

PART 2 - THE LION'S GATE – BAPTISM BY FIRE – LORD METATRON, 27TH
JULY 2021

INVOCATION: Beloved Mighty All-Pervading Presence, Open the Door to the Altar of Our Hearts Allowing the Christ Consciousness to Blaze Forth. We Are Calling to Your Majestic Presence, Creator of All Things, Your Limitless Power, Your Perfect Fulfilment of Every Need and Highest Inspiration which has Revealed the True Reality of Living and Expressing Your Unconditional Love to ALL Life. Come and Lift Our Hearts and Receptive Minds Into Your Divine Consciousness and Loving Intelligence That So Marvellously Designed this World and Brought It Into Form as We Have Committed Ourselves to Your Care. Giving Us the Wisdom to always Achieve a Loving Response to any influences that are not of Your Consciousness so That We Continue Establishing a Framework of Your Divine Consciousness on Earth.

LORD METATRON: Greetings Masters, yesterday We brought into this sharing the Act of Baptism, and you can review this in greater detail, in the Discourse mentioned. To begin today, I intend to focus more upon the Baptism of Fire or the Baptism of Light. K-17 shared;

“The Baptism of Fire is the Baptism of Light, The Purifying Elementals that Join and Unite the body, Soul and the Spiritual Bodies together to Glorify into the ‘I AM’ Presence and The God Life of Love and Light.

“There is even a Higher Baptism, the 5th, and that is the Baptism of The Father’s, Mother’s Grace through the Ineffable Light or the Sacred Cosmic Christ White Fire Light Substance which allows the Light of the lower bodies to be Anointed as the Sons and Daughters of the Father’s Mother’s Kingdoms of Light and Love.” End Excerpt.

As long as man remains in his or her dead space (unconscious, or lower mind consciousness) as a host playing out to linear time, they cannot have Creative Correspondence with the Masters, God Intelligences, Elementals Devas or Host, Lords and Ladies of Light, Your Higher Family of Light, Who Truly Desire to Interconnect with you now. Humanity must become far more cognizant of their True Reality as well as that which makes up the world around them, both seen and unseen. I refer here to the Elementals, Devas, Angelic Host, the Animal, Plant, Insect, Minerals and Bacterial Kingdoms. I refer here to the Essences of Water, Earth, Air, Fire and the Ethers, the Black and White Light. For you see Dear One’s it is the Light of the Divine that Gives Life to all of this and when you come to the Self Realization that you are not all that you see as you are now, then you will not only see yourself as Light, but all of Your Ancestors and Intergalactic Families of Light.

And so when We bring to you an Opportunity to be Baptised into the Light this is facilitated by the Element of Fire. In the Discourse ‘*Series 1 Part 6 - Divine Economy – Three Great Demands - Master Djwhal Khul, 13th November 2019*’, Beloved DK’, speaks of the Initiations for Groups who have now begun to form in Ashramic Groups of Synthesis and Divine Economy. And it is this Element of Fire, which is Now the Divine Impulse as Light, the Sacred Cosmic White Fire Light Substance that will, through the Unseen Capstones of the existing Stone Pyramids that will as Universal and Cosmic Receiving and Transmission Stations, send out to all upon this Earth so that they may engage consciousness so that the potential of more

fully receiving the Height of Activations that their Consciousness and Bodies will allow in Accordance with Divine Law. DK shares:

“The third great demand (of the Disciple or Initiate) has in it a different implication, and Sounds forth, We are told, ‘Through The Fires’. In this solar system, there is no evading the fire. It is found at all Levels of Divine Expression as we well know from our study of the three fires, fire by friction, solar fire and electric fire, with their differentiations, the forty-nine fires of the seven planes. Always, therefore, whether it is the cry of the Disciple or the Demand of the Initiate, the Sound goes forth ‘Through The Fire, to The Fire, And From The Fire’. Of this technique, underlying the potent demand, there is little that I may say. From the Highest Plane of the Spiritual Will, what is technically called ‘the atomic plane’, the demand goes forth and the result of that demand will work out on mental levels, just as the earlier Two Demands worked out on the physical and astral levels.”

What is being said here relates to your own conscious awareness and to make the Call as to what you desire or cry out for, as the Disciple, or Demand as the Initiate, which leaves the Responsibility and Discernment firmly upon your own shoulders. Remember this Discernment must be based upon the response from your lower mental application or your Higher Heart Unified with the Higher Mind. Be very Mindful then, of the use of any ‘force’ or ‘power’ that is not Fully Understood, as to the differences between human ‘power’ and ‘force’ and ‘Divine Power’ and ‘Divine Will or Force’. You must therefore Comprehend with Great Due Diligence and through your Own Qualification with your own ‘I AM’ Presence which your Call will be, one of desire or one of ‘Decree by Divine Will’! More than this I need not elaborate, other than to make a choice based upon anything less than Divine Will, will render the Activation only applicable to your present Vibrational Light Frequencies.

