

THE SEVEN STEPS OF PRECIPITATION – HERCULES AND AMAZONIA – STEP ONE

BELOVED HERCULES and BELOVED AMAZONIA

- Elohim of the First Ray (Blue Ray)

- Divine Qualities: Faith, Protection, God's Will

- Retreat: Half Dome, Yosemite National Park, Sierra Nevada, California, U.S.A.

Dear Hearts, we begin a journey that you show by being here the willingness to participate knowing more about the Seven Steps To Precipitation, albeit on varying levels of understanding and commitment to date. However, that is perfectly aligned to where each of us are at this time. Yet this endeavour, this unification of willingness by everyone who wishes to use these amazing Steps, will through the cohesive Powers of Love, raise their vibrational frequency to Higher Levels of Awareness and in so doing, will give you an even greater opportunity to expand your Life into the Higher Realms of Christ and God Consciousness.

We begin here by introducing Beloved Hercules, whom I have invited to speak with you directly at this most auspicious time, and Beloved Hercules and Amazonia sit with me now as I write this presentation for you. I have been asked to share an introduction by Hercules that was given through Thomas Printz at a gathering of Chelas on September 5th 1954. Hercules

has agreed to imbue this introduction with His Full Power and Might. So with no further adieu I invite Hercules to Speak with you now.

“Beloved Children of The One, I come to you today at the behest of Peter for the purpose to introduce to you the First Principle of the Seven Steps to Precipitation. And to save precious time I have asked that Peter include My Address many years ago that today is even more necessary and more fervently requires your direct and devoted attention. For today We begin together a venture of Precipitation that is an extension of something even more Powerful in the Creation of Manifesting; a New World for All Life on Planet Earth. Take heed Dear One’s and feel My Will To Do surrounding you and enveloping you now as you read My Gift to you!

“In the name of God, I bring you the FIRE of Hercules!

“I am the Elohim who embodies the WILL TO DO! I am the Elohim of DECISION – and God spare me the vacillating man! Everything that has ever been accomplished on the plane of Earth or in the plane of Heaven has been accomplished by men and women of decision; by Angels, Elementals and Devas of Decision; by Beings who have voluntarily chosen to combine the Energies of their lives with the WILL TO DO! Without that WILL TO DO, there is no permanence of accomplishment!

“Preceding all action, preceding all manifestation, there must be the WILL TO DO within the consciousness. In this Universal Scheme, it is My Privilege and Honour to embody the Fire (enthusiasm) and the WILL TO DO that which God intends. It is My Joy, My Privilege and My Honour this morning to bring to you the Pressure of My Love and Flame of My Heart, to Expand upon your foreheads My Presence, Consciousness and WILL TO DO what God intends!

“Are you content with what you are, what you manifest today? Are you content with half a loaf when you could have a full one? Are you content to live in limitations and bodies of decay? It is what you WILL that you manifest!

“FIRE, O God, the Flame of Decision upon the foreheads of these who are yet the best of the fruits and harvest of My Divine Ray and Kingdom on Earth. FIRE them with the WILL TO BE what Thy Great Heart would have them be! FIRE that Flame upon their foreheads, until they WILL to be the opulent, Precipitating Presence, until they WILL to be the dignified, Embodied Youth of God, until they WILL to set aside disease, decay and death and know LIFE,

until they WILL to Embody uninterrupted Harmony in the Energies of Their Being.

“No longer shall the Heart of Hercules, represented by certain chelas embodied on Earth, WILL to abide in shadows! FIRE them with the remembrance of Their God Estate, O God! FIRE Them with the WILL to become Manifest Expressions of God Control to all the sons and daughters of men, Masters, not victims of circumstance!

“FIRE Them to see with the Sight of God! FIRE Them to Hear the Celestial Voice of Their Presence! FIRE Them to move upon the Paths of Light! FIRE Them to Manifest the Healing Presence, by the release of the radiation of comfort and peace, which flows from “the hems of their garments!” FIRE Them to reject the lethargy and discordant creations of the mass consciousness of the race!

