**JESUS THE CHRIST:** I Give Praise and Heart Felt Blessings to all who will find their way to this **'I AM' One World Nation** of the Heart! **'I AM'** The Light of the Heart, Shining from within the Glory of Being, Changing All Into the Golden Light of Christ Mind.

This is a good place to begin this ultimate Treatise within the **'True Constitution'**. And while all Knowledge is generalizable, it is the Heart of Love that allows all Knowledge to be Actualized. Today, I would like to continue the approach for the Creation of this **'I AM' One World Nation** from a Focus upon the Centre of One's Divine Human Presence. For while the Higher Mind will allow for the Deeper Understanding of the processes required, the Heart Centre will provide the Pure Love Cosmic Christ White Fire Light Substance and with Its Cohesive Power, Bind All and Everything Together As One.

The Heart, is the Centre of Being and that place from which all feeling arises. Yet, not all feelings of emotions are Pure Love. Space and time contains all things and yet where things may seem as nothing to one's gross-emotional reality. What one feels in the solar plexus or human heart, are simply unrefined emotions from the past, that are still creating one's present and thus the future. Feelings of sadness, discomfort, anger, not being heard, fear, life's inharmony or imbalances, annoyance, outer world pressures, loneliness, unworthiness, melancholy and many other emotional states of feeling which are simply illusions when it comes to the Truth of the Heart. Until one Self-Realizes this and begins to contemplate with Greater Awareness and Divine Understanding and truly dives more deeply within themselves

to hone, distil and purify their own thoughts, words and feelings, they will be unable to move beyond the old human consciousness and will continue to interpret their own reality in the same old way. One must refine their own perceptions of themselves, along with their own body, so that the physical body, mind and emotional states can be Transformed from illusionary states of the outer being, into the Truth of Their Own Spiritual Essence.

However, all True Feeling Is Pure Love, that is, Love which is All Encompassing, Unconditional, Divine and Forgiving. From Pure Love, God is Praised and the Recognition of the Glory of God is for All that Is Created By God. Divine Love is the ONLY Pure Response of the Created for the Creator, the ONLY Response of the Creator to the Created. Therefore, the Recognition of what Love Is, what Truth Is, will return 'all' back to God and Mankind's Real Nature of Their True Self.

So, when one speaks of their feelings, they are speaking from a place of human emotions, emotions that are the result of the lack of Divine Love. There are no other reasons for the feelings that one experiences. All feelings are generated by the Heart and have nothing to do with the body. The Heart of the Body is the Altar at which all offerings to God are made, all offerings are of Divine Love or lack of Love are given forth. While lack of Love comes from the experiences that remain held within the illusions of the lower consciousness, thus, all offerings made from a place other than Love shall have no Electronic Substance; meaning will not be Bound by the Cohesive Power of Love and shall only be destined to self-destruct.

Only that which is Created from Pure Love is Eternally Bound and Constructive, coming from a Fixed Design Foundational Formation, and Birthed within the Love and Joy of an Immaculate Conception. Likewise, all creations made from a place of fear, guilt, lack of understanding, outer projections or feelings of being less than anything or anyone else, have no Substance, other than for the purpose of continuing one's personal desire for the experiences of being held within the outer world of lower consciousness.

Love is the True Condition of One's Entire Reality, yet in the human form the Heart must beat for the life of themselves to take place. This is the Nature of one's Being. Pure Love is as Essential to the being as the heart is to the life of the body. It is there even if one is unaware of it being there, just as the heart is beating, while the conscious mind continues to sleep within the unawareness of his or her daily life. A baby is no less alive because it does not realize its heart is beating. One is no less the 'I AM' Presence or Higher Self, even though one does not realize, that without Pure Love and God's Reality one would not exist at all.

