MAHA CHOCHAN: Dear and Beloved Seekers of Immortal Truth, it was Planned that Our Brother Lord Jesus was going to follow My Beloved Divine Consort, Pallas Athena, however, there has been a development, which requires Me to bring some deeper Clarification to this matter of the Present Formulas of Approach within the Structural Formation of the EGA and its Forum; where the Influencing Spheres and the Circles of Light, continue to struggle with the Understanding of why there is the need to Constitute the Form of the present day EGA Group Energetic Forcefield, into 2

Functions, 2 Groups and 2 Activities, and thus breaking it all down into its Visual Dividing Cellular Self and Individualized Forms.

The simple answer is that it must comply with Cosmic Law! Not enough? Then know this is about Liberty and Freedom; Liberty and Freedom of what? Yourselves Dear Hearts, yourselves! You see, each 'I AM' Presence is endowed with a Special Virtue, which, by Cosmic Law, is to nourish, expand and Radiate to the world of form as well as to Its fellow man and woman. And should the individual be not cognizant as to what that particular Virtue is, he or she, should ask the Holy Christ Presence Within, to Reveal it to him or her, for its full Enlightenment is a Sacred Duty and a Part of One's Divine Obligation for the coming into the world of form.

This comes down to the ability of each person to be able to make their Inner Connections through communicative skills to first Know Thyself, then to Know Those Who are within their Influential Living Love and Light Forcefields, namely, their Body Elemental, their Guardian Angel, their Master Sponsors and then their Soul Connection and the Family they have come to this incarnation for the Path and Purpose in which they can together Co-Create All Within a Unified Forcefield of Divine Partnership. A Partnership with the Heart of the Mother's Love and Divine Nurturance and the Creative Father's Light and Power.

Yet within the Elemental Grace Alliance Forcefield, an anomaly has been unconsciously created whereby all Members have, over time, become preoccupied with their own individualized creations and away from the Original Focus. This can be seen as **"Falling Victim To Outer Worldly Influences"**. This is due to many things, but here is something to think more about!

As We look upon the Earth with Our Inner Sight, great tides can be seen of what We call psychic or astral matter! Remember St Germain spoke to you all about this phenomena a while back alerting you all to these conditions. Some of you took notice and earnestly became aware of these conditions and did your best to Protect yourselves and steer away from them, but others in their lack of awareness allowed those energies to come closer, as, where there is most Light, that Attracted Field will draw close all that is not harmonious, to test you in your convictions.

These conditions are born from within the mental and feelings of all people living upon earth and so your Living Forcefield fell victim to the mass consciousness of such things once again. These tides are definite strata's of consciousness and as everything works as vibrations, like attracts like, and without the Protection and Living Awareness of Conscious Attention such vibrational psychic and astral energies easily find another place to reproduce and strengthen their holds upon the unwary! For all thoughts and feelings, of anything less than God's Love, only rents holes within their Tubes of Protective Light and again connects the lifestream with the mass tides of indignation, fear, worry, anxiety, illness and lack of Peace and Balance in One's Life! And no matter how Powerful Your Body Elemental and Guardian Angel Is, your thoughtforms create your continued reality, for are the Master of your own creations!

In the Discourse of this Series in Part 2, The Great Divine Director shared,

“This, to help Electrify and Magnetize you all into a more Complete Sensitivity of Feeling of the Immensity of the Work of this Shamballa Divine Plan. You are now beginning to Step into a New Time Cell that will offer you more Responsibilities and Privileges, that will help to move Humanity into its next Stage of Evolutionary Progress. You still have a little way to go as to your Overall Group Unity in Association with the Ashramic Group Life, but some of you are now Standing upon a Threshold as an Individualized Sphere of Influence, while getting ready to step through the Rings of Consciousness that you have been Promised!” End Excerpt.

To Divinely Understand this in a much more Cognitive Way, you need to become far more aware of the Roles that the Elementals, Devas and Angelic Host play in the Form of any Combined Forcefield. And human beings, need to comprehend the Demands that will be placed upon them to Consciously fulfil Their Obligations Within a Living Organism Forcefield. The difference between a Combined or Collective Forcefield and a mixed or separated forcefield, comes down to the level of consciousness and thoughtforms that remain within the participating or non-participating parties involved.

