

PART 2 - COSMIC LAW OF PETITIONS – THE DIVINE AMNESTY DISPENSATION - PALLAS ATHENA – 19TH JUNE 2019

INVOCATION: Thou Mighty God! We face Thy Sunrise! These Thy Children face the Sunrise of the Soul and receive Thy All-Sustaining Power, Thy Courage, Thy Wisdom, and Thy Illumining Presence. Thou Mightiest of all Energy! We Accept Thy Presence. Thou All-Powerful, Active 'Presence' animating our minds and forms, Thou Mighty Intelligence! We Accept Thy All-Powerful Activity directing every movement of the outer form, holding it close in Thy Mighty Embrace.

Beloved Ones, I return to day to share with you more of the Truth and Wisdom that shall assist you greatly if you can find your way into your Heart Knowing, and then review from this place where you are today within your daily lives and then take account of where you feel you are! For I tell you with Hand on My Heart, not all that you think you understand you actually comprehend fully! Not all that you may feel you have achieved is actually that which you have embodied fully! Not all that you read with your lower mind allows you to acquiesce, accept and set into any Impersonal Love in Action just yet.

If you wish to Stand and Face the Sunrise of the Soul and receive Thy All-Sustaining Power, Thy Courage, Thy Wisdom, and Thy Illumining Presence, you must also be sure to analyse yourself first and see just how truly sincere is your determination to have and Serve the Light Unconditionally. Look more deeply at the outer appearances around you, but this time lift your consciousness Higher, to become the Observer, not the doer! To Serve this Love and Light Voluntarily, offering and giving your Energy Reserves to this any Divine Plan, will require your closest attention to your creations and outer world appearances. If you ARE sincere, then Stand Forth in the Light and then Move Forward with a Greater Awareness; Expand, Expand and Expand! Awake! Stand to the Light and Serve ONLY the One Presence that is Righteous in Its Justice.

Know that God, the Mighty 'I AM' Presence in you, Governs and Controls All in Perfect Divine Order. As the sea holds all created Life in its embrace which is designed for its sphere, so the air holds within its embrace those created forms of Life belonging to it. These are two links ever active between the human and the Divine, or the physical and the White Fire Body. We may call upon these forms of Life to give us the best of Their Element.

Man is the only creator of inharmony. The Elements and Their inhabitants are always harmonious in Themselves, and it is only when one gets out of one's Element that inharmony is created; but the inharmony is not of the Element itself.

The human element, or outer sphere of mankind, is the only element in Creation that deliberately creates inharmony and consciously misuses the Energy of the God sustaining it. I explained this in My last Discourse. This is the only sphere in the Universe where those who function within it have taken command and declared themselves independent of God. I mean by this, those who are refusing to Acknowledge the active Presence of God in their lives. You who are reading this have made your Declarations and Decrees, or perhaps you think you have? There is no judgement here, for what I am endeavouring to highlight once more what St Germain shared in his GESARA Discourse Part 2:

“I can assure you that without the Full Recognition and the Integration of your True ‘I AM’ Presence, your creations will continue to manifest out of the old patterns of unbalanced and discordant beliefs. I say, True, in this statement, because there are still so many who claim to be working under the guise of the ‘I AM’ Presence, but it is not the ‘I AM’ they are engaging, but the ego personality, who cannot or will not release its hold upon the consciousness of the beholder. We keep telling you this, yet even those who have closer tuition from the Masters, and more detailed instructions from Us, still forget or do not wish to see this Mighty Truth! I say again, any sort of glamour, but more so, spiritual glamour, has NO PART in the Divine Work of the ‘I AM’ Presence. And in the same way, as glammers are only resistances to Higher Truth, so is judgement of any kind! If you are questioning this Dear Heart, then know there is work still to do on self, where this is the foundation of your projections.” End Excerpt

No principle or activity can be blamed for the misuse mankind makes of it. All through the ages, humanity has tried to place upon God the responsibility for its destructive activities. Hence the ruse of manufacturing gods who could be either angry or joyous according to mankind’s whim.

