Giving Us the Wisdom to always Achieve a Loving Response to any influences That are not of Your Consciousness so That We Continue Establishing a Framework of Your Divine Consciousness on Earth. Earth Is God's Dominion ONLY! We Demand With Every God Atom and Every Living Cell of Our Being That All That Is God Be Now Made Invincible for Eternity, revealing, making public and then dispelling All lies and untruths, all misgivings and misinformation within the incarnational Soul consciousness and within all world economies, business, medical and big pharma, artificial intelligences and the use of satellite technologies for surveillance and control of the masses, along with falsehoods about the world food production affairs and facilitations, that continue to create resistance and obstacles that prevent Dear Human Beings To Be God Free!

PALLAS ATHENA: Greetings Beloved Brothers and Sisters! I Come today as another Spokesperson for the Directors of the Karmic Board in Response to your EGA Petition and Related Matters now being discussed in these more expansive Discourses regarding the 'Resetting of Christ Time Upon the Earth' and the EGA Proposals for New Dispensations, 2, 3 and 5 as described in the God Awakening Book!

In Part 2, the Maha Chohan said,

"You still have a little way to go as to your Overall Group Unity in Association with the Ashramic Group Life, but some of you are now Standing upon a Threshold as an Individualized Sphere of Influence, while getting ready to step through the Rings of Consciousness that you have been Promised!"

And it is this, that I wish to expound upon today, hoping that those who still find the Group Life somewhat difficult to expiate their conscious Rightful Application within their daily lives. For it is this relationship with the Group Life that continues to find imbalances within their own private outer lives. Balance Dear Ones is required in all relationships of one's life and that is why the Great Divine Director Spoke of the Masculine and Feminine Divine Balance

being a major part of why the EGA is not moving forward as fast as it could be. Should one desire to attain their Christed Self in this lifetime, then Absolute Focus is Demanding your Attention Now, else this lifetime will not be your last here upon Mother Earth. Is this not why you are here today, seeking the Highest potentials to Cleanse and Heal you Inner and outer affairs of all your past lifetimes and those of your Ancestral Lineages?

We Know that all of your best intentions and heart filled love with which the EGA Divine Plan is Embraced, however, We also Know, that many well laid roads with good intentions continue to fall apart with human mis-creational consciousness. The New Petition for the Grant to proceed with the *'Resetting of Christ Time on Earth'* and *'Proposals'*, and in the contexts of what is being requested, both said and unsaid, the old human beliefs and continued acceptance in one's daily lives simply cannot go ahead as a Combined Ashramic Group, while separation consciousness continues and where the very values of the New 'I AM' One World Nation is not Acting out in a Group Unison of a Single Living Organism.

So while such a Groups are not compliant to the Groups, Functions and Activities with which they agree to Engage with God's Will in a Devotional Attitude, the Re-Constitution of the Applications for Permissions in any further Dispensations or the continued allowance of the existing Grants, those who do not comply in Accordance with Cosmic Law will be unable to Pass Through the Next Rings of Consciousness.

I wish therefore to elaborate further upon this whole matter of **'Dispensations and Permissions Being Granted'** by the Directors of the Karmic Board and the **'Writing of Your Own Book of Life'** in which you place entries into, by your Own Hand, each night that you go to sleep, while Actively Participating Within Your God Business in the Etheric Worlds in Full God Consciousness. You see Dear Hearts, what you have not grasped fully yet in the incarnational human Soul consciousness, is that you are Living two Lives. The one you think you are, which has been created by your human thoughts, words and actions there on earth, and the One you are Living as the God Creator Being that You Really Are, through the 'I AM' Presence within the Expanse of the Cosmos. One through your daily **'sleeping'** hours and the other in your nightly **'Awakened'** Hours!

So, as the Maha Chohan began these Discourses based on the expansion of the History of Human Evolution upon Earth and Application of God Life Through Your Body Elemental, Your Guardian Angel, Your Sponsors and Your Over Lighting Masters and God Intelligences along with the Elementals Devas and Angelic Host, I wish to continue in this vain and so will Reflect upon that which has been delivered to you through the *'Gnosis and The Law'*. For why is there any need to Re-Write the Truth, as the *'Book of Genesis'* needs Re-Writing due to its texts having been tampered with by human misunderstandings and directives and lack the Full Truth of God's Freedom, Power, Love and Wisdom.

I Am therefore not going to make any edits throughout the 'Gnosis Book' excerpt, for I wish you all to look at it from your own perspectives, so that through these, you hopefully will see the reflections by your own volitions, to Self-Realize how you are actually following your own

self-prescribed path and purpose or that of Your 'I AM' Higher Directions and Guidance's. Meaning, in part or full alignment in either case, through the Cosmic Applications of your own will or that of God's Will for you? Here is the excerpt for you to consider more deeply for today!

