

Discourse 1 - Cosmic Christ Academy

ATHENAEUM INTRODUCTION - PETER, 11TH FEBRUARY 2023

Brothers and Sisters of Our Human Soul Family, Welcome one and all to the Cosmic Christ Academy - Athenaeum Online Temple of Higher Education to Assist Humanity, 'en masse', to raise their human consciousness into the Higher Realms of Christ Consciousness.

To have a clear understanding of what this Cosmic Christ Academy is offering, it is important that the Qualification of this site is clearly made. Albeit, this very brief Introduction will expand exponentially, as one enters the deeper levels of review, study, investigations, experiences, growth, and development, as well as the self-application of all that may be new to one's everyday life! To Know the Christ within You, and everyone has this Living Three-Fold Flame within them, just at different levels of Radiance, one has to walk in the Shoes or Sandals of the Christ, figuratively speaking, to understand that The Christ is not a person, is not physical, has no form of Itself but can be seen so Beautifully in Nature and certainly in man and woman who have cultivated the Universal Creator's Light and Love in their own lives. Christ Consciousness then, is not a personage as many would believe it to be. Jesus Radiated Love and Light having stripped Himself of the illusions and untruths of human beliefs and programming.

Thus, the term Christ, having been given to Him by humanity, who saw these Qualities and Virtues in Him, thought He was the only Christ and thus personalizing the personage for Him alone, not realizing that this Universal Prime Source Energy belongs to all, if they but follow the Cosmic Laws that pertain to Its Generation and Regensis of the lower human consciousness, replacing it with the Higher Christ Mind or Universal Consciousness. Jesus became the Christed Being He did, not by claiming the Christ Consciousness for His Own, rather, He became so aligned to this Universal Consciousness, which has no form, but He Gave It a Form of Perfection, in His own Likeness and Similitude of its Qualities and Virtues to Gift Its Love to the People of Earth. For the Purpose of His Mission as a World Teacher, Jesus coined the phrase, 'The Father', to assist Him in His Teaching of the Jews the Greater Awareness of the Universal Christ Consciousness. *More about this within the Archives of this Athenaeum Temple of Truth, The Christ Returns, Christ Letters.*

Jesus The Christ shares this excerpt within His Book 'A Course of Love' by Mari Perron.

"Your Heart, not to be confused with the pump that runs the body, but identified as the centre of yourself, has no thought system separate from your own and must exist in the reality where you think you are.

“The beginning of all transformation is at the source, and this is as true of illusion as of the Truth. You see your body as yourself, and yourself as ‘source’ of all that you have done and felt in all your days upon this earth. Yet your real Source is at the centre of your Self, the altar to your Creator, the Higher Self in your Higher Heart you Share in Unity with Christ. Christ is the ‘part’ of God that resides in you, not in separation but in the eternal wholeness in which God and you together exist in Truth.

“This is not as easily said about the concept of not being separate however. The only thing you find really difficult to believe is that you are in union with your brothers and sisters, right now, today. To believe in God without understanding God is one thing. To believe in your union with your neighbour without understanding either union or your neighbour is something else. This belief will not necessarily bring you comfort or do you no harm. What if you believe in the goodness of your neighbour and that belief is unwarranted? What if you are trusting and find that trust to be misplaced? What if you are simply naïve and are taken for a fool? What if you are wrong?

“A similar fear strikes your heart when you consider giving up your belief in the body. To believe you are not your body while you walk around within it is something quite different than believing in God. Here all the proof available would say that you are wrong. All the proof of your eyes and ears, as well as that of science, would say you are your body. Even history would seem to prove this fact as you look back and say even Jesus died before he could rise again as Spirit.

“I Am here to teach you once again because I was the ‘example Life’. Do you believe that when I walked the earth, I was a body, or do you believe that I was the Son of God before I was born into human form, during the time I existed in human form, and after I rose again? This is rightly called the mystery of Faith: Christ has died, Christ has risen, Christ will come again. What is missing from this recitation? Christ was born. Nowhere in the Mystery of Faith is it stated that Christ became a body.