We assure you from Our Own Observation, that those Great Ones, far Greater than Us, through aeons of investigation, have indisputable proof that there is but One God, the Life, Wisdom, and Energy of All Creation. Therefore, the Energy of God cannot be blamed for the inharmony created when someone misuses It. For example; the activity or principle of giving out information by the press cannot be blamed because of malicious reporters or dishonest editors.

We assure you that the day is not far distant when all principles of activity will be used in their highest constructive power. The constructive, educational moving picture will also be used as the quickest, easiest, and most certain way of educating the outer perception.

Too long has mankind usurped and misused the Energy of good, which is God. The Inner Quickening, by the Cosmic Radiation through the Mighty Arisen Messengers of God into the Heart of each individual, is rapidly drawing the human desire into the Divine. As is the case in all seeming struggles between two forces, of dark and Light, so in the conditions of today, they are but the old conditions being repeated. And out of it all will come, for the first time on Earth, a permanently established condition and right attitude of mind in the outer activity of humanity.

We want so much to have each one of the 'I AM' Students, keep before them the fact that they alone are the Governor of their Life and its Activity and are Commanded to choose what they wish to manifest in their Life, always remembering that they are not to stop and worry about this or that individualization. They are to fix their Visions, which is God's Inner Activity, on the Goal and hold it there with a firm, joyous determination to reach it.

It is the Service of the Councils of Light of the Teton Retreat (sometimes referred to as the Brotherhood/Sisterhood of Precipitation), to return mankind to its original Purity and Perfection, fulfilling the Divine Plan for this Planet. The Councils of Light assists the Students in his or her Spiritual development, so he or she can, once again, have a Conscious Connection with his or her 'I AM' Presence. By Teaching Students the Scientific Methods of Precipitation, they are helped to complete their Own Divine Plan.

To this end, the Councils of Light of the Teton Retreat gives Encouragement, Scientific Teaching, Radiation and Sustaining Power to each one who desires to learn, again, how to Precipitate God's Kingdom on Earth. However, the Student has to understand that the main effort for their Spiritual Progress has to come from him or herself, rather than from any Master.

Although comparatively few members of humanity have visited the Rocky Mountain Retreat in their physical bodies, many hundreds of thousands of Students are earnestly desirous to help Externalize the Kingdom of Heaven. These Students visit the half-yearly Councils in their Inner Bodies. Some of them also contribute Plans and Designs to help the Race. Many a great patriot, educator, artist, architect, scientist or inventor, religious leader, or pioneer in the subtle frontiers of Spiritual Truth, has received his or her inspiration and their Consecration at these Councils, and has returned to their physical body filled with Inspiration and Conviction, thus giving a Blessing and Benefaction to the Human Race.

During the time when the Retreat is open, the meetings of the Councils of Light of the Teton Retreat, and their Guests, continue for up to twelve days and nights. Different

Plans and Ideas are brought before the Members of the Conclave, with the view of seeking out the Greatest possible assistance to mankind, in an endeavour to mould the physical appearance world into a replica of the Divine Plan.

Can you see Dear Heart's how the Elemental Grace Alliance has now unfolded, and why St Germain has offered an open invitation to those who have recently joined His IAMEGA 'I AM' Authority Class. Not just in the Etheric Inner Body but also in the physical body as well!

Any unascended human being is welcome at the Teton Retreat as does any other of the Master's Retreats, but there also remains a Cosmic Law for if one does not have the requisite Resonant Vibration or Higher, it is impossible to pass!

Today as I have shared I wish to present to each here reading or listening to this information that will help you to become far more aware of what potentials await you, either to continue within this Elemental Grace Alliance or indeed in any other Plan including any that you yourselves may become desirous of for activation and put into Love in Action. So once more I tell you, no Plan created by any unascended human being will receive any Grants or Dispensations for its Hierarchical Approval, to receive any amount of additional Investment of Energies, unless they follow the Cosmic Laws. Of course one may achieve such plans, but only through the limited Reserves of their own God Energies which are projected by them and fraught with human tendencies to miscreate.

In closing here today I simply ask for this further information to be placed herein for the purpose of educational purposes. How you choose to use this information shall become your responsibility as to define and set into motion according to your own individualized expressions of your 'free will' or those of the God 'I AM' Presence Guidance from within.