"Our Celestial Body known as the Karmic Board, and Its decisions are final in connection with the disposition of the affairs of mankind, except in rare instances where petitions are placed before the Sun of the System, and 'dispensations' are granted to accelerate the progress of the race. If the Soul has come to the end of its cycle of embodiment on Earth and there is a possibility that the Ascension may be attained, the Messengers of the Karmic Board oftentimes come for the individual before he or she has, finally, passed through the change called death. Such a one is examined and, if his or her energies qualify him or her to attain his Ascension, he or she is given the choice of accepting the Ascension or waiting until a later date, in order to re-embodiment and better serve mankind. If he chooses to accept the Ascension, sometimes a few days or weeks before the silver cord is finally severed and the lifestream, under the direction of its own Great 'I AM' Presence, then completes Its cycle of manifestation in the Ascension into the Light.

"If this occurs before so-called death, there is usually a great lightness and happiness about the individual which signifies the anticipation of release to come. The far greater percentage of mankind, however, are not ready for this tremendous accomplishment, and it is particularly to these lesser sons of men and daughters that the Karmic Board are so exceedingly kind. At the moment when the Soul is about to leave the physical body, the Personage of the Maha Chohan, Who was present at the birth of the individual, and breathed the first breath into the body, prepares to accept the final breath of the departing spirit.

"As the Maha Chohan accepts the breath, the silver cord is severed, and an Angel or Ascended Master awaits the Soul and conveys such a one, usually to the gentle and comfortable 'rest', that is the orthodox Heaven of mankind's general belief. Here, after a shorter or longer rest, during which time the blessed Soul is allowed to meet certain friends and loved ones who are available if they have not re-embodied or have been assigned to inaccessible heights, again appears a Messenger of the Karmic Board and such a one is summoned to appear before Them and to be assigned to such a Sphere or Schoolroom as They, in Their Great Wisdom feel will best hasten the development of the God Nature within the individual lifestream.

"We Speak now, not of the great mass of sleeping Souls who pass through the Karmic Halls in groups, and who are in rather a somnambulistic (sleepwalking) state during the entire procedure and are gently carried by Spirit Guardians, after the mass judgement, to a suitable Sphere where they may be awakened at least a little) but rather of the average good individual who has developed certain God Principles and Spiritual interests, and so has earned individual consideration, and, also, of the smaller and more select number of chelas and spiritually developed lifestreams who have earned the special assistance of the Karmic Boards.

“Approaching the Halls of Karma, We see the great high doors open wide. Groups of individuals are entering through the arched doorway under the Guidance of Angelic Beings; also the other single spirits, accompanied by Shining Beings of Light are approaching and joining the groups Ascending the stairs toward the portals. As We draw near the open doors which seem to dwarf even the greatest Beings Who enter through them, We are overwhelmed by the great size of the Building, and the long corridor that stretches before Us almost as far as the eyes can see. As we passed along the corridor, We notice doorways opening off the central corridor and over each doorway is the name of a country (or nation) - China - India - Argentina, and so forth. From time to time, We see groups of individuals who apparently have left the body as a member of the race or country indicated by the sign over the door; turn off from the main corridor and enter those small antechambers. They are apparently awaiting summons by a Messenger of the Karmic Council.

“We proceed the entire length of the corridor and finally come upon the great audience Chamber and enter quietly, seating Ourselves just inside the door. Before Us is a large chamber, not unlike the House of Commons in England, and upon the raised dais in front of the room are seven Throne Chairs, although We are told that usually only Four Chairs are occupied, the Great Lords of Karma acting for each other, and only at the half-yearly Councils do the Seven Members officiate as One Body (June and December of each year). The seats are all occupied with individual Souls, together with their Sponsors, or with groups of individuals, together with their Guardians and Protectors. A Great Angelic Being calls the name of the individual or group and they rise, together with the Sponsors - if any - and proceed to the front of the room, where the record of the life just ended is read in a loud and disconcerting voice by the Angel of Record.

“Then the Holy Christ Self reports on what MIGHT have been accomplished according to the natural talents of the individual and the opportunities afforded the lifestream through the kindness and mercy of Life and the Great White Brotherhood, Who are constantly looking for ways and means by which the Soul may expiate certain debts to life in constructive, impersonal and altruistic services. Before judgement is handed down, and the lifestream or group is given into the keeping of the Being Who will take them to a schoolroom and enrol them in the active study fitted for their evolution and progress - never with a sense of punishment - but always with a sense of developing the latent light in the heart, any Member of the Great White Brotherhood may ‘speak’ for such a Soul and offer to take the responsibility for such a one, if he is released into the Brother's custody.

“If this is done, the individual Soul is given to the Ascended Master or Angel Sponsor and proceeds to a much higher Sphere and receives much greater assistance than that which he has earned by ‘merit’, but rather by grace and mercy. This is where the efficacy of the prayers for the ‘dead’ and the supplication for assistance for one's loved ones becomes so potent, because by drawing the attention of an Ascended Master toward the Soul about to enter the Halls of judgement, always without question, the Ascended Master will either go in Person and offer to Sponsor the Soul or will send a Representative or chela to speak for that Soul and

conduct such a one to a proper place where, in time, the Ascended Master will visit him and assist in this evolution. At no time does the Karmic Board punish a lifestream! Their complete and entire concern is with the providing of the very best natural conditions for the development of the Spiritual nature of the individual.

