

## PART 4 OF 10 - GESARA – RV CURRENCY RESET – THE UN-ASCENDED BEING– ST GERMAIN, 18TH MAY 2019.

Beloved, God 'I AM' Presence, Of Infinite Love and Light, Who is the Harbinger of All That Is Immaculate in Conception As It Is In Heaven and on Earth, whether of human Child or any other physical creation of, and for The Eternal Cosmic Christ Love, I Call Forth My Beloved Brother St Germain, to Bring Forth the Truth and Supply us, with that which will assist the human personality mind to better understand the Divine Work we are here to accomplish for and on behalf of God for the Benevolence of All Life. That includes Humanity, The Elementals, Devas and Angelic Host, The Natures Spirits, Animals, Birds, Fish and the Mineral Kingdoms. It includes the Planets, Asteroids and other Space bodies within this Universe. And it also includes all the thousands of Human Races who are represented here as Our Galactic and Intergalactic Brothers and Sisters, those Emissaries of the Light, that Beloved Lord Melchizedek has spoken to us of in His last Discourse; *'Like Kicking Off A Shoe That Is Too Tight.'*

In particular, we would like you to speak of the subject, which actually has inspired this communication opportunity; that being the present delays in the situation with the World Re-Valuation Currency Reset for the Benevolence and Equality for All of Humanity; that which is of Your Divine and Immaculate Conception, that you Dear Brother, are The God 'I AM' Authority Governing here, and where the manifestation of NESARA ('National Economic Security and Reformation Act) and GESARA (Global Economic Security and Reformation Act) is in terms of finally coming into effect.

Our Holy Desire is to hold fast to the Truth that 'I AM' whatever I desire to be or manifest. 'I AM' the Omnipresent, limitless Supply of God's Riches and Opulence in My use for the Benevolence of All God Life!

We Give Praise and Thanks for Your Love and Light to Guide us.

Bless You!

**INVOCATION:** Thou Majestic Presence, Infinite Creator of all there is, the Great 'I AM', visible and invisible, manifest and unmanifest! We rejoice in Thy Great and Mighty Presence, that Thou hast made us aware of Thy Limitless Power, Thy Infinite Intelligence, Thy Eternal Youth and Beauty. We Give Praise and Thanks that we have become so aware of Thy Great Opulence, Thy Great Abundance, that we feel It like a mighty river in our hands and use, Thou Mighty Endless Source! Thou Ceaseless Stream! Thou hast made us aware that: 'I AM' the Mighty Power of Precipitation. We Bow before Thee in Adoration and Full Acceptance of Thy Mighty Presence and Power.

## ST GERMAIN

Beloved Children of the Light,

It is in this ACT, I must now introduce the aspect of human unascended participation when it comes to Working at the Levels of The Highest Levels of Manifestation and change for not only humanity but the whole Evolutionary Process for a New Human Race. I extend this statement to go even further than this; The Evolutionary Process of entire Planetary, Solar, Universal and Galactic Systems, Bodies and Life Forms and All those who may reside on or within them.

If you are aware of what I shared in Part 1, and can relate to that with Inner Knowing, then you Know Whom 'I AM' Speaking to here. To those who are unable to grasp the enormity of what I shared through Master Puriji, you can still participate for the Templates and Cosmic Law for Creation that are equal at all Levels of Creation.

This is the Juncture where I must now introduce the Design of the Elemental Grace Alliance as a living unascended example of a Divine Plan that was initiated and developed not from any human mind set, but from a place of understanding the Cosmic Laws that must be followed when it comes to such All Encompassing Plans for the Benevolence and the Greatest Good of All Concerned.

So, whether your Plan is small and local to your own home and community or a Plan that extends to Nation or World, or that encompasses the Entirety of God's Creations within Multi-Universes, then communication with your 'I AM' Presence is imperative. For every Plan, no matter how small or how large, this must be considered in EVERY detail by an unascended being, because they do not have the same viewpoint as the Masters or Great God Intelligences have who are not confined to Earth Realms and their limitations.