“O, Beloved Students of Light! Upon your forehead blazes the Flame of Hercules! Remember it each morning. Acknowledge it before you proceed into the activities of the outer world and WILL TO BECOME THAT WHICH GOD INTENDS!

“I Am Honoured to be the First of the Elohim to bring to you, today, some Knowledge of Our Activities, to set into motion a Rhythm, in this series of addresses, by which you may have, for yourselves, and give in printed form to the world, the Seven Fold Activity of the Mighty Elohim of Creation; which is An Individualized Process of Precipitation. This you can Embody in your own mental consciousness, to externalize that which you require.

“Beloved Ones, We have come to a point where you, who are the builders of the New Age, must enter into the Science of Creation. The slipshod happenstance, the hopeful, faithful consciousness, taking the bitter with the better, is not enough! Such consciousness must be succeeded by a Scientific Process of Creation, through your individual mental and feeling worlds, by which you become and remain Master! Then you Channel for Us, into the world of form, those Ideas and Patterns which will Create the Nucleus of the Permanent Golden Age, which Your Great Master, Friend and Patron, Saint Germain so desires to make manifest. Through Whom shall this Age come, but yourselves?

“At this time, Saint Germain has no one else embodied here, through whom He can work, but yourselves; those who Love Him and have Served Him through

the years. You are the open door! Have you thought that through? This means that your mind is a channel, through which must be lowered the ideas that fill the Realm in which He abides and then, through your minds, vitalized by your feelings, they must be precipitated into manifest expression, for the blessing of life. Therefore, your minds may be trained in the use of the powers which are the gifts of the Elohim. Follow Me closely, now, please!

“Preceding all manifestation comes the desire; then the DECISION and WILL TO DO! Preceding all activities in the outer world of form, you, too, first desire and then make a decision to use your life to endeavour to externalize some pattern, or plan. I Represent that Activity to the Elohim, and you represent that pattern for mankind!

“The Creation of ‘A Call To Grace’ is the Will To Do of one person who through his Power to Anchor My Will To Do in his Heart has come to fruition. Now is your turn to do the same, for without that Will of yours, your manifestations shall remain happenstance and without definition or clarity. This is your First Step to bring into physical matter, your Desire to ease the pressures that have built up within the Earth’s Crust, not just in the Cascadia Zone, but throughout the whole world.

“Remember Me, Hercules, as you move forward now, please do not accept such great limitation in your individual selves, when you know it only requires the exercise of the WILL, within you, to draw forth ALL; ALL THAT YOU REQUIRE!

“I WILL TO BE GOD FREE! In the name and by the Power of Hercules, I WILL TO BE A GOD INCARNATE!

“Say it with all your hearts! Mean it! If Buddha and Jesus did it, if Mother Mary and Kwan Yin (the Goddess of Mercy) did it, if Moses and Saint Patrick did it, cannot you? Ah, yes, my children! You are the Pillars of Hercules! You are Myself, in Action!

“I shall return again tomorrow to speak of the Importance of this Will, God Bless you!

“I Am Hercules of the Seven Mighty Elohim in your Service”.

Bless you Hercules and Amazonia, you are Dearly Loved!

There is a lot of wisdom in this address to truly get a grip with this Scientific Process to Create anything you desire in your life; nothing is denied you, NO THING! To expand on this within the Elemental Grace Alliance is this Discourse. It is called **09- Protecting The Future – The Elemental Grace Alliance Council – Helios and Vesta – 29th July, 2015** look out for it!

Part 2 Next page

THE IMPORTANCE AND POWER OF THE WILL

“Beloved ones, if you were to concentrate upon the Law as we give it, you could come from a consciousness of limitation, into one of complete freedom, very quickly. It all depends upon how much you WILL TO BE, YOU WILL TO DO and YOU WILL TO BECOME!”