In every activity of Life, there must be something to which the consciousness can be anchored, or which can stabilize it. In the outer mind there are principles and formulas that it may use in coming to a definite conclusion. For instance, by following the principles of mathematics, we come to certain results. When a formula is worked out, you produce certain results, no question about it. How much more important it is then to get the attention of the individual fixed upon that Indwelling 'Presence' with the same assurance. You must know that the Principle of Life in you and enfolding you, is far greater than the outer things which you have experienced for long centuries and have unknowingly clung to.

Do the following, any time during the waking hours: Stand, face the east, and say verbally or mentally, but let it be firm: **‘Mighty God in me! I face Thy Eternal Sunrise and receive Its Mighty Radiance and Activity, visibly manifested in my experience.’**

THE GRANTING OF PETITIONS

INTRODUCTION

The Karmic Board meets at the end of December and in June, to pass on Petitions submitted by the Masters and the students. There is no set timetable for the meetings. Typically, the meetings begin on December 26, but they may start, depending on the workload, as early as December 18. For the same reason, the meetings may last until January 4, at which time the decisions are handed out. There is also such a Council Meeting at the end of June each year, to this same effect!

Before 1950, mankind had very little knowledge of the meetings of the Ascended Masters and their activities, and very few unascended beings participated in those meetings, by offering their own Petition or by supporting the Petitions of others. Since the Cosmic Law insists that the larger part of the energy must come from the realm that is most benefited by the efforts of the Brotherhood, comparatively little was accomplished at these half-yearly meetings.

El Morya asked, *“How can mankind be expected to contribute to the Divine Plan for the Earth, when they don't know the Law?”* It was for this reason that he applied for, and was Granted, the Bridge to Freedom Dispensation.

However, just knowing the Law is insufficient. The student must apply, on a daily basis, what has been learned. If this is done, much more can be accomplished by the Councils of Light.

Any honest teacher (Ascended or unascended) will strengthen, not weaken his pupil's ability to develop his own spiritual growth through self-effort, rather than weakening the pupil by causing him to ‘lean’ upon his teacher. Preparing Petitions and supporting Petitions of others is one way for the Student to grow spiritually.

PETITIONS BY STUDENTS

During the 1950's, the Masters repeatedly asked the Students to prepare Petitions which, if approved, would greatly further the progress of the human race. Such Petitions may be given by an individual, or as a group. Generally speaking, Petitions formulated as a group are more effective since, typically, a group has more spiritual momentum than an individual has, acting alone.

If a Student wishes to present a Petition to the Karmic Board, the following guidelines are suggested:

- 1) Before writing down the Petition, the Student should enter into communion with his or her God-Self and examine his motive.
- 2) The Petition should benefit a number of persons, rather than just one individual.
- 3) It should be written down in ink or typed.
- 4) The Student should re-read the Petition in the evening, before going to sleep, to impress the plan upon his or her brain consciousness and his or her etheric consciousness, as well.
- 5) Then the Student should mentally direct the Petition to the Bulletin Board of the Keeper of the Scrolls. As a matter of courtesy, this should be done before the Retreat opens.
- 6) The Petition should be burned at the end of the month, since its purpose will then have been achieved.

As a last step, the Petition should be mentally projected to the 'Keeper of the Scrolls' at the Teton Retreat. The Petition should arrive before the opening of the Retreat.

ACTING ON PETITIONS

The Hierarchs of the various Retreats, or their representatives, arrive at the Retreat on opening day. As they enter the Retreat, they are greeted by the Keeper of Scrolls (also called the Angel of the Scrolls). This Angel is chosen, yearly, to assist with the Petitions of the Masters and the unascended beings. He or Her is given this honour because of rendering some special service during the past year. This Angel is a being who is greatly developed in wisdom and balance. It is His or Her task to collect and distribute all Petitions, including those directed in projected consciousness, by the Students, to the Bulletin Board at the Retreat. At one time, Micah, the Angel of Unity, filled this position. (1950)

The Keeper of the Scrolls wears a long white robe, heavily banded on the sleeves with gold. He or She sits at a magnificent golden desk, furnished at the sides with cylindrical pockets, into which scrolls may be placed. On these various scrolls are written the Petitions of the combined Brotherhood of a particular Retreat, or they may hold the individual Petitions of other Ascended Beings. All Scrolls are presented to the Keeper of the Scrolls, who reads them carefully.

