Blaze, Blaze, Blaze Your Perfection Without Limit for All Eternity to Bring about the Freedom, Honour and Divine Equality of All Women and thus Bring Balance to All the Masculine and Feminine Qualities and Virtues of All Men and Women.

LORD JESUS: Beloved Sons and Daughters of Man, Sons and Daughters of God, it is My Intention today to offer you the fundamental Truths between male and female, that have, in their own rights, equally contributed to the divides within male and female and the misunderstanding for the Absolute Necessity of The Balance of Masculine and Feminine Attributes between man and woman to be understood. For neither man, nor woman were ever meant to be divided, in body, mind or Spirit. Yes, in physical biology and characteristics for procreation and to remember their Unity Consciousness, but not out of balance in the

Qualities and Virtues of the Divine Mother's Love and Father's Light. In this they were always meant to be Equal. But it was the Divine Creation to provide such Experiences, for a Human Race to raise itself out of all lower levels of human consciousness into the Christ Consciousness, where the Divine Masculine and Divine Feminine would Unify in Divine Unity and Celebrate Their Godliness within the Human Biology, thus Transmuting It, Transforming It and Transfiguring It into the Christed Light Body!

For millions of years upon the Earth, because of the lower mind consciousness', the lower vibrational resonances are always played out through the Ego-Mind Personality. As I have explained in Great Detail in My Christ Letters, to be human, that is to be within a physical biological body, the EGO is vital for one's survival. Without the Ego you would not survive! Let Me say that again. Verbatim from the Christ Letters, Letter 1 page 29,

"SURVIVAL was a natural characteristic of the 'Creative Power'. In every case, the most wonderful provision had been made for all living things to grow, be healed of illnesses and injury, nourished in order to keep the body healthy, and to produce its own kind in order to ensure survival on this earth. This was the only reality mankind could be absolutely sure of and Its activity was consistent, year in and year out. The sun, moon, stars, all remained in their places for millennia and it was recognized that they all possessed their own paths of movement, these phenomena were all part of the grand scheme for survival in creation.

"If this were not so, how could there not be survival of the eternal flame of: 'Loving Intelligent Creative Power' hidden within the created entities of every kind in the universe? Therefore, this world was but a shadow and image of the hidden worlds of 'Loving Intelligent Creative Power' beyond this dimension. The Reality of the entirety of creation lay beyond this visible world." End Excerpt.

And so mankind, upon the introduction of the laggard consciousness here upon Mother Earth was all about survival, and as such you have heard the axiom, 'survival of the fittest'. But this too was misconstrued by man to mean the survival of the strongest, not just in body, but in mind and material wealth. This consciousness still remains today as you have noted of those who are in power are not necessarily fit or strong, but more so, weak in body, but have acquired by the use of mind power, to attain the wealth that buys power, buys control and buys the objects for their own self-gratification and pleasures. This continues to be held within their subconscious programming and so the survival aspects play out as they believe.

This so called, power, also includes the false beliefs that they deserve the desires of the flesh and body that women of the world could supply and thus be forced into subservience to them by their self-created power to control. And for those who cannot afford it, take it by persuasion and force and you Know that I have said, the most heinous of all acts is that of rape!

Now, this, over millennia, has spread like wildfire and created such illusions of miscreations, defiling, abusing, and destroying countless lives and these atrocities continue across the board today. But what men of this world do not yet know, is that every act against a woman

that they are responsible for, is an act against their own Divine Feminine and for that they Must and Will Atone.

This is changing and the Feminine Power is Returning, to not only say NO, but also the claim her Own God Given Right to be Equal with her counterparts. But this shows signs today of many women reversing the aspect of power and thus subconsciously not seeing that in such acts she is simply reflecting the misuse of energy and pushing back at men, in an inner and outer way. This can be seen by those who claim to be a female warrior, for while judgement is present in mind or act, the reactions against mistreatment continues to be held within. I continue in Letter 1,

“The inherent characteristic of the Loving Intelligent Creative Power was LAW AND ORDER. The undeviating order and reliability apparent in creation, even governing the tiny entities (‘cells’) within the body, were astonishing and far transcended any human endeavour. Therefore, the entire universe was operating under a system of perfect LAW and ORDER.

