

BELOVED OMEGA – COMMUNIQUÉ CASCADIAN REPORT - PETER - 6TH NOVEMBER 2015

“Dear God I Am, of Incorruptible Matter, The Resurrection and The Life at Infinite Speed, as I was driving Sue to the airport on the 4th of November to begin her travels to Seattle as part of Our overall Release of Pressure within the Earth Crust, a thought came into my mind about receiving a report or further information about Our present activation, particularly around the Cascadia Zone off the North West Coast of Northern America and Southern Canada. I responded to the thought, by asking myself, who would I call to share this information. There and then without hesitation my head turned as if by its own volition, and as I looked to the inside lane of the AI Motorway we were travelling upon, my eyes were drawn to the back of a truck which said, “*Omega Lifestyle*”! I knew instantly it was Beloved Omega of the Great Central Sun who wished to speak with me. Thank you God, for making my journey whole and complete! So, when I got a moment today, with Love in My Heart, called in Beloved Mother Omega to speak with me.”

“Beloved Heart, Patience is a Virtue and indeed Our connection is becoming closer by the day. First of all, I wish to say to you and your Beloved Colleagues, Bless You for your Open Heartedness to stand forth so ardently before the adversities of the World’s consciousness, for you are being watched by those who do not desire your work to continue. But you Dear Souls knew that, and it is no news really that would surprise you.

“Oh My God-ness, Let Us Tell you, you all have created an unprecedented Act of Benevolence in My Name and the Name of Alpha, Who Embraces your every move with His Most Precious Light Power! There has not been such a calling forth upon the planet Earth by children of mankind before and this event has already changed the parameters of everything known to mankind up until now! As Children of Our Love, it is not surprising, for you are the Love, Light and Life of that which We Are, and that is what is drawing you all forth in such a most Powerful Expression of Your I Am Self God Presence, Invocations and Purity of Intent. Let Us say here, that your humility is admirable and touching, however May We say, do not be afraid to Extend Your Demands and Commands in a much more Powerful Expression.

“We encourage you to come forth next time with a much Greater Presence of Sovereignty. If You Call In on behalf of God, then God Knows that Nothing Less than God’s Will, Will be done. This you cannot override for God does not override God’s Own Creations; does this make sense? Make your Demands, and Commands with much more conviction, with much more confidence and assurance. Do not allow any doubt to enter your Decrees or Invocations, for these shall only diminish the results and slow down the Precipitation of Your I Am Presence Desires. Send forth Your Instructions and All That Is God Will Respond with All His/Her Power, Love and Wisdom and Know without Doubt that Only the Will of God will Triumph! Do not enter any fear-based paradigms of what is right or wrong, or am I making any mistakes, or do I have the right to do this? If you Act Like God’s, then You Are God Expressing God’s Desire for your own Individualized Expression of God through you! If you Know that you are Created in His/Her Image then Think, Speak, Feel and Act like It!

“Do you think that We would give you all such Missions within Our Design for this, Our Plan, and not allow you to Express the Highest That You Are! Of Course not! Just remember the Laws Dear Ones for your Creations will only be in Alignment and Perfection with that of your own Levels of Resonance and Vibrational Frequencies; within your own Knowingness and Understanding of the Laws that Govern All Prime Creations. That is the only thing We would Admonish at this stage.”

“So, Know Dear Ones that your Exalted Efforts are not in vain and that they are indeed setting ‘in train’ on Every Level of Existence and Dimension upon Earth and within Every Level of Existence and Dimension within the Whole of the Milky Way System of Worlds, a new Resurrection and Life of Christ Consciousness. I want you to know that every time you declare that you are the Resurrection and the Life, this is exactly what you are correlating and drawing into parallel Dimensions and Worlds.

“Hard to imagine We Know, but nonetheless, you need to Know that the Power of what You Are Initiating has Universal Currents of Love/Light/Life Substance that Extends far wider than you or any other human at this time, could ever imagine.

