“Their places are being taken, under the Law of Ascension, by Their Senior Disciples, the initiates in Their Ashrams, and (*under the same Great Process*) the place of these Initiates, who are thus being ‘raised’ to more important work, is being taken by Disciples and probationers. **It is this truth, misinterpreted and shockingly travestied, which lies behind the teaching anent the so-called Ascended Masters, put out by the Leaders of the 'I AM' movement, thus prostituting and bringing down almost into the realm of cheap comedy, one of the most notable happenings which has ever taken place upon our planet.**”

In Love and Light. Thank You!

Good morning Light Showers of the Way, to answer this satisfactorily will take many Discourses. However, I would deem that what I will share with you now will be sufficient for you to look deeper into not what the meanings may reveal consciously, but more importantly what the causes are that will reveal what the subconscious will require to bring back into balance the expressions of correction and why this subject matter has been Impressed upon you at this time. I Am Aware of the sharing of late, of how the consciousness and subconsciousness work together to create that which is desired, however, as the subconscious (*Soul*) is impersonal, and subjective, and the conscious personal and objective this is where the learning here is being called for.

Yes, it is correct that there is further information around this passage, but I can also say that to find the full meaning one would need to review the whole of these few books. But we will not do this today. We will try to offer sufficient hints, so that this single Discourse will suffice. As you know the Discourse ‘*The Coming of the Christ*’ has been at the forefront of your discussions and therefore I will expand upon this slightly in a more direct and Inner Reflective way. So, let Us first speak of the ‘*Living Lights of Christ*’.

The Evolution taking place upon Earth is not limited to any particular Lifestream of the Living Organism, nor does it exclude any of Every Other Living God Intelligences that are not in physical form. So, you are aware that All the Realms of God are Evolving. From the Hierarchy perspective it means something quite different to that of being human, yet as Humanity is at a cross-roads of its Evolutionary Process, it is, that is, the Spearheads of the New World Light Workers are beginning their Transitions through Group Initiations to Ascend in a Way that has not happened upon Earth before. So, there are Cross-Roads happening whereby those who are sufficiently Wise in the Ways of Higher Evolutionary Systems, are now beginning to Receive Greater Responsibilities before they can Prove that they are fully ready to Adorn Their next Initiation.

The excerpt,

*"Their places are being taken, under the Law of Ascension, by Their Senior Disciples, the Initiates in Their Ashrams, and (under the same Great Process) the place of these initiates, who are thus being "raised" to more important work, is being taken by Disciples and probationers. **It is this truth, misinterpreted and shockingly travestied, which lies behind the teaching anent the so-called Ascended Masters, put out by the leaders of the "I AM" movement, thus prostituting and bringing down almost into the realm of cheap comedy one of the most notable happenings which has ever taken place upon our planet.**"*

Taken in context, this relates to such Senior or more Advanced Disciples and Initiates being sort after, so that such Responsibilities can be given to Them so as to move into the Over Lightning Work that Masters have been doing to date so They themselves can Evolve. This is how the Hierarchy Evolves, No Master can Move Higher in Consciousness before They Themselves have found Their Replacement. And in this case, as you have been told Many of the New World Servers are the New Hierarchy already here on Earth in Divine physicality preparing to be given such Higher Consciousness as the 'Living Lights of the Christ'! This Process has been going on for a long time, and as each cycle passes, each individual Disciple and Initiate moves up the Ascension Ladder, and then as they Unite and Merge into the New Living Organisms of Group Consciousness, each rung, producing an increase of Awareness and a Raising of Vibrational Frequency and Light Quotient.

This Realization for the Be-Coming of the New Hierarchy here upon Earth as the Living Lights of the Christ, comes back to that which I covered within the Study of the 14 Rules with you, that of 'The Basic Essential of Pure Character'.

