

THE COSMIC CHRIST MANDATE

The Cosmic Christ Mandate Website Introduction

To Whom It May Resonate Within Their Heart, Mind and Cellular Body

Welcome to **The Cosmic Christ Mandate** that is an Ever-Expansive Attainment within an All-Expanding Consciousness since the time when Jesus The Christ Walked this Earth, even though it can be said that this Human Evolutionary Process began here on Earth many millions of years ago! While this is a very complex matter and has a magnanimous nature, far beyond most of humanity's awareness today, it, nonetheless, Cosmically Speaking, arrives in Universal Divine Order of linear time on Earth, here to share the Truth of the Reality of Who Humanity Are As Human Beings upon this Planet Earth on a much wider scale and more than this, just how incredibly All-Encompassing are the Origins of mankind within this Evolution of the Journey of Humanity throughout this Universe, the Omniverse that encompasses it and all that the Cosmoes contain.

It is important that one does not look at this '**Cosmic Christ Mandate**' as being based upon any religious belief, for that would be very self-defeating for those who did. This '**Cosmic Christ Mandate**' is not about religions or those doctrines or cultural practices, but rather is about the Unity of the Whole of Humanity and if one was to say what religion is it then? The answer would be Divine and Agape Love, which sees no separation in anything or anyone. God is not discriminatory to any religion. Religion is however a human creation, a miscreation that holds onto, and in general, practices separation consciousness. Only human beings living within a physical reality will create such imbalances and divisions Within a God Universal Consciousness that in and of Itself Empowers Unity, Wholeness and Perfection in All of Creation, although this has changed to a degree in some religions over the past decade or so. It is this '**Cosmic Christ Mandate**' that will hopefully shed enough Light upon God Unity and Universal Consciousness, that will Heal the wounds that mankind's religions have created and bring about an internal reformation that employs a Universal Consciousness that will Support a new '**I AM' One World Nation'** Consciousness, and thus dissolving separation consciousness throughout.

Likewise, this Mandate is not focused upon any political persuasion of governing practices. Politics is just another of the mainstream miscreations, either displaying opposition parties to varying degrees as well as governments that place the people who they govern in a controlled or submissive state of being! All politics, at whatever level expressed in whatever way, is simply, separation consciousness in their foundational structures, implementation and practice.

Agape Love is the Trust and Faith of God's Love, Wisdom and Power! These Petitions herein, Dispensations and Grants for the New '**True Constitution**', '**The 'I AM' One World Nation**' and the '**Declaration for the Freedom of Humanity**' represents the Ashramic Group of the Whole of Humanity in and of Divine Synthesis, Divine Will, Balanced Within Divine Love, Wisdom and Power, so it MUST at all times Apply, particularly, the Ray 1 Qualities, Attributes and Virtues, initially at least, to get the needed changes under way. But nonetheless Rays 2, 7 and 3, 4 and 5 are All Playing Their Parts in Perfection, in this '**Extraordinary Transition**' from what is old and stale and no longer serves anyone, to something '**Brand New**' for a sleeping humanity who have far greater potentials within them than just surviving in their lives, on the most part, day by day!

From the Higher Perspective this is madness and comes only from a separation consciousness. The God Rays MUST Adhere to Its Shamballa Force of Application To God Life! This Divine Will, Is the Divine Primal Life Force Directly from the Great Central Sun and ONLY Displays and Engages in Agape Love, Unconditional Love, God Love! And ONLY in Accordance with Cosmic Law! This Agape Love is not human love, or even the human love of your brothers and sisters. This is the Love of God for All Creation; including the minerals, plants and trees, animals, fish and birds and the insect worlds, humanity as a whole; not excluding the Elementals, Devas and Angelic Realms with Whom, mankind or the Earth would not exist at all! Did you Know that? If not, now you are at least notified about this Truth of any God Creation or human miscreation.

Herein lies a Hint for the Changes to come!

To Fully Embrace the Appropriation of one's time throughout the changes now upon humanity, to better Implement the Wisdom Teachings within the Discourses that will follow, if one can align to them in a correct manner, one will See and Feel on All Levels, almost instantaneously, what Agape Love can do to bring about Freedom, Liberty, Peace and Balance in the lives of so many!!

