Beloved, God 'I AM' Presence, Of Infinite Love and Light, Who is the Harbinger of All That Is Immaculate in Conception As It Is In Heaven and on Earth, whether of human Child or any other physical creation of, and for The Eternal Cosmic Christ Love, I Call Forth My Beloved Brother St Germain, to Bring Forth the Truth and Supply us, with that which will assist the human personality mind to better understand the Divine Work we are here to accomplish for and on behalf of God for the Benevolence of All Life. That includes Humanity, The Elementals, Devas and Angelic Host, The Natures Spirits, Animals, Birds, Fish and the Mineral Kingdoms. It includes the Planets, Asteroids and other Space bodies within this Universe. And it also includes all the thousands of Human Races who are represented here as Our Galactic and Intergalactic Brothers and Sisters, those Emissaries of the Light, that Beloved Lord Melchizedek has spoken to us of in His last Discourse; *'Like Kicking Off A Shoe That Is Too Tight.'*

In particular, we would like you to speak of the subject, which actually has inspired this communication opportunity; that being the present delays in the situation with the World Re-Valuation Currency Reset for the Benevolence and Equality for All of Humanity; that which is of Your Divine and Immaculate Conception, that you Dear Brother, are The God 'I AM' Authority Governing here, and where the manifestation of NESARA ('National Economic Security and Reformation Act) and GESARA (Global Economic Security and Reformation Act) is in terms of finally coming into effect.

Our Holy Desire is to hold fast to the Truth that 'I AM' whatever I desire to be or manifest. 'I AM' the Omnipresent, limitless Supply of God's Riches and Opulence in My use for the Benevolence of All God Life!

We Give Praise and Thanks for Your Love and Light to Guide us.

Bless You!

'I AM' the Supremacy of man, everywhere I go. 'I AM' the Mighty Consuming Flame that now and forever consumes all past and present mistakes, their cause and effect, and all undesirable creation for which my outer is responsible. 'I AM' the Open Door which no man can shut, cutting me off the Great Opulence of God, waiting, surging to press forward to Heal, to Bless, and to Prosper All Life Abundantly.

Greetings Dear Showers of the Way,

In continuation of Part 6, I wish to offer some profound Guidance to all those who are in positions offering humanity direction and guidance and more so to those who are in a powerful position to influence legal establishments that provide methodologies on how to protect the Rights of Human Souls, especially those whose only Purpose is to provide themselves and their Resources toward Humanitarian and Worldwide Benevolent Plans and Projects.

Let me highlight something for you, as we are speaking of the rollout of the New Currency Reset and what that shall result in with regards to the increase in monetary wealth and distribution for those already multimillionaires and those who may come into vast sums of money!

But first I wish to place within these Discourses some excerpts from Lord Jesus and His Christ Letters. In this case Letter 1. So please familiarise yourselves with what 'I AM' sharing here, and we will continue after that! And if you have not paid very close attention to the Invocation at the beginning of this Discourse, please go back again now and read it over and over again, at least three times, for this is the premise of all of what this Series of Discourses are all about! Would you Bless yourself by doing this???

Okay! Let us continue.

First, We begin with an excerpt where Christ Jesus speaks of the Purpose of the Christ Letters. Excerpt 1

“For in the 20th century, human mental abilities outstripped their spiritual development.

“Scientists thought they could explain away the origins of creation and ascribe them to accident. As a direct result, people ditched morality and began to give way utterly to self-will.

“They set in motion a new momentum of menace in the world, for they began to create a new form of ‘world ego-consciousness’ directly in opposition to the NATURE of the Divine UNCONDITIONAL LOVE. The human consciousness blocked the inflow of the Divine.

