

PART 6 OF 10 - GESARA – RV CURRENCY RESET – THE ONLY AUTHORITY – ST GERMAIN, 22ND MAY 2019.

Beloved, God 'I AM' Presence, Of Infinite Love and Light, Who is the Harbinger of All That Is Immaculate in Conception As It Is In Heaven and on Earth, whether of human Child or any other physical creation of, and for The Eternal Cosmic Christ Love, I Call Forth My Beloved Brother St Germain, to Bring Forth the Truth and Supply us, with that which will assist the human personality mind to better understand the Divine Work we are here to accomplish for and on behalf of God for the Benevolence of All Life. That includes Humanity, The Elementals, Devas and Angelic Host, The Natures Spirits, Animals, Birds, Fish and the Mineral Kingdoms. It includes the Planets, Asteroids and other Space bodies within this Universe. And it also includes all the thousands of Human Races who are represented here as Our Galactic and Intergalactic Brothers and Sisters, those Emissaries of the Light, that Beloved Lord Melchizedek has spoken to us of in His last Discourse; *'Like Kicking Off A Shoe That Is Too Tight.'*

In particular, we would like you to speak of the subject, which actually has inspired this communication opportunity; that being the present delays in the situation with the World Re-Valuation Currency Reset for the Benevolence and Equality for All of Humanity; that which is of Your Divine and Immaculate Conception, that you Dear Brother, are The God 'I AM' Authority Governing here, and where the manifestation of NESARA ('National Economic Security and Reformation Act) and GESARA (Global Economic Security and Reformation Act) is in terms of finally coming into effect.

Our Holy Desire is to hold fast to the Truth that 'I AM' whatever I desire to be or manifest. 'I AM' the Omnipresent, limitless Supply of God's Riches and Opulence in My use for the Benevolence of All God Life!

We Give Praise and Thanks for Your Love and Light to Guide us.

Bless You!

SAINT GERMAIN

INVOCATION: Infinite 'I AM' Presence! from Thy Ancient Sanctuary, we find Thee pouring forth Thyself into manifestation with Conscious Intelligent Expression, that Thy Perfection be Manifest in all phases of Life; and that All of Earth which has been wrongly qualified by mankind be Raised into that Ascended State; Thy Eternal Perfection.

Greetings Dear Ones,

Let us begin today by answering a very simple question? Simple in words, not so simple in the action!

A statement was made, and one that My Brother Peter, used, to activate this whole Series of Discourses. It was stated within a 'Brilliance in Commerce' Newsletter that there are very few who have the authority to speak of what is taking place within the rollout of the GESARA, RV and Global Currency Reset.

Question:- Who has the Authority to offer Assistance and Guidance then?

Answer:- The 'I AM' Presence is the only Authority and Ever Pervading Truth in EVERY and ANY matter that relates to not only humanity and any of the conditions of existence that impact their lives, but All of Life in Every Dimensional Reality past, present and future. I know the thought within this statement for it being made, but what I have been endeavouring to explain to you all is that this sort of human authority has no authority at all! It may believe it has; it may try to act as if it has, but in Truth the ego personality has no authority at all; to think it does is but another illusion of human creation.

In saying that, remember that Every man, woman and child was born in the Image of God and within them, with no exception, the Divine 'I AM' Presence Authority already exists. None are without it, most today choose not to accept it, not to do the Inner Work that allows for the 'I AM' to come forward to be the Only Authority Acting here, the only All Pervading Intelligence that Governs the World, both the Inner World and the outer world of Human Evolution. So, when you wish to call forth the Authority in your life for any circumstance that pertains to life then say;

"'I AM' the Conquering, Victorious Presence in any achievement I desire; that 'I AM' now the Full Dominion of every application that I make; that 'I AM' the Presence always within every demand, supplying, and fulfilling it".

"'I AM' the Presence which enables me to See or Hear with the Inner Sight and Hearing".

"'I AM' the Governing Love, Wisdom and Power with its attendant Intelligent Activity which is acting today in every single thing that I think or do. I Command this Infinite Activity to take place every moment and be the sustaining Guard about me, that I Move, Speak and Act only in Divine Order".