In other words, the Unity of Consciousness, as in the Truth of the One Mind, One Heart, or the disarray of consciousness within the separated forcefield. Both are Attractor Fields, but one is of a Higher Resonance and the other a lower resonance. No right or wrong here, just different fields of Influence and Light! Both fulfilling Cosmic Law, but one, in Unison and Divine Order and the other in singularity and disorder.

To Create the Higher Frequency Combined Forcefield it is imperative that the Divine Balance of Masculine and Feminine Qualities and Virtues must be achieved and that is why We are going to such a length to cover all aspects of your New Daily Potentials as the New Opportunities are Attracted to you, to Embrace with Higher Love, Acceptance and Inner Knowing Activated and Followed Through with Consistency, Heart Felt Inner Volition and Rightful Application to God Life, through your New Petition!

So let Us now travel down Memory Lane, to refresh your Memories about How important the unascended human relationship to all Life is Demanding, before they can Divinely Employ the Full and Undivided Attention of All human Body Elementals, Guardian Angels, Elementals, Devas and Angelic Host, indeed All God Life to your personal deployment of the Mother’s Magnetism in Love and the Father’s Electrical Impulse in Light!

In My Discourse within the EGA God Awakening Book, 5 years ago, ‘*Maha Chohan - Guest Speaker - Narayana and Divine Grace - The Elemental Grace Alliance Council, 9th January 2016*’, where I described what a Forcefield was.

“A ‘Forcefield’ then, by definition, herein the understanding for Earth Purposes, is a consciously magnetized focus of Energy Created by a person or a group of persons or Beings, for the objective of

Benevolent Service to a particular Principle, Facet, Function, Condition, or Area of Life and ultimately to the entire Earth Itself. In the case of the group activity, the Director/s, Ascended Master/s, Archangel/s or Elohim/Eloah who have been Elected to Over Light the Group in Cooperation with the Group, first designs within the minds of its Disciples and Members, the particular Activity, to which the group service is to be consecrated. Therefore, the actual design of the 'Forcefield' should be brought into a visual activity, as in an image or picture, so that all may be sure to direct their energies into the same activity. It is essential that this picture remain the same at all meetings once it has been drawn forth so that it will grow and expand its Blessings through the group into the entire declared parameters of the particular Principle, Facet, Function, Condition, or Area of Life." End Excerpt.

So you are now beginning to see why we have stepped up the Awareness for the purpose of inducing more focused effort to go Deeper, where you can within your 'I AM Presence, Body Elemental and Guardian Angel and Master Sponsors, become cognizant as to why you have not been able to hold your Mighty Forcefield together; not across the Whole of the Elemental Grace Alliance, The Sun of Even Pressure Council and the various Rules Groups that through their own Innermost sub-consciousness convictions, saw and felt their own reflections and thus like most people who try to suppress all that they dislike about their own lives, simply do not wish to stand and face them off, thus, turn on their heels and slip back into their old realities! Dear Souls, you NEED to know these things if you are all going to come together in a Stronger and with a more Encouraging and Beneficial Forcefield, but this time, with a Greater Efficacy in a Divine Partnership with the Whole of God Life!

Please understand however, that if you are going to accept the Taking Charge of the Atmosphere around you and the World, then you must find the resolutions and balances in your lives where you are no longer under any illusions of addictions, that your lifestyle compliments your rising Resonance and the relationships of people and things around you, past and present, that may not be in Alignment with you and your Divine Path, Mission and Purpose.

You may like to review the Take Charge Discourses of St Germain and Lord Melchizedek as another refresher?

So, what I Am Proposing here, as part of the Resetting of Christ Time Reset Petition is once again review My Discourse which I hope will refresh your memories to see everything from a new perspective than ever before!

I propose that that Discourse be added now in sequence so that it becomes an additional Light to which you can see your ways forward in the darkness that pervades and thwarts so many efforts!

