**TRIUNE GRACE COMMISSION INITIATE COUNCIL**  
**ASHRAM OF A LIVING ORGANISM OF GROUP SYNTHESIS**  
**VOCATIONAL LIFE PURPOSES**

### **MISSION STATEMENT**

The Elemental Grace Alliance Council, Spheres Of Influence and Circles of Light have been Invested with the Love and Light Energies of God Mother Vesta and the Karmic Board of Directors, the Body of the Ascended Masters and other God Intelligences, to Precipitate and Implement Divine Templates of Approach for the potentialities inherent in All life through Programs and Education in the areas of Holistic Education, Spirituality, Sustainable Energy and Environmental Management, Open-Source information sharing, Self-Sustaining and Integrated Living Models and Communications through the Science of Synthesis and Cosmic and Universal Law.

“To change or rewrite the Divine Charters with God for the Elementals and Nature Kingdoms, so that a radical and significant shift can be made toward humanity’s conscious awareness about their Interrelatedness and Co-Creational abilities for a more active and mutually beneficial Co-Creative Collaboration Together”.

### **UNASCENDED MASTER STATEMENTS**

The Triune Grace Commission Initiate Council, has been Designed, Created, Instated, and Implemented to become an Instrument of Divine Manifestation to Receive Resources, Financial Funding and Capital Supply, Higher Guidance and Knowledge, so as to be able to Create various Models and Templates of Approach for New Educational and Research Programs and Platforms, also Known as Academies of Light worldwide, for humanity over the decades to come.

Such Studies will include but not limited to the following.

- To Enlighten the minds of people all over the world of the True Nature of Existence, both as human beings living within a 3rd dimensional world as well as a human race living within a 5th Dimensional Reality and beyond.
- To Bring Greater Awareness to people of all age groups, and how the Universe around us, has and shall continue to be brought into visible manifestation and being.
- To Magnetize human conscious attention to the Vibrations of Consciousness, that will offer new potentials for humanity to alter their present human beliefs about how consciousness is used in their daily lives, and how to change such thoughts, so Higher Vibrational thoughtforms can make manifest better living conditions and potentialities in all areas of not only human life, but all sentient lifestreams upon and around the planet.
- To Show how Universal Consciousness is within everything, both animate and inanimate things.
- To Prove that Divine Consciousness is within every person at a Heart Level, and that Heart Consciousness has the Power to Create every thoughtform one has or desires.
- To Educate and Teach Life Skills that will identify the Unlimited Powers to Create, that is within Every Woman, Man and Child within this Human Race.
- To Detail the misuse of these Powers which are the cause of all fears, loss and lack, all illness, and hardship, all miscreations, struggle, competition and hostilities, all conflicts, confrontations and warfare, all malevolent use of energy against humanity, the Earth and its living streams of life which She contains within and upon Her, in all their forms.
- To Educate and Teach the Alchemical Application of God Life and Its Rightful Use within this world.
- To Provide, Enlighten, Illumine, Tutor, Instruct, School and Alert all who seek a Higher Way of Life to expand their Awareness and Knowledge Base for the Future Children of the world.

The Triune Grace Commission Initiate Council has seen the need to Revolutionize the way people live their lives and have taken the necessary steps to Qualify the Changes that are needed to help the people of the World to Lift their own Consciousness to Higher Awareness and in turn use that Knowledge Base, while being untainted and unrestricted by old human conditioning, habituation, bias, prejudice, predispositions or preconceptions of who they are seen in the outer world. It has taken millions of years here on the planet to achieve this, and must begin to manifest now, and the time is ubiquitous to Support this EGA Divine Plan that was Conceived and Inaugurated within the Chambers of Shamballa, that awaits Humanity's Participation to

Execute here upon Earth for the Greatest Good of All Concerned through the Rightful Application to God Life and in Accordance with Cosmic Law!.

*“The lingering fears in the worlds of mankind today, are of the unwary to the TRUTH of God Life. Whereas Faith, Hope and Charity, are the Great Triune Bearers of Light, Who Shall Exalt Reality and will Lead mankind back toward the Light”. St Germain*