After having received the Petition, the Keeper of the Scrolls then assigns the visiting Hierarchs, or their representatives, to the Council rooms, that were prepared for their use. There is a Council Room for each of the Seven Rays. A white and gold bulletin board hangs at the side of each door, and the visitor attaches his Petition. Those visiting Ascended Masters, who read the scrolls and have an interest in bringing the ideas of the Petition into fruition, visit the Petitioner in the Council Chamber and, after a conference decide whether they wish to support the Petition.

There are occasions when as many as twenty or thirty of the Petitions will contain, in Essence, the same thing. In that case, the Angel of the Scrolls brings the individuals who wrote the Petitions together, and the one who is chosen, by reason of his or her having the greatest amount of Light-energy, constructively Qualified, is then charged to co-mingle the Petitions and form them into a joint Petition. However, if an individual has an entirely distinct idea, he or she may be called upon to present it to the Karmic Board, in person.

Prior to the meetings of the Karmic Board, the spokesman of the Karmic Board records all Petitions, as well as their Sponsors. Following this, there are private deliberations by the Karmic Board, concerning the Petitions before the answers to these Petitions are handed down, within the next several days.

After hearing each Petition, the spokesman of the Karmic Board asks the following question, *“And who among mankind will offer you their energies and their consciousness to for-ward your plan, despite any personal discomfort or inconvenience which such selfless service may entail?”*

In Granting or not Granting the Petition, the Karmic Board uses the following criteria:

- 1) The Light (accumulated, constructively qualified energy gathered during all of the embodiments of the Student or group of Students.) This includes the Energy Qualified in the form of decrees, songs and visualizations.

2) The condition of the inner bodies and physical body of the student. Are they sufficiently developed and reliable enough, to be counted on, to fulfil the vow?

3) The specific good that can be accomplished.

4) Whether or not a particular Group of Ascended Master students is meeting at the same time as the Karmic Board. The Masters pointed to two examples of Groups who actually were meeting and had a tremendous effect. One of the Groups referred to was the Philadelphia Christmas class.

Saint Germain explained in the Bridge to Freedom Journal “WORKING SIMULTANEOUSLY WITH US, IN THE ACCOMPLISHMENT OF CURRENT EVENTS, AT THE SAME MOMENT, SIGNIFIES THE GREATEST SPIRITUAL MILESTONE OF THIS ERA. IF UNASCENDED BEINGS WOULD CHOOSE TO GIVE THEIR ENERGIES AT THE SAME TIME THAT WE ARE PRESENTING THE PETITIONS TO THE LORDS OF KARMA, WAVE AFTER WAVE OF HARMONIOUSLY QUALIFIED GOD-LIFE, FLOWING FROM THE HEARTS OF MANKIND, WOULD BEAR WITNESS TO MANKIND'S WILLINGNESS TO STAND BEHIND EVERY DESIGN AND PLAN THAT THE BROTHERS MIGHT PRESENT. THEN THE LORDS OF KARMA COULD NOT, IN GOOD CONSCIENCE, REFUSE ANY SUCH PETITION, AND TREMENDOUS DISPENSATIONS AND GRANTS COULD BE EFFECTED.”

5) The Energy that will have to be contributed from the universal Storehouse of Energy, to further the specific goal of the Petition. If the Petition is important, the Karmic Board matches the energy the Petitioner is offering, thereby doubling it.

When the Karmic Board asks for backers of the Petitions, from the ranks of unascended mankind, and none are found, the Petition is temporarily shelved, until such backers are found, sometime in the future. Some Ascended Masters have presented the same Petition for over 10,000 years, and not having found one sponsor among unascended mankind, have had their Petition refused for lack of interest and support from those whom such a cause would benefit.

