**TRIUNE GRACE COMMISSION INITIATE COUNCIL**  
**ASHRAM OF A LIVING ORGANISM OF GROUP SYNTHESIS**  
**GUIDING RAY PRINCIPLES AND DISCERNING FACTORS**  
**FOR SEAT EMBODIMENT**

Blessings Dear Hearts,

Below is the Triune Grace Commission Initiate Council Guidelines for those who wish to become Members taking a Seat upon this TGIC.

These Guidelines are just that, at this time of sharing, for before one can commit to this Path it must be understood what your Obligations and Responsibilities will become! If one was to look at the EGA Reform Diagrams, they would see very clearly that the Triune Grace Commission is the 3rd Sphere of Influence within the Trinitized Circle of Light. Shamballa (1<sup>st</sup> Ray) – Hierarchy (2<sup>nd</sup> Ray) – Triune Grace Commission or Humanity (Supplementary Seven) (3<sup>rd</sup> Ray)!

This Sphere of Influence can accept no-one who is holding onto any aspects of half-heartedness, any thoughts of separation from the Main Body of the EGA, a Divine Plan Created and Conceived through the Immaculate Concept and Birthed of the 1<sup>st</sup> Ray, which includes All Spheres of Influence, All Circles of Light, All Ashramic Groups herein The EGA.

*“Every person has a unique key that opens them to a Higher State of Consciousness, but this needs awareness and the due diligence to Raise one’s own Consciousness out of the clouds before a Clearer Reality can be found. This situation here with your questions is a good example of how to Seek and Find the Truth of any perceived resistances in feelings or thoughts that seem to revolve outside of consistency! It is not easy for any Disciple or Initiate in Training to associate the Sense of Synthesis and the use of the Divine Will together and to Realise that a cultivation of the First Ray perception is a potent mode by which the Highest Aspects of the Spiritual Will (as yet embryonic within him or her) can be unfolded.*

*“So I can tell you that part of the inconsistency here is the continued misperceptions or lack of fully understanding of this First Ray of Will and Purpose. As ‘You Are’, going to Step more fully into your Ashramic Consciousness and be that Love In Motion exerting these First Ray Qualities and Virtues, you must allow yourselves to embody more of the ‘Authority’ that this First Ray Carries. Remember the Rays 1, 2 and 7 are a vital part of what shall become the Foundational Stones from which you MUST Project your Invocations and Decrees”. Evolving Beyond Evolution – The Great Divine Director, 11th July 2019.*

Continued.

Another Discourse given to you on the 17<sup>th</sup> of January 2019 by the Maha Chohan. *“‘I Am’ In Action - Maha Chohan, 17th January 2019”.*

He told you;

*“Today, let Me make it clear to you that in entering the Conscious Pathway of Light, you have to Assert the Dominion, which is yours, which has not fully been understood before and definitely, not claimed. You are the Decreeer for your world; and when you Enter the Conscious Pathway of Light you are compelled, not by anyone, but by the Light of your Being, the Light of your own ‘I AM’ Presence, to make your own Conscious Application. I ask you earnestly never to tire, never to lose your enthusiasm in your Application. Reach to the Light for your Freedom!*

*There is nothing which can stand against your determination, when you remember that whatever quality is acting constructively in your thought and feeling world is the Power of your ‘I AM’ Presence called forth. Remember that! It is not anything of your outer self! If you will comprehend this, you will see how the Power which you call forth in your Decrees is Infinite! It is limitless and All-powerful in Its Protective Activity for you. Therefore, you cannot fail in anything you earnestly call forth from your ‘I AM’ Presence.*

*So, I tell you Dear One’s, The Elemental Grace Alliance’s Work has not yet begun, you are still within the pangs and pains of the preparational Work. However, you are on the Ground and you are holding your own, within the Great Silence, albeit, still coming to terms with the Responsibilities and getting to Know where your Combined Forcefield is heading!*

*It is time for you to forge forward with the Plan that has been given you, and it shall be your determined and concentrated effort upon your Decrees and Invocations, that will support every Action that you shall engage. That is, the work in building your Radiations Centres, the continued Magnetization of many new Brothers and Sisters to join you in*

*your Combined Goals, to fulfil all the requirements of fulfilling the Proposals yet to be Engaged and the Support and Guidance of the New Children!” End Excerpt*

Remember please, that no Master is not aware of every single person in His or Her Ashram, on every Level and They Participate in Every Idea, Ideal and Idol. They Participate in Every Function and Activity! Not as we do as the Unascended human contingencies. But we are the Boots on the Ground and until we can Fully Embody the Christ Consciousness and Light Body working on both sides of the Veil we have our Purpose here! We are playing the Roles then, of 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> Ray as well as the 7<sup>th</sup> Ray regarding the New Ashramic Living Organism. In other words, physical Work is required, else one does not Understand or Comprehend enough, the metaphysical meaning of **‘Light Worker’!**

Any thoughtforms of exceptions to the Cosmic Laws is no more than an illusion and will not support any Seat held within the Initiate Council. It plays no part whatsoever in Christ Consciousness and will not play any Part on any Level within this Triune Grace Commission Initiate Council which is the Training Circle of Light to Enter into and Take a Seat within the Trinitized Circles of Light as Part of Shamballa – Hierarchy – Humanity Supplementary Seven or Triune Grace Commission.

