

PART 1 - THE LION'S GATE – FAMILY OF LIGHT – LORD METATRON, 27<sup>TH</sup>  
JULY 2021

**INVOCATION:** Beloved Mighty All-Pervading Presence, Open the Door to the Altar of Our Hearts Allowing the Christ Consciousness to Blaze Forth. We Are Calling to Your Majestic Presence, Creator of All Things, Your Limitless Power, Your Perfect Fulfilment of Every Need and Highest Inspiration which has Revealed the True Reality of Living and Expressing Your Unconditional Love to ALL Life. Come and Lift Our Hearts and Receptive Minds Into Your Divine Consciousness and Loving Intelligence That So Marvellously Designed this World and Brought It Into Form as We Have Committed Ourselves to Your Care. Giving Us the Wisdom to always Achieve a Loving Response to any influences That are not of Your Consciousness so That We Continue Establishing a Framework of Your Divine Consciousness on Earth.

**LORD METATRON:** Greetings Masters, I Am Lord Metatron from the Offices of the Christ and come to you today to help Lift your Awareness into Higher Consciousness, so that you open yourselves sufficiently to take advantage of the Energies now arriving on your Planet for the Cosmic Alignment you call the Lion's Gate on the 8<sup>th</sup> August, 2021. In My Discourse with you;

*'Part 2 - Adam Kadmon Race - The Christ Councils - The Elemental Grace Alliance Council - Metatron, 11th August 2016', We spoke of the following!*

*"The Truth is, each Evolutionary Stage of any particular world has a series of Pyramidal Structures of Light, that act like Dynamos and Transformers for the Radiation of Centripetal Life Force to be Radiated outwardly to other Pyramidal Structures of like Nature and Purpose, so that the Grids can be built all around the Entire Evolutionary World or Universe.*

*"This is now being Proposed for the Elemental Grace Alliance for the purpose of moving into its next Levels of Creation. To pass through the present levels of human consciousness, we need to move beyond this present 3<sup>rd</sup> dimensional state of awareness into the next Level of Multi-dimensional Awareness and Creational Abilities! This makes sense does it not? This is done through the Creation of more Powerful Pyramids of Love and Light Energetic Forcefields!*

*"So the New Narayana Joy Akasha Sanctuaries are being offered these Newly Constructed Pyramids of Light which shall be Programmed through the Great Central Sun, so that all those who Work within them shall be able to be in constant communication with Higher Realms, Evolutionary Intelligences of All Levels and Dimensions. Remember, we spoke of the Adam Kadmon, who shall not only Work with those of this world but will Work in multiple ways with other Worlds and Universes for they shall not be limited just to this World or Universe."*

And

*"What I Am telling you here is, that every one of these Pyramids, along with each New Member of the Adam Kadmon Man and Woman, will show that Universal Mind is Omnipresent, Omnipotent and Omniscient in All of Creation and not just limited to a single*

*world! It will demonstrate how, through the experiential use of it, just how fluid Divine Consciousness Is, in Every Level of Dimensional Flow.*

*“These Pyramidal Structures will do more than that, they will show just how Pure Consciousness is the Principle Constant within The Adam Kadmon Man and Woman, just as it is with All Higher Beings of God Intelligence and All of God’s Creations!*

*“As these Pyramidal Structures are developed into their Greater Capacities and are Fully Operational, and enough are set up around the world, they will become receiving Stations or Centres of all sorts of data and knowledge that will inform the Directors and Councils of such Temples as to the State of All Levels of Consciousness and needs for each one! This shall include the complete range of Life Strata’s, and Dimensional Fields, such as micro-organisms, minerals, metals, all elements, ecosystems, biomes, geological and evolutionary information.*

