

PART 2 OF 10 - GESARA – RV CURRENCY RESET - APPLICATION OF THE COSMIC LAWS - ST GERMAIN, 17TH MAY 2019.

Beloved, God 'I AM' Presence, Of Infinite Love and Light, Who is the Harbinger of All That Is Immaculate in Conception As It Is In Heaven and on Earth, whether of human Child or any other physical creation of and for The Eternal Cosmic Christ Love, I Call Forth My Beloved Brother St Germain, to Bring Forth the Truth and Supply us, with that which will assist the human personality mind to better understand the Divine Work we are here to accomplish for and on behalf of God for the Benevolence of All Life. That includes Humanity, The Elementals, Devas and Angelic Host, The Natures Spirits, Animals, Birds, Fish and the Mineral Kingdoms. It includes the Planets, Asteroids and other Space bodies within this Universe. And it also includes all the thousands of Human Races who are represented here as Our Galactic and Intergalactic Brothers and Sisters, those Emissaries of the Light, that Beloved Lord Melchizedek has spoken to us of in His last Discourse; *'Like Kicking Off A Shoe That Is Too Tight.'*

In particular, we would like you to speak of the subject, which actually has inspired this communication opportunity; that being the present delays in the situation with the World Re-Valuation Currency Reset for the Benevolence and Equality for All of Humanity; that which is of Your Divine and Immaculate Conception, that you Dear Brother, are The God 'I AM' Authority Governing here, and where the manifestation of NESARA ('National Economic Security and Reformation Act) and GESARA (Global Economic Security and Reformation Act) is in terms of finally coming into effect.

Our Holy Desire is to hold fast to the Truth that 'I AM' whatever I desire to be or manifest. 'I AM' the Omnipresent, limitless Supply of God's Riches and Opulence in My use for the Benevolence of All God Life!

We Give Praise and Thanks for Your Love and Light to Guide us.

Bless You!

Part 2

SAINT GERMAIN

INVOCATION: Thou Infinite, Abiding Presence! Thy All-Pervading Light, Thy Opulence of Substance is Omnipresent and All-Pervading. We open the activity of the outer consciousness into the conscious direction and moulding into form of every good thing we desire. We Give Praise and Thanks for Thy Intelligent Action in these minds; with Thy Love, Thy Wisdom and Thy Power to Guide them, to Raise them into All Perfection.

Blessings Dear Hearts,

In this Discourse I wish to bring your attention to that which shall determine the Reality of your creations. I can assure you that without the Full Recognition and the Integration of your *True* 'I AM' Presence, your creations will continue to manifest out of the old patterns of unbalanced and discordant beliefs. I say, *True*, in this statement, because there are still so many who claim to be working under the guise of the 'I AM' Presence, but it is not the 'I AM' they are engaging, but the ego personality, who cannot or will not release its hold upon the consciousness of the beholder. We keep telling you this, yet even those who have closer tuition from the Masters, and more detailed instructions from Us, still forget or do not wish to see this Mighty Truth! I say again, any sort of glamour, but more so, spiritual glamour has NO PART in the Divine Work of the 'I AM' Presence. And in the same way, as glammers are only resistances to Higher Truth, so is judgement of any kind! If you are questioning this Dear Heart, then know there is work still to do on self, where this is the foundation of your projections.

Consciousness is man's state of awareness. And it is the capacity of the mind to know and its knowing, determines their capacities in all areas of his or her activities. Man or woman may be aware of that which is True or she or he may develop in their mind a sense of awareness that has the semblance of reality, but which is actually entirely false. The Truth or falsity of his or her state of mind is, therefore, dependent upon the state of their awareness and thus their consciousness.