You MUST, in terms from which I have shared about 'Humans are God Also', DO NOT HAVE TO BE ASCENDED TO ACT IN MANIFESTING GOD'S PURITY AND PERFECTION IN YOUR MANIFESTATIONS. If you were Created in the Similitude and Likeness of God's Image, then the Power of Ascension is yours today to use. It is not the physical human body or the human consciousness that prevents this from happening, It is your belief you have toward it! What Creates the opportunities to Ascend is the Obedience to your 'I AM' Presence and God and to do that you must understand and then place into physical Love in Action to pass through the Rings of Consciousness where no human '*free will*' has any further influence whatsoever in your physical thoughts, words or actions. To come into your Full Sovereignty and Power, is not denied you at any given moment because you are in physical biology, this Power has been with you since the

very beginning of this Cosmos, it is only you who believe they are human that denies the Reunion to The God 'I AM' Presence. I tell you Dear Ones, the greatest achievements in Evolving a Human Race can come from unascended beings in this Cosmos. They can Create just as they can destroy! Ponder on this, for Obedience to this Truth alone WILL SET YOU FREE! Christed Beings CANNOT BE, unless they have come from unascended human beings, who can move beyond human 'free will'!

It was Beloved Shekinah of the High Council of Elohim who said:

*"The Human Angel Circles or Christ Councils can now accomplish great steps forward to achieve the foci of human yearning and endeavour, bringing God's Love and God's Truth to the surface Realms of human thought and belief. The Christ Consciousness now has a Centre of Focus, Activation and Stabilization that has successfully Bridged the chasm, between the Higher and lower Realms; as above, so below, and as below, so above.*

*"The pulsing Radiance of you all, is a Joy to behold, by All of Us in the Higher Vibrations. There are Prime Processes within the Universal Laws of Creation, All large and small scale Evolutionary Developments begin at a single point of focus, (a thought, word or idea), that expands rapidly outward, to self-replicate, and thus achieve radical changes and developments.*

*"Bringing together two or more human beings, co-creates an energetic of possibility which will indeed, lead to the unexpected and successful change in the fabrics of your realities. Such a development would not have been conceivable, let alone achievable, without all the wonderful Love Light Energy being Anchored now, by so many Star Light Seeds. Beloved Children of God dare to look outside of what was, and dream of that which you desire to be; then go and live it"!*

*"These Councils will be imperative for the search of Universal Solutions and Resolutions to all problems relating human interaction with each other, the Elementals, Devas and Angelic Host as well as Beloved Earth and far beyond.*

*"To achieve any solution to any problem, first you must Let Go and Let God! No personality can be included in the seeking of Truth, no ego or any thoughts that support self-gain or self-aggrandizement, can be present during such discussions or Discourses. Intentions must be the Purest of Heart and ONLY for THE GREATEST GOOD OF ALL CONCERNED, in Grace, Harmony, Balance and Unconditional Love. It is this simple Law that will guarantee success of any objective! So, Creating or Altering the Fabric of the Etheric Blueprint, of a Human Race is the Work of Gods."*

And so, I wish to tell you that by example you will see how these processes for the New Creations by unascended Dear Souls can in fact change the course of History, not only

for humanity, but the vastness of the Cosmoses. I will speak more about the Elemental Grace Alliance in Part 5, but now I wish to offer you some thoughts for you to consider more closely that will help you understand why so many human plans or Divine Plans with human beings at the forefront of their administration and execution, remain somewhat delayed, or in many cases dormant in coming to a successful conclusion.

The following Discourse has been slightly adapted from another Series of Discourses that I gave to My Brother Peter, as part of a New Development that had come from the EGA progressive Obedience and Compliance to Cosmic Law. There are 10 Parts to this Series which through My Instruction have not been disseminated before, but is being considered now, due to the nature of what has been asked here by Peter, and the opportunity that it has been given The Spiritual Hierarchy and those Dear Souls upon the ground that are now being called the New World Servers. That particular Series of Discourses are therefore destined to be shared more widely soon and what was part of the New Experiences achieved within the Elemental Grace Alliance, and which has proved, to a degree, that humanity is ready to take on far more Responsibility. This *'New Program of Approach'* can soon be released for greater dissemination. They will assist greatly for many more to take the next steps that are now being made available in the overall Group Unification of human consciousness.

Before We move into Part 5, please consider what is shared here in this Part 1, *"'I AM' Presence Divine Plan"* and We will look at sharing the remaining 9 Discourses with a greater public awareness in mind, in the very near future! First things first!!