To allow one final Opportunity before one accepts these Responsibilities in Full, The Obligations of Finding that Prioritized Obedience to the ‘I AM’ Presence and the Dissolution of any old ego-personality thought forms, of *‘this is too hard’*, *‘the work load is not my responsibility’*, *‘the EGA’s problems or growing pains have nothing to do with me’* or *‘I will do this my way’*.

The EGA has suffered enough from these thoughts and now in this New Opportunity within the Nucleus of the EGA, The Triune Grace Commission Initiate Council, no such thoughtform will be allowed to remain. And it shall be a clear indication that if these situations arise, the one who cannot remain True to what they are Accepting herein the TGIC, will simply be removed from the Circle.

In Light of the Purpose and Reality of this situation the EGA Admin has put together a Vocational Life Purpose which details everything that shall become each Members Responsibility and Obligation to Uphold! So having read and absorbed these Expressions of Function and Activities, one can now make a firm decision based on the Truth as to whether you are in for the long haul or you are not going to continue because you are either not ready or feel this is not for you.

This is not a decision to be taken lightly. Your ‘I AM’ Presence Knows the correct answer for each one receiving this information. So within the next 24 hours, due to the hour of the Moment, We need your final answer. **Please write to the EGA Admin on [egaadministration@protonmail.com](mailto:egaadministration@protonmail.com) sharing your confirmation either way, a thumbs up or down will be sufficient!** No response will indicate a thumbs down, for if one does not see this email in time, the ‘I AM’ Presence is Speaking on your behalf where the connection to the ‘I AM Presence is not present at ‘this’ most auspicious Moment!

For those who will continue, a New Email will be required that will have nothing to do with any other Group, Sphere of Influence or Circle that is not part of this TGCIC. So all Members if they have not yet done so, must create a new Proton Mail Account with a new email address.

**This is not an option; this will also be deemed as a Condition of Engagement!**

EVERYONE here is to have a single email account that is not used for ANY other Group!

"This would result in no need to learn any new system of email management, be instantly able to recognise the transmitter and recipient of the email exchanges, have NO opportunities for cross over into other Group accounts, and Will require daily opening to become aware of what is being shared at ANY given moment. Many things will take place in this TGCIC Group, that does not take place in any other, so again We say, the I AM' is in Full Guidance here and when the need arises there will be the need for instantaneous response, that cannot wait for human ego to show up!"

If anyone needs help to create a New Proton Mail Account, please ask!

This is for now all that is needed to make your final decision, Your Rightful Application to this Opportunity, any Further Guidelines you will find in the True Constitution and 'I AM' One World Nation Indenture. For Janey and Vira, we know you do not have this yet, but do not be concerned about that, you will be brought up to date in the coming weeks!

In Love and Light We Share.

**May We Pass Every Test**

**No Longer Seek that which is Seen,**

**Rather Seek ONLY that which is Unseen**

**Follow the Path of Least Resistance.**

The EGA Administration;

For and on behalf of The Elemental Grace Alliance Council

Please Note:

For anyone who does not continue at this time, the Door will open again to Call for more Dear Souls, you will be Welcomed with Opened Arms again should you wish to join! All is in Divine Will and Divine Order!

And So, It Is!

Additional Information.

None of this is about personality choices, it is simply the Requirements in Accordance to Cosmic Law and the Rightful Application to God Life. So this TGCIC will be conducted in a similar way as to St Germain's Classes or any other of the Master's Ashrams. To clarify what is expected herein please read again, St Germain's Clarity on this Law! The Law of the Obedience to the 'I AM' Presence.