'I AM' the Commanding, Governing Presence, moving everywhere before me during the day, Commanding Perfect Peace and Harmony in All Activity.

'I AM' the ONLY and Perfect Energy Acting there. Therefore, every appearance of disturbance is instantly corrected.

'I AM' Pure Inspiration. 'I AM' this Pure Light right here in Action 'I AM' this Pure Revelation of everything I want to Know.

'I AM' the Ascended Being I wish to be Now.

'I AM' the Governing Power of All Activities I do and therefore it is always normal to Me.

'I AM' the Divine Wisdom that allows the 'I AM' Creativity Itself Unfolding Within My Sacred Contract with God.

'I AM' the All Pervading, All Powerful, All Knowing Presence Whose Activities cannot fail.

If you desire to work and live your life through Divine Will and Be this All Loving, All Wise and All Powerful Being, then I invite you to begin now if you have not already begun, to make it a priority in your life and make these connections to your 'I AM' Presence every single day from now on!

The 'I AM' Presence works today to externalize what is known as the Ashramic Group, and the Ashramic Consciousness, both of which the Elemental Grace Alliance is working toward to fully understand and implement daily. We Are, as the Spiritual Triad, doing whatever We can in accordance to what the Cosmic Laws will allow, endeavouring to bring into the outer appearance the Visible Manifestation of the Living Cosmic Christ Power, via Group Vehicles. These Groups will not consist of a few individuals in one room, in one city, in one state, in one part of the world. It will consist of a Group which is composed of all Disciples of the New Ashramic Consciousness throughout the entire World who will respond to the impact of their Divine Plan and who, in their Response, consciously Initiate themselves into these Hierarchical efforts.

If you can conceive of what can take place within that Consciousness, which is humanity, and if you can Respond to that Vision of what CAN BE DONE, then you have Initiated yourselves into the 'I AM' Presence Mighty Victory for the Freedom of All Life here!

For even greater clarity, I wish to say that for those who seek Authority behind the written or spoken word, the Truth of that must be Proven via its Application. A formulated concept is of value ONLY if it can be worked out as a Living Truth within the life and affairs of Humanity. Therefore do not look to the Source of any Teaching for its Authenticity, but to the Application of it within your own life and affairs. This is where

your Due Diligence and Divine Discernment shall come into their own. Remember what I said about judgement!

Remember also, where two or more come together, the Powers to make the changes in your lives are Magnified many times over. And the Higher the Vibrational Resonances of Consciousness and the Greater the Light Quotients of the Light body, that these changes will bring, will offer the Services that you provide to the world a whole New Level of Potentiality and Potency!

Dear Ones, for those who are in the position to know, the practical Global Currency Reset Rollout is now in process beginning with China. This will now continue around the world. But here is what I wish to say. All this talk about Global Currency Reform has been a subject that has divided countries for centuries. This reform toward a single Commodity World Dollar, (that which for example is backed by precious metals or stones), is not going to change that situation overnight or even in the very near future, and that is what I want to speak of now, not the GESARA, or RV and Reset, even though 'I AM' using all this as an example to obtain My Desired Point of Focus. But more so about the details that will help to protect the People of the World from becoming even greater victims of the power elite. And just in passing, if you have not already noticed there is no coincidence about the recent news of the rollout happening at the same time these Discourses began! Give that a little thought if you are drawn to do so!

If you know My involvement in the breaking down of the power elite around the World, you will know that that was the very reason why I began the 'I AM' Discourses Activity! It is why I have been working so closely with the Elemental Grace Alliance. And although the 'I AM' Discourses Activity were very successful in the lead up to the second world war, it was not successful in being able to maintain the Standing Forth of the 'I AM' Students to prevent the dark forces from regaining their powers that the Decrees and Invocations that were sent out by the Students, had taken away before the war, and remember these must be done by humanity upon the ground.