PART 1 - 'I AM' THE DIVINE PLAN - CONDITIONS OF ENGAGEMENT - ST GERMAIN DISCOURSES - NOVEMBER 24, 2018

**INVOCATION: Thou Mighty, Infinite Presence, Thou All-Pervading Intelligence! Thy Love, Wisdom and Power, Govern all things. Thy Divine Justice is ever operating in the lives and worlds of those who look to Thee with unfailing determination. We Give Praise and Thanks that Thou art the Ruling Power and Governing Intelligence Ruling all things. We Give Praise and Thanks that in our world Thou Art the Ever-Sustaining, Invincible Power. We Thank Thee. God always finds a way to help those whose hearts reach out to Him.**

Beloved Brothers and Sisters,

Today, I come to you with wonderful news of the Majesty that Stands before you. What you can only imagine today, you shall live your lives by tomorrow, but to do

this you are going to need Our Help. For as human beings, you will find so often, it is a near impossibility to grasp the Reality of the Love, Joy and Wisdom of this Mighty Freedom We call the 'I AM' Presence. Today, 'I AM' going to tell you some things, some of which your ego personalities may wriggle and squirm hearing them, for you may see them as going against your '*free will*'. If that happens, then please understand to go against your own powers of free will are against the Covenants We have made with God and indeed are against the Cosmic Laws that play out here.

So, I tell you now in no uncertain terms, if you have come this far and are reading or listening to this, for the delivery of Any 'I AM' Presence Divine Plan, that You, as your human self, Expressing Your Own Individualized Expression of the God Within in Joint Communion with Your 'I AM' Presence, and Who Together, shall be given the Responsibility to Govern and become the Guardian or the Custodian over your Plan, then know you are ready to do this. However, being told you are ready means nothing, and can be made null and void if your free will tells you, '*you are not ready!*' It will also be delayed should you not Execute your Divine Plan in accordance to Cosmic Law. For it is Cosmic Law that shall give it the Love, Wisdom and Power to achieve the Perfection of Immaculate Conception.

If you accept this Readiness, then you will also without any resistance, accept what the 'I AM' is going to tell you, that are no longer prerequisites, but Provisions or Conditions for Engagement. I offer this in a context of a Highly Evolved Cause, and the Source of The Root Essence of your Being; Love, Wisdom, Power, Justice, Joy, Fulfilment of Every need, and most of All Freedom. So, We are on a Crusade to find Your Freedom and when We do, you are going to Initiate a New Pathway for so much more than Humanity. You are going to Create and Activate a New Foundational Platform from which to Trigger not only Nations, but the World! You are going to help Lift Evolution of an entire Solar System and in this Vision, We are going to Reinstate and Raise the Elemental, Devas, Angelic Host, the Nature Spirits, Animals, Plants and Mineral Kingdoms and much, much more! Such is a Divine Plan few are aware of in such detail.

But there is a process, a procedure, and there are needs for training and practice in the outer field of your world. And in all manner of speaking you cannot begin upon this Crusade until you are ABSOLUTELY within the EMBRACE of the 'I AM' Presence with no trace of the old human consciousness of '*I will do it my way*' routine; and a routine, it is! You understand what a boot camp is, right? Well this shall be your 'I AM' Presence '**Boot Camp**'! I say Boot Camp to indicate that this training shall be with feet on the ground; walking and doing and remaining in

constant connection with your world, the outer aspects of your Divine Plan, the Plan and Purpose for which you have come thousands of times to this planet in preparation for.

In My Introduction to the 'Discourses to the Minute Men' book Volume II, I said I want you to be like Myself, for My Great Concentration and Motivation here to assist the people of Earth to have the same FREEDOM that I have! To Become the same Cup of Light that 'I AM'!

I want you as Strong and All-Powerful and Pervading As 'I AM'! So pay very close attention to this word FREEDOM! This shall be your watchword; Harmony shall be your Passport and Victory shall be your daily companion when the Requirements of the Divine Cosmic Laws are fulfilled.

May the Beloved Mighty 'I AM' Presence of each one, your Glorious 'I AM' Self, which is so Magnificently Beautiful, cut away everything that is not Its Own Divine Plan fulfilled in the outer world! May It call to Us and Issue the Command for the release of every one of your Life Streams here today and all under this Full Radiation, from all limitations! May My Dispensation to you be accepted so We can act quickly to help make you Powerful Beings, to release more Light through you until you Stand Forth in the Authority, Power, and the Living Example of this Law fulfilled, as proof of My FREEDOM to the rest of the World.

Before We get to '*wriggle time*', I wish to say this; so LISTEN with every cell of your Being, for this will be the very Premise of this Series of Discourses 'ST GERMAIN DISCOURSES - DESIGN TEMPLATE FOR ANY 'I AM' PRESENCE DIVINE PLAN'. I shall ask for this to be made in bold please.