The 'I AM' Presence's only Thought or Feeling comes from a place of Divine Unconditional Love. These Thoughts of Truth Envelop everything, constantly, while one sleeps or is awake and are without limitation to man or woman, of whatsoever state of consciousness they deem themselves to be in. This All-Pervading Consciousness is Eternally Creating everything around each person, both from the Inner Truth and the outer illusions because of the Cohesive Nature and Power of God's Love. I the Christ, Am, with all Sons and Daughters of God, Consciously, at all times, for God is One Consciousness and does not think in terms of separation as

mankind does. This is not understood, only because man and woman do not understand their Own Nature of Being or the illusionary states of their bodies, thoughtforms or emotional feelings. Through their own *'free will'* they have placed these things inside their bodies, while conceptualizing them in a form that makes no sense of the Truth, the Pure Love that Is Their True Nature, Their True Reality or Relationship to God Life Within The Consciousness of The All That Is! One Heart, One Mind, One Life!

Before the New Communities can begin to Form, that will Reflect Christ Consciousness and thus Form within the Circles of Light as Christ Councils, these are some of the things that continue to create obstacles that will diminish the Resonances and Light Quotients needed for the Radiations Centres to Operate at Their optimal Levels. So, while the New Groups of the New World Servers are Gathering or have already Gathered, much more Focus upon the Inner Work must continue to be at the forefront of their Minds and Hearts, so they will be able to move forward more quickly and with Greater Group Efficacy, Group Unity and Co-Participation in Devotion and Wholeheartedness Together.

There must come a complete *'Shift in Consciousness'*, else all the mind is doing is to rearrange what it has done in the past. We have been very clear in Our Instructions Dear Brothers and Sisters, that if the New **'I AM' One World Nation**, the Radiation Centres, Communities, etcetera, are to become Divine and Immaculately Conceived Realities, then all of the structures of the old consciousness **'MUST'** give way to the New. You cannot continue with the old ways based upon old structures, old formulas, old human thoughts, laws, rules and orders. All present foundations, organizations and businesses must be Transformed, Recalibrated, Rejuvenated or *'dissolved'* in their present forms; all governments **MUST** EVOLVE or self-destruct, else the **'I AM' One World Nation** will have no Substance and it too would be destined to self-destruct. Just as the present world is showing you, right there before your very eyes today! Just look at the old consciousness playing out around the world and particularly in Europe as We speak. The destruction of life and property, of human rights and most of all, the Heart where Peace should Reside.

The mind will tell you that *'yes there are new potentials for a new world'*, and it will seek to agree and set out the new laws and rules and orders, and it will tell you to resist all different ways of feeling of how to be and how to act, that will support the new directives, as if it knows what is happening. The mind will speak of Love yet behold, that mind, still living from within the lower consciousness will place the Heart a prisoner of its own devised truths, its own interpretations of the truth, based upon its own rearrangement of the old paradigms of feeling safe and being in control. The mind will make all manner of qualifications that will sound to the unwary, perfectly acceptable for they too are coming from the same levels of awareness.

The lower mind will use its intellect and tell you what it wants you to hear, thinking it is right and correct, that it knows what Love is, yet I tell you, it will not see its own intolerance or judgements that it holds onto from an unrecognized place within its past experiences. It will

speak of Love to be helpful and with all sincerity, and yet the very logic that it uses, though possibly sounding new, can wound the Heart of the most tender, of those most called to the Purity of Love and its Harmony.

The mind knows the language that can imitate the Higher Consciousness, using all the right words, yet at the same time rejects the Truth within itself, because it so hates to be confused, to be open and vulnerable, to remain open while casting down the protective barriers and old structures that have supported it for so long. Yet it knows not of its own erroneous thoughts or ways of projecting them into the outer world. It therefore, desires anchors that have been designed without the knowledge of what these designs or structures are, that can rivet the mind in one spot, and is held there while it suffers the pounding of the sea of change, resists the currents, fortifies itself against the storms. The mind will return always to where it feels safe and sure of itself and so it goes nowhere and sees not transformation, or creation, or the new horizon that would defy its own known reality.