In order to do this, to Seek the New Laws that are now required for the Higher Truth to Enable Mankind to Ascend as a Whole Human Race as a single Living Organism of Divine Synthesis, where those at the Forefront of this Divine Movement MUST Accept, first, the fact that the New Laws that they are Seeking are not yet clearly formulated, that man's and woman's Vibratory Frequency are not yet of sufficient strength to Build a Concrete Form on the concrete plane of mind. One of the Service Activities of the Disciples or Initiates is that of Formulating the New Laws. And this is what this Triune Grace Commission Initiate Council is all about! They will not be able to look on the concrete plane of the mind, for they will not find it there. It lays Within the Cave where Its Form Will Present Itself as a Malleable, Pliable, or Ductile Wave of Consciousness that can be Manipulated to Its Highest Level According to the Levels of the Resonances, Light Quotients and Awareness of the Initiates go above and beyond the Vibratory Frequency of this human race mind consciousness, even in its Highest Concept, to the Abstract Plane of Ideas where they Will Sense, at first, the feeble Impulses of these New Laws as They Emanate and Radiate from the Soul Monad, on its own Soul Persona Plane of Existence. The Initiates Will Feel out those Impulses, Sense The Vibrations, Tune into Their Own Mental Vibration to that of the Sensed One, and through the Law of Attraction, bring It into Their Magnetic Field of the Mind Consciousness of Their Ashramic Group to be Synthesized for the Benefit of the Whole Human Race or Group Living Organism.

Upon Entry into the Initiates Magnetic Field of Mind, the New Laws, the New Impulses, Beating with a Steadier, Stronger Rhythm, and what They can only vaguely have sensed in the beginning, as an abstract idea, will begin to take shape within Their Own Group Magnetic Field and then Outward into the Greater Magnetic Field of the Ashramic Group that They are Representing! And Ultimately into the Greater Living Organism known as the Human Race and the abstraction in concrete form, where-by They are Enabled to Relate the Idea and now the Ideal into the world of appearances, and to gradually, through Meditation, Mediation and Reflection, Set These New Laws up within Their Own Outer Lives first, as Their Own Consciousness having New Coordinates from which to Function and Relate as the Soul to Form.

They Will See all this as the New Spiritual Laws that will Govern matter. They Will then Separates Themselves from both the Laws and matter and See Themselves as Mediators. They Will Begin to Divinely Understand how they can Bring those New Spiritual Laws, those Impulses, those Vibrations to Bear

upon matter in such a way as to Produce a Desired Result in the world of appearances. In this Stage of Development, the Disciple or Initiate is no longer just a channel; He or She has Become a Conscious Creator, Bringing two Forces Together to Produce a Desired Result in time and space.

The Qualification of the 'I AM' shares these Discourse Excerpts, about the New World Governments and Governing Laws that have been explained in the True Constitution and 'I AM' One World Nation Indenture!

### **Part 1 – Ascension Alchemy Class – Divine Human Prototype – 'I AM' Authority Alchemy Class and The Application to God Life – St Germain, 23rd February 2020**

*“Therefore, Unification within the three worlds of human endeavour must Invoke Spiritual demonstrations and in this case as part of the New Body of Christ beginning to Manifest within the New Realms of Physicality upon Earth, a New 'I AM' One World Nation, has been conceived and awaiting its physical manifestation. This 'I AM' One World Nation Group shall be the congregation of all Souls on Earth who will dedicate themselves to Serve God First and Foremost and then the 'I AM' Presence of each other's Individualized Presence. Each person then becomes a potential of the New 'I AM' One World Nation as a Citizen, regardless of their race, age, gender, religious denomination, nationality, esoteric or exoteric affiliation. As New World Servers United to Birth the Light Body of Each One you are now beginning to see how you are demonstrating in many ways the New World Divine Human Prototype that will Evolve into a Divine Spiritual World Government upon the Earth, that will be Inaugurated by the Living Christs after the Second Coming in the near future.”*  
End Excerpt.

### **Part 2 – Ascension Alchemy Class – Path Of Least Resistance – 'I AM' Authority Alchemy Class and The Application to God Life – St Germain, 24th February 2020**

*“As you realize, the New Ashram of Synthesis carries the responsibility not only of incarnating (so to speak) as a Conscious Soul within the body of humanity, but of Building the New Forms of the New Civilization which can and will adequately house that Incarnate Soul and provide for its continuing growth and development. The Ashramic Group Life is constituted (if you will please excuse my terminology here) of three major 'Sections' insofar as its Focus of Attention is concerned.*

*“These Major Sections which are determined by the three major Ashrams which have come together to create the new synthesis are:*

*“Section 1 - which deals with Divine Purpose, Divine Power, Divine Will, and which is reflected outwardly, works out within the body of humanity as Government; works out within the Group Life as Cooperative Leadership, as each individual within the Group follows His or Her own overshadowing*

*Spiritual Soul Guidance, which is His or Her Governing Agent, so to speak. The Head Centre then of the Group Life is the Ashram.*

*“Section 2 - of the Ashramic Group Life is that of the Consciousness Aspect, the Soul Life of the Group dealing primarily with the growth and development of the incarnate consciousness (incarnate on Ashramic Levels within the Causal Sheath; incarnate below these levels within the threefold instrument). This Section of the Ashram is reflected outwardly within the body of humanity primarily in the Field of Education; within the Group Life, in the same Field (that of Teaching) as well as any other Activity which deals specifically with the Soul Life. I Am placing in this Section (and deliberately so, because this is the New Age into which We all have entered), Healing; all of the cultural activities of humanity; and in part the Field of Science, particularly in Research.*