"V. The Basic Essential of Pure Character. *This is something more than just being good. It deals with the Matter Aspect and has relation to the hold or control that the form has over the man or woman. We might express it this way and therefore give its more occult connotation. If one or other of the three lower elementals (the physical, the astral and the mental) are the controlling factors in the life of the man or woman, he or she is, by that very fact ,put into a position of danger and should take steps to arrest that control prior to an attempt to enter into the formless realm. The reason for this will be apparent. Under the*

Governing Law of Matter, the Law of Economy, the elemental life will attract to itself similar lives and this will result in a dual danger. These dangers are:

“The gathering into the form, through the dominant note sounded by the form elemental, of matter with a synchronous vibration. This will tend to increase the magnitude of the task before the Ego and sweep into increasing dominance of the lower man and woman. The ‘Lunar Lords’ will become increasingly powerful and the Solar Lord correspondingly less August.

“The man or woman will find him herself surrounded in time with thoughtforms of a lower order (from the standpoint of the soul) and before he or she can penetrate into the Arcana of Wisdom and find their way into the Master's World they will have to dispel the clouds of thoughtforms which he or she has attracted to him herself. Unless the Disciple learns that aspiration and self-discipline must proceed side by side, he or she will find that the Spiritual energy he or she may appreciate, and contact will only serve to stimulate the latent seeds of inequity in his or her nature and thereby demonstrate the exactitude of the truth that the great Lord taught when He or She pictured the man and woman who swept their house, cast out seven devils and eventually was in a worse condition than ever. It is essential that Aspirants should understand the nature of the lower man and woman and should grasp the fact that every coherent system has its varying types of energy, and that Perfection is achieved when the Highest type of Energy inherently possible dominates.

“If the lower energy of the aggregate of the form-atoms is the controlling factor three things will take place:

“The form itself will grow by Accretion and will become ever more potent, until the dominant voice of its 'lunar lords' will stifle all other voices and the man and woman be swept back into Inertia, Blindness and Bondage.

“Many people are not only under the control of someone or other of their forms but are the captives of all the three. In studying the lower threefold man and woman and the energies or lives that seek to control him or her it should be remembered that they fall into three categories:

“The individual tiny lives which we call the atoms or cells of the body. These exist in three groups and compose respectively the four types of bodies: dense physical, etheric, astral and mental.

“The aggregate of these lives which constitute in themselves four types of elementals or separate coherent, though not self-conscious, existences. These four ‘lunar lords’ constitute what the Ageless Wisdom teaching calls ‘the four sides of the square’. They are the ‘lower quaternary’, ‘the imprisoning cubes’, or the cross upon which the inner spiritual Man and woman is to be crucified. These four elementals have an intelligence all their own, are upon the involutory arc, are following the law of their own being when they tend to become powerful, and thereby fully express that which is in them.

“A dominant controlling lunar lord who is that which we understand by the term the 'lower personality'; he or she (if the personal pronoun can be used) is the sum total of the physical, astral and mental elementals, and it is this power which at present forces the 'fiery energies' of the body to feed the lower three Centers. The etheric body has a unique and curious position, being simply the vehicle for prana or life and the centre which it uses exists in a category by itself.

“All sub-human forms in their aggregate, prove a powerful deterrent factor in the progress towards emancipation of the Real Man and Woman. They form the opposite to what we understand by the world of the Master and the two are in direct opposition to each other from the standpoint of the aspirant. The adept can enter the world of form, can contact it, work in it and remain unaffected by it because there is nothing in him or her to respond to it. They sees through the illusion to the reality behind and, knowing where he or she stands him herself, there is naught in the appeal and the demand of these 'lunar lords' to attract him or her. They stands midway between the pairs of opposites. In the realization of the nature of this world of form, in a comprehension of the lives which compose it, and in an ability to hear the voice of the 'formless One' above the strife of all the lower voices, comes the opportunity for the aspirant to escape from the dominance of matter.

“This is the True Magical Work, My Brothers and Sisters, the understanding of the sounds of all beings, and the ability to speak the Language of the Soul is the clue to the work. These faculties rightly used impose upon these lesser lives that control which will lead to the final liberation, and which will in due time, lead these lives themselves into the realm of self-consciousness. This aspect of the matter is as yet but little comprehended by the Sons and Daughters of Mankind. If they but realized that by a disposition to fall under lunar control they drive the tiny lives in their little system deeper into the darkness of ignorance, they might more rapidly assume their just Responsibilities; if they realized that by the constant attempt to impose the rhythm of the Solar Lord upon the aggregate of the 'lunar lords', they were driving these lives onward to self-conscious unfoldment, they might proceed more earnestly and more intelligently. This is the message that must go forth, for all the varying aspects of the Life of God are interdependent and not one proceeds onward into fuller realization without benefitting the entire group.” End Excerpt.