Just prior to a New 'I AM' Discourse Class with the EGA, that I Initiated and Authorized and continue to Over Light, a number of questions were asked. These questions have never been asked before in this way! The first two questions were:-

Question 1:- Since 1932 many imbalances, disturbances and control, and let us remain on the subject of America, only for reference sake, have continued unabated. So many Decrees, Invocations have been Declared over time, but still today there are far more of those imbalances that were being addressed in the Invocations back in the 1930's and 40's. If the 'I AM' Discourses are so Powerful and so Potent, why have they not

worked, allowing the dark forces and so called 'evil' to remain and thus continuing to maintain their holds upon humanity today?

Question 2:- When the Whole World remains in a state of imbalance and continues to be overridden by dark forces, if I may use this term 'evil' as is referred to many times in the 'I AM' Activity Discourses, why is America the focal point of the 'I AM' Activity'?

Answers: - These questions cannot be answered here for they are so expansive in nature and scope that they has now turned out to be another Series of Discourses. I needed to enter into them to place enough detail around the focus of their attention, so that just like the questions here about the GESARA and RV Currency Reset have required. That Series of Discourses shall be released to the public upon completion for they are not complete at this time.

However, I bring this to your attention for it is 'Question 2' that I wish to elaborate upon here, for the answer directly requires Human/'I AM' Presence Response immediately in Light of what I have shared above about the continuation of those who remain in power. And this is where I have been Guiding each of you who have been reading or listening to these Discourses; that of stepping into your God 'I AM' Sovereignty, sooner rather than later!

I have spoken to you about Dispensations, and how and why they are Granted! So, the next excerpt from the 'I AM' Discourses, will make more sense to you now! In the early 1950's after the devastation of the war, and the consciousness of humanity was still in recovery, the need arose to make the necessary decisions to assist humanity in ways never been provided before. The Power that the 'I AM' Activity once had was waning fast due to the inability for the Students to Stand Fast in the face of such a harsh adversity of what the war resulted in from a physical, emotional and mental standpoint! I would invite you to read this Discourse on America, by The Great Divine Director. (*Volume 18 Discourse 2 of 22 - September 11, 1950, San Francisco, California*).

Excerpt

"Beloved Ones of Saint Germain's Family, in coming to you tonight, what I have to say is of great import to your Nation as well as yourselves. Because of the Cycle into which you have entered, which is the Cycle of the Violet Flame, wherever the Light within a Life Stream is expanding, We are permitted at this time to give much Assistance that will enable many to be strengthened as they turn to the Light and made strong enough to stand in It and go forward, this time, to their Freedom. Because that which they will enter into as the Law of the Violet Flame becomes the Law of the Earth in Its Cleansing

Process, those Life Streams will be able to stand against destructive forces until the complete Cleansing of the Earth takes place.

“Heretofore, when the Light expands within a Life Stream, We have at all times endeavored to protect and help the Light to become strong enough in each one to stand against the destructive forces. And until the Light reaches a certain intensity in the outer self, and a certain proportion of the energy that has been constructively used in former embodiments is placed within the Causal Body, until that has occurred, many times when We gave Help in the past, the individual would go along for several embodiments serving the Light. And then something would swing them off again, swing the individual away again and would spend several embodiments serving the destructive forces.

“But now, as you make the Call for the human creation, at least two-thirds of it, that is the mass discord in your Nation, to be consumed under the Dispensation of the Great Cosmic Law, because you are entering into the Violet Flame Cycle, the Great Beings who are purifying the Earth will come to the Assistance of many who at this time do not quite seem strong enough to hold to the Light, although within themselves they want to.

“This is a great Mercy to life; and if you will make the Call for the Dispensation of whatever is required to permit the consuming of at least two-thirds of the discord and impurity that has been brought within the borders of the United States of America, the Light of your own Life Stream, in making that Call for the Nation, will expand within you; and that will strengthen the Light in the Nation to the point where this may be done.