Not all Dear Heart's will like these decisions, but '*they*' will not be coming from a place of Agape Love, but a personality fear '*that they are losing out on something*'. That is impossible and that will not serve them, or those who are entering the New Higher Universal Consciousness of a New Golden Life of God!

While the History of the Planet Earth and Human Life herein, will be covered in all the preparations ahead of you for a Complete and Comprehensive Understanding of Human

Evolution here on Mother Earth or Mother Gaia as She is also Known, for this **'New Christed Divine Plan'** is Intricately Designed and Immaculately Conceived from and Within the Perfection of the Father's Light and the Mother's Love, where Divine Balance of the Masculine and Feminine Qualities, Attributes and Virtues are Created. NOTHING IS LEFT TO CHANCE in this God Plan!

COSMIC LAW WILL NOT ALLOW IT!

Life as it is known on Earth is far from what it is believed by the majority of mankind; what is seen outwardly is not the Truth, but an illusion that will pass away very quickly in time now, just as many civilizations have passed away before this one. For those of you who wish to Know the Truth of Humanity, much will be made available to you as you open to the Golden Opportunities that will make their way to you. But first you ask God to present that to you! However, no Truth can be Known until it has been experienced via individualized expression of the information shared! Words are just data that have no relevance unless one gives those words the Energy and Power to either become True or false for them.

It is for this reason this **'Cosmic Christ Mandate'** that has been Divinely Planned to help wake up a sleeping humanity, who have been suppressed into either a denial completely of their God Soul; or if recognized, has the Truth about the God Soul Being the Real Connection to God. Therefore, it is important before one begins to look into the **'Cosmic Christ Mandate'** which is made up of a **'New Constitution for a New 'I AM One World Nation'** and a **'New Declaration for the Freedom of Humanity'**; to understand some definitions that shall provide for a massive Awareness of some very Powerful True definitions. Not definitions given by man to suppress the recognition of God Within one's heart, while asking for the search outside of oneself to find God, but the True Metaphysical meaning, that will lift mankind away from the outer worlds of illusion and into the Many Mansions of the Inner Self or that Connection To God or Universal Consciousness via the Understanding that God is not separate from anything or anyone.

'Sin' for example, is a word that has attached to it more negativity in the world of religion compared to what it Truly means in its Metaphysical definition. **'Sin'** simply means **'the blockage or limitation of Light'** or **'The inability to work with 'Divine Grace' and the Light Body or the Light of God Within'**! These terms denote the Triumph over the self-serving earthly side of life as the ego personality. So, think about how this word, **'sin'**, in its religious contexts, has not served humanity in any way, other than denial of that which humanity Innately Are, **'God Free Beings'**! This is but one of the changes that this **'Cosmic Christ Mandate'** will Highlight! It makes no judgement in how anything has been used in the past, but how everything can and will be used in the Present and the Future!

The word **'God'** is hereby defined and is not to be misconstrued as a personage or entity in the representation of the Godhead, as the term is commonly used within organized religions, groups or communities. **'The Eternal, Infinite and Divine Source of Creation can only be found deeply Within the Self, the Inner Heart of One's Spiritual Source'**. This is referred to

as the Inner Christos or Christ, the God Within, the Holy Spirit or 'I AM' Presence, that is dedicated to the Divine Love, Truth, Peace, Harmony, Joy, Divine Justice, Abundance for All, Perfect Health and Wellbeing of one's life in family, both biological and Brothers and Sisters of a Greater Soul Family!

In comprehending the proper context for the use of the word 'God', and to begin to explore the deeper meaning, is to dedicate oneself to '*Seeking the Truth*' in all matters in life, to develop Purity of Heart and Purity of Mind through dedicated self-inquiry, and to '*Remember the Truth*' beyond all fear. The result is '*Divine Happiness*'!