Consciousness in the areas of Vibrational Resonance that We need for the 'I AM' Presence to become more active within human lives, must be that which represents the Highest Qualities, Virtues and Attributes. It must be related to all Highest Attitudes; else the *'free will'* continues to reign and Divine Will remains impossible to receive consciously. We the Masters, carry Our Consciousness to God Consciousness wherein We Are Aware of All things, including Ourselves in the Highest State. That is the State where We See through All conditions and All circumstances. The Veil is completely removed, the Veil that seems to exist between the mortal or physical and Spirit has evaporated. There is no limitation Here, for this is the Domain of the 'I AM' Presence and which each human being is destined to reside, sooner or later! The mortal and physical conceptions within Our Realms do not exist, All Is Perfection and Immaculately Conceived at Will!

This Spiritual Consciousness does not exclude Sense Activity. For True Sense Activity is included in the Highest Consciousness always. Sense Activity in its Rightful function is True Spiritual Activity. For human beings, the senses, so-called, act in a very limited

manner only, when not under the Right Determining Influence of the Mighty 'I AM' Presence.

Jesus said in His Discourse within the 'I AM' Discourses Activity:

"It is an Inner Recognition of each one's own God-given Dominion, which everyone can assert at any time. I assure you, Beloved Children of Light, that every individual can assert his Dominion at any time if he only will, by his recognition and acceptance of his own Mighty 'I AM' Presence, for that enables this Mighty Invincible Presence to become the Mighty, Directing Intelligence.

"Therefore, do you not see that to this Mighty Presence there is no obstruction, therefore, no struggle, no interference of any kind? This is why the old Scriptural Statement so long used: "Be Still, and Know that 'I AM' God", can be made a dynamic Power in one's Life. This 'Being Still', means the harmonizing and quieting of the outer mind. In the past years, We have drawn attention to many of the Scriptural Statements, giving more explanation of their True meaning."

'I AM' telling you all this, because without such awareness in your Consciousness what 'I AM' going to tell you shortly will not become a Truth for you as you go about with your Plans to Create from within the States of Perfection and indeed Immaculate Conception will remain as it does today, only a concept in one's mind that has yet to be proven.

Moreover, for all of you who have the Purest of Intentions to Serve Humanity at the Highest Levels, will not achieve such Plans to their maximum potentials, unless your consciousness is High enough to sustain the passing through the Consciousness 'Rings Passeth Not', away from old human beliefs and programming that no longer serve you. It is just not possible, for all Creations MUST follow Cosmic Law to become the Perfections of God's Love and Light!

I tell You Dear Ones, Service must become your focus. Working in direct alignment with your 'I AM' Presence cannot be circumvented in any way. You Must follow the Cosmic Laws of Creation while in Full Service with Your 'I AM' Presence, as a Master of Your own world and reality. The use of Decrees and Invocations, the Application of Gratefulness and Adoration for Self and Others is also a Law; for while you remain within the limitations of the human consciousness, feet on the ground and walking in the quagmire of human creations, you will be prone to absorb the lower resonances of such things. Even at the Higher Resonances this can happen, as Jesus has told you, when He was affected by the emotions and actions of others, after He came out of the desert.

You are not Free until you have Found your Freedom! NEVER FORGET THIS!! You can attain your Freedom today, or tomorrow or in a lifetime or two away, time is irrelevant in that Event, but where you are, it shall be what you give to your 'I AM' Presence that will determine the parameters upon Earth as to how quickly you shall attain your Freedom. What do I mean by what you give your 'I AM' Presence? One Word Dear One's - **'SERVICE'**! Being in Divine Service will be the quickest way you shall achieve your Mighty Visions!"

I speak now more directly to the Groups of New World Servers for a moment. Those who are presently in the process of working within their plans, Divine or otherwise, for the Benevolence of Humanity, the Nature Kingdoms or who or whatever it may be, so please listen carefully.

Every one of you have been told within all your preparations for your Divine Paths to be activated, that there are Cosmic Laws that must be followed. However, such a large number are still unaware of this and continue their daily routines and focus upon what is deemed as their daily work for life or mission by using their own energetic powers of force, not considering the Cosmic Christ Power that needs no force, for it is attracted to you through the Magnetic Will of God's Love. This then, becomes the Mighty Power that Acts through you to Create and Manifest whatever you desire, and from a human standpoint no effort in the least is required. Just focus of the Cosmic Christ Love into everything you do. This shall be the Authority, Wisdom and Joy that self sustains God's Perfection in whatever you desire.