“You have not been told that the body does not exist, only that it is not you. Like all tools you made, it is illusion because you have no need of tools. But while you believe you do; it is quite real to you. To give up the body entirely is a choice you need not make. As your learning advances you will see that this is possible, but there may be reasons not to choose this. At this point, however, all that is asked is that your body is seen as what it is, both in terms of what you made it for, and in terms of the way in which you can now be guided to use it for the benefit of all.” End Excerpt.

‘Athenaeum’ is an old Greek word meaning a place of studying literature, science and the arts. But it was also a place where Divine Truth was studied, intuited, spoken and shared through Oracles and the like, and so this site, this Inner Temple of all who wish to place Truth, Wisdom and Peace within their heart or Higher Heart to raise oneself out of the quagmires of human miscreations, untruths and all of life’s hardships, can begin this Journey

by placing Truth, Revelation and emotional, mental, physical and Spiritual Sanctity, on their own Paths to Life More Abundant, Liberty, Freedom, Joy, Happiness and Well Being.

That Crete Temple of Truth had been Designed and in Perfection at the Inner Levels and was only visible in the Etheric Realms of Crete. Its Divine Pattern formed the basis of the design for the Parthenon that was erected to the Goddess of Truth, Pallas Athena around 450BC. Beloved Pallas Athena is believed by many today to be a mythical or archetypal being, but we know that Lady Pallas Athena is a True Living God Being from the Masters' Octaves of Whom we may speak quite naturally with Her and many other God Intelligences here on Earth today, as will be realized within the Archives of this Place of Study. And so, the name '*Athenaeum*' was derived from the name of this Beautiful Goddess of Truth, Lady Pallas Athena. And this is why we have dedicated this Site to Her as well as many other Dear Masters, such as Lady Portia, Goddess of Divine Justice and Her Divine Consort, Lord St. Germain, the Present World Teacher who replaced Jesus after He made His Ascension 2000 years ago.

So, understanding the difference between what is Truth, and what is a lie, will make itself known, when one moves their human consciousness of lies and illusionary beliefs, into the Realms and Dimensional Frequencies of the Christ Consciousness (*Masters' Octaves*) and the True Reality of God Life here upon Earth, and that begins when one, through the Divine Understanding of Cosmic Law, where no human law has dominion over it, and embraces it fully! The reverse is the Truth!

The word '*God*', for example, is hereby defined and is not to be misconstrued as a personage or entity in the representation of the Godhead, as the term is commonly used within organized religions, groups or communities. ***'The Eternal, Infinite and Divine Source of Creation can only be found deep Within oneself, the Inner Heart of One's Spiritual Source'***. This is referred to as the Inner Christos or Christ, the God Within, the Holy Spirit, Higher Self or the 'I AM' Presence, that is dedicated to the Divine Love, Truth, Peace, Harmony, Joy, Divine Justice, Abundance for All, Perfect Health and Wellbeing of one's life in family, both biological and Brothers and Sisters of your Greater Soul Family!

In comprehending the proper context for the use of the word, '*God*', and to begin to explore the deeper meaning, is to dedicate oneself to '*Seeking the Truth*' in all matters in life, to develop Purity of Heart and Purity of Mind through dedicated self-inquiry, and to '*Remember the Truth*' beyond all fear. The result is '*Divine Happiness*'!

Thus, Truth Seekers are Sacred within Universal Law, and are Supremely Protected by God's Truth. But do not forget that God is not a personage in any type of physical form, but rather a ***'State of Beingness', 'A Higher Universal Consciousness' that is grounded into a physical plane of existence in form, for the Glory, Victory, and Freedom of Humanity by its own people.*** The Beauty of Be-Coming God Consciousness, also known as Christ Consciousness in matter, is Spirit in matter! Just as Jesus the Christ was Spirit in matter!

Religions of today all have an Essence of this Truth within them, but the Full God Consciousness can ONLY be Opened to human beings, when the Cosmic and Universal Laws are understood, comprehended, and followed, without exception, as Jesus the Christ Demonstrated to humanity in His time upon Earth.

