

PART 20 - ST GERMAIN ALCHEMY CLASS – NEW PETITION - WALKING IN FREEDOM’S ROBES DISPENSATION – KARMIC BOARD RESPONSE 16TH FEBRUARY 2020

**INVOCATION:** ‘I AM’ Here and ‘I AM’ There and ‘I AM’ Everywhere, and ‘I AM’ Serene in Thy Majestic Presence, Manifesting Thy Love, Wisdom, Power and Judgment, that We Have Thy Foresight and See Far Beyond human possibilities. ‘I AM’ the Withdrawal of all power ever given to outer things and Stand Serene in Thy Majestic Presence, Love, Faith, Trust, Wisdom and Power. ‘I AM’ Standing Forth Within the Centre of the Maltese Cross where Infinity Opens to All Life. This Instance, Absorbing the Love Radiance of the Mighty Sacred Cosmic Christ White Fire Substance Throughout Our Beings, Surging this Love and Light Forth, Supplying All Needs Instantly Within Our Service to God and Humanity. ‘I AM’ the Precipitation and Visible Presence of the Invisible of whatever Is Desired To Be In Service to God, Humanity, The Elementals, Devas Angelic Host and All Other Realms and Sentient Life Directly Connected with the Great Earth Evolutionary Divine Plan. ‘I AM’ The Great Qualification for Divine Intelligence and Rightful Application to All God Life. ‘I AM’ the Heart of God, and I Now Bring Forth Ideas and Accomplishments which have never been brought into this Earth Evolution before. ‘I AM’ That Which Is Brought Forth.

**GREAT DIVINE DIRECTOR:** Mighty Father/Mother God, Mighty ‘I AM’ Presence, Godfather Helios and Godmother Vesta, Beloved Members of this Karmic Board of Directors, Holy Brother St Germain, Christ Jesus, Members of the Elemental Grace Alliance Council and All Other Esteemed Members of Unity Consciousness Gathered Here This Day from All over the Cosmos; On Behalf of the Karmic Board, in Response to This Petition, Called ‘**Walking in Freedom’s Robes**’ Presented to This Board, 11<sup>th</sup> February, 2020 Earth time, by 33 unascended human beings, upon Planet Earth, within the Alpha and Omega Sun Galaxy; I wish to open this Pinnacle of Human Awareness Account and Response.

This then Dear Ones, is going to be something far more than just a Response to any other Divine Petition that has Been Presented to Us in the Past. This One, is, in Itself, representative in words, which in their simplest form are quite nebulous in meaning or understanding! However, We, Who Hold the Visions of God’s All Seeing Eye, within so many Universes, Galaxies and Cosmoses, Know that what is contained within and around these simple words, Lays God’s Truth, God’s Love and God’s Power. It is therefore a Reflection of the Image of God in Its Creation, and This Divine Plan Known as the Elemental Grace Alliance, from within a physical world, which presently holds the Embryonic State of a New Atomic Nucleus awaiting the Electronic Structures to be placed within it, ready to Expand and Multiply by God Love and Mighty Fire! An Atomic Explosion of Light!

Therefore, after very careful Deliberation, Appraisal, Measurement, Determination and Caution, It has been Agreed, by the Board of Directors, unanimously, that this unascended human Petition cannot be Granted; this is, based upon the Qualification of Attracting and Magnetizing sufficient Members of All Seven Spheres, Who come showing their Solidarity and Unanimity ALONE! Although the Radiance of Accomplishment herein, is breaking down old

paradigms of mass consciousness on All Accounts of human Achievements to date, it is not enough! It still requires further Proof of Commitment, Faith and Trust within the entire present Membership of the New IAMEGA Alchemical Sun Of Even Pressure Council Class! There are too many factors that can be attributed to this Petition, that remain held within the parameters of the Universal Law of Free Will. And so because this Petition has been presented from within the Earth Bound physical Plane and from within the present mass consciousness of humanity today, We must review this matter further.

It is one thing to have been Granted previous Dispensations, where the support of Sponsors and Other God Intelligences and human Brothers and Sisters were sufficient, and the Commitment and Dedication to stick with a Divine Plan where Pledges and Covenants have been made to The 'I AM' Presence and Godmother Vesta. But this, in and of itself has far more reaching potentials that We must Evaluate in Greater Depth still.

In other Words, all previous Grants Approved as Dispensations up until now have been, granted by Us, Knowing that the Law of Free Will still had the power to scuttle the Divine Plan of the Elemental Grace Alliance at any time. And thus this Proof and Qualification has been validated by the numbers that come and go from the EGA, even after Pledges and Covenants have been made that are irreversible in Terms of Cosmic Law without serious karmic conditions applied, as well as the Grants given and Approved based on such Covenants being Approved. We cannot be more explicit as to non-compliance of the Laws of the Cosmos, that are misused by freewill. So while there remains a Core Group of 2 or more, these Grants shall continue to be effective, thus allowing the free will to continue to play out to this minimum base line of Participants here in this Divine Plan.