So many still try to manifest Perfection without the correct Application of the Cosmic Laws and that is what we are addressing here to clarify what has been asked!

This is not a judgement, it is a FACT, a Fact that must be integrated and activated into the White Fire Light of every cell and within the Adamantine Particles that make up your four lower bodies.

This is what The Beloved Master Puriji was speaking about in His sharing in Part 1. These Adamantine Particles are the God Molecules of the White Fire Light of the Cosmos, that Emanate from out of the Great Central Sun of this Nebula!

Beloved Metatron speaks of it when He says:

"Do not expect immediate Transmutations Dear Souls, for changes within the biology cannot happen overnight and must allow its own Individualized Expressions to become Manifest. However, in saying that, for those who are ready this will happen very quickly

if it is embraced with even greater Awareness and Openness to receive this Love of The Mother and Light of the Father. As these New Levels of Consciousness make Their way to the forefront of your Minds, these will decrease that which no longer serves you and put to an end the old thought programs and manifestations of them within, through and all around you!

“Remember this is not about the dissolution of the physical body, for to Serve within a material world, one must be physical and material, else We would have Evolved this Universe long before this! The New Adam Kadmon Man and Woman must therefore become a Physical Manifestation and although the Forms of the Biological Systems will change with New Physical ‘Garments of Shaddai’, they will become an Undeniable, Untouchable and Incorruptible ‘Forcefield’ within this Universe! These Physical Forms shall be Spirit Manifested with the Full Cognitive Powers of Mother, Father God, Expressing Outwardly within a material world!

“They shall still be vehicles of flesh, but not as you presently know them to be. They will be much Lighter in density, while remaining physically visible and Real to the human eye! You of the Adam Kadmon Seed, were created simultaneously with the Heavens and agreed to be transposed along the Sacred Electronic Geometrical Light Patterns into physical incarnations. You began your Existence from the Godhead and you shall return to the Godhead when your Individualized Expressions of God’s Infinite Divine Consciousness is completed here.”

These Garments of Shaddai are what Master Puriji refers to when He said; *“There Stands One with a simple Seamless Gown of Purest Light drawn closely around Him, from which Shines the Benevolence of Pure Light Beaming from His Countenance”*, albeit at much Greater Light Quotients and Resonances and Intensity than I/We may be discussing here for humanity at this time. Nevertheless, the Cosmic White Fire Christ Light is the exact same presentation or Projection of God’s Love, Wisdom and Power that Humanity, and in direct association to those whom shall be led to these Discourses, actually have available to them right Now, if they only but follow the Cosmic Laws that Apply to ALL Manifestation, whether it be physical manifestation or Divine Precipitation.

As we are now discussing the Cosmic Christ Love and Power, and Jesus has been introduced to this Series of Discourses herein, ‘I AM’ going to place the Discourse that Jesus Himself gave within the ‘I AM’ Discourses Activity as Part 3. You will see why when you read or listen to this most beautiful Cosmic Charge of the Magnetic Christ Love and Power Discourse. It could not be more appropriate at this time!!

I shall return with Part 4 afterwards! This ends Part 2.

BENEDICTION: Out of the fullness of Our Hearts, O Mighty Presence, We Give Praise and Thanks for Thy Love, Wisdom and Power. We Give Praise and Thanks for the Mighty Rays that have gone out to each Disciple today. We Give Thanks for the Intensity of this Focus that quickens the assurance within the Disciples of the Truth of Their Mighty Presence of the 'I AM', which is the True Self. Strengthen Them, Each One, with that firm determination to hold to that One Presence which is All Freedom, All Perfection, Eternal Youth and Beauty.