Thus, Truth Seekers are Sacred within Universal Law, and are Supremely Protected by God's Truth. But do not forget that God is not any personage in any type of physical form, but rather a '**State of Beingness**', '*A Higher Universal Consciousness*' that is grounded into a physical plane of existence in form, for the Glory, Victory and Freedom of Humanity. The Beauty of Be-Coming God Consciousness, also known as Christ Consciousness in matter, is Spirit in matter! Just as Jesus the Christ was Spirit in matter!

Religions of today all have an Essence of this Truth within them, but the Full God Consciousness can ONLY be Opened to human beings, when the Cosmic and Universal Laws are understood, comprehended and followed, without exception, as Jesus the Christ Demonstrated to humanity, in His time upon Earth.

God or Universal Consciousness is the Only Authority, the ONLY Governing Power, because it is '*Just*' and '*Unconditional*'. This is why the '*free will*' of humanity must be allowed, so that mankind can understand what '*Authority*' means in their own lives, in their own time. The '*Law of Authority*' gives everyone, without exception, that Power, but the failings and liabilities and accountability come to those who misuse such power, as '*free will*' and '*human authority*' in this sense are one and the same!

The '*Law of Authority*' will be defined more deeply as one makes their way through all the Discourse information in time. But here is the greatest confusion of any human law and word definition and how Human Rights are to be Free and Sovereign Beings. It is so simple in words, yet extremely complex and difficult to attain in actions. '*The Cosmic Law of Freedom*'.

'The Law of Freedom is that movement which enables human beings the space to expand and grow in their ability to function in a manner that will allow others their freedom and space to grow, in order to free still others. Freedom is not a final 'State of Being', but an Ever-Expanding Action of Giving each other the space to create spaces for others, to create more spaces for still others yet to come. Freedom may be helped or hindered by human laws, definitions, principles, descriptions, disciplines and boundaries. However, ALL Universal Laws, free each and every one within a Unification of an Environment of Divine Synthesis instantaneously when Activated from a Rightful Application to God Life. Any Law which does less than this, is subject to the Rule of a Greater Law.'

'No one is Free until each is Free, and all are Freeing each other'.

These three Foundational Stones are the Heart of all that you will read, or listen to, decipher from your own levels of awareness and conscious understanding. Herein you are invited to explore the endless opportunities that you can experiment with, expand upon even more and then should this be your own individualized and or group interest, begin the implementation into your lives. Herein are no Laws or Rules or Orders that tell you, you must do this or that, or this is the only way that you will attain your Goals.

NO, COSMIC LAW DOES NOT WORK IN THAT WAY!

They are free to use as you please, as you perceive them to be of yourself. But they are there as the Highest Potential for when you have done with using your own *'free will'* or *'human authority'*, to try and create like God Creates! This is what *'True Freedom'* means! And God Through The Christ has now come to Open up to the Whole of Humanity a Higher Universal Consciousness Way of Life for those who have been trying and testing, experimenting, and implementing for millennia upon this Beautiful Planet called Mother Gaia; as well as those who feel ready to do so!

So, while this Divine Plan was Conceived and Inaugurated within the Chambers of Shamballa some 90 years ago, many Groups of unascended beings around the world, since the 1930's have been preparing and implementing all that humanity requires in terms of Knowledge and Understanding to make these huge Transitions by Humanity as a Whole Human Race over the years, decades and centuries to come. It has been said that this Full Transition could take around 15 generations or 300 years before the Full Consciousness of the Christ will be present throughout humanity. So, all this is about Planting a ***'New Seed of Human Consciousness'*** that will take every single person individually and as a group, community, village, town, city, state, nation and eventually the world to Come Together as ***'One United Force Field'***. Like any seed, each takes a lot of care and nurturance to allow it to grow and when it is ready, to bear its fruit.

This ***'Cosmic Christ Mandate'*** has been given by the Ascended Masters St. Germain and the Christ Jesus Himself and Entrusted to All Who may see its Intrinsic God Value that is so Precious for God Life for the People of Earth and so much more.

Our Brother Jesus The Christ, Spoke of this very aspect in His Christ Letter Number 7 of the Christ Returns Book!