If the Petition is Granted, then the effort of the Petitioner is reviewed at the next meeting of the Karmic Board. The Petitioner must return with a full report, explaining how he used the Energy Granted by the Karmic Board, in furthering the goal of the Petition.

From this We learn that THE MAIN CRITERIA FOR GRANTING THE PETITION, TO HELP THE PROGRESS OF THE ENTIRE HUMAN RACE, IS DETERMINED BY THE PERSISTENT SELF-EFFORT OF THE ASCENDED MASTER STUDENTS OF TODAY.

EXAMPLES OF GRANTED PETITIONS

Approx. 1926: Dispensation Granted to Saint Germain (I AM Activity).

Nov. 8, 1938: Dispensation Granted that makes it easier to obtain the ascension. See Goddess of Light, this book.

1951: Bridge to Freedom Dispensation, obtained by El Morya, supported by Saint Germain.

1953: Dispensation obtained by Archangel Michael. Relatives of Founding Members of the "Bridge to Freedom" are Granted the ascension. See Archangel Michael, this book.

December 1954: Mother Mary, supported by members of the Philadelphia Group of the Bridge to Freedom, obtains approval that hundreds of thousands of babies, who otherwise would have been born deficient in mind or body, could be born perfectly.

1955, as printed in September issue of the "Journal of the Bridge to Freedom": Petition approved which makes it easier to obtain the ascension. In order to ascend, it is no longer necessary that ALL of the individual's karma be transmuted. The required amount of karma to be transmuted to gain the ascension has been lowered to 49%.

EXCEPTION TO THE REGULAR PROCEDURES OF THE PETITIONING PROCESS

Are there exceptions to the above-named procedure? Yes there is one that can be named:

On January 1, 1931 the Cosmic Being Victory discarded the Occult Law, apparently without knowledge and support of other Masters, Students and without obtaining the prior approval of the Karmic Board (see "Manifesting Victorious Accomplishment" by Cosmic Being Victory, date obtained from Alice Schutz, "Law of Life" Vol.1, pg. 4.

On March 8, 1953, the Maha Chohan announced that the Cosmic Law had offered to balance 49% of Students previously misqualified energies. (See "Bridge to Freedom Bulletin Bk.1, page 96") This means that it is now possible to GAIN THE ASCENSION IF 51% OF ALL ENERGIES PREVIOUSLY GIVEN TO STUDENTS DURING ALL OF OUR EMBODIMENTS, HAVE BEEN CONSTRUCTIVELY QUALIFIED.

THE MOST DIFFICULT PART OF PETITIONS BY STUDENTS.

Before the Petition is Granted, the individual or the group does not know where they stand. There is no word of encouragement, there is no status report. The Philadelphia Group of the Bridge to Freedom was Granted at least 5 Petitions. Until the very end, the group did not know whether or not they would be successful. In all cases, it took

over 18 months of continuous effort, to achieve their goal. This was so, in spite of the fact that there was an authorized channel in the group (Geraldine Innocente).

The accomplishments of this group were called, by the Masters, the greatest by any group since the days of Lemuria. This example shows what can be accomplished, when Students and Masters cooperate, but it also shows the large amount of Energy required of Students, to be Granted a Petition.

The motto of one of the members of the group (Alice Schutz) was *“Keep on keeping on.”* Saint Germain, in a private dictation to Alice, honoured her, praising her work ethic, *“Keep on keeping on.”*

THE VIOLET FIRE CAULDRON

The Cosmic Law has provided a means of relief for each person's karma, accumulated during the last twelve months of the year, provided such karma was not a result of wilful intent. This action is performed in order to allow mankind to be freed from a portion of the errors and mistakes made in the past year, not so much through wilful disobedience to the Law, as through lack of discernment, discretion and discrimination. In other words, the mitigation of misqualified energy relates only to those whose causes are motivated with no evil intent. Here, the Violet Fire is allowed to dissolve and transmute the accumulation of discord that has been created during the course of that year (DISCORD WITHOUT VICIOUS INTENT, WITHOUT MALICE) AND THROUGH IGNORANCE.