Until you have Ascended Fully into Your 'I AM' Presence as a Master of your Own World and Reality, the use of Decrees and Invocations, the Application of Gratefulness and Adoration for Self and Others is a Law; for while you remain within the limitations of the human consciousness, feet on the ground and walking in the quagmire of human creations, you will be prone to absorb the lower resonances of such things. Even at the Higher Resonances this can happen, as Jesus has told you, when He was affected by the emotions and actions of others, after He came out of the desert. You are not Free until you have Found your Freedom! NEVER FORGET THIS!! You can attain your Freedom today, or tomorrow or in a lifetime or two away, time is irrelevant in that Event, but where you are, it shall be what you give to your 'I AM' Presence that will determine the parameters upon Earth as to how quickly you shall attain your Freedom. What do I mean by what you give your

**'I AM' Presence? One Word Dear One's; 'SERVICE'! Being in Divine Service will be the quickest way you shall achieve this Mighty Vision!**

Within the Original Discourses prepared for the Elemental Grace Alliance and My Work with them, on the day before this Discourse was given, Our Dear Sister Sue shared with Brother Peter, a Message from Us, from the book that she had picked up and opened randomly, having been Guided to read, that I would like to accentuate in the Here and Now. Please do not forget this most important facet of ANY Divine Plan that one may like to Create. It comes from The Nine Freedoms By George King.

*"In these days upon Terra, it is selfless action, called SERVICE, which will count in your Initiations of tomorrow. Your SERVICE to others will be known and you will judge yourselves accordingly.*

*"If you would burn your lower Karmic aspects, you would Serve. If you would, at this very moment, begin to build tomorrow's Temple upon the sure Foundations of today's Right Action, you would Serve. If you would prepare yourselves for the New World, you would serve.*

*"SERVICE is indeed a glorious undertaking! It is lasting, for every act of SERVICE is written in everlasting letters of fire in the Akashic Book. When you walk into the Halls of self judgement, you will read what your own hand hath written upon these pages and by the immutable Law of Karma, you will accordingly set limitation upon your rebirth.*

*"The greatest Yoga is SERVICE.*

*The greatest Religion is SERVICE.*

*The greatest Act is that act done in SERVICE.*

*What is SERVICE but Love in practical action.*

*"By your SERVICE you can throw a dazzling beam of scintillating White Vibrant Energy into the darkness of a suffering world and raise it. One person who is rendering true Spiritual SERVICE, not self-delusion, but true Spiritual SERVICE to those who need it, is worth ten who retreat from the suffering of others in order to bring about a state of joy and peace within themselves.*

*“SERVICE is the ever-lasting Flower in the Garden of Enlightenment. SERVICE is the Jewel in the Rock of Attainment.”*

Beloved Family of Light, I have decided that this Discourse shall now be one of many, a new Series if you like, for as I go into the deeper meanings of this Template Design, it may have a tendency to go on a bit, and loose some of your focus of attention if all was in a single directive. I wish to tailor to all levels of present awareness here and have no intention of leaving anyone behind, so please remain mindful that everything ‘I AM’ presenting to you is carefully considered and executed. What ‘I AM’ about to share is by no means in any particular order. ‘I AM’ making this a separate part to the main body of interpretation, revelation and illumination, so you will have time to wriggle about in your assumptions, as you place your own personality interpretations upon these words. When time permits, I Will to return and shall delineate all that needs to be shared with a deeper clarity, simplicity and transparency for you. But Dear Hearts, make no mistake, these are the Conditions of Engagement for My prerequisites of the ‘I AM’ Teachings.

In no particular order!

- 1. To Qualify with Your I Am Presence First, before any engagement of all outdated alternative modalities of healing service to self or others.*
- 2. To Qualify with Your ‘I AM’ Presence First, before any engagement of any spiritual teaching, learning or sharing through gatherings or groups that are not in complete alignment with your own ‘I AM’ Divine Plan for you.*
- 3. To Qualify with Your ‘I AM’ Presence First, before engagement of any astral or psychic participation or activity.*
- 4. To Qualify with Your ‘I AM’ Presence First, before engagement of any earthly spiritual activity through other individuals or groups.*
- 5. To Qualify with Your ‘I AM’ Presence First, before engagement of any unnecessary communications on any level.*
- 6. To Qualify with Your ‘I AM’ Presence First, before engagement of any Class discussions as individuals or Class Group, during any Classes you may attend, that shall Embrace these Conditions of Engagement.*
- 7. To Qualify with Your ‘I AM’ Presence First, before engagement of any coercion of any nature, to direct another to do or follow what you*

*yourself have agreed to do with your own Spiritual desires and development within Your Divine Plan.*