*“They will replace and become, the new Pyramidal Energy Temples within this Earth Realm and Universe that are presently Streaming the State of the Human Consciousness and Planet in all aspects of Energy Grids both in balance and out of balance. The Evolution of Mankind is now at a place in time, ready to take on far Greater Responsibilities, in taking Full Control of an Evolving Universe Themselves! And these New Radiating Centres shall be the turning points for this to happen! Once they are in Place and Operational they shall make the existing Pyramids around the World redundant, replacing them in all aspects of Their previous Designs!” End Excerpt.*

Now that I have your attention, today, another facet of this information is going to be shared with you and the importance of this Cosmic Alignment Called the Lions Gate! Be also mindful of the Sphinxes as I say this for equally these Sacred Site Structures play a very Unique part in the Evolution of Human Consciousness upon this planet and through thousands of other Universes that will be affected by the Transformations that will take place here. Never has there been a more important time upon Earth for humanity!

The time has come for these New Pyramidal Narayana Joy Light Temples and Sanctuaries to be Created, but it will take some serious Inner Work from those who have come to Align themselves to this Work. Many who have come are still unaware of what this is all about and the Inceptions of Light that will pass through the Earth via the existing Stone Pyramids which will help, to both wake them up and for those who already Know Who They are to be Activated so they shall be able to raise their Levels of Consciousness, Resonance and Light Quotients to be able to effectively and with far more efficacy, step up to the tasks at hand by being able to deal with all matters of these Transitions on all levels of human condition, resistances and outer influences that will extend themselves to try to keep these potentials in abeyance. But I tell you, the Power of these Light Transmissions alone will diminish the hold upon humanity to stop or suppress this Divine Cosmic Movement any longer.

As you develop more fully your 12 Christed Divine Virtues, you allow the Truth of Divine Love of the Creator to Work through you, that shall allow you to become stronger and stronger

even while in the human form. You will become Spiritually Re-Spatialized to allow yourselves to become as the Second Adam, Lilith Kadmon Man and Woman, a New Being, who shall Represent the True Nature of the Spirit, Radiating and Emanating Divine Glory. Once your human consciousness can look beyond its physical limitations with the Power of Christ Consciousness, you will discover your Genuine Creative Self, Your Christed Over Self of the Light.

At this time of space-time overlap, the Time Binding and Contraction, human consciousness is being pushed to re-Awaken to the Fuller Collective Consciousness. It is therefore now the time to stop all separations, to heal and make Whole again the divisions in all aspects of one's life and begin to see the Love and Unity that exists amongst all manifestations of the Adamic Race as a Family of Light and Eternal Life.

For those who know their Cosmic Family, are able to function with a Higher Wisdom, providing those working with the Light of their own Connection to God or the 'I AM' Presence is Fully Activated. As this takes place one moves beyond the power of the 'self' and their own 'free will' which has kept humanity tethered to this physical earth-bound reality which will pass away. A Human Evolutionary System matures only when it can become a Family, working in Oneness with the Living Light. When this finally happens, then all embodiments are Enlightened and Transformed whether in the regions of Living Visible Light or within the Invisible Realms and Dimensional Fields that will Finally Open the New Cosmic Awareness to Humanity here on Earth.

In the DK Discourse given to you in November of 2019, Master Djwhal Khul spoke to you about the Element of Fire, '*Part 1 - Divine Economy - The Law of Synthesis – Master Djwhal Khul, 4th November 2019*', He shared;

***“The Law of Magnetic Impulse.***

*Also known as the first step towards marriage, or the Law of the Polar Union. It results in an eventual Union between the man or atom and the Group which produces harmonious Group relations. The Law of the Polar Union, and the symbol is two fiery balls united by a Triangle of Fire, thus picturing the triple interplay between all atomic structures. The Ray Energy is Radiatory Energy of the 2nd Ray as the Manifesting factor.*

He also speaks of the Law of Attraction and Repulsion;

***“Law of Attraction and Repulsion.***

*“The Law of Attraction and Repulsion is fundamentally the Law that describes the compelling Force of Attraction that holds our Solar System to the Sirian System. That holds Our Planets revolving around Our Central Unit, the Sun. That holds the lesser Systems of atomic and molecular matter circulating around a Centre in the Planet. That holds the matter of all physical plane bodies, and that of the subtle bodies co-ordinated around their microcosmic centre.*