So, it is required in the coming times, for Groups to come together in a much more Unified way, but the mind must be shown by the Heart that what it thinks it knows in its reality, is nothing of what True Reality will bring. The Heart must open the doors whereby the Cosmic Laws are shown to the mind and allow it to see for itself by experience alone, that the old laws of mankind have no Substance in the New **'I AM' One World Nation**. The Heart must show the mind that the Laws of Love are not facts or even rightful answers. The Laws of Love Allow the True Nature of God within Mankind to find their own Spiritual Freedom, the Freedom that lies beyond belief, beyond thought, beyond adherence to any authority of whatsoever nature, other than One's Own Heart!

The Heart then is needed to Guide the mind in a way *'that it does not desire to be guided'*, a way *'that is one of joining'*, a way *'that does not allow the mind's separate stance, its rules, or its right answers'*. The Heart is needed because It Is Who and Where One Is and Responds in Love to what is One With It. We are One Heart, One Mind, One Life.

The mind is its own reality and one cannot escape the mind's reality with the mind. One cannot learn how to escape the reality of the mind with the mind's pattern of learning or of its own logic. One cannot live in a **'New World'** and retain the mind's old reality. To think this would be a travesty. To Know this, will allow the Heart to be the Saviour of the mind, without the mind ever knowing it was incorrect in its believed reality. It is the Heart that will be required to rearrange the mind's reality for it. Not the other way around.

The New World that is coming is not that which has always existed. It is not that which can be predicted. It is not that which can be formed and held inviolate. The New **'I AM' One World Nation** is the Introduction for the Creation of Divine and Pure Love to become more widespread around the World. The New World Will, in other words, be the New Expression of Divine Love in terms of Form, thus the replacing of the false, the illusion's demise, with the Rebirth of Christ Consciousness amongst that which was sorrowful. Symbolically, one could say that the New **'I AM' One World Nation Flag** will become just One of *'those'* Forms, that

will Initiate the Mind to join with the Heart in a way that offers no Words to the lower mind, but Shines Its Light no matter what the wind and rain (*human consciousness and emotions*) may bring. In this analogy, the '*Flagpole*' is the Heart, holding The Higher Mind, the '*Flag*', True to All Its Divine Rays and Colours, while remaining Fixed to the Heart through the Cohesive Power of Divine Love, in all manners, Transcending the old ways of being! The lower mind of humanity will see the '*Flag*', and Respond, even unknowingly to it, or without knowing why, while never actually Truly Seeing the Heart, the '*Flagpole*' that is Supporting, Embracing, Strengthening and Remaining as One Together with it! You are going to see people just standing looking at this Flag, like they are staring into space, not knowing what they are looking at, and then going about their way. But they will not be the same as they were before, for the Heart and Higher Mind or 'I AM' Presence has just made a connection, that cannot be revoked, withdrawn or invalidated ever again! Lives through Divine Will '*Will*' Change!

The New however, is yet to be Created, One Heart to One Heart, One Heart to One Mind, and One Heart/Mind to One God Life! But you are so close Dear Ones! *Where 2 or more are Gathered, There 'I AM'!*

The information about the illusion of the ego mind begs a question to be asked.

**Question:** Is the ego mind to be dissolved and avoided?

**Answer:** The ego mind or lower consciousness is an individual essence of your being. The closer you are to your Being; the Subtler the Individual Essence becomes. Your perception changes from the '*gross*', which is entrapped and wrapped up in the uncontrollable emotional reactions, to an Evolved and Transformed Blissful Individuality. The individual is still an Individual Essence, although it is Transcended, Delicate, and on a different Level. Once you have dissolved the earthly sense of individuality, you are still an individual, but now one with more of a Collective and Refined Nature. You are closer to the Pure Nature of the Cohesive Love Power, in Being One Heart and One Mind. The Light Matter then becomes Refined also and more Vibrant on a level that is not visible for the earthly gross-emotional reality. In other words, your Resonance or Vibrational Frequencies and Light Quotients will have risen substantially! This Development of Evolution into the Light Body is where the old mind consciousness has been absorbed, deeply absorbed closer to the point of complete dissolution and etherealization.