“I’m not saying positively that It will. It depends upon you. But It is an Open Door which can be held open until that Assistance can be given the Nation. Something must be done to purify enough of the energy within the borders of the United States of America in order to safeguard the Light of the World, the Heart of the World. So, under the action of the Cosmic Law, as you are entering into the Violet Flame Cycle, it will permit certain Mercy and Forgiveness to be extended to the people within your borders which is not permitted in many of the other Nations of the World. It is permitted in some, but not all. That is due to the accumulation of Light within the people in those Nations.” End Excerpt

I tell you Dear Souls, even though a huge effort was put forward, there was insufficient Resonance to allow this to happen. Today, even if only with a few, this IS possible to achieve this time, and for that reason knowing the greater potentials are upon Us We once again desire to strengthen the Borders of America , cleansing the interior of its

body vehicle, to prevent the 2 major adversaries, that of Russia and China, from unfavourably, and potentially harmfully, increasing their strangle hold upon Her!

President Trump has spoken of the constructions of the wall between America and South America, and has met with great defence against it, but had the 'I AM' acted the wall could be constructed, at no financial cost, and with a Power that would be impenetrable by anyone who had anything less than God's Infinite Blessings for the Greatest Good of All Concerned. President Trump's vision was the way this Higher Truth was interpreted by the ego mind you see! What was being impressed upon the people of America, was that the Borders of America needed Walls of an Impenetrable Violet Flame designed from allowing any and all negativity to be able to pass into its lands. *Excerpt from the above Discourse.*

"I remind you again that the Cosmic Law has provided the way and means for any individual who will turn to the 'I AM' Presence and to Us and call the Law into Action, that individual can become an Open Door for the same Service to the Nation as the individual desires for himself or herself. Then We can Move into Action, where the individual desires Purity of his or her own world, and at the same time desires It and commands It for the Nation, then the Light can burst and move into outer Command, and destructive forces' plans will fail one after another.

"Now let Us see what We can do! You call for the Dispensation, and We will do the consuming. Isn't that fair? When you want anything purified in your own world, don't forget the government of the Nation. When something in your world needs purifying and correcting, stop just a moment and demand that the Nation be Purified at the same time. Then your individual wave of Light can amplify over the Nation. And no one knows what your Mighty 'I AM' Presence might do to take advantage of that and provide the Release of Light which the Ascended Masters can use throughout the Nation to prevent destructive plans coming to a focus.

"No one knows, if you will make this Call, what the Higher Mental Body of every Life Stream will do. And We are hoping for many things that can come to pass because they affect this entire Nation, and which could not be done for any other Nation in the world. Because this Nation, being the Heart of the World, or representing to the world what the Heart does to the human body, in order to save the body, the Heart can be protected; when, if it were anything else, it would not be. Since there abides the Flame, then there can be Dispensations given that could not be given to any other part of the Earth.

“Here upon the ground of America did the human race begin its journey in this world, and that is why America holds within the Heart the Permanent Atom of the Unfed Flame. And therefore, if you demand the Mercy of Lifeguard that Flame, and purify the Nation, and let two-thirds of that be consumed by the Cosmic Beings and Ascended Masters, it will be the Saving Grace of the people. Many of them will turn away from that which has engulfed them, and they will have the strength to make the effort. And many will succeed. Let Us try and see what We can do through your Calls; and We will Answer with everything the Cosmic Law will permit, and your own Light will grow brighter every time you give that Call for the Nation.

“So, with all the Love My Heart can give, with all the Power the Cosmic Law has placed under My Direction, I clothe you tonight with everything you can use as you remember to make this Call for the Nation. And may the Dispensation be Granted quickly, and the Light not only be Its own Defense, but be such a Manifestation that mankind are compelled to Obey.”

I now draw your attention to page 338 of the EGA Book.

My Dear Brother is speaking here as his human contribution to finding ‘A Quality of Life and Freedom of Spirit’. Excerpt.

“Then I Propose a Universal Decree of some sort. For while there are individuals and groups upon the planet within the present numbers with such great power to control, that consciously suppress God’s Will, such as those who deliberately destroy lives through murder, displacements of people, destruction of homes and families through merciless acts of war, implementation of drugs and chemicals, controlled economics; that knowingly, incessantly, unremittingly and relentlessly suppress a ‘Quality of Life and Freedom of Spirit’, deplete Earthly resources unnecessarily, affect weather patterns, fracking for gas and testing unsafe devices or treat any human being as in human trafficking, pedophilia, slavery, murder for control and materialistic gain, recruitment of children to war, monetary restraints, control and manipulation, child prostitution, genocide, biological mutilation, genetic testing and cloning, unlawful animal killing and other such like crimes against humanity, need to stop if humanity is going to have a chance to overcome the trials of human mis-alignment with God!