This then is not about the Purity of Intention but the Actual Walking the Talk within that Purity and Perfection of the 'Living Lights of the Christ'. 'Lights' is plural, for there are many Ways to Walk As A Living Christ, not only through the Rays and Sub-Ray Aspects of Deity but the Divine Qualities and Virtues of the Christ Itself! None of this is new to you Dear Ones, your training has brought all of this into your awareness in detail, yet, the most fundamental mistake that continues to be made remains the lack of focus given to that of human and Spiritual glamour. Such glammers have been and remain the 'tripping stones' for they are so difficult to see from within the Disciple and hence the most problematic of all lessons to rise above. Others can see such things who have the Eyes and Ears to see and hear, however it like having a virus enter your body, you do not know about it until it begins to take control of

you and thus creates dis-easement and illness, of the 4 lower bodies, thus becoming debilitating!

This too has been a focus in the past, just as it has been for many Dear Souls who have returned Home, to prepare for their next incarnation. However, through many continued misunderstandings and miscreations of their previous lives, leave the entrails of misunderstanding and untruths behind them. And even when the more Enlightened Ones leave behind Their Legacies of the Highest Truth after they Ascend, those They leave to follow in Their Footsteps, even to Guard and Protect the Truths have not yet grasped or comprehended fully the Truth of those Legacies of Love, Power and Wisdom. Of these, many of the Beautiful Living Lights of human nature continue to be glossed over, thus holding Dear Souls in both their *'incarnational loops'*, to coin a phrase, and thus diminish Heightened Advancement that only delays their Evolutionary Paths within the Divine Economy of the Mother's Love and the Father's Light!

For the New World Servers and those that have been Working both within the Limelight of human consciousness and those behind the scenes, these glammers still have created the difficulties and false promises that sustain the old patterns of remaining within the lower personality and not Evolving into the Impersonality! And Those Who have Ascended within there Own Rightful and Correct Applications leave behind Their Work that can become in varying lesser degrees of Understanding and Rightful Application that such travesties are born.

*"Their places are being taken, under the Law of Ascension, by Their Senior Disciples, the Initiates in Their Ashrams, and (under the same Great Process) the place of these initiates, who are thus being "raised" to more important work, is being taken by disciples and probationers. **It is this truth, misinterpreted and shockingly travestied, which lies behind the teaching anent the so-called Ascended Masters, put out by the leaders of the "I AM" movement, thus prostituting and bringing down almost into the realm of cheap comedy one of the most notable happenings which has ever taken place upon our planet.**"*

I quote now from the Book Discipleship in the New Age Part 1 for even Greater Awareness in this Response. Page 18

"It will be apparent to you, therefore, that the purpose of these groups is to unfold in time the three major powers of all illumined minds:

***"First:** The Power to work in and with all thought substance. The Hierarchy of Illumined Minds is a Group Whose Telepathic Powers enable Them to be Sensitive to the Mind currents and to register the thoughts of Those Who personify the Mind of God, the Universal Mind, and to register the thoughtforms of Those Who are as far beyond the Hierarchy of Masters as They, in Their turn, are beyond the Disciples of the world.*

"Those Lives Who carry out the Ideas of the Divine Mind, exist in Their Graded Orders, and with the detail of Their Groupings We are not concerned, except with the fact that the

Planetary Brother Sisterhood is in Telepathic Rapport with Those Who are Responsible for the Planetary Conditions in the Solar System, with the Great Council, therefore, at Shamballa. They are also in Immediate Telepathic Rapport with each other. The slowly manifesting powers of the radio and the sensitive workings of the perfecting radio mechanisms and of television are but the response in physical matter of the Perfected Telepathic Powers and Tele-Visions of the Minds of the Masters of the Wisdom. Forget not, that such Powers are Inherent in all men and women.