“I realised on ever higher and higher levels of spiritual exaltation that the ‘creative power’ exhibited intelligent purposefulness and loving concern for all living things. I realised that life was not something nebulous or amorphous but an intelligent loving creative power which I could actually feel within myself as a tremendously heightened state of being, perception, radiance, ecstasy, joy, love. I knew myself to be one with it, filled with it and I was one with everything around me and one with the sky and stars.

“And, most wonderful and glorious of all, the very ‘Nature’ and ‘Function’ of this ‘Father Creative Power’ was to work in order to create joy, beauty, and comfort to ensure mankind’s well-being, to work within mankind to provide interior joy, health and comfort, and to work through mankind, inspiring him with new realisation and understanding.

“Wonderful vistas of glorious creativity came to mind. Once we became truly ‘at one’, purified channels and instruments of the ‘Intelligent Creative Power’, we could gradually ascend in consciousness until we truly expressed through our minds and hearts the very ‘NATURE’ of the ‘Universal Creative Power’. Then ‘life on earth’ would indeed become a ‘state of heaven’ at all times and we would enter into a state of eternal life! This must surely be the true goal behind creation, I thought. And it came to me with a surge of elation and loving joy, that this was the purpose for which man and woman had been evolved and developed!” End Excerpt.

So while the Divine Purpose of the True Goal behind Creation had been Developed, then would it not be True to say that the experiences needed to be delivered to both man and woman also had Divine Purpose. The Purpose of Evolving an Entire Human Race which began deep within the quagmire of lower human consciousness to rise Up and Become, through their own volitions Sons and Daughters of God to Shine The Equalities of Masculine and Feminine Qualities and Virtues as the Individualized Expression of God!

For those of you here in this lifetime who have come this time, in male or female bodies, have you forgotten that you have been both the victims and perpetrators of all atrocities against each other, all control and manipulations against mankind, as in the whole of the Human

Race? Remember this Dear Hearts and it may just change your perspectives that today you are not just a male or not just a female in the physical biology, but the amalgamations of the Cellular and DNA Encodements of All programs and beliefs that you have EVER had since the beginning!

Think about this for a moment! How do you see and treat the opposite sex in this life? Both in your life experiences up until now and as a result of those experiences. How do you treat the opposite sex be it acquaintance, friend, brother or sister, son or daughter, partner or any other presence within your life? I Am Asking You, quite directly now Dear Ones, what tendrils of consciousness from past lives or this lifetime that continues within your life, especially within your relationships with companions, mates, marriages, Twin Rays, or perceived Divine Consort Spiritual Partnerships? I tell you, these misaligned tendrils will be seen by the reflections that each portrays back at you from the Mirror of Divine Masculine and Feminine Imbalance or the Push Pull of the Magnetic/Repulsion and the Electrical/Rejection of the EGO Protocol of SURVIVAL.

I wish to detail this here now for you, for while the Survival Mode or the EGO's Push/Pull Engagement is present within Any human relationship within couples and not limited to the male and female, but also today includes man and man and woman and woman. To understand this fully Dear One's, will propel any discordant relationship between couples into a Full Balance of Equality not only within the Interactions of Merging bodies together, but the blending of the Masculine and Feminine Divine Qualities and Virtues Equally in both.

In Letter 4, I spoke of this in detail and due to the need of the hour, I shall offer it again here for each of you to read and practice within your lives, with the One you wish to spend the remainder of this human physical life with. While you remain in physicality, the sexual act in Love Making for human procreation or to attain Higher Exalted States of Consciousness will be the fastest way to attain Complete Masculine and Feminine Balance and Equality for entry into Christ Consciousness. It is not dependent upon it, but as a human being within human flesh it remains a valued option! The excerpts come from Letter 4.

“Because you and certain other religions have strongly adhered to the belief in Adam and Eve created to live in happiness in the Garden of Eden, of Eve’s temptation by the serpent, her fall from grace and her temptation of Adam, man has been encouraged to perceive woman as the great temptress.

“The imagined origins of humankind are not true. They are merely allegories. Neither is it true that woman is the great temptress. For eunuchs, the woman has no appeal. Why is this? Because that which impels a man to lie with a woman is removed. Therefore, in whom is the tempter? In man himself, and can be physically removed from him, or in the woman who remains herself despite all? Man has been made expressly to plant the seed. Therefore, to plant the seed he must, wherever he sees the opportunity.