If it were not for this yearly purification, mankind would, within seven years, destroy their minds, bodies and possible useful service, for that embodiment. THIS TYPE OF KARMA CAN BE AS MUCH AS 50% OF THE TOTAL KARMA ALLOTTED TO HIM OR HER DURING THIS EMBODIMENT.

Because of this action of mercy, everyone enters the New Year with much greater freedom from the limitation and bonds of their own creation. This merciful procedure of the Karmic Board commenced millions of years ago, after the fall of man, accounts for the lightness with which individuals enter the New Year, filled with hope, resolutions and a strongly embedded desire to improve upon their nature, character and manifest expression.

As you know, it is the custom of mankind to make *“New Year’s Resolutions”* with a clearly distinguished goal of bettering their nature. The weight and momentum of their human nature, however, usually makes these resolutions short-lived. The Masters are asking that, in the new year, you will be MASTER OF YOUR ENERGY AND WILL NOT ALLOW YOUR THOUGHT AND FEELING CENTERS TO REPRODUCE, IN YOUR WORLD, THE

MANIFESTATIONS THAT BROUGHT UNHAPPINESS TO YOU IN THE PAST. However, if people insist upon holding onto the grudges, unpleasant experiences and so-called injustices, they will re-create that karma.

One of the most beautiful activities, connected with the closing of the yearly cycle, is the ceremony whereby the Lords of Karma close the individual Book of Life for every lifestream in embodiment upon the Earth, during the past twelve-month period. This ceremony is of particular interest and benefits to Students of the Ascended Masters. It takes place on the last evening of the old year in the Cauldron of Violet Fire, above the Teton Retreat.

For that purpose, at the end of each year, there is created, by the Builders of Form, what you would describe as a lake, about a thousand feet in diameter, circular in shape and filled with deep, Violet Fire. Into that Lake of Violet Fire the Inner Bodies of every individual belonging to this planet, step, before the end of the year, and each one is literally Baptized, one might say, in its Purifying Essence.

After the Lords of Karma have measured the Light of the lifestreams, each one is then placed within the Ceremonial Fire of Purification, which is projected and sustained under the direction of the beloved Master Saint Germain, with the help and sustenance of the Angelic Kingdom.

White-robed figures of the Angels of mercy, wearing deep bands of purple on the sleeves of their garments, stand all around the edge of this circular sea of Violet Fire. Individuals approach in their Inner Bodies, most of them in a somnambulate state, completely unconscious of their surroundings, but all drawn here in their etheric bodies, by the magnetizing power of divine love and mercy. As these figures step upon the dock, each of them is approached by two of the Angelic figures, who take it by each side, lead it into the Violet Fire and bathe it carefully in the Flame, even to the head. This submergence of the entire body is performed very gently, three times. When the individuals are led out, they are given into the charge of the Angels of Protection, who return each individual to his physical body, staying with it, until there comes a certain sense of relief and release from the pressures of the past year. This baptism is not a 'one by one' performance. Many Souls are submerged at the same time.

When you come to the chelas of the Ascended Host, there is the cooperation of the mental and emotional bodies, and these individuals enter the Sacred Fire with a realization of its Power. Students are invited to bathe within this Purifying Fire, not once, but often. The Angelic host will welcome you back as often as you care to come. There is no such thing, in the Ascended Masters' Realm, as weariness, exhaustion or depletion in Service. Every time you come for a Blessing, they are more happy than

before, so let us utilize the opportunity, and remember that the Violet Fire is made available through the Life Energy of the Beloved Kwan Yin, Saint Germain, Beloved Zadkiel and Beloved Holy Amethyst.

Mankind has no idea of the amount of Energy it takes to make a Mighty Cauldron of flame, a thousand feet in diameter. It takes an almost limitless amount of concentrated power and attention, to keep that Violet Fire at such a vibratory rate, that no matter what type of energy is passed into it, it never sinks below its purifying state. One of the Great Beings is in constant attendance, to render that Service and Assistance.

BENEDICTION: We Give Praise and Thanks that soon Thy Messengers of Grace, Love, Joy, Truth and Justice will fill every office in Each Land, and that the Reign of God is Now Manifesting on Earth.