*“The general Law, which produces Cyclic effect, is the Law of Attraction and Repulsion, of which the subsidiary Law is the Law of Periodicity, and the Law of Rebirth. Cyclic Evolution is entirely the result of the activity of matter, and of the Will or Spirit. It is produced by the interaction of active matter and moulding Spirit. Every form holds hidden, a Life. Every life constantly reaches out after the similar life latent in other forms. When Spirit and matter sound the same Note, Evolution will cease. When the Note Sounded by the form is stronger than that of Spirit, we have attraction between forms. When the Note Sounded by Spirit is stronger than that of matter and form, we have Spirit repelling form. Here we have the basis for the battlefield of life, and its myriad’s of intermediate stages.*

*“This Law is, as we know, the basic Law of all manifestation, and the paramount Law for this Solar System. It might strictly be called the Law of Adjustment or of Balance, for it conditions that aspect of electrical phenomena which we call neutral. The Law of Economy is the basic Law of one pole, that of the negative aspect; the Law of Synthesis is the basic Law of the positive pole, but the Law of Attraction is the Law for the Fire which is produced by the merging during Evolution of the two poles. From the standpoint of the Human Being, it is that which brings about the realization of Self-Consciousness.*

*“Under this Law the Karmic Lords are enabled to bring together those lives (human, subhuman, and superhuman) which have earlier been associated, and have, therefore, somewhat to work out. The Seven Heavenly Men, for instance, are a few out of the Great Band of Associated Lives who have chosen to come into incarnation in this kalpa (kalpa used in this context, refers to the period of time between the creation and dissolution/recreation of the Universe. This cycle is around 4.32 billion years) for purposes of mutual help and mutual correction. They are really destined to work together, but nevertheless on other Cosmic Planes they have Points of Contact unknown to us.” End Excerpt.*

What has already begun and as part of this Lion’s Gate Activation, is the beginning of becoming far more aware of the interrelation and interaction of those Intergalactic and Other Universal Realms where these Cosmic Planes exist. Your DNA is being offered the Opportunity to be Awakened in each Individual, According to Cosmic Law and one’s readiness to step into the Christed Consciousness or make another distinctive step toward it! In your Cosmic Review by Our Sister Sue for this Lion’s Gate, ‘*Lions Gate and Leo New Moon 2021*’, she says;

***‘Consciousness is now beginning to outstrip man and is reaching out for a Higher Form. But the new form must emerge out of the old one, so, deep within Human DNA, New Mutations are being triggered.’*** End Excerpt.

I wish to tell you that these ‘Mutations’ can only be Activated by the Law of Magnetic Impulse or the Baptism by Fire. So consider very carefully what Sue has brought to Light as she does with all her Cosmic Reviews. I tell you, without a True Understanding of the Cosmic Cycles or the Movements of the Planets in relations to the human incarnation and biology, humanity would be lost in their ignorance to Life and all that sustains it! History will show you that the

study of the Planets and Asteroids through Esoteric Astrology and Astronomy is an integral part, from the Human Biology to the Universal Cycles of Life!

None of this is new to you Dear Masters, for We have been supplying you with all the Information and Knowledge that will one day help to show you that Reality is not as you deem it to be. Your world as you think it to be, is a place Where Balance and Responsibility, Acting out a Creational Endeavour as *'Launching Pad'* or ground for Higher Evolution where not only you but all Sentient Life Forms which are part of you, that make up you is One with All of God's Creations. There is no separation, no division, no fear, no illusion but simply Divine Love and Truth of the Law of One! But you still do not remember this and so We must help you to Remember as soon as is practically possible. You are Who We Are Waiting for. You, are Who You Are Waiting For! So Let Us All Rise Up to this Mighty God Awakening!