*“NOTE WELL: The ever-increasing lurid imaginings of a few people, which would have been contained locally, a century ago, now became a **CONTAGIOUS MENTAL INFECTION** glorified in literature, films, theatre spreading world-wide, creating a global ‘**Human Consciousness**’ similar to their own, expressed as sexual excesses, violence, and perversions. This **MENTAL INFECTION first** manifests as egocentric modes of living and the creation of technical devices, which have created serious health disorders, climatical changes, crop failures, environment deterioration, extinction of living creatures, and wholesale slaughter of human beings.*

“Mental Infection manifests in the human personality as deranged and destructive behavior, drug-taking, abominable cruelty and depravity, gangster operations, and sexual excesses. Thus, has a vicious circle of malignancy and perversions of thought and activities been created by entertainment and media magnates. The purpose, to capture egocentric public vested interest.

“Your TV and Cinema screen has become the new Bible of human behavior.

“Personal tragedies unknown to humankind a century ago, have become rife and people live in fear of walking the streets. Households are barricaded behind high walls. Family and social problems are taken into regular public debate, and so the saga of human misery is perpetuated.

*“This is the **BEAST** stalking your lands and feeding a **miasma of beastliness** into innocent minds.*

*“It will be perpetuated until my **Christ Knowledge** is acknowledged, accepted and lived by the majority of people on earth. Because this knowledge will show you how to get back on the true **PATH OF LIFE** in order to start creating the kind of lives you truly desire.*

*“Because ‘**I AM**’ unconditional LOVE ‘**I AM**’ speaking the **TRUTH** which many spiritual minds suspect but which is rejected by those who are spiritually blind at the moment.*

“These words are not spoken to threaten or punish you, but to alert you to the source of all the unspeakable horrors which daily fill your newspapers and TV screens.

“It is only my love for all people that forces me to descend through the various levels of consciousness to reach the dimension of human depravity to warn you of its consequences in your present lives.

“NOTE WELL, IMPORTANT

“You wonder from whence has come the HIV virus which attacks man’s precious self defence system, the immune system, and also targets his abilities to procreate?

“This virus, if left to spread unchecked, (not by drugs), by SPIRITUAL AWARENESS, will wipe out the unwary. The Enlightened will avoid these and other pitfalls of existence.

“Wake up! Realize! Your own strong ‘consciousness impulses’ are life impulses.

“They are highly creative electro-magnetic impulses!

“When they are of a virulent, violent, aggressive, murderous nature, they emit electrical particles of virulent, violent, aggressive, murderous CONSCIOUSNESS which take form as virulent viruses in the air, spreading from one innocent person to another.

“What is born and nurtured in the diseased mind eventually takes on form in the physical world.

*“This is not punishment from ‘God’ as the churches may teach you. It is, a **SCIENTIFIC FACT OF EXISTENCE**. Therefore, it is a matter of extreme urgency for all spiritually minded people to set aside ‘infantile’ imaginings to perceive, clearly, the **TRUTH of Creation & Existence.**” End Excerpt*

Dear Souls, you may not have expected this sort of talk within what we began a short while ago together as part of the GESARA, RV and Currency Reset, but like I have said to you what has all this got to do with these things! I said; *‘It has Everything to do with them!!’*

In ‘Trust’ and ‘Faith’, human law, that which you call Common Law, really is not designed to protect the people, not in a way that ‘Protects’ them from a standpoint within their Divinity. Of course it helps to maintain law and order, but if you have read the I AM Discourses over 90 % of all crime committed does not receive the just hearing for they are only ever placed on trial based on the superficial physical fact and nothing of the Spiritual or Divine is ever taken into consideration. To address this issue everything in this present human consciousness must go back to the ‘drawing board’, if I may use this term for your understanding!

Let us use the Natural Law Trust documents for example. The premise of these, although they are most effective when it comes to the protection of assets and financial interests, they remain founded upon a fear-based consciousness thought pattern whereby these assets, are personal ownerships of individual persons, groups or organisations. They are designed to turn away the controls of Statutory and Common Law practices and allow the Beneficiaries to continue their exclusive hold upon the assets. Not in words, perhaps, but in the freedom of individual control for whatever use they deem fit, whether, projections against humanity, as Jesus speaks of above, or indeed humanitarian projects of those whose consciousness thought patterns are more in alignment to the Service toward Humanity and a World in need!

Let us look at the Laws of Existence that Brother Jesus defines in Christ Letter 1.