God or Universal Consciousness is the Only Authority, the ONLY Governing Power, because it is ***'Just'*** and ***'Unconditional'***. This is why the *'free will'* of humanity must be allowed, so that mankind can understand what *'Authority'* means in their own lives, in their own time. The *'Law of Authority'* gives everyone, without exception, that Power, but the failings and liabilities and accountability come to those who misuse such power, as *'free will'* and *'human authority'* in this sense are one and the same! *(More information will be found within this Site within the Collections of the 'True Constitution' and the Declaration for The Freedom of Humanity.)*

Let us now look at the word *'sin'*. A word that has attached to it more negativity in the world of religion, remains misunderstood and which, if not apprehended and fully cognized here for its more rightful use in this narrative and explanation. *'Sin'* then simply means the blockage or limitation of Light! The inability to work with Divine Grace and the Light Body! A term denoting the triumph of the self-serving earthly side of life as the ego personality. The ability to misuse or ignore the Mysteries and the Divine Teachings and to Fully demonstrate a lack of Divine Faith. So, please do not get caught up upon this word, else you are not placing your attention upon your Higher Self, but your inability to see the Truth that what is being shared here with you in this Introduction for what may come throughout the Athenaeum Archive Collections herein and beyond.

The word *'repentance'* through its rightful metaphysical application has several benevolent references.

- Elijah is a Prophet of Divine Will, and True Repentance. The True meaning of repentance was corrupted by the church as a means of gaining power for their priests. Repentance is not thinking we are flawed and imperfect, needing another to make us feel validated, to forgive us for our sins. There is no guilt involved.
- Repentance is sounding a call for yourself, and by extension others, to Hear the Voice of the Soul, and to re-gather all the scattered and fragmented parts of yourself back into wholeness, to recollect and reunite all parts of yourselves around this one Voice of the Soul. In this gathering, we re-collect ourselves and return to our Original Source, our Original Wholeness.
- Repentance gives people an opportunity, a crack in the veils that allows them to hear the call of their own true nature, to return to the still small Voice within, that always Knows. This Voice, that is always present, has the Power to follow its Guidance, its Original Memory of our unique Soul Blueprint, in ALL situations.

- Repentance serves to bring us into Divine Will, the Will that serves Love. There is no love without Will. Will creates the basis, the foundation, the platform for which Love can spring out and express itself and be anchored and sustained within the maelstrom of forces that create the world, as it is lived in today.

There are no rules in Divine Will. There is no dogma or doctrine. Its actions are different for each one of us, yet its results in our individual lives are the same; *'surrender'* and *'repentance'*. Repenting leads to a surrendering, and a forgetting about who and what you were before, in order to step into a whole new *'You'*, sloughing off the old skin of the separated self, just like a butterfly does out of its chrysalis. When we repent, we come out of the cocoon of the ego, open our eyes, and enter the realm where we can be a light unto others by shining our own light brightly, a light that is shining brightly because it is surrendered to the flows of Life.

To close this Introduction just one more definition that few people upon Earth truly Understand and what all references within this Athenaeum Temple of Truth places all its focus on, is the word - *'Freedom'*. How many people feel what *'freedom'* means in God's All-Seeing Eyes, where no separation consciousness exists and where everyone works together on every level of societal and communal living. Where no-one is neglected, trod upon or not Honoured for the Truth of The Reality of their own Godliness within them, seen or Unseen, where every man woman and child upon Earth, WITHOUT EXCEPTION, are Loved, Cherished and Blessed Equally.

It is the ONLY True Purpose of Life upon this Planet; the Right To Be Free, and that is what this Site dedicates its Work, to now Known as the ***'Cosmic Christ Mandate'***, that includes a New ***'True Constitution'***, A New ***'Declaration For the Freedom of Humanity'***, within an ***'I AM' One World Nation*** where ***'Human Rights'*** are Divinely Acknowledged. Where every man, woman and child are God Free in a Life of Abundance, Love, Light, Joy, Fulfilment of every need, and Healed from all imbalances on every level. Humanity now has the God Plan to do all this, but now we need you. You Who Know why you are here upon this Earth at this time of such tyranny playing out today, the chaos and malevolence that deny humanity their Human and Humane Rights According to Cosmic Christ Truth!