In the Discourse By Master K-17 He described Baptism for you, *"The Baptism of Grace - K 17 27th November 2020"*;

*"Baptism is the Action of Sacramental Elements, (note the word Elements), whereby the 'Elect' becomes One with the Christ. The passing from the great bitterness of the world into the Sweetness of God, from the carnal into the Spiritual, from the physical into the Angelic, from the created into the Pleroma, or the Fullness of all the Divine Realms of Consciousness which is normally an Action of Love that provides for the Restoration of the Light into the lower realms for Re-Integration and Re-Membering of One's Divine Source of Being. In other words, from the flesh into the eventual Sonship of the Light!"*

*"In the Act of Baptism of Immersion, the individual contender or applicant and now in this New Golden Age, the Potential Group Immersion as One Group, One Focus and One Activity, whereby the darkness or shadows of the outer world and old human consciousness that no longer serves the biology, thus allowing the Robe of Glory, or as St Germain describes the Freedom Robe can be placed around the Individual or Individuals so that he or she or they may be Glorified with the Kinship with Those of the Higher Luminous Worlds. In Gnosticism there are three Baptisms: The Baptism of Water to awaken sleeping consciousness to the Higher Cosmic Seed; The Baptism for Rebirth, the Activation of the Christ Consciousness Within, that Paves the way to a Higher Rebirth of Consciousness and Vision; and the Baptism of Light, which activates the Body Elementals of the Blood down to the very DNA-RNA, capable of Resurrecting the Body, through the Rightful Application and Use of Divine Light. Also called the Light Ineffable or the Sacred Cosmic Christ Love and White Fire Light Substance." End Excerpt.*

It is these that we shall Speak of in Part 2 and its Relation to the Family of Light, the present Stone Pyramids and the New Light Temples of the Narayana Joy Sanctuaries.

It is time for all those who wish to take the next step to place their whole focus upon the Pure Intent to transform all in one's life that no longer serves them. This is an Opportunity of the Highest Magnitude of which we have placed a great deal of effort and focus upon the many

groups around the world, especially the Elemental Grace Alliance and this Divine Plan to open the Portals and Anchor these new potentials far more consciously than many others.

I have told you before, *'Time Contraction'* is upon you and if enough of you can fulfil your Responsibilities at this time that Contraction will assist greatly for this world to return back to its Original and Natural Time Cell.

You are part of a tremendous extended Consciousness Continuum, an interplay throughout a multitude of Universes, not only with Quantum Entanglement, but that of one's own extended Being which penetrates and continues to integrate within many other Dimensional Fields. To Understand this with Greater Clarity, even from within your physical realm as what appears to be a physical being, one requires to Seek the Truth of your Higher Collective Identity, which starts by being in Service to Others. This ***'Act of Service'*** in its Highest Forms of Unconditional Love, is the Activation of the Higher Heart which is what opens the New Portals of Light that will allow the Grafting back of the Tree of Life to the Cosmic Wholeness of Creation which Lord Melchizedek spoke of His ***'Take Charge'*** Discourse recently! (*Part 10 - Vol 5 - Inception of Light – Take Charge – Lord Melchizedek, 7th July 2021*).

A *'Window of Opportunity'* is opening for the conceptual and visual understanding of your Cosmic Family, even on your human scale of events. You have always been connected, just not so well aware of it until now! We shall come together again tomorrow.

I Am Lord Metatron, in Service to Our Creator God In You.

I and My Father Are One!

**BENEDICTION: Infinite Presence of Light, We Are Thankful for Your Freedom of Divine Love Expressing Itself Upon and Within Our Radiant Circles of Light, Holding Us Each Within Your Love, Power and Wisdom Unceasingly. We Give Praise and Adoration for the Christ Mind and Heart, Its Healing Light, Your Flame of Purity Everlasting Held In the Mighty Hand of Justice and Cosmic Law. 'I AM' the Law of the Victorious Presence That Forever Dissolves All Obstacles Moving Forward Into Humanity's Eternal Freedom.**