8. *To Qualify with Your 'I AM' Presence First, before engagement of giving of any opinions about anything.*
9. *To Qualify with Your 'I AM' Presence First, before engagement of any form of judgements or criticisms of another person or group!*
10. *To Qualify with Your 'I AM' Presence First, before engagement in creating short cuts for other's learning processes.*
11. *To Qualify with Your 'I AM' Presence First, before engagement of teaching anything Spiritual before you are Fully Trained.*
12. *To Qualify with Your 'I AM' Presence First, before entering into recreational and life activities that do not necessarily align to your own 'I AM' Spiritual Purpose!*
13. *To Qualify with Your 'I AM' Presence First, before engagement of any connection to any social media, that does not reflect your own United Group Divine Work in Service to Humanity.*
14. *To Qualify with Your 'I AM' Presence First, before engagement of any searching for anything, outside of your Self, unless you are directly led by your 'I AM' Presence for the purpose of revealing Truth to you!*
15. *To fully engage in a 'Spring Cleaning' of your present life.*
16. *To fully engage all aspects of modifying, altering, changing your present lifestyle, that does not reflect your 'I AM' Presence.*
17. *To fully engage in the learning and practice of LISTENING from within the Great Silence.*
18. *To fully engage in seeking only the Truth!*
19. *To fully engage improving your communicating skills with your 'I AM' Presence daily!*
20. *To fully engage in being mindful of your thoughts, words and actions.*
21. *To fully engage daily in Decrees and Invocations that support the Physical Manifestation of your 'I AM' Presence and the Service to Humanity, the Elementals, Devas and Angelic Host, and All Nature Realms.*
22. *To fully engage in the Use of your 'I AM' Presence to go about your daily Work and Directives creatively and with absolute focus to content and delivery.*

23. *To fully engage the removal of all glamor, but mostly all spiritual glamor.*
24. *To fully engage in and consciously concentrate on your own Divine Plan and not the Plan of any other person or Group!*
25. *To fully engage in opening your door to anyone and all beings, who are drawn to your Light and ask for assistance.*
26. *To fully engage finding Peace within.*
27. *To fully engage spending as much time as possible in Nature, communing with all the Elementals and Nature Realms, including the Nature Spirits and Angels.*
28. *To fully engage the Truth of Who You Are and Be Who You have come to Be!*

I will be going into all these in much more detail, so you may rest easy with the points raised herein regarding these Conditions of Engagement!

**'I AM' the Illumining, Revealing Presence, and no outer activity that I need to know can be withheld from me, because 'I AM' the Wisdom, 'I AM' the Perception, 'I AM' the Revealing Power bringing everything before me, that I may see and understand, and be able to act accordingly.**

If you continue to wriggle at any condition after reading the illumination of that which I will present to you, then you are not ready, and you will not be able to continue beyond this point! I make no apology for this statement as it is not personal, it is Law!

In closing for this Discourse, may I be able to pour forth through you such a Radiation of Freedom everywhere you move, that it is like a forest fire which sweeps the Planet! May other people take up your Courage and call to God as they understand It and draw back from the Great Central Sun the Power and Authority for the One Mighty Stroke to be given.

Harmonize yourselves Dear Souls! Use your life energy to Bless everything wherever you move. Keep Purity Blazing through you! Call to Me and We will move forward hand in hand, and not one thing shall come against you when your Call is in Obedience to the Law.

May the Full Powers of the Great Host of Eternal, Invincible Freedom; the Hosts of Light; the Great Angelic Host; the Limitless Legions of Freedom and Light, of Justice and Obedience, of Harmony and Victory, of Purity and Peace, and of the 'I AM'

Miracle Music of the Spheres, move into your outer action. May all the Protection given at the Command of the Seven Mighty Elohim Enfold you, wrap you in Their Oceans of Flame, and move you forward, releasing all that is required for the Freedom of All, at once. I shall be with you unto the end! Unto the Victory! Unto the Freedom of the Ascension! Shine your Own Light Now to show you the Way Forward from here!

**BENEDICTION:** Thou Mighty, Infinite Presence of God! We Give Praise and Thanks for Thy ceaseless Ministry. We call Thy Blessings, Thy Wisdom, Thy Intelligence to act through each one, giving peace of mind, peace of body, and joy of heart, to go forth with the Ruling, Conquering, Victorious Presence over all things. We Give Praise and Thanks that the Mighty Presence 'I AM', God in Action, Govern all official places, causing Thy Perfection to be ever operative and Self-sustained in Thy Name and through Thy Presence.

'I AM' St Germain In Your Service