“I would imagine that the amount of aware people within the world, if given an opportunity to declare their consent for such a change, that the numbers would surprise us all! I cannot say, but I would put the question to the Karmic Board and particularly Beloved Quan Yin, ‘How many calls from humanity, knowingly or unknowingly of the

correct art of Prayer, asking for God to help or save them from such chaos?' Asking for God's Mercy to Save their Soul? 'How many would there be?'

"We know that there are some 465 Planets in this Universe alone that can support human life and that many of those would be at levels of consciousness that would allow such unfettering of malicious beings to continue their lives elsewhere. It may not complete the Law of Free Will here on Earth as it is presently understood; just that it may change the circumstances with which it would be played out upon other alternative planet/s. But isn't that what happens when we reincarnate in different times? Aren't they just like another planet and another time? Our memories are withdrawn just the same! We know death is not the issue, for life is eternal. So, for those Souls having their Life Streams untethered from this Earth Realm, would simply mean they would have to enter another or the next Universal Cycle to continue their own Evolutionary Processes elsewhere.

"I do not have the answer or how such a Dispensation could be drawn up or implemented, but that in Truth is not my responsibility. In the Joseph Benner book '**The Impersonal Life**' God asks all of humanity to pass all responsibilities of life to Him. So in accordance to God's Will, I pass this idea to Him for Its Resolution.

"I shall leave this idea here where it lays, but as I opened my eyes this morning three words were impressed within my mind: 'Act of Mercy.' I can't say where it came from, but it did get my attention. I have changed it to 'The Divine Clemency Dispensation.' This to be taken to the Karmic Board and All Members of this Council of God to consider and debate according to God's Will.

"St. Germain in His Address 'Protecting the Future' Discourse, truly gave me the focus of attention of just how important this time is NOW for the need of some radical action that will secure the Divine Plan of God for the Evolution of Humanity to succeed in mass, upon Earth. While so much malevolent power is still flexing its might and harshly imposing itself upon humanity, some further Higher Intervention I believe is still being called for.

"In The Name of Our Beloved Mother and Divine Father and The Holy Spirit; In the Name of My I Am Presence and the Christ Jesus in Me; I Lovingly Invoke the Services of All Those Divine Beings of Love and Light Who may help Us in this Causal Healing! Bless You! And So It Is! As Above, So Below! I Give Thanks, I Give Thanks, I Give God Thanks!" End Excerpt.

I can now Officially Inform you all Dear Heart's that the Dispensation spoken of by The Great Divine Director, on 20th September 1950 was asked for by Our Dear Brother on the 7th August 2015, as a request for just such a Dispensation, and was Granted on 18th May, 2019 upon the Full Wesak Moon!

It is call *'The Divine Clemency Dispensation.'* *An Act of Mercy!*

And with this Grant shall now come the Invocations that will set all this into motion! Here is the expansion of consciousness is playing out that the Higher Intensities and Influx of Cosmic White Fire Christ Light has made possible. Although I say We ask that the Heart of the World, The United States of America be made a directed focus, the rest of the World can be included now, including Russia and China!

It shall be these Immaculately Designed Conceptions Declared through human Intentions and through the Invocations Evoked that will allow Us, Who Hold the Divine Authority to Execute and Implement these Divine Instructions by those unascended human beings upon the ground.

It has been a long time coming Dear and Precious Hearts!

BENEDICTION: Out of Thy Pure Presence, We Receive now and forever Thy Mighty Power and Strength, Thy Wisdom, Thy Understanding Application of Thy Great and Marvellous Laws, that We may Produce and Maintain Thy Perfection in each Life, mind, body, home, Nation and World.