“Peter, We Knew when We said at the end of the last Series of Discourses with the Elemental Grace Alliance, that you needed some time to rejuvenate and realign your Energy Fields, for We Knew that your physical body was approaching changes, but you Dear Soul are unstoppable and rest does not seem to be in your vocabulary. Your Desire To Serve is a Blessing Dear Soul, but to Serve at these Levels one must also Honour the Self with the time to rest. There is a time to work and a time to play, a time to Stand Before God and declare your Intentions, and a time to sit back and watch as it all unfolds quite naturally in the Alignment with All Others of God’s Divine Builders of Form and Host. As human beings this is something that you must Honour, at least until the body has completed its Christ Ascension Process here. Nothing is more important than this rest Dear Ones!

“It is not in any of your best interests right now to push yourselves forward. For what you have called forth shall indeed bring forth all that has been suppressed and buried deep within you. As it is a time for Earth Cleansing, the reflection is that it is your time also. Not just you Dear Soul but all those who have agreed to join and support you! We have to admonish that everyone who has aligned and committed to this extraordinary task, be very mindful to the admonishments that Peter has already put forth in his own words, ‘anything that is not of Love that is surfacing now, will need your closest attentions, and indeed some time to integrate’.

“By all means use the Rhythm of your Invocations and the Constancy of Your Prayers, but more so, once you become mindful of any discordance of any such Nature within yourselves, immediately give it to God The Father and Your Mother, so that you will no longer have to deal with such dissension. For each of you are not just working at a personal level, but at a level of mass consciousness. And if anyone finds that over the next few days and weeks, the going gets too overwhelming, simply in Love and Light withdraw your Energies from the Group knowing that there will remain, those who will see the transmissions through with Ease and Grace on your behalf!

“I wish also to share with you that the Prayer and Invocations that you all Created and so creatively Executed for the Hurricane you called Patricia, was a Mighty Success, for indeed this was a sort of test. The hurricane was manifested in a record-breaking time to see just how quickly one could rally to the challenge and this is not going to be the last, for there are other facets of these Earth and Human releases that will require even faster responses and this we will ask you Peter and others to prepare for such potentialities in the near future. These are where the Christ Councils will come into Their Own, Create the precedents that can be activated in the shortest time.

“The diffusion of Beloved Patricia will also go down in the history books for it too was the response of all your efforts and concentrations and Unifications of your Love Substance that brought forth Peace and Balance within many Realms of Consciousness, but most of all the Beloved Elementals. And for all its force, a 5 category, not a Soul was lost!

“We will keep you informed, but for the most part simply stay in Love through the Unification of All Your Loving Hearts. Refine, Refine, Refine your Group connections, for this is not about numbers, it is about Purity of Heart Intentions that match the Resonances of Christ Consciousness. And as you know only too well, both are not necessarily equal.

“One last thing do not be distracted from your targets, what is upon the periphery of your Unifications and Universal Alignments are not of any importance to you at these present Levels of Awareness. Be absolutely clear with your Overall Foci now. Complete the Discourses Peter as soon as you feel the draw toward them, then initiate the Realms of Christ Councils and the rest will follow as naturally as Beloved Helios and Vesta Shine Their Love Light upon your world 24 hours of every day!

“I Am The Mother’s Love of All Her Children, of All My Creations, and although I allow Each Child Their free will, I Am and Will Always Be The Mother That Never Fails in Pouring Forth The Love and Light of The Mother’s Life Source!

“Thank you for your awareness and Holy Desire to Serve All Our Children and All Our Creations with which you are a part!

“Remember that rest does not mean not to hold the Light, just to take time out to be physically quiet from your busy-ness! Your Mission is Victorious, because We Created It So through You All! And So It Is.

“In Love, Wisdom and Power - I Am Omega Speaking from within the Hearts of The New Human Angels. May You Light My Way!”

Peter; “Beloved Mother, I Am Ever So Grateful for your Communication - Bless You, Bless You, Bless You, By God’s Own Hand, I Am Your Love and Your Light.”