This explained in more detail is when the lower mind consciousness is turned and absorbed within. When this is done, the consciously projected waves of one's thoughts and emotions subside and so the Reality beyond human thoughts and emotions are perceived as the Pure Intelligent self or the 'I AM' Presence, with Its Greater Awareness and Knowledge of Creation Itself with all Its Divine Understanding.

In this deep '*Absorption*' or '*Dissolution*' of the old mind consciousness you may then perceive that you are in a human form and that there are other Dimensional Realities to Your Existence.

Hence, I make note here of the other Dimensional Fields that have been spoken of throughout the Elemental Grace Alliance Discourses.

First however, you will have to understand that you are corrupted to the point of having treated the current man-made illusions that are separate from yourselves from the direct perception of creation, the natural world and from all the forces that stand behind it. This is why all your present knowledge of nature is so very obscure and will now have to be totally dissolved from the lower mind perspectives. This is why all the knowledge, beliefs and programs that are held within your present mind sets, body and emotional realities, are so far away from the Truth and Reality that You Are Pure Love, Bound Together by the Cohesive Power of God's Cosmic White Fire Light Substance. Thus, what you think of as human spirituality has come to exist so that you can simply return to the point where you can dissolve the self-created illusions and through that illusionary form, Truly Understand the Natural World. Furthermore, the evolutionary Levels of Divine Spirituality now have arrived upon *'The Thresholds of your Doorsteps'* that currently remain unknown to the majority of the human race in this *'Time of Christ'*.

Before I close I want you all to Know something else. I want you to become more aware of Evolution itself. And this is Truly important and why the *'Elemental Grace Alliance – A God Awakening'* book has presented within its pages a summarized reflection of the History of the Earth and the Evolution of Humanity. This Point of Evolution right now has been Known for a very long time and all preparations for the changes to come have been ongoing for millennia. And now, this *'Time of Christ'* has arrived and everything that mankind will need to make this a Mighty Success has already been presented to you, for you yourselves to find the pieces of the puzzle and begin to put them all together, so a Greater Picture will be Seen and Fully Understood from an Evolutionary perspective.

So, a study of Man's Evolution here upon Planet Earth will enlarge your Divine Understanding for the Activities of Divine Consciousness within the next stages and phases of Creation here. I touched on this in my Letter 1 of the Christ Letters, but you should study the subject yourselves and you will be amazed at your discoveries concerning Divine Consciousness in Action.

You will discover that whatever Evolutionary Adaptations take place in the body is exactly suited to the body's new requirements. This is not a Universe Created arbitrarily or without the deepest Loving Concern for the Living Entities which inhabit it. In every case, a Study of Evolution will reveal an IMPULSE at Work Within Creation which displays Knowledge of the Entirety of Creation, Knowledge of the Needs of the least Entity and how to Perfectly Fulfil them.

Therefore, if you can only grasp that you are Maintained and Supported by this Divine Consciousness which I also term LIFE, and can Self Realise that it KNOWS YOUR NEEDS, and that it is geared to answering, fulfilling your needs in the very best way to bring you into a

stress-free state physically, emotionally, mentally and Spiritually, then you can let go your fears and anxieties and you can Divinely Trust It Implicitly.

If only you could begin to Self-Realise this Perfectly, Absolutely, Completely, Comprehensively, Compellingly and could stop thinking that your own little finite, limited minds can plan your futures.

A New 'True Constitution' and 'I AM' One World Nation WILL Come into Divine Consciousness, Indeed LIFE.

'I AM' the Christ Jesus 'I AM' The Truth, The Light and the Way!

**BENEDICTION: Beloved 'I AM' We Praise Life and Its Infinite Blessings upon mankind and the World. We Give Gratitude to the Divine Immortal Existence of the Divine Consciousness. 'I AM' Master of Everything in the Universe by the Divine Purity of Love, and the Peace which 'I AM' and That is Power Without Limit.**