“As Lord Buddha sat in contemplation, searching for the fullness of truth, it was his WILL which drove his consciousness up through every sphere, until he reached what he considered to be the “ultimate.” It would not let Him abide long in the pleasures of any sphere of beauty which was less than the full perfection of the heart of the eternal. When He stood in the Presence of the Angels, when He heard the Songs of the Celestial Choirs, it was His WILL which enabled Him to forego the happiness and freedom of staying in those realms. His WILL drove His Consciousness through, into the Heart of Truth. When He finally did stand, consciously, in the Heart of Truth and Realized Himself there, in that God Free Estate, it was His WILL, again, which brought His consciousness back to Earth, in order that He might give, to mankind, the Truths Embodied in His Experience.

“It was the WILL in the hearts of Joshua and his followers, which brought down the walls of Jericho, as they marched around them. It was the WILL, in the heart of Jesus Christ, which enabled Him to walk that road to Calvary, which burst the tomb asunder and which enabled him to Ascend into the fullness of His Perfection (His Ascension), in the Presence of some five hundred.

“In the case of Saint Germain, at the time of his embodiment as Columbus; one fearless and determined man, among many fear ridden and doubting sailors; it was his WILL which

carried his groaning ship, the Santa Maria, across the ocean. It was the WILL of the early patriots, which brought forth America as a land of freedom.

“THAT WHICH A MAN WILLS, HE SHALL HAVE, for the WILL is the Magnetic Power of the Godhead in the Heart which does invoke and bring to man that which he desires.

“One day, on a small island in the North Sea (in Ireland), one man, who is, today known as St. Patrick, stood praying, earnestly, for his people. He stood there in the sun, in the rain and in the windy gale and even the coming of the Mighty Cosmic Being Victory, could not make him desist. Mighty Victory said to him: “Patrick, descend again and do not press God further.” Patrick, unmoved, answered him: “I WILL to remain here until I have the word of Almighty God that my people shall not know spiritual death!”

“Again came the Great Victory and said: “Patrick, go down from this hill in peace.” Patrick again answered him: “I WILL to remain until my prayer is answered.” Finally, he did receive that for which he had prayed.

“It was the WILL of Moses, on Mt. Sinai, which brought to him the Ten Commandments. It is YOUR WILL which has brought you to what you are, today. You have used but such a small part of it! Ah, children, God’s WILL for you is the fullness of all good, all opulence, all beauty, all freedom! Give me the man or woman who will not accept a partial payment from life! He who says, in the calm dignity and mastery of his own heart, “I WILL to be God Free!” He who holds his chin up, straightens his spine and proceeds along life’s way, refusing death, refusing dissolution, refusing with the realization that what you WILL to be, YOU WILL BE. What you WILL to manifest, must come, for it is the Law!

“I Am Hercules, “Remember Me, as you move forward now, please do not accept such great limitation in your individual selves, when you know it only requires the exercise of the WILL, within you, to draw forth ALL; ALL THAT YOU REQUIRE!

“I WILL TO BE GOD FREE! In the name and by the Power of Hercules, I WILL TO BE A GOD INCARNATE!

“I Am In Your Service”.

So as part of this initiative to MAKE A DECISION, TTO WILL TO DO AND TO WILL TO BE, then you are now being invited to make up your own Invocation based on Invoking Beloved Hercules and Amazonia to join and align with YOU within this first Step of Precipitation; to make YOUR choice about what YOU desire and how YOU wish to create YOUR part within this Pressure Release for Mother Gaia, and more importantly, the pressures within you that remain stuck, that no longer serves you.

You are then invited within the next 24 hours or so, for we must move on, to publish that Invocation upon the group discussion here. Your free will to do or not to do, will be acknowledged as your commitment to Hercules and Amazonia in this process.