## From St Germain's Bounty of the I AM Discourses Dispensation Discourse.

*Before I close, I will tell you this, in My Classes where I have many Students, they come with the best of intentions; they work hard and dedicate so much of themselves. I accept only those in My Classes who place themselves before the Obedience of their 'I AM' Presence. Once that Obedience is broken, they are removed from the Classes, not only for their own good, but for the good of the other Students. This makes sense does it not. While it is inevitable that life can and does dictate life necessities, that create diversions away from the 'I AM', at these levels of study, awareness and achievements, and the 'I AM' Presence Individualized Expressions in the 'Good to Do' and the 'Good to Be', any distractions that cannot be dealt with in Accordance with the 'I AM' Presence immediately, means only one thing, the loss of momentum and Life Force! So, if anyone is wondering about the removals or retreats of any old Members of the EGA, Know, they have My Backing and Support to take such actions. It may seem unfair at levels of human consciousness, the choices may not be accepted as Truth, but I would have no delay in any such action. One is in or one is out! It is Universal Law and nothing to do with personal choices.*

*It is very easy for the ego personality to say they do not agree with any such removals from any Group, but here I want to tell you all this!*

*In any Ashram of Any Master, none will allow any Student, any Disciple or Initiate at any level to remain in the Ashram or Their Study Programs unless the Absolute 'I AM' Presence Obedience is Fully Honoured. All Members of all Ashrams are told in no uncertain terms, their Obedience is Demanded by the Masters.*

*Let Me also remind you this!*

*The Elemental Grace Alliance is not a Group! It is a Living Organism that was Conceived and Consecrated not by any human being, but by Shamballa Itself! You have been told by Lord Melchizedek that the EGA is an Ashram in its own right! Albeit in its early stages of formation. However, just because it is in its early stages of Full Manifestation, every step of the way has been Divinely Orchestrated and those who Act as the Guardians, Curators, Custodians, Stewards and Administrators are all following the Universal Laws that pertain to the God Manifestation towards its Perfection. In this Light then, We are Over Lighting those who are making the choices that MUST be made as if it were already a Fully Manifested Ashram of Consciousness, Circle of Light, Christ Council, Ashram, whatever you would like to call it. We KNOW mistakes will be made, We KNOW errors shall be implemented, but more than that We KNOW and SEE how these are made and in so from a point of All-Pervading Light, All Knowing, We can allow such mistakes and errors to be played out, for We KNOW the Heart Intentions, We KNOW the reasons why the mistakes and errors are made, and We Know they are only short lived and can be overcome without unnecessary delays.*

*Know that We see what is registered as feelings within the Inner World of everyone so what is being shared above will always provide the Right Action of any choice. So, remember that when*

*one is not in agreement with any choice made that has been substantiated clearly and precisely, through Qualified Information and Knowledge, do not allow oneself to be affected, by another's displeasure or disturbances of imaginary activities of how they perceive the outer self. Simply Know the 'I AM', the Only All-Powerful Acting Presence in your own mind, in your body, and in your world. Through this, one cannot have imposed upon them, by anyone or anything, less than the 'I AM' Presence in Active Expression, Is. It is not your concern how others act or behave, your Work is to Uphold the 'I AM' and place that Infinite Love into Action, even if it is not understood by others who remain within their own outer perceptions.*

*With this understanding, or by giving willing attention to this Great Truth, you will potentially find a Peace, Happiness, and Self-control, operating about yourselves, to such an extent that no outer condition, disgruntled comment, or disturbance could again disturb them, their world or their affairs. As soon as the individual becomes aware that he or she really has control of his or her own Creative thought, power, and feeling, then they will know positively that they can precipitate into their visible use or bring into their use from the outer where it is already created, anything whatsoever upon which he or she holds his or her Creative thought and feeling firmly upon. The moment that he or she is truly aware of this, they will know they are forever free or anything that the outer world can give.*

*The Present Elemental Grace Alliance Administration will make mistakes, it is understandable. They will place errors into its Life Force, but if they do not Act with the Full Authority as is perceived by them, then how will they ever see the mistakes or errors. Each one has to step up to the plate and go through the Love in Action to feel the Love in Action, do you see? As long as the decisions are not ego desire based or ego-driven, that no emotion is attached to it, then no decision will be far away from what is required at the time. Until the 'I AM' is Fully Embraced there will always be some wavering upon the accuracy of the choice.*

*So, Be that Love and make the choices you feel in your Hearts that are the right ones. And do not be afraid of making choices that stand within and for the Greatest Good of All Concerned. Use the Truth and the Universal Laws as your Guiding Light. Be the Masters, the Christed Beings that Live by Example to Safeguard the Integrity of the Ashram, this Living Organism, and in turn the New Radiations Centres and Sanctuaries will only attract those Dear Souls who will see the Light of Truth in every lesson, every decision made, every thought, word and action. We have given you, all the information shared within the EGA Discourses, all the Rules, all the Laws, All the Guidance you need to make this a success in the shortest time possible, so come forward Dear Ones, and Be That, which you have Pledged to Become! Be the Mighty and Infinite 'I AM' Presence!*

and

*You may think these are harsh Conditions, but if you Knew the Consequences that could be far reaching, or the Work that awaits you, you would understand God is Perfection in All things, You can Trust and Rely on God's Support, We must be able to Trust and Rely on Yours, as you*

*are becoming the Full Expression of Creation Itself, and you have to Earned this Right. End Excerpts*