JESUS THE CHRIST: *"Again, this is I, the CHRIST, who has come to you through a Letter to whomever can receive My Words.*

"The following Parable is as applicable to your modern era as it was to the times of the Jews, 2000 years ago. I Commend its Truth to you who read these Letters.

"A Sower went out to sow and as he sowed, some seeds fell along the path and the birds came and devoured them. Other seeds fell on rocky ground, where they had not much soil and immediately, they sprang up, since they had no depth of soil, but when the sun rose, they were

scorched; and withered away. Other seeds fell upon thorns and the thorns grew up and choked them. Other seeds fell on good soil and brought forth grain, some a hundredfold, some sixty, some thirty. He who has ears to hear, let him hear ...

“Hear then the meaning of the Parable of the Sower.

“‘I AM’ the Way, the TRUTH and the Life.

“When anyone hears the message regarding the Kingdom and does not understand it, the selfhood snatches away what was sown in his or her heart; this is what was sown along the path.

“As for what was sown on rocky ground, this is he or she who hears the message and immediately receives it with joy; yet he or she has no root in him or herself but endures for a while and when tribulation or persecutions come on account of the message, immediately he or she falls away. As for what was sown among thorns, this is the person who hears the message but the cares of the world and the delight in riches choke the message, and it bears no fruit. As for what was sown on good soil, this is he or she who hears and receives the message and understands it; they indeed bear fruit and yields, in one case a hundredfold, in another, sixty and another thirty-fold.’ Matthew 13. v.3

“My Purpose in sharing this Knowledge of the Truth of Being with you in these Letters, is to enable you to grow in Spiritual Love and Wisdom and bring forth the Fruits and Blessings of such Spiritual Love and Wisdom in your every moment of Evolving Consciousness. I long for you to be Richly Joyful.

“Therefore, let Us, Together, plough into your human soil of consciousness, turn it over, get rid of the stones of despair, break down the clods of non-comprehension with deepening Wisdom, pull out the weeds of your negative mental/emotional patterns with My Help, fertilize your soil of consciousness with ever increasing Faith. Then sow ever more beautiful Seeds Born of your Evolving Spiritual Perceptions and Unconditional Love. My Joy will be your Joy in this endeavour and your Joy will be added to My Joy. In this Unity of Purpose and Achievement, you will eventually feel that you are indeed of My Spirit and My Spirit is Being Poured into you. In this Way, We Will Experience the Oneness of THAT, out of which We have Both Taken Our Individuality. My Thoughts Will Become your thoughts untainted by your former ego-consciousness.

“I have described the Process, the Path, along which you will travel to achieve your most Sublime and Perfect Heart’s Desires. And so, I Say to you, although My Letters may be difficult to accept at first and will require time and effort to fully understand, they Are a strong Link Between your consciousness and Mine.” End Excerpt.

So, to take another analogy for the future to come, starting today, you are being asked to Imagine, Sense or Feel how such a **‘Cosmic Christ Mandate Divine Plan’** could be put into **LOVE IN ACTION!** Set into God Man and God Woman Motion **IMMEDIATELY.**

Like all New Creations, all changes in one's life, first you have to have the thought and desire to do it! Then you need to take the first step toward that desire. What will be your first choice to experience in your 'new' life next? The same old repetition of that which you have given your energies to in the past, or that which will expand your consciousness in the New and Higher Realms of possibilities and potentials?

No matter who you may be from a King or Queen to a tea giver or person who bends over to pick up a piece of litter, know that if you find this '**Cosmic Christ Mandate**' within your Awareness there is something here in it for you. What can you do in this lifetime given to you by God that will meet with your potential? Not everyone can Serve like the late Queen Elizabeth II, but a smile in the hospital as you offer the patient a cup of tea or person picking up someone's trash off the street without judgement, just for the Love to see a clean street can make the world of difference for another person.

Did you know it takes less energy to smile than it does to frown! Even in the face of the greatest travesties, a smile or a helping hand in Service can change the world forever! Whatever you do in Life, do it with Love and Joy Knowing that every life you change is a Blessing To God's Life Indeed!

And that is what this '**Cosmic Christ Mandate**' is all about!