“Woman has been made to receive the seed. In past years, before the 20th century, women were sexually dormant until seduced by men. Where then the tempter? In men, the arousers and seducers or in women, the seduced, and aroused? Man has been hiding from his own

masculine nature in the name of purity and placing the responsibility for his downfall on woman. Is this a sacred activity? Is it worthy? Should it continue?

“WE speak to those of you who profess to adhere to the Muslim faith and who believe you are ‘sinless’ or of ‘pure mind’ because you have shrouded your women in heavy clothes to protect yourselves from temptation and prevent other men seeing your ‘possessions’. How greatly are you misled by your own passions? By being protected from the exercise of your human desires, they only increase until they break out in some virulent, brutal form. I, We, say to men and women everywhere, True Purity is only attained when you can be surrounded with every form of temptation and yet remain untouched by desire, unmoved by earthly feelings, untainted by earthly lusts, free of craving and longing for possession.

“Purity in its every form transcends all earthly physical hungers. Purity is the ability to see temptation for what it is, grossness of thought and feeling which traps the senses of men and women into doing unclean things. A Truly Pure person desires only the clean and honest environment suited to their innate longing for spiritual love and beauty of self-expression in every facet of their lives. That is True Purity. However, True Purity cannot be achieved unless there have first been the long years of temptation. It is a necessary part of your spiritual development; unless you have been sorely tempted at times and have eventually come to understand that there is a higher road to walk, a road of self-denial, and of sincere concern and caring for a good woman, you will never attain a state of True Purity.

“You will be enslaved by desire and will be in a constant turmoil of inner conflict. Therefore, do not avoid temptation by covering women and living in artificial conditions of pseudo purity. Rather, men and women, remove your clothes, revere each other’s bodies as the outer visible beautiful forms of the Inner DIVINE CONSCIOUSNESS and experience the release that true spiritual purity will bring you. Suffer grievous temptation and overcome! Take your conflict to Divine Consciousness and seek Its Power to help you overcome your physical longing, for only in this way will you find the freedom, the peace of mind, you are basically seeking. If, at the moment, you seek relief and release of your craving by giving way to it, that is no freedom or release. The self-same craving will return in due course, and once again you will know the searing conflict. If again you give way, again the conflict, even more intense, awaits your decision to stand firm in the Power of Divine Consciousness until the craving is finally subdued by perceiving the Sacred Beauty, the Reality behind and within all physical form.

“The highest spirituality between the sexes is when man and woman can be together naked and at peace together, in a state of mutual reverence of soul, mind, heart, and body. In such spirituality, all they feel for each other is love and regard for the well-being of the other. Out of such LOVE and compassionate tender CARING will come a union of ecstatic being that few have experienced, and, if intended, a child of incomparable beauty of body and mind will be conceived. In the centuries ahead, when people have begun to evolve spiritually on every level of their humanhood, such a love between partners will be normal, and the kind of selfish sex, seeking only physical satisfaction, as indulged in at this present time, will be regarded as utterly degrading, as abhorrent as rape.

“At the present time, the highest spiritual way to follow in regard to the sexes, is to acknowledge and abide by the perception, that: men and women were created to perform special tasks in life suited to their underlying natures. The man impregnates the woman. Without the woman’s good will and help, the man would go to the end of his days, childless, without a human being to carry on his name.

“Therefore the man should treat a woman as wholly equal but born to carry different responsibilities. He should give her the highest respect, and love and care, at all times, to enable her to carry her burdens with greater ease, for it is she who gives visible form to what is first conceived in mind. When a woman receives a sperm which unites with her ovum within the recesses of her body, a miracle is wrought to which you, the man, have done nothing to contribute, other than your sperm in a moment of delight, in which is your reward.

“You can only contribute to the continued health and normal development of the ‘miracle’ you have given life to in your partner’s body, by your unflinching, caring love for her well-being and health, and protecting her from all emotional and external harm. This is your masculine responsibility. Only in this way do you deserve to remain at her side as father of her child.