Please feel into this God Definition and if it rings True in your Heart all that you need to make this come True for the whole of Humanity lies within these archives waiting for your response to join in this Universal Call to Love! Your Freedom is already there within you if you can only Magnetize it to the surface to Live within your life from this time forward. This has nothing to do with any racial differences, customs, colours of skin, gender, male or female, religious denomination or beliefs, political differences, spoken languages or personal desires. This is all about the removal of all separation consciousness for the Truth Is we are all one here upon this planet. We are the Air, Water, Fire and Earth, We are the Elementals, Devas and Angelic Host, We are the Animals, Birds, Fish, Plants, Trees and Mineral Kingdoms and We are not bound to this Earth, or this Solar System, or even Galaxy,

if we only try to bring balance to all our mistakes by entering a new narrative about what we believe is happening in through and around us that we give all our attentions to. The world will not find resolutions to world problems unless the narratives are raised up into the Christ Consciousness for the Answers. The answers we have, but the people to out-source the *'Love in Action'* are needed to be counted now to embody this Divine Movement toward the freedom Of Humanity!

The time to awaken from a deep sleep Dear Brothers and Sisters, is in this Now Moment. Awaken to your own Freedom First and all of humanity will follow in Divine Order in Peace, Grace and Ease. This is God's Proclamation for Humanity, and nothing can or will stop this world movement now. It is Indestructible, Immutable, Undeniable.

The 'Cosmic Christ Mandate', also called 'Operation Freedom's Gate', is now Consecrated, Activated and Grounded upon the Earth by physical human beings, to allow those who can find that Freedom within themselves, to bring forth the Christed Light for all to see from within their own Higher Hearts!

'The Second Coming' has begun!

The Cosmic Law of Freedom

'The Law of Freedom is that movement which enables human beings the space to expand and grow in their ability to function in a manner that will allow others their Freedom and space to grow, in order to Free still others. Freedom is not a final 'State of Being, but an Ever-Expanding Action of Giving each other the space to create space for others, to create more space for still others yet to come. Freedom may be helped or hindered by human laws, definitions, principles, descriptions, disciplines, and boundaries. However, ALL Universal Laws, Free each and every one within a Unification of an Environment of Divine Synthesis instantaneously when Activated from a Rightful Application to God Life. Any Law which does less than this, is subject to the Rule of a Greater Law.'

'No one is Free until each is Free, and all are Freeing each other'.

Beloved Master Djwhal Khul Speaks:

"I ask you then, to Align with All your colleagues throughout the World and Realize that they are in every country, YOUR SOUL GROUPS are in every government, in every walk of life. Align with these and Sound Your SOUL GROUP Note, which is the Word of Decision, Your Note, in thought, in feeling, and in physical actions whether by Right Word or Right Activity, so that the Totality of this Aspirational Consciousness will Sound Forth and be Heard by ALL, whether they hear it audibly with human ears, or Silently within the Soul Group's Silent Heart! Do not limit this particular State of Consciousness to those whom you would consider to be Disciples or Initiates. This is Truly a Big Ask to do Consciously, but you can do it if your set your Heart and Mind to do it!

“Realize that every individual, every man and woman, and certainly the ‘Children of the World’, who would seek a Quality of Life and Freedom Of Spirit, not only for themselves, but for all others, no matter what colour race or creed, religious background or political persuasion, gender, male or female, those who look toward a Divine Being, or whether from within an orthodox church form, whether an atheistic point of view, whether from within the field of science, or from within the occult realm, that all of these constitute an Aspirational Consciousness. Speak Out, Speak Up! You Who are at this particular time in the Position of Being Representative for the Body of Christed Consciousness, Speak Aloud or Silently, then Sound forth The Great Invocation, The Silent O.M. and Cast your Vote to Raise the Consciousness of ALL Sentient Life here!

“Do not permit the appearance of the pairs of opposites within world affairs, and the apparent conflict between the two, to undermine your Security in a Realization of the Power of Light to balance these opposites, the Power of Light to Reveal the Truth lying between these pairs of opposites. And in your own life, endeavour to think very clearly regarding all that you might see, to stand midway between these opposites where the Truth regarding both is Seen for what it Really Is, as Soul Consciousness Expressing Group Experience.

“This is a period in which each Disciple or Initiate is being Called Forth to dedicate as much of his or her subjective time and effort as he or she has available to the working out of the Divine Plan within their own and World affairs. This is your Opportunity to be of Service.”

The Note Is Sounded!