Love, Peace, Joy, Happiness, Liberty, Abundance, Good Health and Wellbeing and of course Freedom for All!

Remember, Freedom is not a final '*State of Being*', but an Ever-Expanding Action of Giving each other the space to create spaces for others, to create more spaces for still others yet to come.

How will this be done? There are two ways! That which is life enhancing and that which is MORE Life Enhancing!

May your Life and the Life Around you, not just human life but All God Life, Be Blessed By You! By the Christ Within You!

The Entrance into the New Erthe is Now Open to every person upon Earth if they Truly Desire It! Albeit it will take some work yet, both in clearing the old belief patterns and human programming's that are still playing from within you outwardly, and to bring balance to those human travesties of '*false authority*' which are now well into such, their accountability within the Domain of Cosmic Law, The '*Law of Divine Justice*' through Agape Love.

Divine Justice, first of all, means the returning of all the life and consciousness of the outer self and its substance into the Management and into the Control of the Love of the 'Mighty I AM Presence' instead of the intellectual consciousness and feeling of the outer self. Therefore, when you think of Divine Justice, whether It be in nations or individuals or business activities or families, or wherever you want Divine Justice to bring the Perfection of Life, you are in reality asking for the Perfection of Life, which is Balance. Now the Perfection of Life is

Invincible, Eternal Purity, because that is Eternal Balance; and more than that, Eternal Purity is Eternal Protection. Eternal Purity is Eternal Mastery.

So, when you want Divine Justice for yourself or your loved ones or your nation or the world, you must go back to your Beloved 'I AM' Presence and the Ascended Host and the 'I AM' Presence of everyone embodied in this world, and call to that Source of Unconquerable, Limitless, Invincible, Victorious Love, the Sacred Fire Love of every Life Stream embodied in this world, the Sacred Fire Love in the Great Central Sun, the Sacred Fire Love of the Physical Sun, the Sacred Fire Love that keeps this world sustained, keeps it in its orbit, keeps the Powers of Nature growing upon it the things that sustain you and by which you are enabled to embody here and manifest as a human being and draw forth the Master Powers of Life into all outer activities to fulfil the Great Divine Plan, which again is Perfection, Eternal, Invincible, Forever Expanding.

When you want Divine Justice for yourself, you must first of all give It to Life. And that means you must give It, first of all, to your Beloved 'I AM' Presence and the Ascended Host, which means your attention there. That is Divine Justice. If you want Perfection, then your attention must go to where Perfection is, or you will never have It. And if you want the Perfection that is Perfect Balance, then your attention must go to your Beloved 'I AM' Presence and call forth whatever Sacred Fire compels Purity that holds Divine Balance. So, Divine Justice isn't just getting what you want and when you want it, making everybody else do your way, not at all. In fact, that hasn't begun to be Divine Justice yet, never will be until it's consumed!

People don't like to hear this, Precious Ones; but so long as people create discord by impurity, they are throwing something out of balance. And when things are out of balance, they will create discord; and discord is destruction. And destruction is the 'second death'. There is no compromise.

The Law is the Law. Energy is Energy. Vibration is Vibration.

And Balance is Balance, and Balance is Divine Justice.

So, this Divine '**Freedom's Gate**' Mission, to Open this Gateway, in fact take it off its hinges and Step through, with an Open Heart and Clear Higher Mind is for Humanity's Mighty Vision to walk toward, one step and one action In Love at a time, beginning Now on a mass scale; to make Divinely Manifest the changes needed to release a World In Need and Humanity from the strangle holds of human miscreations. This is YOUR Responsibility as a God Man and God Woman to do this in Love and Peace, without harming anything or anyone, for YOUR Own and Humanity's Salvation to be FREE! '**Harmlessness**' is an Active Keyword herein!

The People of the World knew that One Day the World would change! They held onto that Hope that God Has Given them. What they did not know was when or how. Now They Do!

The World Is Already Changed! Because you have been holding onto that GOD VISION!

THAT DAY HAS ARRIVED, IT IS HERE NOW, AND SO ARE YOU!