In The meantime, I offer this Prayer as an overall Prayer when and if you wish to bring into manifestation that which you desire. Use it wisely and with Heart Felt passion. Without the Emotion of Passion and Divine Love it will have little effect! Use this Prayer as part of your Divine Focus if you like and then one by one call upon each of the Mighty Elohim as we shall describe for you in this journey of A God Awakening and allow each part to follow this Scientific Law of Precipitation.

Mighty Elohim Prayer of Invocation

“Beloved Mother Father God, Almighty I Am Presence, Holy Spirit; Dear Jesus The Christ in Me, Bestow and Grant unto me in this Eternal Instant, Your Love and Light, for I Am Your Son/Daughter as You Created Me!

“I Am Showered with Your Love, Wisdom and Power. I Am Bathed in Your Guidance and Direction, Your Upliftment and Enlightenment for the greatest potential growth of my Soul at every Moment. Do not limit my expansion Oh Lord, for I Am That I Am and cannot be limited to a single dimensional realm. Bring forth all remaining lessons for me to complete so My Soul can return back to the Wholeness You Are!

“I call upon the Seven Mighty Elohim to surround me and sit upon the Alter of My Heart, the very Core of My Being endowing me with Your Divine Virtues and Attributes so that I may Create Instantaneous That which is My Desire, that which God’s Desire for me to create for My Quality of Life and Freedom of Spirit.

“Come Forth Beloved Hercules and Amazonia, and Bless Me with Your Power to make firm and instantaneous decisions for each of the Creations that God Desires to manifest through me. Grace me with the WILL TO DO THY WILL! Help me with prayerful thoughts for the application to set the Seven Steps of Precipitation into motion. Support me by enveloping me with your Enthusiasm and Feelings of Joy to bring them forth. Hold steady my Mental Body so that I truly hold GOD’S WILL, The Will To Do, the Will To Be within My Supreme Mind.

“Mighty Cassiopea and Minerva come forth and show me the PERCEPTION and the Perfectly Clear Picture, the ILLUMINATION of the Desires That God Wills for Me. I wish to know the best, most simple and most efficient ways of bringing such Creations forth for the GREATEST GOOD OF ALL CONCERNED.

“May The Flame of Beloved Orion and Angelica, imbue me with Your Love to make manifest His Desires. I Will To Create in PERFECTION and so Your Love will show me the way to do this.

“Beloved Claire and Astrea Envelope me in your PERFECT PURITY, so that I can fully embrace the exact design and instruction of GOD’S IDEA. Show me Dear

Ones how not to change any of the Divine Patterns with selfish desire or unconscious self motivation.

“Almighty Vista and Crystal Empower me with the confidence and ability to hold the CONCENTRATION to see GOD’S DESIRED CREATION through me to be Wholly fulfilled and completed.

“Elohim Arcturus and Diana charge me with Your RHYTHM so that I may regularly and diligently perform my task.

*“Oh Beloved Peace and Aloha come to me and surround me with your PEACE, Harmony and Joy and embed, enfold and embrace GOD’S DESIRED CREATION through Me with these qualities so that HIS CREATION will not deteriorate, fail, fall apart, become incomplete or be opposed by negative energies and when complete remain so, for as long as it is prescribed by The Will of God. SEAL AND PROTECT GOD’S CREATION through Me with Your PEACE AND LOVE! Bless You All with My Loving Heart!
I Am That I Am! – And So It Is!*

If you desire success in this undertaking Know that you will have to put your Heart and Soul into this, your level of commitment will determine its levels of achievement and manifestation. As Hercules said;

“Everything that has ever been accomplished on the plane of Earth or in the plane of Heaven has been accomplished by men and women of decision; by Angels, Elementals and Devas of Decision; by Beings who have voluntarily chosen to combine the Energies of their lives with the WILL TO DO! Without that WILL TO DO, there is no permanence of accomplishment”!

Bless You All and may you be filled with The Will To Do, The Will To Be!

Peter