“The Inner Group of Masters with Whom I Am Associated Work Telepathically also with Their Disciples and the Disciples with each other in a lesser degree. The power to ‘see’ the Master, which has been the misguided impulse of the devotees of the world who substitute this desire for aspiration towards Soul contact, is but their response to the ‘television’ of Those Who seek to guide them into the light of their own souls. They are only reacting to one of the demonstrated Divine Powers of the Master but not to Soul action.

“Your response to such stimulation as I can give you and an earnest endeavour on your part to Love with Unselfishness will gradually Perfect in you a similar relation to other workers. This will work out in three directions:

- 1. In a demonstrated ability to be in Telepathic Rapport with Me and with Those with Whom I Am Associated.**
- 2. In power to communicate with each other at any time.**
- 3. In sensitivity to the thoughts of humanity as a whole.**

“Can you not see, therefore, how a miniature replica of the Brother Sisterhood can be established on earth and how in decades to come the working Disciples of the world, the Isolated Initiates in the many world organisations and the personnel of the New Group of World Servers will automatically respond to the Telepathic Sensitivity of such groups as will be found working in the many Ashrams of the Masters?

“The result of this success will not be the recognition of any particular group but it will Lead to the recognition of a Universal Power and the state of mind of Disciples of all Degrees. This will establish in time and without controversy the Unity of all Beings. The Revelation of Unity through the Power of Thought is the Glorious Consummation of the Work of the Brother Sisterhood and to this you do, as do all disciples, respond in your highest moments. It can, in a smaller way and according to the measure of your Consecration, be your Glory and your goal also if you hold the thought of Oneness of Service and above all else of Love.

*“**Second:** the Power of the Intuition, which is the goal of much of the work which Disciples must do, requires the unfoldment of another faculty in man and woman. The intuition is a function of the mind also and, when rightly used, it enables one to grasp reality with clarity and to see that reality free from glamour and the illusions of the three worlds. When the intuition functions in any human being, he or she is enabled to take direct and correct action*

for he or she is in touch with the Plan, with Pure and Unadulterated Fact and Undistorted Ideas, Free from illusion and coming direct from the Divine or Universal Mind. The unfoldment of this faculty will bring about a world recognition of the Plan and this is the greatest achievement of the intuition in this present world cycle. When that Plan is Sensed, there comes the Realisation of the Unity of all beings, of the Synthesis of world Evolution and of the Unity of the Divine Objective. All life and all forms are seen then in their True perspective; a Right Sense of values and of time then eventuates. When the Plan is truly intuited and at first hand, then constructive effort becomes inevitable and there is no lost motion. It is the partial realisation of the Plan and its interpretation at second or third hand by the ignorant which is responsible for the wasted effort and the foolish impulses which characterise the present occult and world organisations.

“The various groups in a Master's Ashram can fulfil certain functions and provide laboratories for specified work. Some can provide a demonstration laboratory of the Trained Observers of the world and can handle world glamours and illusion. Other Groups can Focus on the development of the Telepathic Faculty and become Trained Communicators. The Objective before the Hierarchy at this time is to break and dissipate the world glamour. This has to happen on a world scale just as it happens in the life of every Disciple. Just as a man and woman shifts his or her focus of consciousness (when on the Path of Discipleship) on to the mental plane and learns to smash the glamour which has hitherto held him or her on the astral plane, so the problem before the Hierarchy today is to bring about a similar happening in the life of humanity as a whole, for humanity is at the crossroads and its consciousness is being rapidly focussed on the mental plane. A death blow must be struck at the world illusion for it holds the Sons and Daughters of Mankind in thrall. By learning to break through the glamour in their own lives and to live in the Light of the Intuition, Disciples can strengthen the hands of Those Whose task it is to Awaken the Intuition in man and woman.