Laws of Existence

- *“Whatever man profoundly **BELIEVES** himself to be, good or bad, that will he become.*
- *“Whatever man **FEARS** others will do to him, so will they do.*
- *“Whatever man **HOPES** that others will do to him, he must first do to them, since he is then creating a ‘**consciousness pattern**’ which will return to Bless him to the extent he has Blessed others.*
- *“Whatever disease man **DREADS**, so will he become prey to it for he will have created a ‘**consciousness pattern**’ of the very thing he least wants to experience.*
- *“Your Universe is **CAUSE and EFFECT** made visible - This is an undeviating Principle of Existence. If there are instances of deviations such as paranormal experiences or instantaneous healings, the average person exclaims in astonishment, and science refuses to believe that such a thing is possible. As my explanation deepens, you will eventually understand how such deviations take place, logically and effectually. In other words, these deviations occur according to Natural Spiritual Laws and always serve a necessary purpose. (L5-6)*
- *“Whatever is **sent forth from man’s mind and heart** – returns to him in due course in some form or another but remember that like always breeds like. Strongly held emotional thoughts are ‘**consciousness seeds**’ planted within a man’s own orbit of consciousness. These will grow, bearing a like harvest for his reaping.*

“These are the fruits of free will.

“There is no way that man may escape what he thinks, says or does – for he is born of the Divine Creative Consciousness Power and is likewise Creative in his imagining. Those who

long for good for themselves must first give it to others. Let their very existence be a Blessing to others.

“When such people are in harmony with all others – they are then Perfectly Attuned to the Universal Creative Consciousness Power – and they are brought into the flow of the Father’s ‘Nature’ which is growth, protection, nourishment (physical, mental, spiritual) healing, fulfilment of need, within a system of Law and Order.” End Excerpt

Within a System of Law and Order! And it is this Law and Order we are speaking of here. So, let us say that the Natural Law Trust does through Natural Law, protecting individual assets and financial resources from Common Law. I tell you they will not protect anyone from the Laws of Existence, because no one is exempt from their own consciousness thought patterns. And whether good or bad, the intentions behind all thoughts, words and deeds, shall be the controlling factors that the Wheel of Karma, The Law of Retribution shall play out!

I tell you Dear Hearts, now that *‘The Divine Clemency Dispensation.’ An Act of Mercy!* has been Granted, not only individuals, will be placed before this two-thirds clean up in accordance to Cosmic Law, and all assets and resources shall all be placed before the Directors of the Karmic Board to decide upon how such things shall be reviewed in terms of either complete dissolution or re-distribution for the use and betterment of All. I will tell you also that We have now been given Human Permission in Accordance to Cosmic Law to remove two-thirds of all those things Peter and Jesus have outlined within these Discourses and We are not just limited to those things. Which two-thirds? This shall be at OUR Discretions for We have the Powers of Seeing everything from the Higher perspectives; that which humanity has not yet been able to see or know!

I tell you We have been telling the dark ones who have their holds upon your world governments, the power elites within your financial institutions, economic communities, chemical industries, power utilities, food production and so much more, for decades now; **their powers will soon be reduced to naught!!** The people of Earth have now spoken and through the Cosmic Laws of Love in Action can now begin to Truly make a lasting effect to Lift the consciousness of this world and its people to New Unrealised potentials, not seen upon earth for nearly 2 million years!

So ‘I AM’ inviting those who may be in positions of Greater Awareness, to look at potential changes that could be placed within the New Documents that will protect, not the individual’s ownership of assets and financial resources, but those who are now moving into a position, who will become the Guardians and Custodians of that which

Belongs to God. And that My Dear Hearts is EVERYTHING, not just money and material manifestations, but all that exists within this physical realm.

This ends Part 7

BENEDICTION: Thou Infinite, All-pervading Presence, whose Active Intelligence governs all who look unto Thee, fill each one who seeks the Light with Thy Mighty Inner Light. Hold each one closer and closer in the Great 'I AM' Presence, that It fills the world of everyone with Thy Great, Great Perfection; and that the consciousness of each individual desires only that Great, Great Presence and Perfection.