On the other hand, the Petition herein now requires the Qualification and Proof, Indisputable and Immutable of a minimum of 7 Dear Human Souls Who have reached the Full Attainment and Application of being Accepted within the Group Cave, where Master Brother Djwhal Khul shall Inaugurate such a Gathering with His Own Presence once this Number is reached! This in and of itself is the Natural Law that presently remains in force and Enforceable. A Natural Cosmic Law that indeed holds, All True to The Laws of the 'I AM' Presence.

As We have now reviewed all Possibilities of Future Potentialities, many continue to unfold based upon free-will choices, which is Known by All, which could allow for multiple delays and resistances that may continue to play out! You may recall Dear Hearts, the matter relating to the choice of allowing the atomic bomb to go ahead and be manufactured back in 1942, where either Decision, presented their own misfortunes. This Petition also holds within its futures such misfortunes if We Granted in its entirety, under the present levels of mass human consciousness and the continued states of consciousness within the EGA; this IAMEGA Class Group as well as the remaining Members making their ways forward. You must understand that this Nucleus that you have now been introduced to in accordance to the New Ashrams of Synthesis through the Use of Divine Economy, has such a Powerful Potential, a Heighten State of Awareness and Commitment, these must be the Foundational Stones from which to continue.

The New St Germain Alchemy Class is such a major Innovation at this time and the way that it has begun to unfold, is of Itself a Major Revolution that can be seen, by All of Us on this side of the Veil Now, as One of the Most Encouraging Developing Promises, that have been Viewed to date! This Class, once Mastered, Will in its Own Way through Natural Law, as it stands today, Afford those who Pass All God Tests to step into Whole New Realities on so Many Different Levels.

Now, I have said much here that words alone cannot detail, and this too must be given Focus and Attention before it is understood in more depth. St Germain has asked for **Unwavering Attention** as He shares this Condition, and so this must be honoured, but Dear Ones There are 49 Rays of Virtues and Qualities that are all just as important, if you are going to reach the Precipitation of the New Ashramic Group Structures of Synthetic Divine Economy! You are going to have to Master all these Rays as well. But you will not do this through your lower mind intellect or alter-ego projections. We tell you, you will NEVER Understand the Processes of the Practical Applications to God Life logically. Your Thinking, must change to a Heightened State of Being! And this We are going to help you in even Greater Ways that shall help to Bridge this Petition from the old human consciousness to the New!

As you have begun, that is a few of you to date, that the New Laws that Brother Djwhal Khul and St Germain have spoken of to the EGA, the crafting of these New Laws will offer such evacuations of so many to join you in this Mass Migration from the Old World to the New. You have been given dates to work toward of 2 years from now, 2022. You will hear of another shortly, regarding June 8<sup>th</sup>, 2027. Pay attention Dear Hearts, these are Major Potential Points of human Evolution for those who stick to the Plan and stay on the Train!

But, this Petition has not been in vain, having been postponed for the time being for its Grant Permission, in any of the three points raised. That is from the human standpoint!

*This Petition for a New Dispensation is based on 3 Parts.*

- 1. For the Masters to be Given Permission to Come and Walk and Talk with Us, the Dear Souls who have Committed Wholeheartedly in Obedience to Their 'I AM' Presence, to such Divine Plans as The Elemental Grace Alliance, or those alike or similar in Plan to be of permanent Service to Humanity, the Elementals, Devas and Angelic Host, and Declare Their Readiness to make this Next Transition, not just in Consciousness but also in Physicality if required.*
- 2. For those human unascended beings Granted such Dispensations as in Part 1, be given the Resources and Abundance to make the physical moves necessary for the Building, Construction or placement of the New Radiation Centres and/or Ashramic Group Headquarters, thus releasing them from all old paradigm physical restraints.*
- 3. To be Granted the Aid and Closer Services of the Masters on every level to help those above through Conscious and Physical Shifts from the Old Consciousness Matrix based 60 miles above and around the Earth, to the New Inner Core Matrix, the New Adam Lilith Kadmon Man and Woman Consciousness.*

However, this Petition as to Part 1, 2 and 3 **Is Granted to All Masters and Higher Intelligences of God's Mighty Love, Wisdom and Power, Beyond All Dimensional Realities of the 9<sup>th</sup> Dimension.** In other words, from within the Tenth Dimension and beyond, a New Dispensation has now been Approved and Granted for Masters to engage with Their Students, Disciples or Initiates, more widely at their own Holy Discretions, no longer being held to previous Cosmic Laws that prevent this from happening! So in Terms for Our Dear Human Brothers and Sisters, this Petition has been Granted and is a Momentous Occasion for Celebration as this changes everything from this time forward, the Whole Fabric of Human Conscious Evolution, never been Known before upon this Planet!

We will not go into the ENACA Petition at this time and you may return to that Dear Souls as and when you are drawn to complete that Petition Appeal. We will be Waiting.

I told you at the beginning of the Address, that this would be no ordinary Response and so I tell you there is more!!

As part of this Incredible Movement Forward with the Help of the Elemental Grace Alliance Council, human Dear Soul's, Each Member of the Karmic Board Itself, Including Buddha Vairochana, will be Addressing your Group, in Due Course and as time permits, in Confluence with your IAMEGA Alchemy Class with St Germain.