The Grid Systems that the Earth’s Existing Pyramids, beginning with the Pyramid of Giza, and please note here that the Capstone has already been set with Time Codes for these Transformations, to begin to transmit from this Point of Light at 5:23 am on the 8th August and thus subsequently Unify other Pyramids as the Globe spins upon its Earth Axis.

The Rightful Use of these Grids with various Levels of mental vibration will allow Mankind to Use the Power of Telepathy Thought Communication in targeting information to Global Points within fractions of seconds.

With this Communication the PSI Grids of Mental Communication throughout the Planet will be altered and New Resonance Patterns will be Created to replace any level negation. These New Grids are also Incarnation Grids which are part of a Lattice Network of Spiritual Embodiment throughout Your Local Universe. Just as I have told you what the New Crystalline Radiation Centres will become, but even more accurate, intensive and accessible, so that all those who Work within them as the New Human Light Beings, shall be able to be in constant communication with Higher Realms, Evolutionary Intelligences of All Levels and Dimensions.

These areas are controlled by the ‘Magnetism of the Spheres’ which places a final ‘Magnetic Blueprint’ on Trio Bio-graviton Life Structures. In other words, these Structures are Biological ‘Energy-Packets’ Seeded along the Magnetic Arcs of Intersection of a given planet. Just like the Reshel Sun Disc Grids destined for the Narayana Joy Radiation Centres.

These Grids allow for Greater Degrees of Creative Genius to be Incarnated. A careful study of certain Magnetic Grid Alignments in the Near East will reveal the *'footprints'* of prophetic work manifested between Egypt-Israel-Syria. Israel and Tibet are equivalent to the brain centres in the left and right hemispheres of the Planetary Mind. They are the places which have had the Highest Prophetic Incarnations (*during this present cycle*), which is why these two Incarnational Points have been under continual persecution by the forces of darkness on the Higher Planes.

Yet, these Energy Centres have remained Sensitized to the Patterns of Direct Intervention and controlled by the Order of Melchizedek, even though the forces of darkness have sought to destroy the Scriptures of Light, and to control the Incarnations of the Lords of Light so that they can gain control of the *'high'* and *'low'* places of the Energy Harmonics of the Earth. Which I Impress upon you Dear Brother, to be mindful that this will require some close attention to this Most Auspicious Time. I will leave this to you!

Nevertheless, these Grids are connected with Veils of Light that are placed between the worlds. Therefore, they can only be moved aside by the Watchers Who Reign with Lord Michael and Who Give the Name and Seal that will Open the Grids to the Presence of the Lord, the Father, and the Ancient of Days.

Thus, the Forces of Melchizedek are in Control of the Initiation Points in the Tarim Basin and the *'timepieces'* of the Great Pyramid, Aligned with the Energy Grid beneath Megiddo. Megiddo will reveal the underground network of Israel as the Central Focus for Uniting the New Harmonics of the Consciousness Grids of the Planet. This will allow for different combinations of Spiritual Energy to Converge in one Sympathetic Pulse, in the Awakening of the Planet.

Dear Souls, this is all about gain of the Inner Alignment with the Infinite Mind and share the 12 Divine Mind Powers or Virtues of the Family of Light. Then you can move your mind off this spatial dimension and beyond the relativity of the Earth.

My Dear Brothers and Sisters of the Light, you have much to ponder within these 2 Discourses so I will close now. This is a very auspicious time for your Inner and Outer development for you are part of both, and you have your Responsibilities and will be held Accountable for all your choices in Accordance with Cosmic Law. So please do not feel that any of this Opportunity supercedes any Cosmic Laws, that would be a grave error. You are being given this time to go Deep Within so that you can make your Calls, give your Invocations and then Integrate the Rays of the Sacred Cosmic White Fire Substance.

Look into the different Baptisms and if you feel Called then you have nothing to lose, but everything to gain! But do not take any choice in any sort of complacency or half-heartedness, this will require Absolute Commitment and Devotion upon your part. Give Forth your Call in Alliance with your Higher Inner Guidance and then do not, I plead with you, sit once again upon your old human thoughts, words or actions, do all that you can do, to dissolve anything that does not serve you any longer, to continue in any part of them **'WILL'** negate anything that you receive in relation to your Baptism by Fire and Light! Any Baptism for that matter.

If you have any questions please Call upon Me.

I Am Lord Metatron.

In The Father's Light and The Mother's Love.

And So, It Is.

BENEDICTION: We Offer Our Gratitude to the Great Equilibrium, That Loving, Vibrant Source Energy that We Know as Father - Mother Life, in Whose Image We are Created. We Infuse Our Breath with Its Divine Essence, Calling Forth the Joy of the Soul, the Love of All Life and the Peaceful, Beauteous, Balanced Harmonies of Nature. As We Do This We Allow Ourselves to Join in Surrender to the Glorious, Intelligent Rhythms of the Cosmos that Fully Encompass Our Ever-Present, Planetary Ascension. In Gratitude, We Attune Our Hearts to the Sound Currents that Emanate and Flow from the Great Sustained Silence, the Loving, Vast, Oceanic Force of All That Is.