“Thus, before the general presentation of the plans and designs, the Brothers have a comprehensive idea of how many sponsors, from among the human race, will be willing to stand up when the Spokesman for the Karmic Board asks: ‘And who, among the sons of men - will offer you their energies and their consciousness to forward your plan, despite any personal discomfort or inconvenience which such selfless service may entail?’ After all the plans and designs are heard, and the sponsors from among the human race duly noted, the grants are handed down, and those Masters who have secured the greatest response from the hearts of the assembled embodied mankind receive the most energy from the Cosmic Storehouse which balances the ‘pledged’ energy of the students..

“DJWAHAL KHUL: ‘The Tibetan Master’ It is only God, in His Mercy and Love, Who chooses to take out of man's records the foolish waste of energy and time. I would like to bring one of those Books to show you. I wish you could see what you do with life, You rise in the morning - all night long the Elemental Kingdom has purified the atmosphere in preparation for the new day; the silver cord, containing within it your own life's pattern, is ceaselessly flowing through you and you write with your thoughts and feelings, words and actions - a page - a chapter, and if you are energetic and vital, sometimes even a Volume At night, you sign your name, close the Book, sometimes you vaguely use the Purifying Flame - and then you go to sleep!

“This thoughtless use of Life is the reason you should use the Transmuting Violet Flame before you sleep. Dear people, do not return those Books to the shelves of the Maha Chohan's Library each night with some of the things that are written in them! When He opens them in the Presence of your Sponsor, how do you think that Great One feels? But, if you have not only purified the record in the Book, but you have transmuted the Cause and Core of your miscreations at Inner Levels and the tendency in your own nature to do evil as well, and you are also a good bit further on the way to writing the final chapter.

“You see, My Beloved friends, We cannot sign the Name of an Ascended Being to an imperfect record - over the Name of the Lord of the World there can be no record of iniquity and why should one of these Beautiful Ladies from the Court of Kuan Yin, with Her Own Lovely Hands and the Use of Her Own Heart's Flame of Mercy and Forgiveness remove some of that filth and discord, when you have a Knowledge of the Sacred Fire yourself? Through the use of the Violet Flame, you can condense the history of your life, when you are willing to go back to the beginning of time. You do not require all the details, just Blaze the Purifying Violet Flame back through your whole lifestream.

“That is Our Hope, when you rise and avail yourself of the Sacred Fire and abandon your feelings of despair. What you are today is a pretty good indication of what you have been century after century. We do not wish you to feel any sense of depression because you have

not accomplished what your heart desires, according to the standards of your own light. We have tried to show you (by relating the simple homely experiences which have been Ours) how We have used Life constructively.

“We are hoping that We have made it pleasant enough so that you will choose to invite Us to visit you again. Meantime, We want you to realize that you are the Light Bearers who have carried God's Illumination through so many Ages that it will be impossible for you not to release that momentum of Assurance, Health, Supply and Confidence in Full Mastery when your outer mind surrenders itself to the Guidance of your Indwelling Christ. Your Bodies are just Temples, place them, each one, in their proper orbit as an instrument of no more importance than the pen with which you write.

“Your Creative Centres of Thought and Feeling are either contributing to the atmosphere of the Inner Realms, which We wish to become the atmosphere of Earth, or to the death shroud of a Planet, which Saint Germain hopes will become a Brilliant Star of Freedom, within the next twenty years. If this human veil, which is invisible to the physical sight, can be recovered through the use of the Sacred Fire, wielded, mind you, by unascended beings, you will be able to move forward quickly in your individual Service to Our King St, St Germain.”

End Excerpt.

In the first paragraph 2 options were indicated regarding the potential of a person to have their energies examined to be Qualified by the Karmic Board of Directors to Attain his or her Ascension, before the process of death and thus able to leave this planet as Jesus did with His physical Body turned into Light. But what has not be described or entered into this sharing is the potential Now in this Lifetime of so many, the same Process whereby the one may receive a Dispensation to Ascend in His or Her Physical Body and remain upon the Earth. So the option now is simply to stay in your body as an unascended human being or stay upon the Earth with all the Privileges of any Ascended Master remaining in the Physical body, not having to leave the Service already Pledged and Covenanted to complete!

I want to leave you also with these questions.

1. What do you write within your ‘Book of Life’ each night during your sleeping state of the human body?
2. What would you like to be writing, that will not have to be erased from your Akashic Records?

I wish to close by sharing this!

You stand now within a Transformational Moment, between the unreal and the Real, all you await is an idea, a remembrance of the Original Ideal about Your True Self!