“There are many and different kinds of glamour and Disciples are frequently surprised when they learn what is regarded as glamour by the Masters. I will enumerate a few of the more general glamours for you, leaving you to make any needed application and expansion of the idea from the individual to humanity as a whole. Here are the names of some of these glamours:

- 1. The glamour of destiny.** *This is a glamour which indicates to the one whom it controls that he or she has important work to do and that he or she must speak and work as destined. This feeds a pride which has no foundation in fact.*
- 2. The glamour of aspiration.** *Those thus conditioned are completely satisfied and pre-occupied with their aspiration towards the Light and rest back upon the fact that they are aspirants. Such people need to move onward on to the Path of Discipleship and cease their preoccupation and satisfaction with their Spiritual ambitions and goals.*
- 3. The glamour of self-assurance or of what might be called the astral principles of the Disciple.** *This is the belief, in plain language, that the Disciple regards that his or her point*

of view is entirely right. This again feeds pride and tends to make the Disciple believe him herself to be an authority and infallible. It is the background of the theologian.

- 4. The glamour of duty.** *This leads to an over-emphasis of the sense of responsibility, producing lost motion and the emphasis of the non-essential.*
- 5. The glamour of enviroing conditions.** *This leading frequently to a sense of frustration, or of futility or of importance.*
- 6. The glamour of the mind and of its efficiency and its capacity to deal with any or every problem.** *This leads inevitably to isolation and loneliness.*
- 7. The glamour of devotion, leading to an undue stimulation of the astral body.** *The man or woman thus glamoured sees only one idea, one person, one authority and one aspect of truth. It feeds fanaticism and spiritual pride.*
- 8. The glamour of desire with its reflex action upon the physical body.** *This leads to a constant condition of fighting and of turmoil. It negates all peace and fruitful work and must someday be brought to an end.*
- 9. The glamour of personal ambition.**

“There are many other glammers, both individual and world-wide, but these will serve to indicate a general tendency.

*“Those who are in preparation for Initiation must learn to work consciously with glamour; they must work effectively with the presented Truth, ignoring any pain or suffering or mental questioning which is incident to personality rebellion and limitation; they must cultivate that ‘**Divine Indifference**’ to personal considerations which is the outstanding Hallmark of the Trained Initiate.”* End Excerpt.

Finally, to close I wish to share this with you who are the ones’ who step forward to Initiate and becomes the, let Me use the word Visionary as it is one that you have Implemented through your own creations. Yet I say to you consider Who is the Visionary? And when you answer what is the Attribute you would place upon it, personality or Impersonality? Lunar Lord or Solar Lord? In other words, what glamour would you consider this to come under, if anything? Perhaps there may be a more apt name, or none at all?

On Page 11 of the Book Discipleship In The New Age Part 1, I have spoken to the New Disciples and Initiates and said,

*“**Secondly**, it is essential that all Disciples in an Ashram should be contemplatives, but contemplatives in the occult sense and not the mystical. In other words, **One who will become a Contemplative in Action that spends time in self-reflection and discernment to look within and make sense of their experiences.** Leaders then can take action for the greater good, informed by this reflection and the movements of the Soul. In any meditation work which you are doing or may in the future do, your aim should be to achieve as rapidly as possible the*

Highest Point in the meditation process, passing quickly through the stages of concentration, alignment and meditation to contemplation.

*Having achieved that High Point, you should strive to preserve it and should learn thus to function as a Soul in its own world, contemplating the world of energies in which all Initiates work and in which you each must someday, in this life or another, take your place. This status (if I may call it by such a name) must be carefully striven for, Accurately Observed when in any way attained, and an exact record of Impressions kept. You should, therefore, **Constitute a Group of Active Contemplatives**, and the result will be facilitated if you will ponder upon and struggle for the first condition of your Group Existence, Group Unity.*

*“**Thirdly:** This Group unity which will have its roots in United Group meditation or in the Contemplative Life (wherein the soul knows itself to be one with all souls) Must Work Out in some form of Group Activity. This should demonstrate at once in the group itself and later on, when the unification is more complete, in the world at large. It is in this way that the Masters’ Ashrams will be externalised on earth and the Hierarchy function openly on the physical plane and not behind the scenes as hitherto.*

“Then will come the restoration of the Mysteries.” End Excerpt