*“Section 3 - of the Ashram is that of Intelligent Activity, the Form Building Section of the Ashram which has to do with the Building specifically of the New Forms of the New Civilization. This Works out in the outer life and affairs of the Group and within the body of humanity in the Field of Business.” End Excerpt.*

### **Archangel Gabriel – Immaculate Conception of The New Erthe - ‘I AM’ Authority Alchemy Class, 23rd December 2018**

*“We have a request Dear One’s, Now that you have Created your Beacons of Light and Radiations Centres of Heart and Site Location with Focused Intent, Now that you have been Granted the Cosmic Law of what is to Act out here in the world and particularly now here in the Americas, you have become part of the Authority of a New World Government Acting for and on behalf of the People, especially the New Children.*

*“We therefore Invite you to take such Responsibilities of this and so to call in The Elohim of Purity and Astrea, to Burn the Ascension Flame of Purity in through and all around all imbalances and therefore you are now a part of the Authority of Government, and you CAN make the Call for the Sacred Fire Presence of whatever Ascended Master and Cosmic Control is necessary to come in, through and around every office and position of trust, authority, and influence, of control of any kind in the government, in business, in education everywhere within the Nation or Nations.” End Excerpt.*

*"Grace and Mercy abound, and the Grace of the word, The Shekinah, Beloved ones, the Mighty Power of Mother Flame, and of Shakti of God. By the Grace and Mercy then, you are able to come to the Secret Place of your God, and to do so on a regular basis, daily! To do so will strike unto you a new tenderness, a tenderness so rare, you could hardly find a harsh feeling, or a harsh word thereafter, so wondrous, so loving is the Presence and so much Love will you find in that place, where the Three-Fold Flame Burns so brightly!"* End Excerpt.

Alpha shared this;

*"Receive Our Prodigal Children, Our Kiss of Peace, and know, though you may feel far away from Me, know that 'I AM' nigh, even at the door of your heart, knocking with the Eternal Gift of Life, with each heartbeat, and I determine that you who desire to do Our Eternal Will shall not fail!"* End Excerpt.

In continuation, Initiates can Explore the Gifts of Life by exploring Their Own Lives in an attempt to Awaken Their Body Elementals, Their Senses, and Their Soul and 'I AM' Communication Skills with Higher God Intelligences, along with their Own Soul Persona both within the body of the ego personality and the Soul Monad in Form as Individualized Self Expressions through the Human Biology. Breath, is the Key to Restoring the Deepest Connections with Divine Impulses, with Sense Subjective Emotion, with Imagination and thereby with Light Language. The voice is not just a musical instrument to be played skilfully, it is a human instrument for communication. Reconditioning the way the voice works, means reconditioning the breathing processes on deep levels of involuntary neuro-physiological, psycho-physical, brain-body functioning. Any serious practice of breath and voice must bring to the Level of Consciousness Activities that normally belong in the unconscious sector of daily being.

The Breath has the Magical Power to Liberate all and bring them into Peace, Harmony and Balance. Breath is the Bridge Between the Conscious,

Unconscious and Higher Mind. Breath is the Bridge to the Elemental Kingdoms and Builders of Form. Proper Breathing has a Direct Effect on the Unification of the body, mind and Spirit, bringing a Feeling of incredible Stillness, Peace and Freedom where the Elementals, Devas, and Masters Reside. This Process has an Integrative Influence on people, Producing a Cohesive, Aligned and Coherent Human Being. Deep Breathing has an Automatic and Significant, Alchemical Effect which Propels a Deep Cellular Purification Process into A Love In Action during a Breath Work session.

This type of Breathing moves deep levels of accumulated pollution sitting in the tissues of the body and the recesses of the mind. This process is not only Profoundly Transformative, it has Real Health benefits. Breathing is the Bridge between the seen and the Unseen, the known and the Unknown, between stress and Relaxation, pollution and Purity, pain and Peace, struggle and Freedom. It brings Spirit into matter, Affecting Every Cell in the body in a Positive, Life-Giving Way.

Breathing is the Elixir of Life! Human Cells Hold the Secret of Life to Who They Truly Are, The Human Cells Are Alive, Aware and Communicating every nano second of one's Human Existence! Within One's Breathing Life can be Exalted or extinguished!

'I AM' the Fire Breath of God from Within the Heart of Beloved Alpha and Omega.

'I AM' the Immaculate Concept In Expression Everywhere 'I AM'.

'I AM' Divine Joy, as the Full Expression of Divine Love.

'I AM' The Seal that Protects Every Heart that Breathes the Fire Breath of God.

'I AM' Purity, Wholeness and Love Manifest Everywhere 'I Am' That 'I Am'.
