatever happened on those levels of awareness; or if it indeed had little effect and we need to readdress this perhaps as another proposed Dispensation of some sort. If so I put forward here a potential for the introduction of The Women's Emancipation Dispensation for mankind and man and woman in kind. Thank you for listening Dear Ones.

In The Name of Our Beloved Mother and Divine Father and The Holy Spirit; In the Name of My 'I AM' Presence and the Christ Jesus in Me; I Lovingly Invoke the Services of All Those Divine Beings of Love and Light Who may help Us in this Causal Healing! Bless You! And So, It Is! As Above, So Below! I Give Thanks, I Give Thanks, I Give God Thanks! Amen!