As the Director of the Elementals, I would like you to feel that We choose you to have a lavish abundance of every good thing; and My Dear Ones, Who supplies you with a lavish abundance in this world? Does not your supply come through the Beings of Nature and the Powers and Activities of the Elements? Who else provides that for you? Your Beloved 'I Am' Presence can give you, direct, Its Own Mighty Supply when your Powers of Precipitation come forth. But until that time, you must learn to cultivate the Love Within You to Create a Living Attractor Forcefield around you first and then your Ashramic Group. Your Manifestations and supply 'has' to come through the avenues of Nature and the Use of the Blessings of the Beings of the Elementals, because the Beings of the Elementals are not the only Activities within Nature, and will you show Me one thing on this Earth that you Use that does not come through those channels?

Since 'I AM' the Authority and the Director of those Activities, and since I must Design new and more beautiful manifestations for the incoming Golden Age of Perfection, then it is perfectly natural that I would Seek you as the Open Door through whom those Gifts can come. So the closer We live to each other in that Immortal Love of the Great Christ Presence, the Mighty 'I AM' in the Great Central Sun, the closer We Live Together, you and I, in that daily Recognition and Love to the Beings of the Elements, will you find Their wonderful Blessings coming into your hands and Use by ways and means that the world considers Miraculous and Transcendent. And yet they are but Perfectly natural, Great natural Activities of the Great Law of Life's Mighty Love.

Your Love to Me will automatically draw forth My Boundless Love to you, and wouldn't My Love contain My Blessings to you? Wouldn't I love to give you all that you would love to use to fulfil the Great Divine Plan? That would be My Joy to give to you, that your Joy might be full. Then as you use those Gifts would you bring that same Joy to the Beings of the Elements and to the rest of mankind.

So, I say to you, you might consider Me the Guardian at the Gate of the Great Treasure House of God's Mighty Universe, God's Mighty Love for that Beloved 'I AM' Presence. Since It is the Giver of all good, since It has Custodians in every Realm of Activity of Its Mighty Powers and Its Mighty Blessings, Its Mighty Manifestations, then I say to you, I would like to feel that you are so at One with Me through Our Great Love for Perfection and Our Love to produce Perfection in this world, that I will be Free to give you unlimited Blessings and Wealth and Opulence to Beautify the Earth, to Purify it, to Illumine all things, and to establish that which becomes the permanent manifestation in this world.

Then will you find yourselves automatically designing those things that have never been in this world before, and yet which will bring such joy because of their sheer Beauty that they will be a Raising Influence and will Radiate a Raising Energy and Power of Light to all who behold

them. And you will come to find that Beauty is one of the Raising Activities of Our Love, and you could not have Perfection without it. We do not bring it forth to gratify any vanity or pride or anything of that sort, but just because Beauty gives such Happiness that you automatically Love It.

I AM, Being as helpful as I can with you Dear Brothers and Sisters of the Immortal Truth of Life and God's Pure Radiance. It will not take much to Take Charge of your Lives to Raise your present Resonances and Re-Establish Your **White Light of a Thousand Suns, Shining Your Light from Within You as a Newly Constituted Forcefield; where you will Strike Your Cosmic Sword of Blue Flame Into All Conditions that are not Constructive Within Your Life. To Burn It Up Instantly, Annihilating Its Cause. Where the Unfed Flame, Christ Light, Divine Love of All Creation Shall Abide Within all mankind and Earth Forever. So Dear One's Blaze Your Sacred Fire Love's Indestructible Purity. Dissolve and Consume the Root Cause of Every destructive condition to Life, by Calling Us with the Clarify of your Inner Knowing and Radiant Vibrational Resonances of God's Love and Light.**

I Am the Maha Chohan, Awaiting to See a Renewed and more Vibrant Attractor Field Across the Whole of the Elemental Grace Alliance!

And So, It Is.

BENEDICTION: I Give Praise and Gratitude that 'I AM' Going Forward In the Cosmic Pressure of the Sacred Fire, Blessing All Life Everywhere Continuously Without Limit. Gratefully Giving Our Attention With Every Atom of Our Being to Our Body Elementals, Guardian Angels, Angelic Host and Master Sponsors and Our Soul Family Who All Abide Within Us. I 'AM Grateful, 'I AM' Grateful, 'I AM' God Grateful!