“If you fail in this, you have no value as father to the child, and have no value to yourself as a man born to manifest your spiritual ‘Divine Consciousness Father’ within your physical life. A man who harasses a woman carrying his child, who treats her with contempt, who offers harsh and brutal words and physical treatment is breaking the most fundamental Law of Existence in which male and female should be united in equality of Divine Beingness. Women who are respected and loved and protected should equally respect and love and offer refreshment of spirit and body to her partner, nurturing his capacity for giving of himself to her. A woman who does not nurture her partner with caring, tenderness and love, is depriving his masculine spirit of the will to endure in face of difficulties he encounters in the external world.

“He will seek his solace from another source, men or women, drink or drugs, or by isolating himself within the household, of use neither to partner nor children. Therefore, men and women have an equal responsibility to cherish each other. Just as the Man must learn to channel, daily, the ‘Father Aspect’ of Divine Consciousness towards family and work, so must Woman learn to express the ‘Mother aspect’ of Divine Consciousness in her daily life. Those who deny this Truth will be denied access to the Celestial Kingdoms until they have increased their spiritual perception, and prayerfully changed their attitudes. Only when their vision is lifted above the earthly human perception of ‘male and female’ and beyond their earthly desires and ego drive, to the Reality out of which they have drawn their ‘being’, will they escape the wheel of re-incarnation and find entrance to the ultimate Joy and Glory.

*“If, within a culture, a woman is regarded only as a ‘possession’, an object of a man’s desires, and not treated as a woman, absolutely equal with a man, such a culture has not understood the true nature of man and the true nature of woman. **Man and woman are two equal halves of one whole.***

“When single and alone the man is manifesting but one aspect of his SOURCE OF BEING and when woman lives alone and single, she also manifests but one aspect of her SOURCE of

BEING. The DIVINE INTENTION of UNIVERSAL CONSCIOUSNESS was to express Its own wholeness through creation by individualizing, in physical form, each of the two equally balanced aspects of ITSELF and then bringing them together again in physical form, to experience the unity and wholeness of DIVINE CONSCIOUSNESS from which they originally took their individuality.

“As they come together in love and unity of spirit and body, they discover the joy and ecstasy of UNIVERSAL CONSCIOUSNESS in Equilibrium. (This entire process is clearly set out in Letters 5 and 7.)

“Therefore, the combination of the masculinity of the man and the femininity of the woman is essential to make a ‘whole’ drawn from the SOURCE of BEING. Out of this combination is formed a whole child.” End Excerpt.

Dearly Beloveds, You are about to Move into an area of Invocation to Bring Back the Balance of the Masculine and Feminine Qualities and Virtues Within the outer expression of life. For far too long the Female, the Woman, has been denied Her Equality not only to Stand Beside Man in all areas of life’s expressions without exception, in part or full, these conditions have permeated out into Other Worlds, Dimensions, Universes and Galaxies that they too need corrections.

So, unless you yourselves, the Ones giving these Calls are standing in that place of Equality, then the far-reaching effects is not possible. If Men do not give Women or visa versa, Their Rightful Place to Stand Beside Each Other and Adorn Each Other As One with Your Grace, Praise and God Thanks, the True Balance Being Called, shall be a Call made without Conviction! The Success of this Call Must Begin with You! This Attainment can come in a Moment or another lifetime, but either way, the emphasis that I Am giving here throughout this Discourse is that as the Moon, Planets and Stars have their own Paths In Movement and Purpose, so do you in following your Own Divine Path through Higher Will and Purpose.

I Am going to also invite you all to study again, or for those who have yet to Read the Christ Letters, the Sections all about the Push/Pull of the EGO Survival Functions that play out quite naturally between man and woman on a daily basis with Purpose! Unless you Self Realize and are aware every time this takes place, that is every thought and every action of when the woman magnetizes the man and then repulses him and when the man attracts the woman and then rejects her within such exchanges of Magnetic/Repulsion and Electrical/Rejection Impulses, your Karmic Wheels WILL keep spinning holding you within the Imbalances of the Masculine and Feminine Qualities and Virtues until you do!

For those in relationships or partnerships, or those who live their lives in separation or alone by choice, it is truly time to look at the tendrils of consciousness within you in this lifetime, that have attracted these conditions for you to experience. Mankind was not born to live alone but in harmony of the One United Breath of the Divine Masculine and Feminine Full Embodiment of the Christed Ones! So close Dear Brothers and Sisters, So close!!!
